Text Alert Notifications

1

Students are encouraged to utilize MyGateway to update their personal information for text alert messaging in the event of an emergency. Students must provide their personal information in myGateway to receive these text notifications.

Follow these steps to verify that your cell phone number and email address are entered and current:

- 1) Sign into MyGateway.
- 2) Click the “Student” tab
- 3) Look for the “Personal Information” channel and click on the item “Set Text Message Alert Preferences”
- 4) Enter your cell phone information, the cellular service provider, the level of messages you wish to receive and the campus or campuses you want to be notified about
- 5) After entering your information, click on the “Submit” button

Text Message Alert Preferences

This feature is intended to provide the ability for college administration to send text messages to cell phones on an opt-in basis. Please understand that this feature is presently in a preliminary phase, and is not a guarantee of service. You may opt in or out at any time. To opt-in, complete and submit the following form. To opt out later, submit the form selecting "Delete" as the Opt-In Level.

You will receive all messages with a level equal-to or higher than your opt-in level. If you opt in for Informational messages, you will receive High Importance and Emergency messages as well.
