

ENGLISH
SAMPLE QUESTIONS
(CTEP) COLLEGE TESTS FOR ENGLISH PLACEMENT

PART 1: Reading Comprehension: Read the paragraph and answer the question.

Since its founding, this nation has denied women, who comprise a majority of the population, full access to political and economic power. Progress has been made since then, but much of it has been slow, and today women still face discrimination even though now it is often more subtle or in the form of **micro-inequities**.

In line 5 **micro-inequities** means:

- A. Justified complaints
- B. Tensions may arise between women and men
- C. Discount individuals on the basis of an ascribed trait
- D. Incapable of performing the task

PART 2: Sentence Structure and Grammar: Identify sentence and grammar errors. Which is correct?

- A. One of the musicians who is Eric has been looking for a practice room.
- B. Eric, one of the musicians, are looking for a practice room.
- C. Eric, who is one of the musicians who are looking for a practice room.
- D. Eric, one of the musicians, is looking for a practice room.
