Address: _____ City: _____ State: _____ Zip: _____

License #: _____ Year: _____ Make: _____ Model: _____ Color: _____

Mileage: _____ VIN: _____ (located on dashboard or door pillar)

Customer Concern/Type of Repair Requested: _____

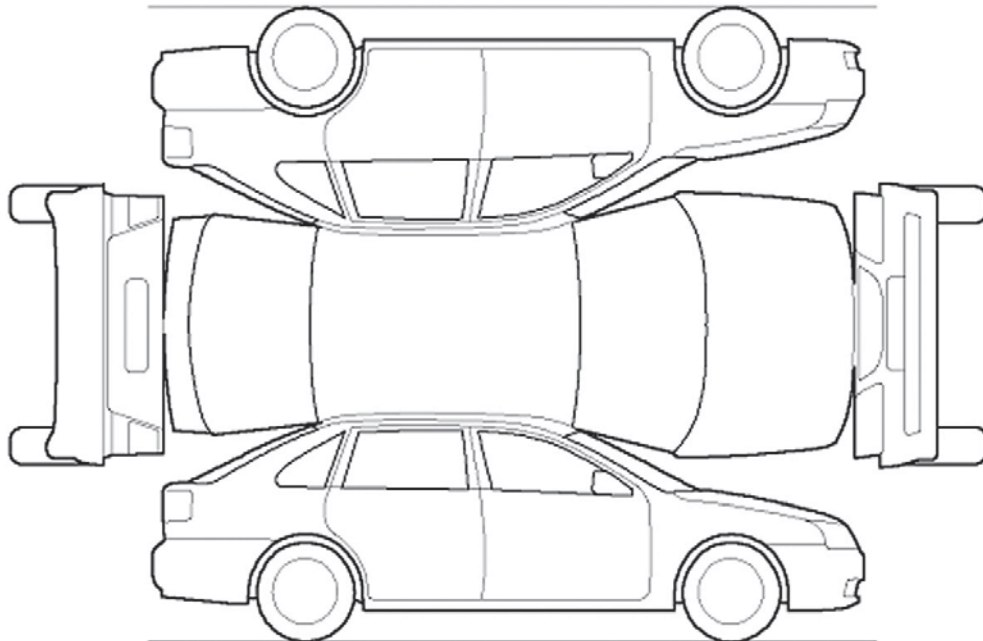

General Conditions:

I, the undersigned, hereby grant the student(s) selected permission to operate, to inspect, and to perform repair on my automobile and to undertake and complete the automotive work described above. I hereby hold the Cypress College, the North Orange County Community College District (NOCCCD), its students, agents, and employees free and harmless from all liability resulting from services performed or undertaken incidents this "request for Automotive Services", and for the loss or damage to vehicle or articles in case of fire, theft or accident. I hereby acknowledge that I have read and agree to the following general conditions:

1. Since all work will be performed by students incident to their participation in the automotive classes, no charge will be for labor. A charge will, however, be made for parts necessary to accomplish the requested and/or needed repairs and a charge determined by the schedule below will be charged for materials used during the repair. This charge covers materials, such as cleaning solvents, lubricants, grinding wheels, and equipment repair. All charges must be paid before a car will be released to its owner.
2. No time limit is established within which repairs will be completed.
3. The Cypress College, the NOCCCD, its students, agents and employees in no way guarantee repair work undertaken pursuant to this "Request for Automotive Services" and hereby disclaim any warranty, whether expressed or implied, regarding automotive repairs performed or undertaken. An express mechanics lien is acknowledged on above vehicles to secure payment of repairs thereto.

Vehicle Condition:

(When dropped off for repair)

Schedule of Fees:

Each vehicle will be assessed a lab fee to be determined by the current industry standard flat rate hours of the work performed multiplied by \$15 per flat rate hour (this will be included in the estimate before work is started) plus:

Information retrieval fee:	\$5.00	Emission testing:	
Shop supplies:	As used – indicated on estimate	\$38 total including certificate for most vehicles 1995 & newer.	
Tire disposal:	\$3.00 per tire	\$48 total including certificate for most vehicles 1994 & older	
Fluid disposal:	\$5.00 per each type of fluid	Additional charges for repairs if needed	
Battery disposal:	\$5.00
