

## **Emergency Communications**

Cypress College has a variety of modalities it can use in the event of an emergency or crisis on campus.

NOCCCD My Gateway system will send Emergency Messages to registered users on mobile and home telephone, and e-mail. Students may register on my Gateway by “opting in” for emergencies under the Text Alert Preferences section.

- Person to Person contact
- Public Address System
- Fire alarms
- Campus Marque
- Campus Signs
- Timely Warnings
- Emergency Notifications
- Facebook
- Twitter
