Honors student Sarah Eng Selected as Outstanding Graduate for 2013

Sarah Eng — an honors student, member of the swim team, and a Physical Education major — is entering the Diagnostic Medical Sonography program.

Sarah Eng said that as the oldest daughter in a family of 10 children, it was her responsibility of “setting the bar” of academic achievement high. Her younger sisters are also currently enrolled at Cypress College and are also exploring careers in the Health Sciences.

A home-schooled student herself, Eng passed the California High School Proficiency Exam in October 2010, at the age of 15. She enrolled at Cypress College’s sister campus, Fullerton College, the following spring.

It was while volunteering at La Leche League, which supports breastfeeding mothers, that Eng met an ultrasound technician and she became interested in the field. Eng researched educational opportunities and eventually enrolled at Cypress College. Eng also noted that she was impressed with the college’s accreditation and the success rates graduates had in obtaining jobs.

Each week, Eng prepares and teaches a Bible lesson to early elementary school children at Crescent Baptist Church. She has also taught her younger siblings how to read music and directs her family’s handbell choir, which has performed for a variety of audi...
CONTINUED: Sarah Eng is Cypress College’s Outstanding Graduate

Sarah Eng has been appointed to the position of SLO Coordinator by the Academic Senate. “I am very excited that Sarah has agreed to head up this position and know that she will be doing a fabulous job of keeping us on track,” said Academic Senate President Gary Zager. “A big thank you to Nancy Deutsch for doing such a great job holding down this position and helping to get us through accreditation. You stepped up when we really needed you.”

Said Dr. Simpson: “Thank you, Sarah, for your willingness to accept this incredibly important assignment. I look forward to your leadership of the College SLO effort. I also extend my appreciation to Nancy Deutch.”

CONTINUED: Baseball Team Makes California Final Four Tournament

while sophomore DH Blake Davey batted .318 with 48 hits, 13 doubles and a team-best 31 RBI. Both also earned first-team, All-OEC honors.

Freshman right-hander Stephen Kane, the OEC Pitcher of the Year, went 12-0 with two complete games and a 2.09 ERA, striking out 83 in 99 innings of work. Bryson Kauhaahaa (5-1, 3.74 ERA), Nick Rogowski (6-1, 3.30 ERA) and Ryan Hartman (3-2, 2.58 ERA) have all produced solid numbers in the starting rotation, while relievers Alon Leichman (2-0, 1.42 ERA) and Darren Gidley (1-5, two saves, 3.97 ERA) have been Pickler’s go-to guys out of the bullpen.

Entering the Southern California playoffs as the ninth seed, Cypress upset No. 8 Cuesta with a two-game sweep (8-3 and 5-0). The Chargers lost to Mt. San Antonio in the opener of the Super Regionals, 4-3, but bounced back with a pair of doubleheader sweeps to reach the Final Four. Cypress beat College of the Canyons 5-4 and Saddleback 6-4 before beating Mt. SAC twice (7-3, 6-0) to earn a hard-fought trip to Fresno.

Sister campus Fullerton College joins Cypress in the Final Four, marking the 13th time since 1988 that two teams from the same conference qualify for the state tournament and the ninth time the two teams have come from the Orange Empire Conference. However, this is the first time two teams from the North Orange County Community College District have reached the Final Four at the same time.

In the opening game of this weekend’s four-team, double-elimination Northern California’s top seed, the Santa Rosa Junior College Bear Cubs (33-7), will face the Southern California No. 2 seed Cypress College Chargers (29-14), beginning at 12 p.m.

The revised proposal is reflective of those efforts. The “May Revise” includes a regional consortia of K-12 and CCC adult-education schools to plan curriculum and allocation of resources in a coordinated manner. $30 million in planning and implementation grants will be awarded in 2013-14, while $500 million will fund adult education providers jointly operated by the regional consortia in 2015-16 and beyond.

As the proposal is studied, more details will be shared with the campus community. Learn more at http://www.nocccd.edu/

2013 CCCAA State Baseball Championship

GAME 1 – Friday, May 17, 2013 – 12:00 p.m.

#2S Cypress College Chargers (30-14) def. #1N Santa Rosa Junior College Bear Cubs (33-8-1), 7-1

FRESNO – When Cypress College was in need of a victory during the season, they turned to freshman pitcher Stephen Kane. On Friday in the first game of the California Community College Athletic Association State Baseball Championship at John Euless Ballpark, Kane tossed a complete game to lead the Chargers to a 7-1 win over Santa Rosa Junior College, the top-seeded team from Northern California. The win sends Cypress (30-14), the fourth-place team out of the Orange Empire Conference, into the winner’s bracket at 2 p.m., while the Bear Cubs (33-8-1) drop into the loser’s bracket, there they will play a 10 a.m. elimination game.

Cypress broke a 1-1 tie in the top of the fifth inning on a two-run single by Sam Tolleson that plated Dylan Moore and Jacob McWilliam. The Chargers would add four more runs in the top of the sixth inning, thanks in part to a fielding error by Bear Cub shortstop Brett Gillespie, who dropped a potential double-play ball. After Blake Davey led off the inning with a base hit, Robert Chavarria hit a ground ball to first baseman Anthony Sequeira. His throw was on line, but Gillespie dropped the throw, which was followed by a walk to Brandon Morones, which chased starting pitcher Bryan Webster (6-3). McWilliam and Dylan Moore each drove in runs with sacrifice flies, while Parker Starr doubled home a run before John Torres rounded out the scoring with an RBI single.

Kane tossed his third complete game of the season, and allowed just one run on 11 hits, while Santa Rosa stranded 10 runners on base. In six of the innings, the Bear Cubs left runners in scoring position, including four on third base. He worked out of jams in the first and second inning, retiring Taylor Martin and Spencer Neve on ground balls. After the Chargers took their 3-1 lead in the top of the fifth inning, Kane faced Sequeira with runners at second and third, but induced a ground ball to end the threat.
A Summary of the Board Meeting of May 14, 2013

Chancellor’s Report – Dr. Ned Doffoney

Final Four – Both Cypress College and Fullerton College’s baseball teams will compete for the State Championship this weekend in Fresno.

Meeting with Students – Dr. Doffoney reported on his meeting with students at Fullerton College to discuss how to close the achievement gap and ensure broad communication on the campus. He thanked Rajen Vurdien, Rolando Sanabria, Christine Lamm and Adela Lopez for their participation.

Innovations 2014 – NOCCCD and the Coast Community College District will co-host the Innovations 2014 conference in Anaheim, March 2-5, 2014.

May Revise – Vice Chancellor of Finance and Facilities Fred Williams informed the Board of the Governor’s May Revise. Overall, he believes it is a decent budget with no major reductions.

District Foundation – The Chancellor also reported that the District Foundation has agreed to act as the fiscal agent for two projects that support the District’s efforts to partner with the community: California Community College Banner Group (3CBG) and Californians for the 21st Century (C21).

NOCCCD Incident Communications Plan Presentation – Kai Stearns Moore, District Director of Public and Governmental Affairs; Marc Posner, Cypress College Public Information Officer (PIO); Andrea Hanstein, Fullerton College PIO; and Jennifer Perez, School of Continuing Education PIO, gave an overview of the NOCCCD Incident Communications Plan. The plan was created to serve as a one-stop resource for managing communications during all levels of incidents District-wide. Faculty and staff can access a copy of the plan on MyGateway.

Innovation Fund 2013-14 Update – Kenneth Robinson, District Director of Equity and Diversity, gave a brief update on the 2013-14 Innovation Fund. Awards will be distributed to the Cypress College Nursing Program and the School of Continuing Education.

Comments from the College Presidents and Provost

Dr. Rajen Vurdien, Fullerton College President; Dr. Bob Simpson, Cypress College President, and Dr. Greg Schulz, School of Continuing Education Provost, reported on activities from their respective campuses.

Comments by Members of the Resource Table

New Members – DMA President Dione Carter announced the new DMA Executive Board for 2013-14, including incoming President Gil Contreras.

Annual Student Art Exhibition – Cypress College Academic Senate President Gary Zager reported on the opening of the Cypress College Student Art Exhibition. He stated that private showings can be arranged.

Faculty Senate Events – Fullerton College Faculty Senate President Rolando Sanabria reported on several recent events including the organization’s annual Family Night on May 2, which over 600 people attended. He
announced that this was his last Board meeting and thanked Fullerton College President Rajen Vurdien for his support over the last year.

Faculty Safety Issues – United Faculty President Dale Craig thanked the Trustees who attended the annual dinner. He also mentioned that some faculty had concerns with on-going student threats, and stated the United Faculty’s intention of re-evaluating the Board’s policy on student suspensions.

Classified Staff Appreciation Week – CSEA President Rod Lusch thanked the Board for their passing of the Classified Staff Week resolution.

Comments by Members of the Board of Trustees

New Student Trustees – Cypress College Student Trustee Alie McCaskill announced that the new student trustee for Cypress College will be Claudia Zaragoza Peña. Fullerton College Student Trustee Gabael Botello announced that the new student trustee for Fullerton College will be Don Lundy.

Student Success Scorecard – Trustee Dr. Barbara Dunsheath reported on her attendance at the recent Community College League of California’s (CCLC) Trustee Conference, including a workshop on the usefulness of the newly-released Student Success Scorecard. She expressed interest in the interactivity of the Scorecard, especially the user’s ability to mine for data. She would like to see a future presentation on how the colleges are using the Scorecard and are planning to utilize it.

Fullerton College Events – Board Vice President Jeffrey Brown congratulated Fullerton College on its recent events, especially the kick-off for the Centennial Celebration and its participation in the Fullerton Railroad Days. He also extended a special thank you to United Faculty for their end-of-the-year gathering.

CCLC Conference – Board Secretary M. Tony Ontiveros thanked Trustees Dunsheath and Miller, as well as Chancellor Doffoney, for traveling to CCLC’s Trustees Conference during which he was sworn in as the President of the California Community Colleges Trustees (CCCT) Board. He commented on a session he attended there on the issue of diversity, and urged the administration and Board to find new ways to increase diversity on our campuses.

Cruz Reynoso – Trustee Molly McClanahan reported on a visit to the Fullerton Museum where she viewed a documentary on Fullerton College alumni Cruz Reynoso entitled, “Cruz Reynoso: Sowing the Seeds of Justice.” She also commended Cypress College for Dr. Kim Bartlett’s memorial service, which she said was the most beautifully arranged presentation honoring an inspirational woman.

Senate Bond Vote – Trustee Leonard Lahtinen commented on the Fullerton College Academic Senate’s recent vote regarding a potential 2014 bond measure for the District. He expressed concern that votes were being taken before the Board has even discussed whether to move forward with a bond. He stated that the District would not go out for a bond unless there were good reasons to explain to the public why this would help NOCCCD. He also commended Trustee Michael Matsuda for the recent P21 event held at Savanna High School during which State Superintendent of Public Instruction Tom Torlakson toured the school.

Excellence in Trusteeship Program – Board President Donna Miller urged the Board to consider participating in CCLC’s Excellence in Trusteeship Program. She thanked SCE Provost Dr. Greg Schulz for presenting on adult education at CCLC’s conference and congratulated Trustee Ontiveros on his assumption of the CCCT Presidency.

Finance & Facilities

Finance Reports – The Board received the District’s Quarterly Investment Report and the Quarterly Financial Status Report, both for the quarter ended March 31.

Fullerton College – The Board approved the following regarding the Technology & Engineering Complex: enter into a consultant agreement for management services, award a contract for equipment moving and anchoring, and award a bid for the Relocation Project. The Board also received information on the amended consultant agreement for the removal of modular classrooms (Classrooms 1956-1960 and Technology & Engineering Modular Swing Space) and the parking lot conversion. A consultant agreement was also approved.
to provide architectural and engineering services for the repair of the existing exterior stairs located on the northern side of Building 2000.

**Cypress College** – The Board authorized the bid for the Fine Arts HVAC Replacement Project. The Board also authorized the acceptance of new revenue for the Lighting Project.

**Instructional Resources**

**Subcontract Agreement** – The Board authorized a request to enter into a subcontract agreement with the Grossmont-Cuyamaca Community College District Health and Science Program Initiative.

**Curriculum** – The Board approved the summary of curriculum additions, revisions, and deletions for the School of Continuing Education, to be effective fall 2013; and the summary of curriculum changes for Fullerton College, to be effective fall 2013.

**Human Resources**

**Retirements** – The Board approved the retirements of Jacqueline Boll, Fullerton College Dean, Library/Learning Resources, effective July 1; Paul Bottiaux, Cypress College Physical Education Instructor, effective June 1; Adela Lopez, Fullerton College Ethnic Studies Instructor, effective June 1; Elmer Pellegrino, Fullerton College Administration of Justice Instructor, effective June 1; Rita Pierce, SCE Program Assistant, Kids College/Health/PE Programs, effective August 3.

**Negotiated Agreement** – The Board approved the negotiated agreement between United Faculty/CCA/CTA/NEA and the District with respect to salary and benefits for the 2012-13 fiscal year.

**General**

**Administrative Procedure** – The Board adopted revised, proposed Administrative Procedure 2431, Chancellor Selection, and directed that it be placed on the District’s website.

**Compensation** – The Board considered whether an increase to Board members’ compensation is desirable at this time. Members unanimously agreed not to pursue an increase.

**Assessment** – The Board received and reviewed the 2013 Board assessment summaries.

**Board Policy** – The Board re-adopted Board Policy 6320, Investments.

**Next Regular Meeting**

The next regular meeting of the NOCCCD Board of Trustees will be held at 5:30 p.m. Tuesday, May 28, in the first-floor Board Room, Anaheim Campus, 1830 W. Romneya Drive, Anaheim.

“News From the Board of Trustees” is produced by the NOCCCD Public Affairs Office. It is meant to keep you apprised of key Board actions, but is not intended as a replacement of the official minutes of the Board meeting.

Governor Brown released his revised 2013-2014 budget proposal this morning:

<table>
<thead>
<tr>
<th>Item</th>
<th>January Proposal</th>
<th>May Proposal</th>
</tr>
</thead>
</table>
| Apportionment Changes                                  | $196.9 million, unspecified | ▪ Cost-of-living adjustment: $87,500,000 (1.57%)  
▪ Enrollment growth: $89,400,000 (1.5%) |
| Student Success (formerly Matriculation):              | $49,183,000      | $99,183,000  |
| Expanding the Delivery of Courses through Technology:  | $16,910,000      | $16,910,000  |
| Adult Education:                                       | $315,700,000 and shift existing adult education responsibility to community colleges | ▪ $30,000,000 for two-year planning grants, with a $500,000,000 pot available in 2015-16 for regional consortia of schools and CCs. Apprenticeship would continue to be transferred to the Chancellor's Office.  
▪ $339,800,000 (one-time funds in 2012-13) to a revised deferral of $621.2 million in 2012-13 and $557.5 million in 2013-14 |
| Deferral Buy-down                                       | $179,000,000     | (Not discussed in May Revision documents; already rejected by legislative committees) |
| Change apportionment to weighted census                | Proposed         | Proposed     |
| Require FAFSA for BOG Waivers                          | Proposed         | Implement a requirement in 2014-15 to require students to complete FAFSA after one term and to require Board of Governors to develop standards for documenting independent student status. |
| Implement 90-unit cap on state support (full student cost beyond 90) | Proposed         | Withdrawn    |

We are diving into the details of the May Revision, and are concerned that the significant current year deficit is not addressed. However, we applaud the governor for finding a balanced approach to student access, success, and equity, as well as his recognition that more time is needed to provide a seamless transition to a new model of delivering adult and noncredit education.

The Legislature is now expected to begin taking action on the final budget, with completion by June 15. We will be meeting with the Consultation Council on Thursday and the CEOCCC board on Friday to develop an advocacy response.

We hope that we can continue to count on your strong support!

If you have any questions, please don't hesitate to contact me at scottlay@ccleague.org or Theresa Tena at ttena@ccleague.org.

Sincerely,

Scott Lay  
President and Chief Executive Officer  
Orange Coast College '94
In order to safeguard our employees’ health and wellness, as well as to comply with Cal/OSHA requirements to identify and eliminate hazards that could potentially cause repetitive motion injuries to employees, the District will provide office ergonomics training for District employees. This training is a must for all classified office personnel, including managers, since they are most likely to be at risk for repetitive motion injury due to extensive use of the computer. However, all other employees identified as prone to repetitive motion injuries, or anyone with any experience with repetitive injury must receive this training. Employees in the categories described above must attend one of the six sessions offered below, and other personnel who use the computer extensively are strongly encouraged to attend.

This training will also include explanation of the District’s ergonomics program and provide resources and tools available to all employees and families, as well as to the students.
