Dear OCLC Member:

For the second consecutive year, we are pleased to report that there will be NO INCREASE to OCLC Cataloging, WorldCat Resource Sharing and Access subscription prices for the upcoming fiscal year.

Enclosed please find your FY2011 Annual OCLC Subscription Renewal. Just as in FY2010, OCLC will provide billing support, order assistance, deposit account programs and training for your library. Your library continues to be served directly by OCLC; however, some members opt to receive invoices and billing support from OCLC's billing partners. This remains an option in FY2011.

Your OCLC membership is valued by librarians and library users around the world. Your participation in the cooperative shapes many innovative library services, research, advocacy and professional development initiatives. These initiatives, in turn, help to advance the profession, reduce the rate of rise of library costs and impact what the world discovers and learns. On behalf of your fellow OCLC members and staff members, and countless library users, thank you for your continued support of the cooperative's vision.

We hope that you will find this information helpful as you plan for the upcoming year. Please contact OCLC's team of consultative librarian specialists at 1-877-747-4819 or via e-mail at oclc renewals@oclc.org to discuss any questions you might have regarding your renewal information.

Sincerely,
