

## **Gas Leak**

- Gas leaks, when unreported, could result in an explosion and subsequent injuries or death to members of the Cypress Community. If you smell gas:
- Remain calm and notify Campus Safety at ext. 47387
- Evacuate the Building.
- Do not activate the fire alarms, unless there is a fire.
- Evacuate the building and remain in the designated assembly area and wait for further instructions from Campus Safety, Police, or Fire department personnel
