Payment Distribution Information

This scholarship has a few rules and requirements that are not found in most other Foundation Scholarships. They are as follows:

- 1) Osher scholarship is disbursed in two payments – one the fall semester after it is awarded, and one the following spring semester. In this case, that means that the first half of the scholarship is awarded approximately the third week of the fall 2014, semester (after the drop-date) and the second payment is disbursed approximately the third week of the spring 2015, semester (after the drop-date).**
- 2) Students must be enrolled in at least six units for each of those two semesters to receive the scholarship payment. Failure to complete at least six units in the fall will disqualify the student for payment in the spring, regardless of the number of units in which they are enrolled for the spring semester.**
- 3) Students may apply for and be awarded the Osher Scholarship prior to completing the 24 units required for qualification. However, if the student has not completed the entire 24 units before the beginning of fall 2014, semester, the scholarship is forfeited.**
- 4) Payment amounts are as follows:**
 - a. Students enrolled in 12 or more units each semester will receive a fall payment of \$500 and a spring payment of \$500**
 - b. Students enrolled in 9 – 11.75 units will receive \$375 for each semester**
 - c. Students enrolled in 6 – 8.75 units will receive \$250 for each semester**
 - d. Students enrolled in fewer than six units will forfeit their scholarship.**
- 5) This scholarship requires that students be making satisfactory educational progress toward their career goals. The scholarship committee has determined this to mean that the student must maintain a minimum GPA of 2.0 throughout the payment period. If the student's grade point average drops below 2.0 after the spring 2014, semester, the entire scholarship is forfeited. If the student's GPA falls below 2.0 after the fall 2014, semester, there will be no spring payment.**
