Directions

1. List each IB Exam title and the score you earned below.

Exam Title	Score

2. Attach official test scores to this petition.
3. Please read the following before signing:
   A. Although a score of "5" is acceptable at Cypress College and most other California community colleges, it is not necessarily acceptable at the university level. Be sure to contact the university to which you plan to transfer to determine whether IB credit will transfer.
   B. We recommend strongly that you discuss the applicability of IB credit with a Cypress counselor before submitting this petition.
   C. Once IB credit has been posted to your Cypress College transcript, it cannot be removed, and you will not be permitted to take the applicable course at Cypress College.

I have read and understand the information above, and hereby request IB credit for the exams I have listed.
