# Timely Warning

February 2, 2015

A female student reported to Campus Safety that someone attempted to photograph her while she was inside a restroom stall. The incident was reported to have taken place at approximately noon today (February 2, 2015), on the third floor of the Business Building.

The student said that she was using the restroom when someone reached under the stall door holding a black phone with red accents in his hand. The student confronted the unknown male and scared him off. The student composed herself and returned to class before searching the area with two friends. The incident was reported to Campus Safety at about 2:15 p.m.

In addition to the camera phone, suspect was described as fair complected, and reported to be wearing black-and-white Vans shoes and beige jeans. Because no shirt sleeves were seen when the male reached under the door, it is believed he was wearing a short-sleeve shirt. The incident was immediately reported to the Cypress Police Department.

Anyone with information about the incident is asked to contact Campus Safety and or Cypress Police immediately.
