Column 2 requires that you fill in one or more options for the GE Pattern to include *CC Native*, *IGETC*, and/or *CSU GE Breadth*.

1. **NOTE:** Each course will be evaluated based upon specific criteria for each pattern. Only 9 units of upper division coursework may be approved toward the CC Native Pattern Categories (A – E).
2. Submit this form to the Transfer Center (Student Center, 2nd Floor) or Admissions and Records (Student Center, 1st Floor) for review and approval, **along with a copy of your transcript.**

Course Title/Prefix/Number	Applicable GE Pattern(s) for Pass Along	GE Category for Pass-Along	University Attended	Term & Year Course Completed

Please read the following before signing for those petitions being submitted for CSU GE Breadth and/or IGETC:

If an upper division course taken at a CSU, or other four-year college or university, is certified by Cypress College to meet a lower division requirement, the student may not be able to count the course towards the 9 units of upper division GE required for graduation. If certified, the student may be required to take an additional upper division course. This may not be in the student's best interest.

Furthermore, CSU students are required to complete 39 semester units of lower division general education requirements to graduate. If students apply upper division units to the lower division requirements for CSU GE Breadth or IGETC certification, they may need to complete additional lower division units to reach the required 39 lower division units needed to graduate upon transfer.

I have read and understand the information above.
