Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Important Dates

These dates apply to scheduled classes meeting the full length of the semester.

September 1, 2020 ...................................................... First Day to apply for Fall 2021 Admission

July 7 ....................................................................... myGateway Registration Begins

August 19 ..................................................................... Special Admit students register

August 23 ..................................................................... Fall 2021 Classes Begin

Prior to the first day of class
If the class is OPEN, an Add Authorization Code is not required.
If the class is CLOSED, a Waitlist option may be offered.
There is no guarantee of enrollment into any class.

Starting the first day of class
An Add Authorization Code is required for most classes.
(Refer to the How to Add/Drop a Class/Waitlist information in the Class Schedule.)

August 23 ................................................................. Begin Taking Audit Requests

September 6 .............................................................. Labor Day — Campus Closed

Last Day to Add Classes

Last Day to Drop Classes as a No Show and to Qualify for Refunds

Last Day to Drop Classes WITHOUT a “W”

September 7 .............................................................. Campus Safety begins issuing parking tickets for vehicles that have not been registered in the campus virtual parking system

September 13 .............................................................. Priority — Deadline to apply for Fall 2021 Graduation

Priority — Deadline to apply for Fall 2021 vocational certificates

September 24 .............................................................. Last Day to File Pass/No Pass Grading Option Forms

ADTs and AA/AS Degrees — Deadline to apply for Fall 2021 graduation

Deadline to apply for Fall 2021 vocational certificates

October 18 ................................................................. Second Eight-Week Classes Begin

November 1 .............................................................. First day to apply for Spring 2022 Graduation

First day to apply for Spring 2022 vocational certificates

November 11 ............................................................. Veterans Day — Campus Closed

November 12 ............................................................. Last Day to Increase/Decrease Variable Unit Classes

(must be done in person)

November 14 ............................................................. Last Day to Drop Classes WITH a “W”

November 25–28 ....................................................... Thanksgiving Holiday — Campus Closed

Saturday and Sunday Classes will not meet

December 11 ............................................................. Fall 2021 Semester Ends

Year Round ............................................................... Apply for CSU General Education/IGETC Certification
**Apply Online**
- New and returning* students apply to the college at www.cypresscollege.edu
- Continuing students do not need to reapply.

*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

**Orientation**
- To complete orientation, students are encouraged to complete the online orientation via myGateway.
- To access the New Student Orientation, log onto myGateway via the Cypress College Home page, click on the “Student” tab, then click on the “Online Orientation” hyperlink and follow the instructions.

**Counseling**
**New Students**
- Make a virtual appointment to create an Abbreviated Student Education Plan with a counselor. Students can schedule an appointment by calling the Counseling Center, (714) 484-7015.

**Continuing Students and Returning* Students**
- Virtual counseling sessions are available during peak registration periods to answer any general questions regarding schedule planning. Students are recommended to meet with their major counselor during the semester for a 30 minute appointment for academic planning.

For individual appointments please call (714) 484-7015

*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

**Assessment Process**
New and returning students can complete the assessment process for math/English by completing the Guided Self Placement: https://bit.ly/2VAnscJ or by meeting with a counselor to review all transcripts and test scores.

ESL (English as a Second Language) placement exams are available through the Assessment Center. Please contact the Assessment Center at email: tdowdle@cypresscollege.edu

**Financial Aid**
- Apply for Financial Aid at www.fafsa.ed.gov or the California Dream Application (for eligible AB-540 students).
- Visit the Financial Aid website at www.cypresscollege.edu/admissions/FinancialAid

**Register for Classes and Pay Your Fees**
- Students receive registration appointments by email and can view their time on myGateway’s “Check Registration Appointment” under Registration tools on the student tab.
- Fees are due at the time of registering and can be paid by debit or credit card on myGateway.

---

**Before the Semester Begins**

**Before the Semester Begins:**
- Familiarize yourself with DegreeWorks and myGateway.
- Buy your Books!

**After the Semester Begins:**
- See your Major Counselor to create a comprehensive educational plan and for further information regarding your course of study. Appointments can be made by calling the Counseling Center at (714) 484-7015.
Step 1: AN APPLICATION FOR ADMISSION TO THE COLLEGE MUST BE SUBMITTED IF:
- You are a first-time student and have never registered in classes at Cypress or Fullerton College.
- You previously applied at Cypress or Fullerton College but never attended classes.
- You are a former student at Cypress or Fullerton College and returning after an absence of one or more terms.
- You are a high school graduate or at least eighteen years of age.
- You are enrolled in K-12 and qualify for the Special Admit Program. Each semester, a completed Special Admit Form with the appropriate approvals must also be submitted to the Admissions and Records Office by emailing specialadmit@cypresscollege.edu
- You are an International Student who is eligible under a student Visa F-1. For additional information on the international student process, call (714) 484-7049

APPLICATION FOR ADMISSION
The Application for Admission can be accessed using www.cypresscollege.edu. Click on “Apply NOW!” and follow the OpenCCCapply instructions. August 31 is the first day applications are accepted for Spring, Summer and Fall semesters.

Step 2: ORIENTATION
New Students are required to complete a one and one-half hour orientation to the college system.
To access the online orientation, please log into your myGateway account, click on the “Student” tab, then click on the “Online Orientation” hyperlink. Be sure to meet with a counselor to complete your first semester educational plan
For more information please call (714) 484-7015.

Step 3: COUNSELING
Continuing and Returning Students may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Virtual counseling appointments can be made by calling (714) 484-7015.
Counseling Center is available online via Cranium Cafe: https://www.cypresscollege.edu/services/counseling/online-counseling/

COUNSELING CENTER VIRTUAL HOURS:
MON–THU 8:00 am–6:00 pm
FRI 8:00 am–5:00 pm
Spring counseling services are provided online through Express Counseling. Please call (714) 484-7015 or visit the Online Counseling website: https://www.cypresscollege.edu/services/counseling/online-counseling/

New Students AND Returning Students
- Use the link provided above to meet with a counselor through our Online Express Counseling with your unofficial high school transcripts or assessment scores from other colleges for course placement and prerequisite clearance.

Step 4: ASSESSMENT
New and returning students can complete the assessment process for math/English by completing the Guided Placement: http://www.tinyurl.com/nocccd-gsp or by meeting with a counselor to review all transcripts and test scores.
ESL (English as a Second Language) placement exams are available Online. Please contact the Assessment Center at email: tdowdle@cypresscollege.edu

Test Results
Retest Policy
Students may retest 14 days after their initial assessment, retests thereafter are permitted 120 days from the date of the most recent retest. Requests to retest before this period has passed require counselor approval (14/120 days).

Students may not retest if they have started coursework in that subject and earned a letter grade, P/NP, or W in that course.

Step 5: FINANCIAL AID
Cypress College Enrollment Fee Waiver
California College Promise Grant (CCPG)
formerly known as Board of Governors Waiver (BOGW)

WHAT IS CCPG?
The CCPG is a state sponsored program which only waives enrollment fees for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

HOW DO I APPLY?
There are two options to apply for the CCPG
Option 1 — Preferred option: complete the FAFSA at https://fafsa.gov or the California Dream Act application at https://dream.csac.ca.gov
Option 2 — Complete a CCPG only application on myGateway. Below are the steps to guide you to the application:
1. Log in to myGateway
2. Under the Student tab, select Financial Aid
3. Select California College Promise Grant Application
4. Select the appropriate academic year and school
5. Complete and submit the application online
You may be required to submit supporting documentation to the financial aid office.

**Note:** You must add both Cypress and Fullerton to your FAFSA or CA Dream Act for CCPG considerations.

**WHAT ARE THE DIFFERENT CCPG APPLICATION METHODS FOR QUALIFYING?**
The CCPG application has three methods for qualifying:

**Method A:** Is for students on public assistance programs such as TANF/CalWORKs, SSI/SSP, and General Assistance.

**Method B:** Is for low income students whose previous year income was within qualifying income guidelines, established by the California Student Aid Commissions.

**Method C:** You must have already applied for and been determined to have at least $1104 of financial need by filing a FAFSA or CA Dream. No CCPG application is required for a CCPG Method “C” waiver.

**WHAT IF I AM ELIGIBLE?**
If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester. You will see your fee waiver posted in myGateway and your fees will be waived at the time of registration if you qualify.

**CCPG REQUIREMENTS**
The CCPG requires students to meet Academic and Progress Standards. For Academic Standards — a CCPG recipient must maintain a cumulative 2.0 GPA or higher. For Progress Standards — student must complete more than 50% of cumulative courses attempted.

All students must maintain both standards to continue to receive the CCPG. If these standards are not met for two consecutive primary semesters (fall and spring), then the students will lose their CCPG eligibility. **Current and former foster youth 24 years old or younger are exempt from the Academic and Progress Standards.** For more information, please contact the financial aid office or visit the financial aid website. The financial aid office will send emails reminding students of these requirements each semester.

**DO I NEED TO KNOW ANYTHING ELSE?**
If you need help with books, supplies, food, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) at fafsa.gov or the California Dream Application (for eligible AB 540 students) at https://dream.csac.ca.gov immediately.

**Step 6: REGISTRATION**
Continuing students will be assigned registration appointments based on district policies AP/BP 5055. Be advised that assessment, orientation and an education plan impact registration appointments. Registration appointments and other necessary information will be sent by email. All students should register on their assigned date and time; however, registration appointments do not guarantee enrollment into any class. The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes. Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

**Special Admit**
All Special Admit students must submit the online admissions application prior to registering for classes. A completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office by emailing: specialadmit@cypresscollege.edu for the first term of attendance.

---

**Did you know?**
Effective **Fall 2018**, the **Board of Governor’s (BOG) Fee Waiver** was changed to the **California College Promise Grant (CCPG)**.
Continuing students are those enrolled in Spring 2021 classes and will receive letter or “W” grades at the end of the term. They will receive a registration email that provides their priority registration date and time for Fall 2021.

Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.

Registration appointments are based on units/hours earned through Summer 2021 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the units/hours earned at both colleges.

Units/hours earned can be determined by logging onto myGateway at www.cypresscollege.edu. Click on both Student Records and View Unofficial Web Transcript.

Veteran students who are active or former members of the United States Armed Forces who are within two years of their date of separation from active duty may qualify for priority registration (CA Senate Bill 272 — effective January 1, 2008). For priority registration approval, submit the military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the certifying official of Veterans Affairs, located in the Veterans Resource Center in the Cypress College Complex.

Special Admit students begin registering on August 19, 2021 at 4:00 pm or after.

Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

Registration is subject to established deadlines for adding, dropping, payments and refunds.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.
REGISTRATION EMAIL
A registration email informs students of the first registration appointment available based on their eligible priority. For the best selection of classes, register on the date and time indicated in the email; however, the email does not guarantee enrollment into any class. Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.

New students are those who have never attended Cypress or Fullerton College. New students will receive registration information by email based on the date their online Application for Admission is received.

Returning students are those who have previously attended Cypress or Fullerton College but did not register into a class for the Fall 2020 semester. Returning students will receive registration information by email based on the date their online Application for Admission is received.

Continuing students are those currently registered at Cypress or Fullerton College and will complete the term with a letter grade or “W.” If a letter grade or “W” is not received, the student forfeits their continuing student status. They must submit a new online Application for Admission as a Returning student.

Special Admit students are those enrolled in K-12 and must submit an online Application for Admission and a Special Admit Form. Registration information will be received by email based on the date the online Application for Admission is received. A Special Admit Form must be completed and submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term for the first term of attendance.

REGISTRATION INFORMATION
The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

BEFORE YOU REGISTER
• Ensure you are registering on or after your assigned appointment during myGateway registration hours.
• Clear all outstanding fees or holds. Non-clearance will delay registration.
• Get counselor clearance for math, English, ESL, reading classes and prerequisites.
• Make sure the Admissions and Records Office has your correct name, personal and email addresses, and phone numbers.
• Use the Class Planning Sheet to prepare your tentative class schedule.
• Verify financial aid eligibility with the Financial Aid Office.

ON YOUR REGISTRATION APPOINTMENT DAY
Complete the myGateway Registration Worksheet and log onto www.cypresscollege.edu. Click on the myGateway logo and follow the prompts. With the exception of nightly maintenance, myGateway is available 7 days a week, 24 hours a day.

ADDITIONAL CLASSES
Providing prerequisites and/or corequisites have been cleared by a counselor, and class seats are available, classes can be added during myGateway registration. Once a class begins, students must obtain an Add Code from the instructor of each class they wish to add. Refer to the How to Add/Drop a Class and Waitlist pages for further instructions. Refer to the deadlines listed in the Class Schedule. The neglect of adding a course will result in no credit or grade earned for the course.

CANCELLED CLASSES
The college reserves the right to cancel any class it is unable to offer. Select alternate classes and list them on your Class Planning Sheet in case any of your classes are cancelled. Tuition and fees for cancelled classes will be refunded.

DROPPING CLASSES
While an instructor may drop a student that has poor attendance, it is the student’s responsibility to officially withdraw when unable to continue the class. Students that wish to drop a class or withdraw from the college must drop using myGateway. Refer to the deadlines listed in the Class Schedule. See the How to Add/Drop a Class page for further instructions.

The neglect of dropping a course can result in a substandard grade posted on your permanent student record.

PETITIONING CLOSED CLASSES
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. Waitlist information can be found in the next column and on the Waitlist page in the Class Schedule. If a seat is available the first class meeting, the instructor will issue the student an add code. By the add deadline, the student must access myGateway and add the class entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the student adds the class and fees have been paid through myGateway.

CONCURRENT ENROLLMENT
Concurrent enrollment requires a student to register for more than one class. Register for both the lecture and lab classes when both are required. Register for the lecture, lab and problem solving classes when all three are required.

COURSE REPETITION
As a general rule, students may not register in a class if a passing grade has previously been received or the maximum number of repetitions allowed have been completed. Contact Admissions and Records for additional information.

EMAIL AND ADDRESS CHANGES
Email, personal addresses and phone numbers can be updated by accessing the Personal Information channel of myGateway under the Student tab.

FEES
Fees are due immediately upon registration. Cypress College does not bill for unpaid registrations. Students with unpaid fees will have a hold placed on their account but their classes will not be dropped.

Students with the California College Promise Grant are reminded that the waiver covers enrollment fees ONLY. Students MUST submit payment for the student ID fee, material, health and parking fees and any other charges indicated. Check with Financial Aid to verify payment eligibility for enrollment fees.

MAXIMUM UNITS/HOURS
A maximum unit load for any student is 19 units and 12 units qualifies as full time enrollment. A student may carry over 19 units with counselor approval.

TIME CONFLICTS
The myGateway system will not allow students to register for two or more classes which are scheduled during the same time period. A Petition for Exception must be submitted to Admissions and Records to request approval for class time conflicts. At least one of the instructors for the classes in question must provide a statement describing how missed time will be made up.
PARKING
Use of Cypress College’s general parking lots requires a parking fee. In lieu of a physical parking permit, the College uses a virtual parking system. Physical parking passes are no longer issued to students or visitors. Students are able to register their vehicle(s) online via myGateway once all registration fees, including parking, are paid in full. Visitors may purchase virtual permits online via the campus website. After purchasing a parking permit, students must register their vehicle license plate to activate the virtual parking permit. Visitors purchasing a virtual parking permit via the campus website will be prompted for vehicle information prior to final purchase. Please note: Your registered license plate is your Virtual Parking Permit.

Students that purchase their semester virtual parking permit may change vehicles anytime online using the “Cypress Parking System” link via their myGateway account. Returning students MUST renew their virtual parking permit for the new semester. Day-use vehicle registration and purchase is also available at kiosks on campus. Successful payment and registration of a vehicle license plate authorizes students and visitors to use any of the seven lots open to student designated parking stalls, as well as designated spots on Circle Drive. Cypress College students that have semester-length parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information.

SCHEDULE/BILL
The Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule. Many offices will require you to show a valid ID prior to providing you services.

WAITLIST
A waitlist is an electronic list of students that are petitioning a closed class. The list is prioritized according to the date and time students opt for the waitlist. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must attend the first class meeting and meet all registration requirements to be considered for an add code.

When myGateway advises that a class is closed, a student can choose the option to be placed on the waitlist. If a seat becomes available, the waitlisted student will be notified via email that they have 48 hours to add the class through myGateway. The email will be sent to the preferred email address on file. Students can also access myGateway and check Personal Announcements for seat advisements for waitlisted classes. Yahoo email users should check myGateway daily for information regarding their waitlist status.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college. Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information.

NOTE: Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

Before You Register:

1. Refer to your registration email. Registration appointments can also be viewed on myGateway Registration Tools.
2. Clear all outstanding fees or holds. Non-clearance will delay registration.
4. Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone number.
5. Use the myGateway Registration Worksheet and Class Planning Sheet to prepare your tentative class schedule.
6. Verify financial aid eligibility with the Financial Aid Office. Non-verification can result in unexpected fees and being dropped for nonpayment.
7. Read and follow all registration instructions provided in the Class Schedule prior to registering for classes.
8. Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

myGateway Available
7 days a week – 24 hours a day

myGateway requires nightly maintenance, and generally occurs from 12:00 midnight to 6:00 am.

If you register and attempt to pay your fees by credit card, you may receive a message that your payment cannot be processed. Please return to myGateway at a later time and make your credit card payment.

Admissions and Records is located on the first floor of the Student Center.
All hours are subject to change.

STEP 1
Go to www.cypresscollege.edu and click on myGateway at the top of the page.

STEP 2
LOGGING IN:

• Enter your eight-digit Student Identification Number as printed on your Student ID Card or Schedule/Bill.

• Enter your six-digit PIN (Personal Identification Number).

STEP 3
Click on LOGIN.

• CHANGE PIN: If you used your date of birth to log in, myGateway will require that you change your PIN.
• SECURITY QUESTION/ANSWER: myGateway may also ask you to enter a security question and answer in the event you forget your PIN.
• DISABLED PIN: If your PIN is disabled due to multiple login attempts, use the Pin Reset feature on the User Login page or contact the Registration Help Line at (714) 484-7346.
**STEP 4**  REGISTERING FOR CLASSES

**SELECTING THE TERM:**
- From the **main menu**, click **Register for Classes**.
- Select the term **Cypress College/Fullerton College Fall 2021** and click **Submit**.

**ADDING/DROPPING CLASSES:**

</tbody>
</table>

**STEP 5**  OPTIONAL FEES

- **Select Campus**: Choose the campus for which you have enrolled in the most units (Fullerton or Cypress) and click **Submit**.
- **Select Optional Fees**: Select the optional fees you wish to purchase and click **Submit**. If you do not wish to purchase any optional fees, leave all fees unselected and click **Submit**.
- **Confirm Optional Fees**: Verify your selections and click **Confirm Purchase**.

**STEP 6**  FEE PAYMENT

The amount shown next to your “Account Balance” is due and payable immediately. Cypress College does not bill for unpaid registrations. Select either “Credit Card Payments” or “Check or Money Order Payments” and follow the prompts.

**Note**: If paying by credit card, you must resubmit the term you registered for.

Your **Schedule/Bill** includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule.

**If you decide not to attend any classes you have registered for, it is your responsibility to officially drop within published deadlines.**
What is a waitlist?
A waitlist is an electronic list of students that want to enroll in a closed class. Waitlist size is determined by the academic divisions. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlist students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Enter the five-digit CRN of the class. You will be advised if the class is closed and given the option of adding the waitlist if waitlist seats are available.
• Use the drop down menu and select “Waitlist”. Click “Confirm Your Choices”.

How do I remove myself from a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Use the drop down menu and select “Waitlist Drop”. Click “Confirm Your Choices”.

Can I add myself to more than one waitlist?
You can waitlist for more than one class but you CANNOT waitlist for two sections of the same class.

How can I monitor my waitlist status?
Log onto myGateway and go to Registration Tools. Click “Check Waitlist Status”. It is recommended that you frequently check your waitlist status. You will also receive an email notification when a seat in waitlisted classes becomes available.

How will I know if a seat in the class becomes available while I am on the waitlist?
• You will be notified via a Personal Announcement on myGateway and you will receive an email.
• Log onto myGateway. Go to Personal Announcements. Click “Check Waitlist Status”.
• If a seat is available, you will see the date and time the seat notification will expire.

How long do I have to add the class when a seat becomes available?
You have 48 hours from when the seat notification was sent to you to add the class OR until midnight prior to the first day of the class, whichever comes first. If you miss the 48-hour deadline, your name is automatically removed from the waitlist and the next waitlisted student is notified of the available seat.

How do I add the class if I receive the notification that a seat is available?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Go to the specific waitlisted class in your list of classes.
• Use the drop down box and choose “Register — Web”. Click “Confirm Your Choices” and “Complete Registration”.

What if I am on a waitlist but no seat becomes available before the first class meeting?
Contact the course instructor and attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization Code. You must add the class via myGateway entering the add code when prompted. The class must be added by the add deadline. Check the Class Schedule for the deadlines of semester and less than semester length classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.
How to Add/Drop a Class

All Registration, Adds, Drops and Withdrawals are to be completed online through myGateway.

Adding a Class

Prior to the first day of class
If the class is OPEN, an Add Authorization Code is not required. If the class is CLOSED, a Waitlist option may be offered and the student must comply with its requirements. However, there is no guarantee of enrollment into the class, and not all classes will have waitlists.

Starting the first day of class
An Add Authorization Code is required for most classes. Attend the first class meeting of the class you wish to add. If seat space is available, ask the instructor to give you an Add Authorization Code. Instructors may not be able to grant all requests for Add Authorization Codes.

1. IMMEDIATELY access myGateway registration at http://mg.nocccd.edu.
   Log in and click on Register for Classes.
2. Select the term Cypress College/Fullerton College Fall 2021 and click Submit.
3. Enter the five-digit CRN (Course Reference Number) in the “CRN” box and click on Confirm Your Choices.
4. If prompted, enter the Add Authorization Code in the field provided.
5. Click on the VALIDATE button. If the code is approved, continue to Step 6.
   If the code is not approved, you will need to obtain another add code from the instructor.
6. Click on Submit Changes and confirm the status of your class.
7. After confirming that the class has been added, click on COMPLETE REGISTRATION.
8. Print a Schedule/Bill to ensure official adding of the class.

The Add Authorization Code is commonly known as the “Add Code” and is good for five days. If you receive an error message when you use the add code, you must first correct the related problem before the class can be added. If the five days expire before correcting the problem, you must obtain another add code from the instructor. A separate add code is required for each class you wish to add and is only valid for the current term and class.

Dropping or Withdrawing from a Class

   Log in and click on Register for Classes.
2. Select the term Cypress College/Fullerton College Fall 2021.
3. From the drop down menu, choose Drop Online or Withdrawal-Web for the classes you wish to drop.
4. Click on Confirm Your Choices to drop your classes.
5. Check under Status on the left of the screen to confirm the Drop Online or Withdrawal-Web status before exiting myGateway.
6. Print a Schedule/Bill to ensure official dropping of the class.

Waitlisted students Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information on how to add a waitlisted class or drop a waitlist.

Adding, Dropping and Withdrawing from classes are subject to established deadlines. It is the student’s responsibility to officially add and withdraw from classes. Verify added and dropped classes on your Schedule/Bill.
Use this page to help determine the amount of fees you will owe once your registration is completed.

REGISTRATION FEES

ENROLLMENT FEE
$46 per unit × ___________ units = $___________
(Waived for CCPG recipients)
$84 per bachelor’s unit × ___________ units = $___________

HEALTH FEE
$21 per semester = $___________

NON-RESIDENT FEES
$331 per unit × _____ units = $___________
(includes $57 Capital Outlay fee per Ed Code 76141)

MATERIAL FEE
Certain classes require additional fees.
See the course description in this Schedule of Classes. = $___________

OTHER FEES

ASSOCIATED STUDENT BENEFITS:*
$13 per term = $___________

CAMPUS ID CARD:*
$2.50 per term = $___________

PARKING PERMIT:***
Automobiles $40
Motorcycles $20 = $___________

STUDENT REPRESENTATION FEE:*
$2 per semester = $___________

TOTAL FEES DUE = $___________

*Students requesting and paying for an AS Benefits sticker must pick up their stickers at Admissions & Records by appointment only.

**NOTE: Campus Safety will ticket for non-registration of license plate beginning the second week of the term! Your parking permit allows you to park in designated student parking at Cypress and Fullerton Colleges as well as our Anaheim Campus.

PAYMENT INSTRUCTIONS — Payment is due immediately

DO NOT SEND CASH!

Credit Card Payments:
• Pay by Visa or MasterCard through myGateway.

Check or Money Order Payments:
• Make check or money order payable to Cypress College.
• Write your eight-digit student ID number on the front of the check.
• Enclose the check and Fee Payment Slip in an envelope.
• Return your payment to the College by:
  placing the envelope in the Registration Fee Payment Slot located outside the Business Building near the ATM
  OR
  mailing to: Cypress College Bursar’s Office, P.O. Box 6047, Cypress, CA 90630-0047

Third Party Payments:
• If your fees are to be paid by a third party (i.e. Dept. of Rehabilitation, Veteran’s, Scholarship etc.), please contact the Bursar’s Office immediately at (714) 484-7317, to avoid having a hold placed on your account. You can email your Department of Rehabilitation “Authorization for Services” document to lmorales@cypresscollege.edu, or drop it off at the Bursar’s Office.

Fees are due IMMEDIATELY. Cypress College **does not bill for unpaid registrations**. If payments are not received, you will have a hold placed on your account.
While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the current academic year.

**HEALTH FEE**

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is $21 per semester ($18 for summer inter-session) for each student regardless of the number of units taken. The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

**MATERIAL FEES**

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course).

**NON-RESIDENT TUITION**

Non-residents of the State of California are charged tuition at $323 per unit which includes the $33 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is in addition to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to request a change in your classification in the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the $20 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

**OTHER FEES**

- Associated Student Benefits Sticker** $13
- Parking
  - Automobiles** $40*
  - (special sticker available for open vehicles)
  - Two-wheeled Motorized Vehicles** $20*
  - Public Parking — per day $ 3
  - Photo ID/New or replacement** $ 2.50
  - Student Representation Fee $ 2

*Please note that your Cypress College Parking fee will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.

**Students requesting and paying for Photo ID sticker and/or AS Benefits sticker must pick up their stickers by appointment in the Admissions & Records office.

NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term.

---

**PARKING**

Returning students MUST renew their virtual parking permits for the new semester. PARKING is an optional fee of $40 for automobiles ($30 for students who receive the California College Promise Grant) and $20 for motorcycles. These fees have been authorized by the North Orange County Community College District Board of Trustees (Education Code 25425 and 25425.1). Payment of this parking fee may be made at the time of registration in myGateway. Payment for semester parking and completion of vehicle license plate registration authorizes students to use any of the seven lots open to student and guest parking, as well as designated spots on Circle Drive. Cypress College student semester-length virtual parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information. Students and visitors may also register vehicles using short-term parking machines or through our campus website for $2 per day. Short-term virtual parking permits are valid at Cypress College only. Students and guests are NOT eligible to park in staff spaces. The virtual parking permit does not guarantee a parking space.

**NOTE: Campus Safety will ticket for non-registration of license plate permit beginning the second week of the term!**

**Disabled Persons Vehicles** — Use of state-designated disabled parking spaces requires proper display of either a valid disabled placard or designated license plates. Disabled parking spaces are prominently marked in blue and white. Vehicles parked in disabled parking spaces must also comply with the requirements noted above, including purchase of a virtual parking permit and completion of vehicle license plate registration. Designated disabled parking spaces are available in all campus lots. Individuals who park vehicles in the disabled stalls without proper credentials will be subject to a $290 citation.

**Parking Availability** — One day parking permit dispensers are available in various lots for $3 per day.

**Parking Enforcement** — A one-week grace period is provided at the beginning of the Fall and Spring semesters in order for students to finalize vehicle registration and/or renew parking permits. All campus parking regulations are enforced by the Cypress College Campus Safety Department. All traffic regulations are enforced by the Cypress Police Department. Parking regulations are strictly enforced. Failure to register your vehicle license plate may result in a parking citation issued by Campus Safety.

The fine for parking without a valid permit and registered license plate is $37; other fines range from $37–$290, depending on the violation.

Any vehicle found parked on Cypress College property that has (3) or more unpaid Cypress College parking citations may be towed without notice. Registered owners of the vehicle will be responsible for paying all citations, towing fees, and impound fees prior to the vehicle being released by the impound company.

**Citation Payment and Appeals** — Payment of fines or filing of an appeal must take place within 21 days from the date of the citation or the fine will be doubled. Cypress College Parking Regulations are available on myGateway, the Campus Safety webpage, and in the Campus Safety Office on the first floor of the Business Building.

**Parking Refunds** — Refunds will only be given with proof of withdrawal from all classes. No refunds will be issued after 10% of class is complete.
CHANGES TO PRIORITY REGISTRATION

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.

REFUND DEADLINES

<table>
<thead>
<tr>
<th>Semester Length Course</th>
<th>Refundable through September 6, 2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Campus ID Card</td>
<td>Refundable through September 6, 2021, if the card has not been produced and nonrefundable if the card has been produced.</td>
</tr>
</tbody>
</table>

*Parking Fee Refundable through September 6, 2021

For short-term class deadlines, see Class Schedule.

*Only upon complete withdrawal

Please Note

ALL FEES ARE DUE AND PAYABLE AT REGISTRATION

REFUND POLICY

Registration fees are refundable, with the exception of the Campus ID Card fee (except as noted under refund deadlines on the previous page), if the student withdraws from full length term classes on or before September 6, 2021 (drop/add deadline). After September 6, 2021, there will be no refunds for withdrawal. Enrollment fees for Short Term classes are refundable if the student withdraws from class by the 10% point of the length of the course. Refunds must be requested during the term of attendance.

REFUND PROCESSING FEE

A refund processing fee of $10 per semester will be deducted from the enrollment fee refunds. The fee will be waived for students who are administratively dropped from classes due to cancellation of class(es), student disqualification or course repetition.

REFUNDS

If a student withdraws from classes, a refund processing fee of $10 will be deducted from the enrollment fee refund. Refunds will be processed the 4th week of the semester and should be received by mid November. All refunds are issued by check and will be mailed. Please keep your Cypress College address current. See the Refund Policy statement on the next page.

REGISTRATION FEES

All Registration Fees must be paid in full at the time of registration. Payments may be made by cash, check, money order, MasterCard or Visa.

SERVICE CHARGE

There is a $25 service charge on all checks returned by your bank, and your enrollment at the College, as well as your credit, may be affected.

Cypress College participates in the COTOP program (Chancellor’s Office Tax Offset Program) and will be charging the administrative fee if your account is sent to COTOP for collection. To avoid these additional charges, please pay all debts owed to the college in a timely manner. This includes registration fees, checks returned by your bank, and any other fees due on your student account.

STUDENT REPRESENTATION FEE

This fee will be used so that students may represent students’ views and positions at city, county, and district governments as well as state legislative offices and other governmental agencies. All students are urged to pay this $2 fee.

CAMPUS PHOTO ID CARD

Students are strongly encouraged to purchase a Campus Photo ID Card. Students pay a $2.50 service fee at the time of registration and receive a validation sticker upon payment of the fee. New and returning students may obtain a Campus Photo ID Card upon presentation of their Enrollment Receipt showing proof of payment of the fee and a valid photo ID (i.e., Driver’s License or California ID card). The Campus Photo ID Card includes the student’s photo, signature, permanent number and a scannable bar code. The Campus Photo ID Card is required for the following services:

- all campus labs
- Library, Financial Aid, Bursar’s Office, and Student Affairs
- check or credit card purchases in the Bookstore

Cards that are requested but not picked up by the end of the last day of the semester will be voided and not refunded.
ADD AUTHORIZATION CODE
An Add Authorization Code (commonly known as the “Add Code”) is a code that may be issued to a student by an instructor to add a class on myGateway once the class has closed. The add code can only be used to add that closed class and must be used by the add deadline. The add code is good for five days and is only valid for the current term and class it is attached to. If the add code expires, another add code must be obtained from the instructor. After entering an add code on myGateway, the student must click on Submit Changes and COMPLETE REGISTRATION.

ADVISORY
When a course has an advisory, it means a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is recommended, the student is advised (but not required) to meet the condition before or in conjunction with enrollment in the course or educational program.

EXAMPLE:
Advisory: Eligibility for ENGL 100 C is recommended for POSC 100 C.

ASSIST
ASSIST is a computerized student-transfer information system that can be accessed online. It displays reports of how course credits earned at one California community college can be applied when transferred to a CSU or UC campus. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information available about student transfer in California. ASSIST is available at: www.assist.org.

ASSOCIATE DEGREES FOR TRANSFER (ADT)
California Community Colleges are now offering Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an ADT degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

The ADT degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students who have been awarded an ADT are guaranteed to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units after transfer to a CSU only unless the major is designated “high-unit” major. To view the most current list of Cypress College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com.

Current and prospective community college students in pursuit of an ADT are encouraged to meet with a counselor to review their options and learn how to develop an educational plan that best meets their goals and needs as it relates to university admission and transfer requirements.

CHALLENGING ADVISORIES, COREQUISITES, AND/OR PREREQUISITES:
Refer to the Academic Policies Affecting Students in this Class Schedule.

COREQUISITE (COREQ)
When a course has a corequisite, a student is required to take a course in combination with (or prior to) another course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course. Generally, a course cannot be dropped if it is a corequisite of another course.

It is the student’s obligation to know and meet course corequisites. These are stated in the course description section of the Class Schedule and the current College Catalog. Corequisites will be enforced at registration. The student may be required to show proof of meeting corequisites.

EXAMPLE:
Coreq: Completion of or concurrent enrollment in MATH 040 C is required for CHEM 107 C.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)
The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges.

However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

COURSE REFERENCE NUMBER (CRN)
The CRN is the unique five-digit code assigned to a course for a specific time and day for identifying and registering into that course.

ELECTIVE
An elective is a course not required for graduation or a particular program. For example, a science student might take electives from non-science areas which may include history, art, English, or political science. To assist in choosing electives, a student should consult a college counselor. An excess of elective units beyond what is needed for a student’s educational goal is not encouraged.

FEES
Refer to the Fee Calculation Worksheet in this Class Schedule. If there are any additional mandatory fees for a class, they are listed under the course description in the Class Schedule.
GRADING
The grading symbols earned at Cypress College are A, B, C, D, F, I, IP, NP, P, and EW.
If a grading option is not listed, the class is available for a standard letter grade (A, B, C, D, F) only.
If only PASS/NO PASS is listed, the class is available for P or NP grading only.
If PASS/NO PASS/LETTER GRADE OPTION is listed, students have the option of taking the class for a standard letter grade or pass/no pass. Students must choose the option they wish, complete the necessary paperwork and submit it to the Admissions and Records Office no later than the fifth week of full semester classes. The deadline for Summer, late start, short-term and open-entry classes is by 30% of the class meetings.
If an EW (Excused Withdrawal) is assigned to a student, they have been approved to withdraw from a class.

PREREQUISITE
When a course has a prerequisite, a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (types 35wpm), an ability (speaks and writes Spanish fluently), a test score or a successful completion of a prior course (must have completed ENGL 060 C with a grade of “C” or better). Completion of the prerequisite is required prior to enrolling in the course, and D, F, NC or NP grades are not acceptable.

It is the student's obligation to know and meet course prerequisites. These are stated in the course description sections of the Class Schedule and the current College Catalog. Prerequisites will be checked at registration. The student may be required to obtain prerequisite clearance from the Counseling Center.

SOCIAL JUSTICE, EQUITY, AND SUSTAINABILITY
As an educational community, Cypress College embraces the shared characteristics as well as the diverse intellectual viewpoints and ideas of its culturally rich population. To prepare students for effective participation in our society, selected academic courses are designed to:
1. foster respect for diverse populations;
2. assist students in understanding the struggles of people to achieve social justice, equity and sustainability;
3. encourage students to apply the knowledge gained in these courses in their daily lives.
To achieve this educational goal, Cypress College will require all students to take at least one course whose emphasis is on the struggles of people to achieve social justice, equity and sustainability, focusing primarily on race, ethnicity, class, and gender/transgender intersectionality.

Please reference the list of approved Social Justice, Equity, and Sustainability (SOC JUST) courses for the college on the general education native GE requirements list. Students may earn credit for course work previously completed at other regionally accredited institutions to meet this requirement upon review of the course by Admissions and Records to determine appropriateness of content to meet this local requirement.

UNIT
Course work at Cypress College is measured in terms of semester units. A course requires a minimum of three hours of student work per week, per unit. This includes class time and/or demonstrated competency for each unit of credit, prorated for short term, laboratory and activity courses.

How to Read the Class Schedule
Cypress College — Fall 2021

CAMPUS CODES: C = Cypress College
DAYS OF THE WEEK CODES: M = Monday

**ACCT 101 C**  
Financial Accounting

Prerequisite: MATH 040 C or MATH 041 C with a grade of C or better

This beginning accounting course meets transfer requirements to four-year colleges and universities and provides a foundation for vocational accounting or other areas of business administration.

**ACCT 102 C**  
Managerial Accounting

Prerequisite: ACCT 101 C with a grade of C or better

Advisory: CIS 111 C and CIS 103 C

This is the study of how managers use accounting information in decision making, planning, directing operations and controlling.

Administration of Justice

AJ 110 C  
Introduction to Criminal Justice  
3 Units  
Transfer: CSU, UC

This course introduces the criminal justice system in the United States by examining crime measurement, theoretical explanations, responses, components, and challenges of the current system. The above class meets via Zoom during the days and times identified in the schedule.  

11864  
CRN: 001  
TIME: 8:00-11:10 A  
INSTRUCTOR: Melliana, Thomas  
ROOM: ZOOM

AJ 120 C  
Concepts of Criminal Law  
3 Units  
Transfer: CSU, UC

Prerequisite: Completion of or concurrent enrollment in AJ 110 C with a grade of C or better

Offers an analysis of criminal liability and the classification of crimes against persons, property, morals, and public welfare. Special emphasis on the definitions of common/statutory law and acceptable evidence. Contact counselor JMitsch@cypresscollege.edu for clearance.

H

HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, please confirm that your email address in myGateway is accurate AFTER enrolling in the class. Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
AC/R 140 C

Plumbing Principles/Practices

This course is designed to instruct students in the application of plumbing technology as used in commercial building systems. Skills and theories are applied in lab situations.

13143 HY1 HYBRID 8/23-12/11 Lasater, John ZOOM

HYBRID CLASS: The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

Last day to add: Sep 6; Last day to drop with “W”: Sep 6; Last day to drop without “W”: Nov 14; Last day to drop for refund: Sep 6.

AC/R 210 C

Commercial Refrigeration

Prerequisite: AC/R 100 C and AC/R 105 C with a grade of C or better

This is an advanced course with emphasis on the commercial refrigeration cycle.

10257 HY1 HYBRID 8/23-12/11 Sallade, Douglas ZOOM

HYBRID CLASS: The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

Last day to add: Sep 6; Last day to drop with “W”: Sep 6; Last day to drop without “W”: Nov 14; Last day to drop for refund: Sep 6.

AC/R 220 C

Introduction to Air Conditioning Controls
(formerly A/C Controls and Energy Management)

Advisory: AC/R 105 C

This course is designed to instruct the students in the application of air conditioning pneumatic and direct digital controls as is used in commercial building systems.

10258 HY1 HYBRID 8/23-12/11 Sallade, Douglas ZOOM

HYBRID CLASS: The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

AC/R 230 C

Heat Pumps

Prerequisite: AC/R 100 C and AC/R 105 C with a grade of C or better

This course is designed to instruct the student in the application of heat pumps for sustainability and net zero energy in commercial and non-commercial building systems.

10259 HY1 HYBRID 8/23-12/11 Hock, Richard ZOOM

HYBRID CLASS: The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

13138 HY2 HYBRID 8/23-12/11 Hock, Richard ZOOM

HYBRID CLASS: The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

AC/R 265 C

Project Management

Transfer: CSU

This course shows how minor decisions can have major impact to the success of a HVA/CR project. This course examines technical management skills, field safety, effective communications, management/leadership roles, concept problem solving, decision-making, influence, conflict management resolution, scheduling, resource cost estimating and control, quality assurance and evaluation processes.

14360 HY1 HYBRID 8/23-12/11 Woodson, Billy ZOOM

HYBRID CLASS: The above hybrid class meets online during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

3 Units

Transfer: CSU

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.
## Anthology

### ANTH 101 C

**Biological Anthropology**  
3 Units  
Transfer: CSU, UC  

**Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C**

This course introduces the biological and physical aspects of what it means to be human from a scientific and evolutionary perspective. Duplicate credit not granted for ANTH 101HC or ANTH 201 C.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
ART 120 C  Arts of Africa, Oceania and Indigenous North America
Advisory: ENGL 100 C or ENGL 101 C or ESL 110 C
This course is a survey of visual culture within selected regions in Africa, Oceania and indigenous North America.
• PASS/NO PASS/LETTER GRADE OPTION
• Cost of museum visits will not exceed $25.
12037 001 10:10-11:35 A MW Arriola-Nickell, Gail ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

ART 116 C  Modern Art History
Advisory: ART 112 C and completion of ENGL 100 C or ENGL 101 C or ESL 110 C
This course is an art historical survey of the development of modern art and architecture from its development in the 19th century to the early 21st century.
• PASS/NO PASS/LETTER GRADE OPTION
• Cost of museum visit will not exceed $25.
13520 001 3:00- 4:25 P MW Owen Driggs, Janet ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

ART 114 C  Arts of Africa, Oceania and Indigenous North America
Advisory: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C
This course is a survey of visual culture within selected regions in Africa, Oceania and indigenous North America.
• PASS/NO PASS/LETTER GRADE OPTION
• Required out-of-class assignments with a maximum fee of $25.
13145 001 3:00- 4:25 P TTh Carnahan, Alanna ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

ART 120 C  Two-Dimensional Design
Advisory: Transfer: CSU, UC
This course is an introduction to the computer as a creative tool for making contemporary art, illustration, sculpture, and non-commercial design. This course evaluates the application of design principles and compositional techniques in the two-dimensional medium.
• $25 Material Fee — PAYABLE AT REGISTRATION
10283 001 9:00-12:10 P TTh Giardina, Edward FA-221
ON-CAMPUS CLASS: All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

ART 121 C  Three-Dimensional Design
Advisory: Transfer: CSU, UC
This course introduces the computer as a creative tool for making contemporary art, illustration, sculpture, and non-commercial design. This course evaluates the history, theory, and artwork of artists employing the computer in their fine art practice.
• Non-degree credit
• $20 Material Fee — PAYABLE AT REGISTRATION
10285 001 9:00-12:10 P MW Giardina, Edward FA-130
ON-CAMPUS CLASS: All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

ART 122 C  Introduction to Digital Art
(formerly ART 122 C Gallery and Portfolio Design)
Advisory: Transfer: CSU, UC
This course introduces the computer as a creative tool for making contemporary art, illustration, sculpture, and non-commercial design. This course evaluates the history, theory, and artwork of artists employing the computer in their fine art practice.
• Non-degree credit
• $25 Material Fee — PAYABLE AT REGISTRATION
12660 001 12:30- 3:40 P TTh Giardina, Edward FA-222
ON-CAMPUS CLASS: All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.
ART 123 C
Color Theory
Transfer: CSU, UC
This course focuses on the scientific, artistic, and varied cultural understandings of color pertaining to painting, drawing, photography, media arts and design. This course combines lecture, demonstration and critique with hands-on exploration in problem solving.
• $25 Material Fee — PAYABLE AT REGISTRATION
11666 001 12:20-3:30P Tth Feeney, Zara 200M
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

ART 130 C
Introduction to Printmaking
Transfer: CSU, UC
This introductory course presents the artist with concepts and techniques of drawing, design, and color through the use of fine art printing media such as etching, lithography, and woodcut.
• $20 Material Fee — PAYABLE AT REGISTRATION
10286 001 1:20-4:30P MW Christie, Carleton FA-222
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

ART 131 C
Intermediate Printmaking
Transfer: CSU, UC
This intermediate course will continue with exploration and technical problem solving in the fine art printing media such as etching, lithography, screen printing and woodcut.
• $20 Material Fee — PAYABLE AT REGISTRATION
11336 001 1:20-4:30P MW Christie, Carleton FA-222
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

ART 150 C
Ceramics Handbuilding
Transfer: CSU, UC
In this course, students will learn ceramic handbuilding to convey ideas, images, and feelings. Ceramic terminology and visual vocabulary will be covered as well.
• $20 Material Fee — PAYABLE AT REGISTRATION
10287 001 9:00-12:10P MW Schulps, Molly FA-129
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

ART 152 C
Technical and Conceptual Ceramics
Transfer: CSU, UC
Prerequisite: ART 150 C or ART 151 C with a grade of C or better
This course deals with advanced technical skills in ceramic construction and visual concepts.
• $20 Material Fee — PAYABLE AT REGISTRATION
10291 001 9:00-12:10P MW Schulps, Molly FA-129
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

What's your major? Still exploring your options?
Let the Career Planning Center be your Guide!
The Career Planning Center (CPC) helps you explore college majors, career pathways and occupations, develop your résumé, and assist with job preparation.

**Prerequisite:** ART 183 C with a grade of C or better

This course is an introduction to drawing. This course is designed to develop perceptual skills as well as abstract considerations in drawing. A variety of media will be covered.

**Transfer:** CSU, UC

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
ART 184 C  
**Advanced Drawing**

**Prerequisite:** ART 183 C with a grade of C or better  
This course is a study of advanced drawing problems including traditional and contemporary drawing methods. Emphasis is placed on developing a body of work.

14127  
001  9:00-12:10 P  
MW

**ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

**ART 246 C**

**Advanced Illustration**

**Prerequisite:** ART 244 C with a grade of C or better

This course covers advanced techniques, strong critical thinking and design skills in relation to producing illustrations from beginning to final. Emphasis is on developing a portfolio for transfer and commissioned illustration jobs in the areas of advertising, publishing and entertainment.

**CypressConnect mobile app.**

**ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The first class meeting will be via Zoom. At that time, instructors will provide students with their assigned class dates and safety protocols for in-class activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating days, within the days and times identified above in the schedule.

**AVAST ASTR 116 C**

**Introduction to Astronomy**

This course provides an overview of the physical universe and includes topics such as the night sky, the solar system, stars, the Milky Way galaxy, extrasolar planets, cosmology, and extraterrestrial life. Duplicate credit not given for ASTR 116HC.

**PASS/NO PASS/LETTER GRADE OPTION**

**OL1**

**ART 299 C**

**Independent Study**

**Prerequisite:** Approved Independent Study Learning Contract

This is a course that is designed for the student to pursue an increased knowledge of a particular art discipline. May be taken for credit 4 times.

**PASS/NO PASS/LETTER GRADE OPTION**

**OL1**

**HYBRID CLASS:** The above hybrid class includes both online and Zoom instruction.

Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

**Last day to add:** Sep 6; Last day to drop with “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.
Automotive Collision Repair

ACR 102 C
Auto Detail/Car Care - Beginning
This course covers identification of paint conditions, use of car care chemicals, maintenance of the paint surface, and customer communication.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
ACR 103 C
Auto Collision Repair Technician III (formerly ACR 003 C)

Prerequisite: ACR 102 C with a grade of C or better

This progressive skills development course covers major body repairs with welded panel replacement, panel alignment, and upholstery removal and replacement. Glass removal and replacement with advanced metal work, including straightening of frames and the types of equipment needed will also be discussed.

- $20 Material Fee — PAYABLE AT REGISTRATION

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. ACR 104 C
Auto Collision Repair Technician IV (formerly ACR 004 C)

Prerequisite: ACR 103 C with a grade of C or better

This course is the fourth in progressive skills development collision repair. Students will learn advanced techniques in all areas which include body electrical systems, M.I.G. welding, power windows, employer-employee relations, shop-related business procedures and rust proofing.

- $20 Material Fee — PAYABLE AT REGISTRATION

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. ACR 101 C, ACR 102 C, ACR 103 C and ACR 104 C are cross-listed to a total of 24 seat count.

ACR 107 C
Refinishing Technician I (formerly ACR 007 C)

In this course, students will learn the use of basic auto refinishing water-based materials, equipment, procedures and techniques necessary to properly prepare and refinish a wide range of automotive vehicles.

- $20 Material Fee — PAYABLE AT REGISTRATION

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. ACR 107 C, ACR 108 C, and ACR 109 C are cross-listed to a total of 24 seat count.

ACR 108 C
Refinishing Technician II (formerly ACR 008 C)

Prerequisite: ACR 107 C with a grade of C or better

This course continues progressive skill development after ACR 107 C.

- $20 Material Fee — PAYABLE AT REGISTRATION

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. ACR 107 C, ACR 108 C, and ACR 109 C are cross-listed to a total of 24 seat count.
ACR 109 C  
Refinishing Technician III (formerly ACR 009 C)  
Transfer: CSU  
Prerequisite: ACR 108 C with a grade of C or better  
In this course, students will learn advanced level techniques and applications. Advanced refinishing, application, and color matching will be discussed. This course prepares students for the refinishing of custom, standard, and specialty autos.  
• $20 Material Fee — PAYABLE AT REGISTRATION  

ACR 113 C  
Computerized Automotive Damage Appraisal (formerly ACR 013 C)  
Transfer: CSU  
This course focuses on developing knowledge of computer-based estimating systems and developing skills necessary for estimating collision damaged vehicles.  

ACR 130 C  
Electrical Systems and Component Repair (formerly ACR 030 C)  
Transfer: CSU  
Prerequisite: Completion of, or concurrent enrollment in ACR 102 C, ACR 103 C or ACR 104 C, or employment in the industry  
In this course, students learn direct and current fundamentals. Topics include, but are not limited to SMS, SRS, aluminum vehicle repairs, TIG welding, and repair safety procedures.  
• $20 Material Fee — PAYABLE AT REGISTRATION  

ACR 160 C  
Collision Repair Management (formerly ACR 060 C)  
Transfer: CSU  
This course assists students in management concepts of the collision repair industry. Emphasis is on vehicle movement and tracking, financial statements, insurance relations, customer service, equipment purchases, managing multiple stores and dealerships.  

Automotive Technology  
AT 101 C  
Survey of the Automobile  
Transfer: CSU  
This course covers the basic knowledge of the automobile including engines, power trains, suspension and brakes, electrical and fuel systems. This course is designed for discussion and demonstration only.  

AT 105 C  
Automotive Electrical I  
Transfer: CSU  
This course introduces the concepts of electrical controls of the automobile. Areas covered will include basic electrical concepts, batteries, starting systems, charging systems, and body electrical diagnosis.

The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

The above class is for HIGH SCHOOL STUDENTS ONLY. This is a dual listed class that will be taught alongside with college students together. Before registering for this class, HS students must complete the Special Admit Packet and return to Cypress College Admission and Records along with their Cypress College application. The Special Admit packet can be obtained via online or in admission and records office. The packet must be completed and signed by your HS counselor, Principal, and Guardian/Parents BEFORE the first day of class.

### AT 106 C

#### Automotive Electrical II

**Prerequisite: AT 105 C with a grade of B or better**

This course continues the concepts of electrical controls of the automobile covered in AT 105 C, extending from simple to complex body electrical systems. Areas covered will include body electrical systems, diagnostic tools and methods, batteries, starting systems, charging systems, and body electrical diagnosis.

- **$25 Material Fee — PAYABLE AT REGISTRATION**

### AT 110 C

#### Introduction to Automotive Technology

**Prerequisite: AT 105 C and AT 109 C or AT 110 C with a grade of C or better**

This course provides essential knowledge of the automobile, the use of tools and equipment and processes used in the automotive service and repair. Class includes three hours laboratory per week.

### AT 111 C

#### Automotive Air Conditioning

**Prerequisite: Completion of or concurrent enrollment in AT 105 C with a grade of C or better**

This course is a comprehensive study of principles of operation and theory of automotive air conditioning. Demonstrated lecture shop lab simulators and live vehicles will be used.

- **$25 Material Fee — PAYABLE AT REGISTRATION**

### AT 120 C

#### Auto Engine Repair and Machining

**Prerequisite: AT 105 C and AT 109 C or AT 110 C with a grade of C or better**

This course covers techniques and practical skills required for repair of the automotive engine. Lectures, problem diagnosis and skill development on “live” vehicles are included.

- **$30 Material Fee — PAYABLE AT REGISTRATION**

Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.
AT 130 C  12 Units
Auto Chassis and Brake Systems
Prerequisite: AT 110 C or AT 109 C and AT 260 C with a grade of C or better
This course covers techniques and practical skills required for the repair and diagnosis of suspension and steering systems, brake systems, wheel alignment and tire and wheel balance. Lectures, demonstrations, diagnosis, and the use of “live” vehicles are included. Preparation for ASE (A4 and A5) certification is covered.
- $30 Material Fee — PAYABLE AT REGISTRATION
10263  100  MTWTh  7:00- 9:15A  Alipuro, Enrique  ZOOM
LAB  9:25-11:40A  MTWTh  Alipuro, Enrique  ZOOM
The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

AT 140 C  12 Units
Auto Drivetrains and Transmissions
Transfer: CSU
Prerequisite: AT 110 C or AT 109 C and AT 105 C or AT 260 C with a grade of C or better
Course covers operating principles, design, repair, rebuild and service procedures of automotive transmissions. Lectures, shop work and practical application on “live” vehicles included. Preparation for ASE certification will be covered.
- $30 Material Fee — PAYABLE AT REGISTRATION
11869  001  MTWTh  12:30- 2:45P  Beard, Michael  ZOOM
LAB  2:55- 5:10P  MTWTh  Beard, Michael  ZOOM
The above class meets via Zoom during the days and times identified in the schedule except for the LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. AT 150 C  12 Units
Auto Performance and Drivability
Transfer: CSU
Prerequisite: AT 110 C or AT 109 C and AT 105 C or AT 260 C with a grade of C or better
This course covers the operating principles, design, repair, and diagnosis of computerized engine management systems, alternators, starters, batteries, ignition and fuel systems. Lectures and practical application on “live” late model vehicles. Preparation for ASE certification test A8 will be covered.
- $30 Material Fee — PAYABLE AT REGISTRATION
10273  001  MTWTh  5:20- 7:35P  Orozco, Luciano  ZOOM
LAB  7:45-10:00P  MTWTh  Orozco, Luciano  ZOOM

At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule.

AT 209 C  1 Unit
Toyota Portfolio TPORT
Transfer: CSU
Prerequisite: AT 109 C with a grade of C or better or consent of Toyota T-TEN Coordinator
This course monitors the progress of T-TEN students through the program. This course will also prepare the student for placement in the dealership internship. This course must be taken every semester the student is in the T-TEN program.
10274  HY1  HYBRID  8/23-12/11  Klyde, Michael  ZOOM
LAB  7:00- 7:50A  MTWTh  Klyde, Michael  ZOOM
LAB  12:00-12:50P  MTWTh  Klyde, Michael  ZOOM
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, please confirm that your email address in myGateway is accurate after enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education. ADD CODE REQUIRED: this section is for the T-TEN students who have qualified and must get prior authorization from the instructor or the department coordinator to enroll in this class by emailing PKelley@cypresscollege.edu.

AT 210 C  6 Units
T-TEN Internal Combustion Engines and Alternative Fuels
(formerly AT 121 C)
Transfer: CSU
Prerequisite: AT 109 C and AT 260 C with a grade of C or better
This course will cover the engine design, concepts, repair and service required for Toyota dealership technicians. Extensive lab experience will be provided. Preparation for ASE A1 will be covered.
- $30 Material Fee — PAYABLE AT REGISTRATION
13524  001  MTWTh  12:10- 2:25P  Kelley, Paul  ZOOM
LAB  2:35- 4:50P  MTWTh  Kelley, Paul  ZOOM
HYBRID CLASS: Please note that the COVID restrictions are unknown at the time of course catalog printing. If social distancing requires 1 person per vehicle lab work and you will be assigned one lab session. Lecture will be on Zoom and if possible, on site sessions in a larger lecture room. To avoid being dropped, please confirm that your email address in myGateway is accurate after enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education. ADD CODE REQUIRED: The above class is for the T-TEN students who have qualified and must get prior authorization from the instructor or the department coordinator to enroll in this class by emailing PKelley@cypresscollege.edu.

AT 213 C  1 Unit
Toyota Portfolio II TPORT (II)
Transfer: CSU
This course monitors the progress of T-TEN students through year two of the program with emphasis on their success in their work internship and completing all requirements for T-TEN program completion.
12074  HY1  HYBRID  8/23-12/11  Kelley, Paul  ZOOM
LAB  5:00- 5:50P  MTWTh  Kelley, Paul  ZOOM
HYBRID CLASS: Please note that the COVID restrictions are unknown at the time of course catalog printing. If social distancing requires 1 person per vehicle lab work and you will be assigned one lab session. Lecture will be on Zoom and if possible, on site sessions in a larger lecture room. To avoid being dropped, please confirm that your email address in myGateway is accurate after enrolling in the class. ADD CODE REQUIRED: this section is for the T-TEN students who have qualified and must get prior authorization from the instructor or the department coordinator to enroll in this class by emailing PKelley@cypresscollege.edu.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
T-TEN Toyota Electrical Systems (formerly AT 141 C)
Prerequisite: AT 110 C or AT 109 C and AT 260 C with a grade of C or better
This course covers operating principles, design, repair, rebuild and service procedures of Toyota transmissions. Lectures, shop lab work and practical application on "live" vehicles is included. Preparation for ASE certification will be covered. This course is designated for T-TEN students who will be provided with an Add Code to enroll in this course.
• $30 Material Fee — PAYABLE AT REGISTRATION

T-TEN Toyota Electrical Systems (formerly AT 112 C)
Prerequisite: Completion of or concurrent enrollment in AT 109 C or AT 110 C, with a grade of C or better
This course covers operating principles, design, repair and procedures of automotive electrical/electronic systems. Skill competency development will be simulated under shop conditions on OBD II and newer vehicles.
• $10 Material Fee — PAYABLE AT REGISTRATION

T-TEN Automotive Internship I
Prerequisite: Completion of or concurrent enrollment in the T-TEN coursework for Year One of the program (T-TEN Electrical in the Fall and T-TEN Brake/Chassis in the Spring)
This course offers practical work experience in an approved Toyota or Lexus dealership for the T-TEN students in the Automotive Technology program.
• PASS/NO PASS/LETTER GRADE OPTION

T-TEN Automotive Internship II
Prerequisite: Completion of or concurrent enrollment in the T-TEN coursework for Year One of the program (T-TEN Driveeline in the Fall and T-TEN ICE-EV-Hybrid in the Spring)
This course offers practical work experience in an approved automotive technology-related industry for students in the Automobile Technology program.
• PASS/NO PASS/LETTER GRADE OPTION

Aviation and Travel Careers
ATC 101 C
Introduction to Travel Careers
This course introduces students to career opportunities in the aviation and travel industries. Students will learn how to research and apply for jobs. The fundamentals of traveling will also be reviewed such as passport, visa, security, travel health and insurance. Students will prepare a personalized career project.

ATC 102 C
Career Communication Skills
Students will develop their business communication skills in the development of a career portfolio, including a resume, cover letter, and work samples. Students will learn online application strategies, employment test-taking tips, and behavioral-based interviewing skills.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
ATC 112 C
Homeland Security

This course is an introductory study of domestic and international threats of terrorism and law enforcement issues for first-responders.

Transfer: CSU

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
ATC 194 C  
Flight Training Instrument Rating  
(formerly AVIA 194 C)  
2 Units

Prerequisite: Completion of or concurrent enrollment: students must provide substantiation of an FAA Instrument Rating, or concurrent enrollment in an approved flight training program working toward an FAA Instrument Rating, and completion of or concurrent enrollment in at least 3 units of ATC (132 or above) with a grade of C or better.

In this course, students who have earned, or are enrolled in an approved flight school and will earn, an FAA Instrument Rating on their Pilot Certificate may be granted college credit by meeting the above prerequisites and the Credit by Examination requirements as published in the current Cypress Catalog.

• **PASS/NO PASS/LETTER GRADE OPTION**

If you need assistance enrolling in this class, please contact instructor EValdez@cypresscollege.edu.

ATC 190 C, 193 C, 194 C, and 195 C are cross-listed classes.

ATC 195 C  
Flight Training Commercial Pilot  
(formerly AVIA 195 C)  
2 Units

Prerequisite: FAA Students must provide substantiation of an FAA Commercial Pilot Certificate, or concurrent enrollment in an approved flight training program working toward an FAA Commercial Pilot Certificate, and completion of or concurrent enrollment in at least 3 units of ATC (132 or above) with a grade of C or better.

In this course, students who have earned the FAA Commercial Pilot Certificate may be granted college credit by meeting the above prerequisites and the Credit by Examination requirements as published in the current Cypress Catalog.

• **PASS/NO PASS/LETTER GRADE OPTION**

If you need assistance enrolling in this class, please contact instructor EValdez@cypresscollege.edu.

ATC 190 C, 193 C, 194 C, and 195 C are cross-listed classes.

ATC 196 C  
Flight Simulator Private Pilot  
2 Units

Advisory: Completion of or concurrent enrollment in ATC 132 C or completion of FAA Private Pilot Certificate, or taking flight lessons at a local flight school

In this course, students will practice hands-on flight simulation activities to develop, practice, and optimize essential private pilot flight skills. Flight time in the approved ground trainers may be applied toward requirements for both attaining and maintaining flight ratings.

11073 HY1 HYBRID LAB 4:00- 5:25 P T 8/23-12/11 Valdez, Edilberto ZOOM

HYBRID CLASS: The above hybrid class meets online during the days and times identified in the schedule except for LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site alternating lab days, within the days and times identified above in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

ATC 197 C  
Flight Simulator Instrument  
2 Units

Advisory: Completion of or concurrent enrollment in ATC 132 C, or completion of FAA Private Pilot Certificate, or taking flight lessons at a local flight school

In this course, students will participate in hands-on flight simulation activities to develop, practice, and optimize essential instrument-related flight skills. Flight time in the approved flight training devices may be applied toward requirements for both attaining and maintaining flight ratings.

• **PASS/NO PASS/LETTER GRADE OPTION**

HYBRID CLASS: The above hybrid class meets online during the days and times identified in the schedule except for LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site alternating lab days, within the days and times identified above in the schedule. ### ATC 297 C
**Flight Simulator Instrument Pilot - Advanced**

**Advisory:** Completion of or concurrent enrollment in ATC 132 C, or completion of FAA Private Pilot Certificate, or taking flight lessons at a local flight school

In this course, students will participate in hands-on flight simulation activities to develop, practice, and optimize essential instrument-related flight skills. Flight time in the approved Flight Training Devices may be applied toward requirements for both attaining and maintaining flight ratings.

**HYBRID CLASS:** The above hybrid class meets online during the days and times identified in the schedule except for LAB hours. The first LAB meeting will be via Zoom. At that time, instructors will provide students with their assigned lab dates and safety protocols for lab activities. Due to COVID-19 and social distancing requirements, students may be split into groups, reporting on-site on alternating lab days, within the days and times identified above in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

ATC 197 C, ATC 198 C and ATC 297 C are cross listed classes. A total seat count for all classes is 25.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

### Petitioning Closed Classes

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

---

**Baking and Pastry Arts**

**Interested in baking like a professional?**

Let Cypress help!

Information on Baking and Pastry Arts can be found under the Hotel, Restaurant, and Culinary Arts (HRC) section of the catalog.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

ADD AUTHORIZATION CODES: (commonly known as “Add Codes”)

may be issued by the instructor based on space availability and in accordance with all the requirements for the class.

Prior to the first day of class

• if the class is OPEN — no add code is needed
• if the class is CLOSED — an add code is needed

Beginning the first day of class

• an add code is needed for most classes
• add codes must be used by 11:59 pm on the add deadline

If necessary, most lab exams for DSS students with authorized testing accommodations will be held on Fridays. Please speak to your lab instructor and/or department coordinator to schedule a specific time. If you need more information, contact your DSS Counselor.
Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Congratulations to Dr. Antonio (Tony) Sanchez-Duran, Cypress College’s Orange County Teacher of the Year for 2021. Dr. Sanchez-Duran is a full-time biology instructor and was named and nominated by our students, and then selected by the Associated Students. Dr. Sanchez-Duran is a committed and caring instructor.

The majority of students in Sanchez-Duran’s human anatomy and human physiology classes are students pursuing careers in healthcare, including future nurses and doctors — and because of that, Sanchez-Duran said he feels an incredible responsibility to teach them well.

A good teacher, in Sanchez-Duran’s opinion, is one who “helps students achieve their goals” and adjusts to meet his or her students’ individual needs as much as possible. “I think a good teacher helps students gain knowledge and build confidence, and gives them the tools to succeed.”

**BIOL 174 C**  
**Biology of Cells and Tissues**  
Transfer: CSU, UC  
**Prerequisite:** Completion of or concurrent enrollment in CHEM 111AC with a grade of C or better  
**Advisory:** ENGL 060 C

This course will include the principles of molecular and cellular biology including biomolecules, cell structure, cell metabolism, cell growth, cell reproduction, cell tissue integration, and basic genetics for biology majors. Duplicate credit not granted for BIOL 111 C and BIOL 112 C.

Online Study Groups

Supplemental Instruction

ONLINE STUDY GROUPS for Cypress College students enrolled in specific courses

What is Supplemental Instruction (SI)?

Weekly, peer-led study group sessions for students taking historically difficult courses

Facilitated by trained SI Leaders who have already mastered the course material

Understand what to learn and how to learn

Interactive and Engaging!

Review course material. Develop study strategies. Prepare for exams. Learn how to become a SUCCESSFUL STUDENT!

For more information on SI, visit us at cypresscollege.edu/supplemental-instruction or email us at LLRC@cypresscollege.edu

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Various Chemistry Pathways at Cypress College

Chemistry, Engineering, Physics, Biology, Pre-Med, Pre-Pharm Majors

- CHEM 107 C * Preparation for General Chemistry
- CHEM 111AC General Chemistry I
- CHEM 111BC General Chemistry II
- CHEM 211AC Organic Chemistry I
- CHEM 211BC Organic Chemistry II

Health Science Majors

- CHEM 101 C ** Chemistry for Health Science Majors I
- CHEM 201 C Chemistry for Health Science Majors II

Non-Science Majors

- CHEM 100 C Chemistry for Daily Life

Ways to Satisfy MATH 040 C/041 C Prerequisite for CHEM 107 C/CHEM 111AC

Please contact the chemistry course lead instructors or SEM counselors for more details.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Chemistry

CHEM 100 C 4 Units
Chemistry for Daily Life
Transfer: CSU, UC Credit Limitation
Prerequisite: MATH 020 C or MATH 041 C, with a grade of C or better
This is a general education course in chemistry with a laboratory for non-science majors. The course will introduce the fundamental concepts of chemistry and their application in daily life.
• PASS/NO PASS/LETTER GRADE OPTION

11774 HY1 HYBRID
8/23-12/11 Gotth, Akiko
HYBRID CLASS: The above hybrid class meets on campus and online. MANDATORY on-campus laboratory meetings will be every week during the days and times identified in the schedule. Any student that registers for this section acknowledges that they will be required to meet on campus for scheduled labs and follow all safety protocols. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14.

CHEM 101 C 4.5 Units
Chemistry for Health Science Majors I
Transfer: CSU, UC Credit Limitation
Prerequisite: MATH 020 C or MATH 041 C, with a grade of C or better
This course is the first semester of a two-semester sequence designed to cover the basic concepts and principles of inorganic and organic chemistry.

11636 001 8:00-10:05 A TTh Tomooka, Craig SEM-310
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

12656 006 10:30-12:35 P TTh Siddiq, Aisha SEM-310
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

12659 004 10:30-12:35 P MW Walton, Jasmine SEM-310
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

11638 003 1:00-3:05 P TTh Ho, Nam SEM-310
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

11637 002 3:15-5:20 P TTh Ho, Nam SEM-310
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

12280 005 3:10-5:15 P TTh Mathur, Raghu SEM-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

Which first chemistry course should I take?
CHEM 101 C — CHEMISTRY FOR HEALTH SCIENCE MAJORS I
Health Science Majors (Prerequisite: Completion of MATH 020 C, MATH 041 C or equivalent)
CHEM 107 C — PREPARATION FOR GENERAL CHEMISTRY
Science majors without a strong chemistry background (Prerequisite: Completion of MATH 040 C, MATH 041 C or equivalent)
CHEM 111AC — GENERAL CHEMISTRY I
Science majors with a very strong chemistry background (Prerequisites apply — Completion of MATH 040 C, MATH 041 C, or equivalent and CHEM 107 C or equivalent)
### General Chemistry II

**CHEM 111AC (continued)**

Is taking a language class worth it?

Absolutely! Studying a language can open doors to many careers and opportunities. Give yourself a wide perspective of our diverse world! And it’s fun!

What about transfer credits?

All Foreign Language 101, 102, 203, and 204 classes are transfer-level credit courses (UC/CSU, AA, GE)

Which language should I choose? You don’t have to choose just one!

- **Spanish** — Learn California’s most spoken language after English. Use it to travel all around Latin America and Spain. Since Spanish is all around us, it’s also easy to practice close to home with neighbors, friends, and coworkers.

- **Spanish for Spanish Speakers** — Study with Spanish-speaking students just like you. Enroll in SPAN 201 C to improve your skills in spoken and written academic Spanish, discover literary greats of the Spanish-speaking world, and learn the secrets of written accent marks.

- **French** — Learn the international language of the culinary arts, diplomacy, fashion, and film. Become a Francophone and connect with a global community that extends across six continents.

- **Japanese** — Study fun and exciting cultural topics like: Japanese food, Manga, Anime, J Pop, fashion, etc. Plus, over 100 jobs opening in Orange County require Japanese language skills or knowledge about Japan. We offer hybrid courses for JAPN 101 C and 102 C, a fun Japanese Culture Club, Free Japanese Tutoring, and Free Textbooks for All Japanese Courses!

- **Chinese** — Study Mandarin and you’ll be able to speak with over 1 billion people in the world. And guess what? Mandarin has no conjugations or tenses, so it’s not as hard to learn as you might think.

---

**Computer Information Systems**

The Computer Information Systems Lab will be available for Remote Support and Assistance. Please go to https://www.cypresscollege.edu/academics/divisions-special-programs/business-cis/ for most up to date information on Lab Support.

**CIS 075 C**

**Business Skills Development**

This course is designed for the student who needs to gain general business office skills in a short period of time.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **$3 Material Fee — PAYABLE AT REGISTRATION**

**1125**

**CIS 189 C**

**Administrating Windows Active Directory Services (formerly Administrating and Configuring Windows Server Directory Services)**

This course covers implementing, managing, maintaining and configuring directory services and infrastructure in an Azure cloud environment.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **$3 Material Fee — PAYABLE AT REGISTRATION**

**CIS 190 C**

**IT and Cybersecurity Fundamentals (formerly Cybersecurity Competition)**

This course provides students with the fundamental knowledge in information technology and cybersecurity and prepares students for CompTIA’s ITF+ and Cloud Essentials exams. Topics include cybersecurity essentials, OS installation and hardening, Windows and Linux administration, networking fundamentals and basics of cloud computing.

**CIS 195 C**

**Network Security**

This course prepares students for CompTIA’s Security + Certificate. Topics include malware and social engineering attacks, application and networking based attacks, data security, cryptography, wireless network security, access control, authentication, account and risk management and vulnerability assessment.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **$3 Material Fee — PAYABLE AT REGISTRATION**

**CIS 196 C**

**Ethical Hacking**

This course provides students with basic anti-hacking network security concepts and hands-on skills.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **$3 Material Fee — PAYABLE AT REGISTRATION**

**CIS 211 C**

**Introduction to Programming**

This beginning course in programming introduces students to the Visual C# .NET and Visual Basic .NET programming languages. Students will learn how to design, code, and debug programs common to the business environment.

- **$3 Material Fee — PAYABLE AT REGISTRATION**

**CIS 226 C**

**Java Programming**

This course introduces students to the Java programming language. Students will learn the language syntax, how to design and debug programs as well as object oriented programming concepts.

- **$3 Material Fee — PAYABLE AT REGISTRATION**

**CIS 230 C**

**Cisco Networking 1**

This course, offered through Cisco Local Academy, introduces the architectures, models, protocols, and networking element connect users, devices, applications and data through the Internet and across modern computer networks. Upon successful completion, students will receive a certificate from Cisco.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **$3 Material Fee — PAYABLE AT REGISTRATION**

Discover the exciting field of Computer Forensics

CIS 276 C Computer Forensics
Monday, 6-9:10 pm
CRN 14832

An introduction to the fundamental concepts of Computer Forensics. Taught by Larry Cantu, who is currently a Senior Investigator with the California Department of Tax and Fee Administration (CDTFA) Investigations Division (ID). Larry has over 28 years of experience and training in the fields of civil sales tax auditing, criminal tax evasion investigations, and computer forensics. Larry began his professional career as a Tax Auditor for the CDTFA (formerly CA Board of Equalization). Larry also worked for Guidance Software (now Open Text) in the Professional Services Division (PSD) as a Forensic Consultant. Topics to be covered will include: Forensic acquisition and analysis, File Systems, Operating Systems, Internet History, Email, Windows artifacts analysis, and Mobile device forensics.

CIS 276 C
Advanced Python Programming

Prerequisite: CSCI 247 C with a grade of C or better

This course introduces basic techniques and methods used for collecting and preserving digital evidences for computer forensic process.

- Non-degree credit

13863 100 6:00-9:10 P M Staff ZOOM
The above class meets via Zoom during the days and times identified in the schedule.

CIS 276 C
Computer Forensics I

This course introduces basic techniques and methods used for collecting and preserving digital evidences for computer forensic process.

- PASS/NO PASS/LETTER GRADE OPTION
- $3 Material Fee — PAYABLE AT REGISTRATION

14832 100 6:00-9:10 P M Staff ZOOM
The above class meets via Zoom during the days and times identified in the schedule.

CSC 242 C
Computer Architecture and Organization

This course covers the organization and behavior of real computer systems at the processor level. Numerical computation is examined, noting the various data representation errors and potential procedural errors.

Advisory: CSCI 123 C or CSCI 226 C or CSCI 247 C

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

COUN 100 C
College Orientation
1 Unit
Transfer: CSU, UC
Advisory: This course is designed for students who are eligible for services from Disability Support Services (DSS).
In this course, students will learn campus policies and procedures, strengthen study skills and create a Student Education Plan.

11521 HY1 HYBRID
9:00-11:30 A  F 8/23-10/3 Lehmer, Marisa
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This course is designed for students enrolled in Disability Support Services (DSS). For more information about DSS, please contact the office at (714) 484-7104.

COUN 105 C
Stress and Anxiety Management
1 Unit
Transfer: CSU, UC
This course is designed to increase the student’s awareness of the effects of stress and anxiety on daily life. Students will practice a variety of coping skills and management techniques.

12202 OL1 ONLINE
ONLINE CLASS: The above class has no scheduled meeting times and is offered fully online. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This course is designed for students enrolled in Disability Support Services (DSS). For more information about DSS, please contact the office at (714) 484-7104.

COUN 110 C
Teaching as a Career
3 Units
Transfer: CSU, UC
Advisory: ENGL 060 C
This course is designed for future teachers. It surveys teaching as a profession and requires a 45 hour fieldwork experience in a K-12 licensed public educational setting.

15109 100 5:00-7:50 P  W Pelletier, Daniel
This class meets via Zoom during the days and times identified in the schedule.

15110 OL1 ONLINE
ONLINE CLASS: The online class has no scheduled meeting times and is offered fully online. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. This course is part of the Teacher Preparation Program and is recommended for future teachers. For more information about the Teacher Preparation Program, please email the instructor at danielp@cypresscollege.edu.

COUN 120 C
The History of Disability in the United States
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course places the experiences of people with disabilities at the center of the American story. This course portrays a new perspective on familiar national stories, as well as discussing new experiences. SOC JUST

13562 HY1 HYBRID
5:00-6:30 P  T 8/23-12/11 Michelle, Deborah
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

COUN 139 C
Career Exploration (formerly COUN 141 C)
1 Unit
Transfer: CSU, UC
This course is for students who are undecided about their educational or career goals. Students assess interests, skills, strengths, personality, values, life and work style choices and research potential educational and career goals. Additional cost for career assessment may be required.

- $6 Material Fee — PAYABLE AT REGISTRATION

12339 200 6:00-8:50 P  T 8/24-9/28 Rubinfeld, Vanessa
This class meets via Zoom during the days and times identified in the schedule.

12814 201 7:00-8:50 P  T 10/5-11/30 Rubinfeld, Vanessa
This class meets via Zoom during the days and times identified in the schedule.

13446 OL1 ONLINE
ONLINE CLASS: The above class has no scheduled meeting times and is offered fully online. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

COUN 140 C
Educational Planning
1 Unit
Transfer: CSU, UC
This course covers an orientation to college life and responsibilities, as well as the development of a student educational plan. Students will practice a variety of coping skills and management techniques.

- Pass/No Pass only.

**Program Goals**

- Offer English and Counseling classes in a supportive and stimulating environment
- Create a forum to discuss topics on the Latino experience
- Instill a sense of *familia*, confidence, and self-esteem

**English**

**ENGL 101 C**

**ENGL 103 C/104 C**

Classes work to improve written language skills and enhance research methods while exploring Latino culture and literature.

**Counseling**

**COUN 150 C**

**COUN 160 C**

Classes work to develop an educational plan, enhance study skills, explore career options, and identify lifetime goals.

**Mentoring**

**Mentors**

**Peer Mentors**

Mentors and Peer Mentors work with students to offer guidance, support, and encouragement.

For more information, contact:

**Counselor/Program Co-Coordinator:**

Dr. Therese Mosqueda-Ponce, email: tmponce@cypresscollege.edu

**English Instructor/Program Co-Coordinator:**

Dr. Alejandro Omidsalar, email: aomidsalar@cypresscollege.edu

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
The mission of the Legacy Program is to provide students with a strong academic program, instructional resources, and motivational support to facilitate their progression toward transferring to four-year institutions.

Set in a positive academic environment, students create a close bond with their peers, mentors and professors as they participate in a variety of events both on and off campus. By offering interesting and rewarding curriculum that focuses on the Black experience, students that complete the program are prepared to transfer and excel in university level work.

**DANC 203 C Dance Production I**

**Prerequisite:** Audition

**Advisory:** Concurrent enrollment in one of the following: DANC 203 C or THEA 149 C, or one from THEA 140 C through 147 C

In this course, the student will learn practical experience in the technical aspects of dance production including costume design, set design, makeup, lighting, sound production and publicity.

- **PASS/NO PASS/LETTER GRADE OPTION**
- **CRN 14314** 8/23-12/11  

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Dance Independent Study

In this course, theater and dance students with intermediate to advanced skill levels will develop their performing and choreographic skills, perform at K-12 schools, community events, American Dance Festival and other dance festivals.

Prerequisite: Approved Independent Study Learning Contract

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

Dance Open Laboratory

Prerequisite: Audition

In this course, the student will learn practical experience in the technical aspects of running crew for dance production including costume design, set design, makeup, lighting and sound production.

• PASS/NO PASS/LETTER GRADE OPTION

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. Students must have prior approval and an independent study contract with the instructor before adding the above section.

Dance Independent Study

Prerequisite: Approved Independent Study Learning Contract

This course is for advanced students who wish to increase their knowledge of dance and/or performance through individual study or research. Unit credit may range from 1/2 to 2 units in any given semester. May be taken for credit 4 times.

CRN SEC TIME DAYS DATES INSTRUCTOR ROOM
12093 001 8/23-12/11 Afra, Maha 200M

You must have prior approval and an independent study contract with the instructor before adding the above section. 200M: This course meets via Zoom during the days and times identified in the schedule.

Dental Assisting

You must be accepted into the Dental Assisting Program prior to enrolling in any DA courses.

Are you interested in applying to the Dental Assisting Program?

Visit our website for details and attend an information workshop!

https://careers.cypresscollege.edu/programs/dental-assistant/

Dental Materials

Prerequisite: Acceptance into the Dental Assisting Program

This course is a study of the structure, chemical, and physical properties and manipulation of materials used in dentistry.

• $85 Material Fee — PAYABLE AT REGISTRATION

CRN SEC TIME DAYS DATES INSTRUCTOR ROOM
10417 001 4:10 P T

You must be accepted into the Dental Assisting Program prior to enrolling in any DA courses.

Petitioning Closed Classes

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
DA 063 C 3 Units
Chairside Assisting I
Prerequisite: Acceptance in the Dental Assisting Program
This course provides instruction in chairside assisting, instrumentation and principles of restorative dentistry, and applied infection control protocol.
• $90 Material Fee — PAYABLE AT REGISTRATION
10418 001 10:20-12:25 P W Pacheco, Elizabeth TE3-302

Dental Hygiene
You must be accepted into the Dental Hygiene Program prior to enrolling in any DH courses.

Are you interested in applying to the Dental Hygiene Program?
Visit our website for details and attend an information workshop!
https://careers.cypresscollege.edu/programs/dental-hygiene/

DH 101 C 2 Units
Dental Anatomy and Morphology
Transfer: CSU
Prerequisite: Admission to and enrollment in the Dental Hygiene Program and all Dental Hygiene Program first semester courses
This course presents a study in dental anatomy, morphology, and occlusion essential to the proper care of patients during clinical dental hygiene process of care. An emphasis will be placed on the proper identification of oral and dental structures, the utilization of proper terminology, and the recognition of normal occlusion in contrast to malocclusion.
10438 001 10:00-12:15 P T Lawrence, Roberta TE3-303
ON-CAMPUS CLASS: All students will check in to class prior to each day by completing the wellness check form on the CypressConnect mobile app.

DH 104 C 3 Units
Oral Health Assessment
Transfer: CSU
Prerequisite: Admission to and enrollment in the Dental Hygiene Program and all first semester courses
This multi-faceted course presents foundation information/skills for the beginning student clinician to utilize the daily dental hygiene process of care. This course is an introduction to the recognition, gathering and interpretation of assessment data as an aid to formulating electronic dental hygiene treatment plans.
10439 001 10:30-1:40 P Th Cherney, Julia TE3-303
ON-CAMPUS CLASS: All students will check in to class prior to each day by completing the wellness check form on the CypressConnect mobile app.

DH 105 C 2 Units
Oral Embryology and Histology
(formerly DH 205 C)
Transfer: CSU
This course is an introduction to the microscopic characteristics of the tissues, histology and embryology of the head and neck with an emphasis on the structure of the oral cavity.
14837 001 3:15-5:20 P T Smith Norman, Ravipan TE3-303
ON-CAMPUS CLASS: All students will check in to class prior to each day by completing the wellness check form on the CypressConnect mobile app.

Be Sure to Attend the First Class Meeting
Because of enrollment demands, attendance at the first class meeting is required of officially enrolled and waitlisted students. Any student not reporting to the first class meeting may be dropped from the class and waitlist. This includes waitlisted students.

myGateway Registration!
All class registrations, adds, drops, waitlists and withdrawals must be done online using myGateway.
## FALL SCHEDULE 2021

### DH 106 C
**Radiology Technician - Hygienists**
Transfer: CSU
Prerequisite: Admission to and enrollment in the Dental Hygiene Program and all Dental Hygiene Program first semester courses
This course will provide academic and applied instruction in the science of oral radiography to advance the dental hygiene student in the principles of dental radiography. The laboratory provides demonstrations and practical application in the fundamentals of intraoral and extraoral radiographic techniques.
• $123 Material Fee — PAYABLE AT REGISTRATION

### DH 260 C
**Dental Care for Special Patients (formerly Dental Care for Special Needs)**
Transfer: CSU
Prerequisite: Enrollment in the Dental Hygiene Program and successful completion of all second semester courses
This course is designed to provide the student a study in the needs of the medically-compromised older adult patient, and the mentally and physically-challenged patient. Emphasis will be placed on therapeutic techniques in assessing and treating special patients in a dental setting.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

### WAITLIST NOW AVAILABLE
During registration, you can request to be placed on a waitlist when a class is full. This online feature does not guarantee a seat, but it allows the chance to obtain one if any become available. Waitlist students must attend the first day of instruction to be considered for an add code. Refer to the Waitlist page in the Class Schedule for complete waitlist information.
**Diagnostic Medical Sonography**

You must be accepted into the Diagnostic Medical Sonography Program prior to enrolling in any DMS courses.

Are you interested in applying to the Diagnostic Medical Sonography Program? Visit our website for details and attend an information workshop! [https://careers.cypresscollege.edu/programs/diagnostic-medical-sonography/](https://careers.cypresscollege.edu/programs/diagnostic-medical-sonography/)

---

**DMS 170 C**
**Sonography Physics**

3.5 Units  
Prerequisite: Acceptance to the Diagnostic Medical Sonography program. This course is directed toward the learning of physics and instrumentation as applied to diagnostic medical sonography.

ECON 299 C
Economics Independent Study

**1 Unit**

**Prerequisite: Approved Independent Study Learning Contract**
This independent study course is for advanced students who wish to extend their knowledge of a particular area of economics through individual research and study. May be taken for credit 3 times.

For the above class, students must contact an instructor to supervise their semester’s work. An agreement will be developed by the student and instructor, signed and approved by the Division Dean. Agreements are available from the Social Sciences Division Office.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
## Education

### EDU 200 C

**Elementary School Teaching**

**Advisory:** *COUN 110 C*

This course provides an overview of the teaching profession for students who are considering a career in elementary school teaching. 45 hours of fieldwork will be required.

**Prerequisite:** *MATH 040 C or MATH 041 C*, with a grade of C or better.

- **CRN:** 12679
- **HYBRID CLASS:** The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to [https://www.cypresscollege.edu/academics/distance-education/](https://www.cypresscollege.edu/academics/distance-education/).
- **HYBRID CLASS:** The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to [https://www.cypresscollege.edu/academics/distance-education/](https://www.cypresscollege.edu/academics/distance-education/).
- **ON-CAMPUS CLASS:** All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app.
- **Last day to drop with “W”:** Nov 14;
- **Last day to drop with “W”:** Sep 6;
- **Last day to drop without “W”:** Sep 6;
- **Last day to drop for refund:** Sep 6.

## Engineering

### ENGR 102 C

**Engineering Design Graphics**

**Prerequisite:** *ENGR 102 C and MATH 142 C, with a grade of C or better*

This is an introductory course which utilizes drafting and CAD as a tool for graphic concepts, visualization and completing a set of engineering drawings.

**Prerequisite:** *MATH 150AC with a grade of C or better*

- **CRN:** 12719
- **HYBRID CLASS:** The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to [https://www.cypresscollege.edu/academics/distance-education/](https://www.cypresscollege.edu/academics/distance-education/).

### ENGR 110 C

**Introduction to Engineering (same as ENGT 110 C)**

**Prerequisite:** *MATH 040 C or MATH 041 C, with a grade of C or better*

This course is for students who wish to increase their knowledge in the field of engineering through individual study, research, or internships as described in an Independent Study Contract. Duplicate credit not granted for ENGT 110 C.

**Pass/No Pass/Letter Grade Option**

- **ON-CAMPUS CLASS:** All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app.

### ENGR 205 C

**Advanced 3D Solid Modeling and Simulation**

**Prerequisite:** *ENGR 102 C and MATH 142 C, with a grade of C or better*

This is an advanced course in CAD systems that emphasizes development of visualization skills, orthogonal projections, and use of AutoCAD in the creation of 3-D solid models. Some criminal offenses may prevent a student from participating in a fieldwork placement. If applicable, Live Scan fingerprinting and clearance should be done prior to enrolling in this class. If you have any questions about this, contact the Dean of Social Sciences Division at (714) 484-7185.

This course meets via Zoom during the days and times identified in the schedule.

### ENGR 220 C

**Programming and Problem-Solving in MATLAB**

**Prerequisite:** *MATH 150AC with a grade of C or better*

This course covers the application of computer programming to engineering problem solving, structured approach to problems and input-output concepts for both numerical and graphical results.

- **ON-CAMPUS CLASS:** All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app.

### ENGR 299 C

**Engineering Independent Study**

**Prerequisite:** *Approved Independent Study Contract*

This course is for students who wish to increase their knowledge in the field of engineering through individual study, research, or internships as described in an Independent Study Contract with the instructor.

**Pass/No Pass/Letter Grade Option**

- **ON-CAMPUS CLASS:** All students will check in to class each day by completing the wellness check form on the CypressConnect mobile app.

---

If necessary, most lab exams for DSS students with authorized testing accommodations will be held on Fridays. Please speak to your lab instructor and/or department coordinator to schedule a specific time. If you need more information, contact your DSS Counselor.

---

**Do you know your Student ID and PIN Number?**

You will be required to use your 8-digit Student ID number to access [myGateway](https://myGateway.cypresscollege.edu).

Memorize it! Be ready!
Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Engineering Technology

ENGT 103 C 3 Units
Introduction to Embedded Systems
Transfer: CSU
This course is designed for students interested in Mechatronics, Robotics and Automation program. Basic concept of automation and its application in manufacturing is taught with emphasis on mechatronics and robotics terminology and equipment manipulation.
13419 002 7:00-10:10 A M Hoang, Trong
LAB 10:25-11:15 A M Hoang, Trong
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.
12705 001 11:45- 1:10 P MW Saleh, Massoud
LAB 1:20- 2:10 P M Saleh, Massoud
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

ENGT 105 C 3 Units
Instrumentation and Process Control
Transfer: CSU
This course is for students majoring in engineering technology with concentration in mechatronics, robotics and automation. Topics covered include electricity, instrumentation and process control, motors, pneumatic and hydraulic mechanisms, robotics and programming, manufacturing processes and troubleshooting.
14691 001 9:00-10:25 A MW Hamdan, Arnan
LAB 10:35-11:25 A M Hamdan, Arnan
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.
13420 002 12:15- 3:25 P M Staff
LAB 3:35- 4:25 P M Staff
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

ENGT 107 C 3 Units
Electricity and Electronics
Transfer: CSU
This course is for students majoring in engineering technology with concentration in mechatronics, robotics and automation. Topics covered include electricity, instrumentation and process control, motors, pneumatic and hydraulic mechanisms, robotics and programming, manufacturing processes and troubleshooting.
14692 100 6:15- 7:40 P MW Nguyen, Washington
LAB 7:50- 8:55 P M Nguyen, Washington
LAB 7:50- 8:40 P W Nguyen, Washington
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

ENGT 125 C 3 Units
Hydraulic and Pneumatic Systems
Transfer: CSU
Prerequisite: ENGT 103 C and ENGT 105 C with a grade of C or better
This course is for students majoring in engineering technology with concentration in mechatronics, robotics and automation. Topics covered include introduction to hydraulic and pneumatic components, applicable laws, specifications, functionality and maintenance.
13421 100 6:15- 7:40 P TTh Khoshnoud, Farzad
LAB 7:50- 8:40 P T
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

ENGT 160 C 3 Units
Industrial Data Network and HMI
Prerequisite: ENGT 103 C and ENGT 150 C with a grade of C or better
This course is for students majoring in engineering technology with concentration in mechatronics, robotics and automation. Topics covered include industrial networking protocols and standards, components and implementation methodologies for best communication between elements of an industrial plant.
14693 800 4:20- 7:30 P F Staff
LAB 7:40- 8:30 P F Staff
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

English

ENGL 060 C 4 Units
College Writing Preparation
Advisory: Non-native speakers of English should consider taking credit ESL courses at Cypress College which are designed to enhance English proficiency based on the specific needs of English language learners.
This course is designed to prepare students for ENGL 100 C. The focus is on reading, critical analysis, grammar review, and writing expository essays. This course reviews the fundamentals of grammar, sentence structure, and paragraph development.
- Non-degree credit
- PASS/NO PASS/LETTER GRADE OPTION
10112 000 8:00-12:15 P Knowles, Kevin
ZOOM This course meets via Zoom during the days and times identified in the schedule.
13250 003 8:15-10:20 A MW Flores-Salcido, Dhalia
DZOOM This course meets via Zoom during the days and times identified in the schedule.
10114 011 9:45-11:50 A MW Barretto, Jacqueline
ZOOM This course meets via Zoom during the days and times identified in the schedule.
10113 009 9:45-11:50 A TTh Daniel, Diane
ZOOM This course meets via Zoom during the days and times identified in the schedule.
13424 004 10:30-12:35 P MW Flores-Salcido, Dhalia
ZOOM This course meets during the days and times identified in the schedule.
13433 001 12:00- 2:05 P MW Barretto, Jacqueline
ZOOM This course meets during the days and times identified in the schedule.
12288 002 1:35- 3:40 P TTh Daniel, Diane
ZOOM This course meets during the days and times identified in the schedule.
10115 HY1 HYBRID 8/23-12/11 Fujimoto, Janet
ZOOM HYBRID CLASS: The 16-week hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to https://www.cypresscollege.edu/academics/distance-education.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.

ENGL 096 C 3 Units
College Reading Strategies
This course prepares students for the demands of college reading in academic subjects. Emphasis is placed on critical reading, critical thinking and study-learning strategies, which facilitate optimum learning in content area classes. Textbook selections and scholarly essays will be analyzed. This course fulfills the reading requirement for graduation.
- PASS/NO PASS/LETTER GRADE OPTION
10972 OL1 ONLINE 8/23-10/17 Jones, Sarah
ONLINE CLASS: This 8-week class meets entirely online. BEFORE registering for this course, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to www.cypresscollege.edu/academics/distance-education.
Last day to add: Sep 1; Last day to drop without “W”: Sep 1; Last day to drop with “W”: Oct 3; Last day to drop for refund: Aug 28.

**Reading Proficiency Requirement**

Proficiency in Reading can be satisfied by successfully completing one of the following:

1. **ENGL 096 C College Reading Strategies (3 Units)**
2. **ENGL 102 C Introduction to Literature (3 Units)**
3. **ENGL 103 C Critical Reasoning and Writing (4 Units) (Taken Fall 2014 or later)**
4. **ENGL 104 C or ENGL 104HC Critical Analysis and Literature (4 Units) (Taken Fall 2014 or later)**

California State University (CSU) general education certification

IGETC certification

Bachelor's degree from a regionally accredited institution

A score of 3 or higher on the Advanced Placement (AP) English Literature Exam

Completing the Cypress College AA/AS degree

General Education pattern Area A2 (Analytical Thinking)
Pathways to ENGL 100 C

Native English speakers are advised to take ENGL 100 C (College Writing) and ENGL 101 C (Enhanced College Writing). Students needing additional fundamental work are advised to see a counselor to determine if enrollment in ENGL 060 C (Preparation for College Writing) is appropriate. More basic English skill courses are offered by North Orange Continuing Education (NOCE). Students enrolled in pre-English 100 C classes must earn at least a C grade in ENGL 060 C to be eligible for enrollment in ENGL 100 C. All students are encouraged to complete their English coursework as early as possible in their educational programs.

Students enrolled in core classes will be required to write an essay on the first day of instruction to verify skill level and assessment placement score.

ENGL 100 C (continued)

ENGL 102 C

Introduction to Literature

3 Units

Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C, with a grade of C or better

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

COVID 19

The 2020–2021 Charger Award recipient is Ruth Gutierrez, a faculty member in the English Department. The award is presented for contributions made beyond the classroom. Outside of her teaching role, Professor Gutierrez serves as one of the coordinators for the Professional Development program, ensuring that her peers have opportunities for growth in the classroom. In addition, she is the faculty coordinator for the college’s Guided Pathways efforts, ensuring that faculty are key in this critical effort and that equity remains a central focus. Finally, Professor Gutierrez has championed the Adjunct Day of learning, ensuring that Cypress College’s part-time faculty are accessing information, resources, and professional-growth opportunities.
ENGL 104HC
Honors Critical Analysis and Literature
4 Units
Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C, with a grade of C or better
This Honors-enhanced course focuses on increased development of critical thinking, writing, reading and research skills as they apply to the analysis of literature. Duplicate credit not granted for ENGL 104 C.
CRN 12824 001 9:05-11:10 A TTh Nabahani, Melanie ZOOM
This course meets via Zoom during the days and times identified in the schedule.

ENGL 105 C
Introduction to Creative Writing
3 Units
Prerequisite: ENGL 100 C or ENGL 100HC, with a grade of C or better
In this course, students will write short fiction, poetry, and optionally, a short play, and will gain an understanding of each literary type, and have their work critiques in a workshop setting.
CRN 10172 01L ONLINE 8/23-12/11 Kaufman, Bret
ONLINE CLASS: This 16-week class meets entirely online. BEFORE registering for this course, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to www.cypresscollege.edu/academics/distance-education.
Last day to add: Sep 6;
Last day to drop without “W”: Sep 6;
Last day to drop with “W”: Nov 14;
Last day to drop for refund: Sep 6.

ENGL 108 C
Writing the Personal Statement
.5 Units
Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C with a grade of C or better
This course will teach students how to write an effective personal statement on their transfer applications to four-year institutions.
CRN 11059 002 3:00-5:05 P W 10/6-10/27 Covey, Kendyl ZOOM
This course meets via Zoom during the days and times identified in the schedule.
Last day to add: Oct 6;
Last day to drop without “W”: Oct 6;
Last day to drop with “W”: Oct 20;
Last day to drop for refund: Oct 6.

ENGL 110 C
Humanities - Ancient and Medieval
3 Units
Prerequisite: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C with a grade of C or better
This course surveys the development of Western culture—prehistory, the ancient world, and the Middle Ages—with an emphasis on the arts. Cost for museum visits not to exceed $15.
CRN 10173 01L ONLINE 8/23-1/14 Nabahani, Melanie
ONLINE CLASS: This 12-week class meets entirely online. BEFORE registering for this course, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to www.cypresscollege.edu/academics/distance-education.
Last day to add: Sep 7;
Last day to drop without “W”: Sep 7;
Last day to drop with “W”: Oct 24;
Last day to drop for refund: Aug 30.

ENGL 117 C
Academic Reading and Study Strategies
1 Unit
Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C with a grade of C or better
This course helps students improve their success in the designated content-area course by developing discipline-specific vocabulary, academic reading skills, study strategies, and use of academic resources.
CRN 15036 HY1 9:30-10:30 A TTh Kaufman, Bret ZOOM
HYBRID CLASS: This 16-week hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified above. To avoid being dropped, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, please email Prof. Sarah Jones at sjones@cypresscollege.edu.
This course provides students with academic reading, critical thinking, and study strategies to help them succeed in MORT 214 C. Students who register for this section must also register for the CRN 14851 section of MORT 214 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

Advisory: Completion of ENGL 100 C and ENGL 101 C or ESL 110 C
or approval by the Division Dean. Agreements are available from the Social Sciences Division Office.

Flight Attendant
Flight Attendant classes can be found in the Aviation and Travel Careers area.

Food and Beverage Management
Interested in a career in Food and Beverage Management?
Information on Food and Beverage Management can be found under the Hotel, Restaurant, and Culinary Arts (HRC) section in the catalog.

French

FREN 101 C
Elementary French I
5 Units
Transfer: CSU, UC
This course emphasizes the acquisition of basic skills in pronunciation, listening, speaking, reading, and writing. Students will be introduced to the culture, history and geography of France.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
The course emphasizes the acquisition of a contextualized vocabulary and grammatical information to develop speaking, reading and writing skills. To avoid being dropped, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to https://www.cypresscollege.edu/academics/distance-education.

HYBRID CLASS: The 16-week hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students must update or confirm the email address they have entered into myGateway as an active and preferred email address so that they may receive important information regarding this course. For more information, go to https://www.cypresscollege.edu/academics/distance-education.

Last day to add: Sep 6; Last day to drop without "W": Sep 6; Last day to drop with "W": Nov 14; Last day to drop for refund: Sep 6.

FREN 200 C
2 Units
Conversational French
Transfer: CSU, UC
Prerequisite: FREN 102 C with a grade of C or better
This is a course in conversation with emphasis on the idiomatic use of the language through French films. Topics concern French life, culture, geography, and history.
• PASS/NOPASS/Letter Grade Option
10099 001 12:00-2:05 P T Le Cornet, Karen ZOOM
This course meets via Zoom during the days and times identified in the schedule.

FREN 203 C
4 Units
Intermediate French III
Transfer: CSU, UC
Prerequisite: FREN 102 C with a grade of C or better or two years of high school French with an average grade of C
The course emphasizes the acquisition of a contextualized vocabulary and grammatical information to develop speaking, reading and writing skills.
• PASS/NOPASS/Letter Grade Option
10100 001 12:00-2:05 P TTH Le Cornet, Karen ZOOM
This course meets via Zoom during the days and times identified in the schedule.

Geography

GEOG 100 C
3 Units
World Geography
Transfer: CSU, UC Credit Limitation
This course is an introduction to the world’s physical and political regions. Duplicate credit not given for GEOG 100HC.
10264 001 9:05-10:30 A MW Moriarty, Kathleen ZOOM
This course meets via Zoom during the days and times identified in the schedule.
10252 003 10:40-12:05 P MW Moriarty, Kathleen ZOOM
This course meets via Zoom during the days and times identified in the schedule.
11091 005 12:15-1:40 P MW Staff ZOOM
This course meets via Zoom during the days and times identified in the schedule.

ONLINE CLASS: The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, please confirm that your email address in myGateway is accurate after enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

Last day to add: Sep 6;
Last day to drop without “W”: Nov 14;
Last day to drop for refund: Sep 6.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
### History

**HIST 110 C**  
**Western Civilizations I**  
Transfer: CU, UC Credit Limitation  
**Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C**  
This course is a comprehensive study of the contributions of Western civilizations from prehistoric times to the beginning of the modern era. Duplicate credit not granted for HIST 110HC.

---

**Student Responsibility to Add and Drop Classes**

It is your responsibility to officially add and drop within published deadlines printed in the Class Schedule. The neglect of adding or dropping may result in no credit or a substandard grade or “W” posted on your permanent record.

---

**Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.**

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Kinesiology

KIN 111 C
Swimming (formerly PE 134 C)
Transfer: CSU, UC Credit Limitation
This course provides basic instruction and practice in the fundamental elements of swimming.
• PASS/NO PASS/Letter Grade Option
14871 001 11:00-12:25 P TTh Canner, Mark POOL-1
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class is a one-unit course.

KIN 112 C
Swimming - Intermediate-Advanced (formerly PE 135 C)
Transfer: CSU, UC Credit Limitation
Prerequisite: Demonstrate ability to swim
Advisory: KIN 111 C
This course is designed to develop skills in competitive swimming strokes.
• PASS/NO PASS/Letter Grade Option
14867 001 11:00-12:25 P TTh Canner, Mark POOL-1
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class is a one-unit course.

KIN 116 C
Swim for Fitness (formerly PE 149 C)
Transfer: CSU, UC Credit Limitation
Prerequisite: Demonstrate ability to swim
This course will emphasize swimming for health and physical fitness.
• PASS/NO PASS/Letter Grade Option
14867 001 11:00-12:25 P TTh Canner, Mark POOL-1
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. The above class is a one-unit course.

KIN 120 C
Kick-Boxing (formerly PE 163 C)
Transfer: CSU, UC Credit Limitation
This course offers instruction in forms of kick-boxing that stresses cardiovascular endurance, strength development, and improved flexibility.
• PASS/NO PASS/Letter Grade Option
12157 001 9:00-10:10 P F Jackson, Michael ZOOM
The above class is a one-unit course that meets via Zoom during the days and times identified in the schedule.

The above class is a one-unit course that meets via Zoom during the days and times identified in the schedule.

KIN 121 C
Self-Defense (formerly PE 170 C)
Transfer: CSU, UC Credit Limitation
This course will include instruction in personal safety and self-defense techniques through scenario and martial arts training.
• PASS/NO PASS/Letter Grade Option
12158 001 2:35-4:00 P MW Jackson, Michael ZOOM
The above class is a one-unit course that meets via Zoom during the days and times identified in the schedule.
12159 002 4:10-5:35 P TTh Jackson, Michael ZOOM
The above class is a one-unit course that meets via Zoom during the days and times identified in the schedule.

KIN 128 C
Yoga - Intermediate
Transfer: CSU, UC Limitation
Advisory: Students should have taken KIN 130 C or demonstrate intermediate yoga practitioners skills.
This is an intermediate course in yoga. It involves a deeper investigation and practice of yoga postures (asana), breathing (pranayama), and meditation, through the 8-limb system of Patanjali. This course will introduce students to a more thorough exploration of yoga through its primary practicing methodology of asana, pranayama, and meditation. This process of practice will offer a deeper signification of the integration of body, mind, and spirit, as integral to the practice of yoga.
• PASS/NO PASS/Letter Grade Option
13141 HY4 HYBRID 8/23-12/11 Gracia-Iris, Holly

**KIN 128 C**  
Hatha Yoga  
Transfer: CSU, UC Credit Limitation  
This course, as defined by Patanjali, means “citta vritti nirodha,” the stilling of all states of citta, roughly, the stilling of mind. Students will develop an understanding of the goal of yoga, primarily through the significance of yoga asana. Not because asana (posture) is the most significant aspect of Patanjali’s system of yoga, but because it allows students a way into the practice. In this respect, yoga is a practice and students will focus on developing a yoga practice, represented through asana, that reflects the goals of yoga, and the stilling of mind.

  - **ROOM:** SOCCER-SOUTH
  - **ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

---

**Be Sure to Attend the First Class Meeting**

Because of enrollment demands, attendance at the first class meeting is required of officially enrolled and waitlisted students. Any student not reporting to the first class meeting may be dropped from the class and waitlist. This includes waitlisted students.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

### PHS 284 C

**Contemporary Personal Health** *(formerly KIN 284 C)*

Transfer: CSU

This course focuses on the exploration of major health issues and behaviors in the various dimensions of health. Emphasis is placed on individual responsibility for personal health and the promotion of informed, positive health behaviors.

**ONLINE CLASS:** The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.  

Last day to add: Sep 6;  
Last day to drop without "W": Sep 6;  
Last day to drop with "W": Nov 14;  
Last day to drop for refund: Sep 6.

### PHS 284 C

**Integrative Mental Health and Mindfulness**

Transfer: CSU

In this course, students will examine mindfulness-based meditation practices and how mental health is affected by mindfulness practice. As such, students will look at how lifestyle can contribute to mental health and at ways of optimizing mental health. Stress, the stress response, the relaxation response, and implications of neuroplasticity through the lens of interpersonal neurobiology will be examined.

**ONLINE CLASS:** The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, students MUST enter their email address in myGateway BEFORE enrolling in the class. **Petitioning Closed Classes**

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

Some students will be required to take a corequisite course.
MATH 040 C Intermediate Algebra, MATH 041 C Combined Algebra 1 & 2 and MATH 044 C Basic Accelerated Math will also be offered for students that prefer to take a refresher course.
Please see a counselor for further guidance.

What is a Math Hybrid class?
A math hybrid class covers all the same material as a standard synchronous math class. The main difference is that most instruction is delivered asynchronously via engaging videos created by current Cypress College instructors. Students have as much, or even more, access to their instructors to get help throughout the semester.

Here is what your fellow students say about the Math video lectures in our Hybrid classes:

- Thank you Professors for creating such super high-quality videos! They offer even more than an in-person class could because the video lectures have great animations, pop-up windows of review material, formulas, and key concept reminders.
- I really like that I can pause the videos at any time while taking notes.
- It helped me a lot to be able to go back in the video if I missed any information or if I didn’t quite get it the first time.
- I can change the speed of video lectures to suit me. I can skip over parts that I already know how to do, or slow down and spend more time on the things that are more difficult for me.
- It helped me to be able to watch all or part of a video lecture again to review before the exam.
- I loved that I never had to miss any lectures because of my work schedule, illness, lost Internet connection, or other commitments, since I was able to take notes at the times that were best for me personally.
Mathematics

MATH 009 C
Supervised Tutoring - Math
This course provides individual tutoring based on each student's needs in mathematics.
• Non-Credit
• Open Entry/Open Exit
13529 0EI 8/23-12/11 Staff

MATH 009 C
This course is a corequisite course to MATH 110PC, Math for Prospective Teachers. Each MATH 009 C class is paired with a specific MATH 110PC class. Students must take both of these classes concurrently. Enter both CRNs when registering.

The combination course pairing will review the specific arithmetic and algebra skills needed to successfully complete Math for Prospective Teachers. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

MATH 011 C
Skills for Finite Math
Prerequisite: Appropriate placement
Corequisite: MATH 115 C with a grade of C or better
This course covers the skills and concepts needed to be successful in MATH 115 C. Topics include multiplying polynomials, factoring polynomials, solving linear equations, graphing linear equations, functions, and graphic inequalities.
• Non-degree credit
12730 003 2:45-4:50 P F Hatori, Donald ZOOM
The above class meets via Zoom during the days and times identified in the schedule. This course provides students with skills to help them succeed in MATH 115PC. Students who register for this section must also register for the 14744 of MATH 115PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.

12714 100 8:30-9:35 T Ramedani, Parvin SEM-115
12715 100 8:30-9:35 Th Ramedani, Parvin SEM-115

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. This course requires MANDATORY on-campus attendance for proctored exams during the times listed above. ALL students must physically attend class with their photo IDs on those days. Exam dates will be listed in the course syllabus. This course provides students with skills to help them succeed in MATH 115PC. Students who register for this section must also register for the 14747 of MATH 115PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.

12712 HY1 HYBRID 8/23-12/11 Trevino, Joseph
8:00-9:00A Th 8/23-12/11 Trevino, Joseph ZOOM
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This course provides students with skills to help them succeed in MATH 115PC. Students who register for this section must also register for the 14745 section of MATH 115PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.

12733 HY2 HYBRID 8/23-12/11 Trevino, Joseph
12:00-1:00 P Th 8/23-12/11 Trevino, Joseph ZOOM
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. **MATH 040 C (continued)**

**ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

**HYBRID CLASS:** The above hybrid class includes MANDATORY on-campus attendance for orientation and proctored exams on the dates listed above. ALL students must physically attend class with their photo IDs on those days. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to www.cypresscollege.edu/academics/distance-education/. This section uses open educational resources and has zero textbook costs.

MATH 041 C
Combined Algebra I and II
Prerequisite: MATH 015 C or Pre-Algebra with a grade of C or better and the assessment process or AB 705 Multiple Measures Placement
This course is designed for students who would like to complete elementary and intermediate algebra in one semester. It includes polynomials, rational expression, radicals, linear systems, functions and graphs. Students may not receive credit for both MATH 040 C and MATH 041 C. Students who have completed MATH 020 C are allowed to take MATH 040 C or MATH 041 C. Students must see a counselor for placement.

10206 001 7:00-10:10 A MW Sotomayor, Andrew ZOOM
The above class meets via Zoom during the days and times identified in the schedule. The above class meets via Zoom during the days and times identified in the schedule. This section uses open educational resources and has zero textbook costs.

12849 005 9:15-11:20 A T/W/Th Eckenrode, Adam ZOOM
The above class meets via Zoom during the days and times identified in the schedule. This section requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.

MATH 044 C
Basic Accelerated Mathematics
MATH 044 C will review arithmetic and algebra skills in preparation for taking a transfer level math course. The course is self-paced, allowing focus on difficult topics. The course provides videos and an instructor to explain concepts. This course may be taken only once. The grading for this course is Pass/No Pass.

MATH 044 C
Basic Accelerated Math
Advisory: Students must see a counselor for placement.
This is a self-paced math course in which students can progress from Basic Math through Intermediate Algebra in one semester. Students will take an assessment at the beginning of the course to determine their starting point and study plan. Students will then show mastery of topics using ALEKS, a Web-based assessment and learning system.
• Non-degree credit

13815 003 9:00-12:10 P TTh Vu, Tim ZOOM
The above class meets via Zoom during the days and times identified in the schedule. This section requires the use of ALEKS for online assignments. A hard copy of the textbook is optional.

COMBO CLASSES FOR MATH FOR PROSPECTIVE TEACHERS
Take MATH 009 C Skills for Math for Prospective Elementary School Teachers along with MATH 110PC Math for Prospective Teachers.
• MATH 009 C is a full-term corequisite support course for MATH 110PC.
• Each section of MATH 009 C is paired with a specific MATH 110PC section. Students must take both of the courses in the pairing.
• MATH 009 C gives students needed support in order to be successful in MATH 110PC.
• Students must register for both courses. Include BOTH CRNs when registering. Together, the pair of courses totals 6 units.

MATH 110PC
Math for Prospective Teachers (same as MATH 110 C)
Transfer: CSU, UC
Prerequisite: MATH 040 C or MATH 041 C and MATH 030 C and the assessment process. Proof of prerequisites is required.
Corequisite: MATH 009 C with a grade of C or better
This course is an introduction to problem solving processes and strategies. Development and analysis of the structure and operations of the real number system will also be discussed. This course contains the same topics as MATH 110 C, but it must be taken concurrently with a paired section of MATH 009 C. Duplicate credit not granted for MATH 110 C.

13444, 14742 8:00 am–10:05 am M/W/Th DeMartino, Sarah Zoom
13445, 14743 10:45 am–12:50 pm T/W/Th DeMartino, Sarah Zoom

ADD AUTHORIZATION CODES:
(commonly known as “Add Codes”)
may be issued by the instructor based on space availability and in accordance with all the requirements for the class.
Prior to the first day of class
• if the class is OPEN — no add code is needed
• if the class is CLOSED — an add code is needed
Beginning the first day of class
• an add code is needed for most classes
• add codes must be used by 11:59 pm on the add deadline

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
MATH 115 C/115PC Finite Math

MATH 115 C and MATH 115PC are designed for students in Liberal Arts, Fine Arts, Humanities, Mortuary Science, or Career Technical Education.

These courses may be offered as a traditional course or as a hybrid course. In the hybrid course, students have the option of setting their own timeline and watching instructional videos created by the instructor for each lesson at a time that best fits their schedule. Exams are taken online while proctored by the instructor.

MATH 115 C

**Finite Mathematics**

Prerequisite: MATH 040 C or MATH 041 C or Algebra II with a grade of C or better and the assessment process. Proof of prerequisites is required.

This is a general education course in practical mathematics for liberal arts students or any student not majoring in mathematics or science. This course covers linear equations, functions, finance, matrices, linear programming, sets, counting techniques, probability and applications. TI-83/84 or equivalent graphing calculator required.

**HYBRID CLASS:** The above hybrid class requires MANDATORY ZOOM meetings for proctored exams on the dates and times listed above. ALL students must attend the Zoom meetings with their photo IDs on those days. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This section requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.

MATH 120PC

126  4 Units

Introduction to Probability and Statistics

(same as MATH 120 C)

Transfer: CSU, UC

Prerequisite: MATH 040 C or MATH 041 C or MATH 024 C and the assessment process. Proof of prerequisites is required.

Corequisite: MATH 012 C with a grade of C or better

This course is an introduction to the elements of statistical analysis, applications to business, biological sciences and social sciences. This course contains the same topics as MATH 120 C, but it must be taken concurrently with a paired section of MATH 012 C. Duplicate credit not granted for MATH 120 C or MATH 120NC.

14748  001  10:45-12:50 P  MW  Nguyen, Hoang  Zoom

The above class meets via Zoom during the days and times identified in the schedule. This section of MATH 120PC is linked to section 13462 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course.

MATH 120PC (continued)

14749  002  3:15- 5:20 P  MW  Humaciu, Matthew  Zoom

The above class meets via Zoom during the days and times identified in the schedule. This section of MATH 120PC is linked to section 13467 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course.

14764  004  3:20- 5:25 P  Th  Wan, James  Zoom

The above class meets via Zoom during the days and times identified in the schedule. This section of MATH 120PC is linked to section 12745 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course.

14765  103  5:30- 7:35 P  Th  Harris, Jonathan  SEM-113

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. This section of MATH 120PC is linked to section 13465 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

14751  101  6:15– 8:20 P  MW  Ghaifari, Ardeshir  SEM-115

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. This section of MATH 120PC is linked to section 12750 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

14766  104  6:15– 8:20 P  Th  Mai, Hao  SEM-116

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. This section of MATH 120PC is linked to section 12745 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

14757  102  7:25– 9:30 P  MW  Nguyen, Dai  SEM-111

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. This section of MATH 120PC is linked to section 12738 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

14769  HY2  HYBRID  8/23-12/11  Ledesma, Nicole Alexandra  Zoom

The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This section of MATH 120PC is linked to section 13467 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

14770  HY1  HYBRID  9/23-12/11  Hill, Garet  Zoom

The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/. This section of MATH 120PC is linked to section 12891 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional. Last day to add: Sep 6; Last day to drop without “W”; Sep 6; Last day to drop for refund: Sep 6.

Due to the COVID-19 health emergency and continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
MATH 120PC (continued)

HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/ academics/distance-education/. This section of MATH 120PC is linked to section 12855 of MATH 012 C. MATH 012 C is a skills class to help students succeed in MATH 120PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

MATH 130 C (continued)

HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, students should confirm their email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/ academics/distance-education/. This section requires the use of WebAssign for online assignments. A hard copy of the textbook is optional. Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop for refund: Sep 6.

COMBO CLASSES FOR SURVEY OF CALCULUS

Take MATH 013 C Skills for Survey of Calculus along with MATH 130PC Survey of Calculus.

• MATH 013 C is a full-term corequisite support course for MATH 130PC.
• Each section of MATH 013 C is paired with a specific MATH 130PC section. Students must take both of the courses in the pairing.
• MATH 013 C gives students needed support in order to be successful in MATH 130PC.
• Students will register for both courses. Include BOTH CRNs when registering. Together, the pair of courses totals 6 units.

MATH 130PC

Survey of Calculus

Transfer: CSU, UC

Prerequisite: MATH 040 C or MATH 041 C with a grade of C or better and the assessment process. Proof of prerequisites is required. Corequisite: MATH 013 C with a grade of C or better

This course is an introduction to calculus with an emphasis on solution techniques and applications rather than abstract theory. TI-83/84 or equivalent graphing calculator is required. This course contains the same topics as MATH 130 C, but it may be taken concurrently with a paired section of MATH 013 C. Duplicate credit not granted for MATH 130 C.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

The above class meets via Zoom during the days and times identified in the schedule. This section of MATH 130PC is linked to section 12763 of MATH 013 C. MATH 013 C is a skills class to help students succeed in MATH 130PC. Students must take both courses concurrently. Enter both CRNs when registering for the course. This section requires the use of WebAssign for online assignments. A hard copy of the textbook is optional.

### MATH 141C

**College Algebra**

**4 Units**

**Prerequisite:** MATH 030 C or Plane Geometry and MATH 040 C or MATH 041 C or Algebra II and the assessment process. **Proof of prerequisites is required.**

This is one of two courses to prepare students for the calculus sequence. Topics covered include rational, exponential and logarithmic functions; conic sections; zeros of polynomial functions; analytic geometry; systems of equations; and theory of equations.

#### ON-Campus Class:

- **Instructor:** Nguyen, Kelly
- **Time:** 09:00-11:05 A
- **Room:** SEM
- **CRN:** 11326

#### HYBRID Class:

- **Instructor:** Cadilli, Jolina
- **Time:** 09:15-11:20 A
- **Room:** ZOOM
- **CRN:** 12754

#### HYBRID Class (same as MATH 141C)

- **Instructor:** Nguyen, Kelly
- **Time:** 09:00-10:00 A
- **Room:** SEM
- **CRN:** 14773

#### HYBRID Class (same as MATH 141C)

- **Instructor:** Shrout, Cynthia
- **Time:** 09:00-10:00 A
- **Room:** SEM
- **CRN:** 14773

**Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.**

**MAD 117 C**  
**Graphic Design II**  
(formerly MAD 144 C)  
**Prerequisite:** MAD 116 C with a grade of C or better  
This is an intermediate course in advertising/graphic design. Material fees are for materials provided by the department.  
- **$20 Material Fee — PAYABLE AT REGISTRATION**  
12164 001 5:00- 8:10 P  
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

**MAD 118 C**  
**Graphic Design III**  
(formerly ART 142 C)  
**Prerequisite:** MAD 117 C with a grade of C or better  
This is an advanced course in ad/graphic design. Special attention is placed on planning and preparation of an ad/graphic portfolio. Lab fees are for materials provided by the department.  
- **$20 Material Fee — PAYABLE AT REGISTRATION**  
14137 001 5:00- 8:10 P  
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

**MAD 122 C**  
**History of Graphic Design**  
**Advisory:** ENGL 060 C  
This course surveys the history of visual communication, design’s sociopolitical and cultural contexts, and the artistic and technological characteristics of various movements.

**MAD 130 C**  
**Introduction to Electronic Media**  
(formerly MM 100 C)  
**Transfer:** CSU  
This course introduces the history, structure, function, economics, content and evolution of radio, television, film, the Internet, and new media, including traditional and mature formats.

**MAD 131 C**  
**Introduction to Media**  
(formerly MM 105 C)  
**Advisory:** Eligibility for ENGL 100 C  
This course introduces analysis of film and television. It examines the broad questions of form and content, aesthetics and meaning, and history and culture presented by the cinematic art form by examining of a wide variety of productions, and film movements. Topics include modes of production, narrative and non-narrative forms, visual design, editing, sound, genre, ideology and critical analysis.

Students are limited to registering in a maximum of 19 units. Exceptions for additional units must be petitioned through Counseling.
Mortuary Science

You must be accepted into the Mortuary Science Program prior to enrolling in any MORT courses.

Are you interested in applying to the Mortuary Science Program? Visit our website for details and attend an information workshop!
https://careers.cypresscollege.edu/programs/mortuary-science/

MORT 201 C
Funeral Directing
Prerequisite: Admission to the Mortuary Science Program
This course is designed to acquaint the mortuary science student with general information on the practice of the funeral profession including American funeral service practices and procedures in military, fraternal and religious funerals. Field trip may be required not to exceed $50.

CRN 14850 001 11:00-12:25 P
Collins, Lori

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

MORT 202 C
Funeral Service Administration I
Prerequisite: Completion of or concurrent enrollment in MORT 201 C
This course is designed to introduce the mortuary science student to the basic principles of funeral service management and merchandising as they apply to the funeral profession, considering both service and merchandise as products provided by funeral service practitioners.

CRN 12610 001 8:00-9:50 A
De La Cruz, Damon

LAB 1:00-5:50 P
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: Both sections of MORT 202 C meet together for lecture.

CRN 12611 002 8:00-9:50 A
De La Cruz, Damon

LAB 1:00-5:50 P
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All sections of MORT 215 C meet together for lecture.

MORT 203 C
Methods of Disposition
Prerequisite: Completion of or concurrent enrollment in MORT 201 C and MORT 202 C with a grade of C or better
This introductory course surveys cemetery and crematory processes necessary with working with a funeral entity as well as examining the legal ramifications and notifications necessary when working with the bereaved families. Field trips may be required not to exceed $50.

CRN 12609 001 12:40-2:45 P
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

MORT 204 C
Funeral Service Administration II
Prerequisite: Completion of or concurrent enrollment in MORT 201 C and MORT 202 C
This course is designed to introduce the mortuary science student to the principles of management as they apply to the practice of the funeral profession.

CRN 12340 001 10:30-11:55 A
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

MORT 214 C
Funeral Service Sciences
Prerequisite: Admission to the Mortuary Science Program
This introductory course, designed for the Mortuary Science student, surveys general anatomical, chemical, physiological, and pathological concepts as they relate to the preparation, presentation, and sanitation of the human remains. Field trips may be required not to exceed $50.

CRN 13344 100 8:00-10:30 A
De La Cruz, Damon

This course meets via Zoom during the days and times identified in the schedule.

MORT 215 C
Embalsement
Prerequisite: MORT 214 C with a grade of C or better
In this course, Mortuary Science students will become familiar with the nature of chemicals utilized in the mortuary setting as they develop a qualitative understanding of the chemical aspects of tissue decomposition and preservation. Field trips may be required not to exceed $50.

CRN 13701 003 8:00-9:50 A
De La Cruz, Damon

LAB 1:00-5:30 P
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All sections of MORT 215 C meet together for lecture.
### MORT 216 C
**Restorative Art**
Transfer: CSU
**Prerequisite:** Completion of or concurrent enrollment in MORT 214 C and MORT 215 C with a grade of C or better
This detailed study course is made of the facial features and their relationship to a complete restoration. Modeling of the facial features using an appropriate modeling medium is studied in lab.
- $170 Material Fee — PAYABLE AT REGISTRATION

This course introduces the fundamentals of music including notation, rhythm, pitch, melody, harmony, and form. Students will study the historical and cultural development and significance of musical styles and fundamentals. NOTE: No UC credit if taken after MUS 103AC.

10673 002 9:05-10:30 A  TTh Preponis, Andreas ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

10672 001 1:00- 2:25 P  MW Beyer, Lavaun ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

11732 011 ONLINE 8/23-12/11 Simmons, Jim ONLINE
ONLINE CLASS: The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, please confirm your email address in myGateway is accurate before enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.

MUS 103 C 3 Units
Theory I
Corequisite: MUS 104 C with a grade of C or better
Advisory: MUS 101 C and MUSA 131 C. Students should have a practical understanding of music fundamentals, and basic keyboard skills.
This introductory music theory course is for music majors, incorporating rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; diatonic chords, basic cadential formulas and phrase structure; dominant seventh; figured bass symbols; and non-harmonic tones.

11095 001 8:45-10:10 A  MW Hampton, Bradley ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

MUS 104 C 1 Unit
Musicianship I
Corequisite: MUS 103 C with a grade of C or better
Advisory: MUS 101 C and MUSA 131 C or student should have a practical understanding of music fundamentals, and basic keyboard skills
This course applies and develops the rhythmic, melodic, and harmonic materials of Music Theory I through ear training, sight singing, analysis, and dictation.

11096 001 10:20-11:10 A  MW Hampton, Bradley ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

MUS 108 C 3 Units
Introduction to Music Technology
This course covers the following basic aspects of music technology: computer skills, software-based sequencing, synthesis, MIDI, sampling, notation, principles of sound, microphones, introduction to digital audio, signal processing, mixers and mixing, recording principles, cables and interconnects, and audio in live performance.

11860 002 9:00-12:10 P  MW Rusich, Clinton ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

10676 001 12:00- 3:10 P  TTh McMillan, Marcus ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

10677 011 6:00- 9:10 P  MW Parker, Dana ZOOM
ZOOM: This course meets via Zoom during the days and times identified in the schedule.

Music Appreciation

MUS 111 C 3 Units
The Business of Music
Transfer: CSU

From copyrights to contracts, this course covers the essential elements of the music industry for performers, songwriters, producers and managers.

10860 011 ONLINE 8/23-10/24 Curtin, Brian ONLINE
ONLINE CLASS: This is a 9-week online class meets entirely online. The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, please confirm your email address in myGateway is accurate before enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

Last day to add: Sep 2; Last day to drop without “W”: Sep 2; Last day to drop with “W”: Oct 9; Last day to drop for refund: Aug 28.

MUS 113 C 3 Units
Jazz History
Transfer: CSU, UC

This survey course traces the history and development of jazz music from its inception to the present day. The music, both live and from recordings, is studied from a cultural, musical, historical, and sociological standpoint. Concert attendance is required. Open to all students. SOC JUST

FALL SCHEDULE 2021

MUS 287 C  
**Vocal Jazz Ensemble**  
Transfer: CSU, UC  
Prerequisite: Audition  
This course focuses on the rehearsal and performance of traditional and contemporary vocal jazz repertoire accompanied by a small instrumental ensemble. This course may be taken for credit 4 times.  
CRN: 14228  
DAYS: MW  
TIME: 11:20-12:45 P  
INSTRUCTOR: Hampton, Bradley  
ROOM: FA-304

ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

MUS 298 C  
**Music - Independent Study**  
Transfer: CSU, UC Credit Limitation  
Prerequisite: Approved Independent Study Learning Contract  
This course is designed for students who wish to increase their knowledge and experience in performance or applied areas. This course may be taken for credit 4 times.  
CRN: 10879  
DAYS: MW  
TIME: 8/23-12/11  
INSTRUCTOR: McMillan, Marcus  
ROOM: ZOOM

Music — Applied

MUSA 111 C  
**Beginning Voice**  
Transfer: CSU, UC  
This course teaches basic vocal technique through voice exercises, and includes folk, show and art songs in a class situation. This class is open to all students and is intended as an entry-level class for inexperienced students who wish to explore a Voice Major.  
CRN: 11405  
DAYS: TTh  
TIME: 10:40-11:35 A  
INSTRUCTOR: Preponis, Andreas  
ROOM: ZOOM

MUSA 112 C  
**Intermediate Voice I**  
Transfer: CSU, UC  
Prerequisite: MUSA 111 C with a grade of C or better or Audition  
This entry level voice class is for voice majors with some experience, and advanced non-majors. It emphasizes individual progress in voice training and vocal literature. Repertoire is primarily 18th and 19th century Italian songs and arias.  
CRN: 12540  
DAYS: TTh  
TIME: 10:40-11:35 A  
INSTRUCTOR: Preponis, Andreas  
ROOM: ZOOM

MUSA 120 C  
**Beginning Guitar**  
Transfer: CSU, UC  
This course is designed for students with little or no guitar experience, introduces the basics of playing guitar. Topics include note reading, chords and scales.  
CRN: 11407  
DAYS: TTh  
TIME: 10:10-11:05 A  
INSTRUCTOR: McMillan, Marcus  
ROOM: ZOOM

MUSA 121 C  
**Intermediate Guitar**  
Transfer: CSU, UC  
Prerequisite: MUSA 120 C with a grade of C or better or Audition  
This course continues the work of MUSA 120 C. It covers intermediate level solo guitar pieces and more difficult note reading, chords and scales.  
CRN: 14987  
DAYS: MW  
TIME: 11:45-12:40 P  
INSTRUCTOR: McMillan, Marcus  
ROOM: ZOOM

MUSA 130 C  
**Introduction to Piano for Non-Majors**  
Transfer: CSU, UC  
This course is designed for those with little or no piano experience. The course provides an introduction to the fundamentals of piano playing: sight-reading simple arrangement of popular tunes, technique, and rhythm. This course is open to all students.  
CRN: 11412  
DAYS: MW  
TIME: 12:30- 1:25 P  
INSTRUCTOR: Hampton, Bradley  
ROOM: ZOOM

MUSA 131 C  
**Keyboard Skills I**  
Transfer: CSU, UC  
Prerequisite: Audition  
Advisory: Student should be able to demonstrate appropriate piano proficiency for this course.  
This course is designed for music majors with rudimentary understanding of piano playing. Emphasis will be on basic keyboard harmonization, hand independence, sight-reading, rhythm accuracy and elementary piano repertoires.  
CRN: 12276  
DAYS: TTh  
TIME: 3:00- 3:55 P  
INSTRUCTOR: Chen, Huei Ju  
ROOM: ZOOM

MUSA 132 C  
**Keyboard Skills II**  
Transfer: CSU, UC  
Prerequisite: MUSA 131 C with a grade of C or better or Audition  
This course is a continuation of MUSA 131 C focusing on basic keyboard harmonization using primary chord inversions, technique, transposition, accompaniment patterns, rhythm accuracy and late elementary/early intermediate piano repertoires.  
CRN: 12464  
DAYS: TTh  
TIME: 3:00- 3:55 P  
INSTRUCTOR: Chen, Huei Ju  
ROOM: ZOOM

MUSA 222 C  
**Pop-Commercial Guitar Style and Technique I**  
Transfer: CSU  
Advisory: MUSA 121 C  
This course is designed to give guitar students beginning training in pop-commercial styling techniques, improvisation, notation, and studio recording techniques.  
CRN: 13345  
DAYS: MW  
TIME: 11:45-12:40 P  
INSTRUCTOR: McMillan, Marcus  
ROOM: ZOOM

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Nursing

You must be accepted into the Nursing Program prior to enrolling in any NURS courses.

Are you interested in applying to the Nursing Program?
Visit our website for details and attend an information workshop! https://careers.cypresscollege.edu/programs/nursing/

NURS 099 C
Nursing Independent Study
Prerequisite: Approved Independent Study Learning Contract
This course is designed for capable students enrolled in the Registered Nursing program or options of the program who wish to increase their knowledge and experience in applied areas of patient centered care. This course may be taken for credit 4 times.

myGateway Registration!
All class registrations, adds, drops, waitlists and withdrawals must be done online using myGateway.
selected because of the great learning environment she creates in her classrooms. She started an English as a Second Language group for nursing students that has been invaluable to this population of scholars. During the early stages of the pandemic, Dr. Pham visited clinical sites to boost morale among these front-line workers. These efforts also helped deepen the rapport with these critical college partners and fostered a return to these learning environments for our students.

---

### NURS 197 C
**Maternal and Newborn Nursing**  
**Prerequisite:** NURS 196 C with a grade of C or better  
This course prepares the student to apply the nursing process to develop safe patient-centered strategies within a collaborative environment for the perinatal, newborn, and women’s health patient.  
- **$50 Material Fee — PAYABLE AT REGISTRATION**  
- **ON-CAMPUS CLASS:** The above class will be held IN PERSON on the Cypress College campus in the room indicated, and 12 lab hours per week to be arranged by instructor at a clinical facility. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus check-in station, wearing masks, and social distancing.  
- Last day to drop for refund: Aug 26; Last day to drop without “W”: Oct 1; Last day to drop with “W”: Oct 20; Last day to drop with “W”: Aug 31; Last day to drop with “W”: Aug 26.

### NURS 292 C
**Medical-Surgical Nursing II**  
**Prerequisite:** NURS 195 C and NURS 196 C and NURS 197 C with a grade of C or better and acceptance into the Nursing Program  
This course prepares the student to apply the nursing process to develop safe patient centered strategies within a collaborative environment for patients with complex medical surgical needs.  
- **$75 Material Fee — PAYABLE AT REGISTRATION**  
- **ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. A total of 18.5 lab hours per week to be arranged by instructor at a clinical facility.  
- Last day to add: Aug 26; Last day to drop with “W”: Aug 31; Last day to drop with “W”: Oct 1; Last day to drop with “W”: Aug 26.

### NURS 293 C
**Mental Health Nursing**  
**Prerequisite:** NURS 292 C with a grade of C or better  
This course presents historical, cultural, and contemporary research concepts as related to the mental health-illness continuum.  
- **ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. A total of 12.5 lab hours per week to be arranged by instructor at a clinical facility.  
- Last day to add: Oct 20; Last day to drop without “W”: Oct 20; Last day to drop with “W”: Nov 4; Last day to drop with “W”: Oct 19; Last day to drop with “W”: Nov 7; Last day to drop for refund: Oct 19.

### NURS 294 C
**Geriatric Nursing**  
**Prerequisite:** NURS 292 C with a grade of C or better  
This course prepares the student to apply the nursing process and the NLN ACES framework to the care of older adults in the community.  
- **ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. A total of 20 lab hours per week to be arranged by instructor at a clinical facility.  
- Last day to add: Nov 17; Last day to drop without “W”: Nov 17; Last day to drop with “W”: Dec 6; Last day to drop for refund: Nov 16.

### NURS 295 C
**Pharmacology in Nursing IV**  
**Prerequisite:** NURS 291 C, NURS 292 C, NURS 293 C, or NURS 294 C, with a grade of C or better or acceptance in the Nursing Program, LVN, PT  
This course prepares the student to apply the nursing process in order to safely administer medications for patients in multiple clinical settings.  
- **PASS/NO PASS/LETTER GRADE OPTION**  
- **ON-CAMPUS CLASS:** All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.  
- Last day to add: Aug 23; Last day to drop without “W”: Aug 23; Last day to drop with “W”: Sep 27; Last day to drop for refund: Aug 23.
NURS 296 C
Child and Family Nursing
3.5 Units
Prerequisite: NURS 291 C, NURS 292 C, NURS 293 C, and NURS 294 C, with a grade of C or better
This course prepares the student to apply the nursing process to develop safe family centered care strategies within a collaborative environment.

   Last day to add: Sep 1; Last day to drop without “W”: Sep 1; Last day to drop with “W”: Oct 3; Last day to drop for refund: Aug 28.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
PHIL 160 C
Introduction to Ethics
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course explores basic questions in ethics: What is good? How should I live? Are morals relative or meaningful? The course includes such topics as abortion, sexual ethics, biotechnology, and environmental issues.
10360 001 12:15- 1:40 P  TTh  Thibodeau, Jason  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 162 C
Contemporary Moral Issues
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C
This course examines contemporary moral conflicts that occur in society such as non-human animal rights, the death penalty, sexual morality, and environmental issues. Time will be devoted to important moral theories and various types of moral reasoning.
14263 001 9:05-10:30 A  MW  Thibodeau, Jason  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 170 C
Logic and Critical Thinking
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course focuses on elements of clear, straight, orderly, and valid thought, including deductive and inductive reasoning and the accurate use of language. This course explores practical applications of logic. Duplicate credit not granted for PHIL 170HC.
10362 001 9:05-10:30 A  MW  Young, Martin  ZOOM
This course meets via Zoom during the days and times identified in the schedule.
10361 002 9:05-10:30 A  TTh  Dingman, Mary  ZOOM
This course meets via Zoom during the days and times identified in the schedule.
11111 003 10:40-12:05 P  MW  Thibodeau, Jason  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 172 C
Critical Thinking and Writing
3 Units
Transfer: CSU, UC
Prerequisite: ENGL 100 C with a grade of C or better
This course is an introduction to the techniques of argument analysis, evaluation, and construction as applied to essay writing.
12492 001 1:50- 3:15 P  TTh  Kobayashi, Brian  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 175 C
Symbolic Logic
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This is a course in propositional and predicate logic. It covers the techniques for the symbolic translation and evaluation of arguments about philosophical, political, moral, scientific, and religious issues.
13085 001 12:15- 1:40 P  TTh  Young, Martin  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 201 C
History of Ancient Philosophy
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This historical introduction course to philosophy traces the development of Western philosophy beginning with the early Greeks. Emphasis will be placed on theories of reality, knowledge and ethics which have influenced the development of Western culture.
12491 01L ONLINE 8/23-12/11  Heusser, Willis
ONLINE CLASS: The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.

PHIL 225 C
The American Religious Experience
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course is an introduction to religious diversity in the United States from the colonial encounter to the present. This course introduces students to a variety of forms of European, Asian, African, and Native American religious traditions, as well as how these traditions interacted with each other over time. SOC JUST
14262 001 10:40-12:05 P  TTh  Rees, Myev  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

PHIL 299 C
Philosophy Independent Study
1 Unit
Transfer: CSU, UC Credit Limitation
Prerequisite: Approved Independent Study Learning Contract
This independent study course is for able students who wish to extend their knowledge in a particular area through individual research and study. This course may be taken for credit 3 times.
11580 400 8/23-12/11  Heusser, Willis  ZOOM
For the above class, students must contact an instructor to supervise their semester’s work. An agreement will be developed by the student and instructor, signed and approved by the Division Dean. Agreements are available from the Social Sciences Division Office.

Photography
PHOT 101 C
Introduction to Photography
3 Units
Transfer: CSU, UC
This introductory course emphasizing visual concepts, basic image capture with film and digital cameras, industry standard imaging software basics and darkroom techniques. Credit by Examination.

Safety Information
Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

PHYS 201 C

College Physics I

Transfer: CSU, UC Credit Limitation

Prerequisite: MATH 141 C and MATH 142 C and PHYS 130 C, with a grade of C or better, or High School Physics with a grade of C or better

This course is the first half of an algebra- and trigonometry-based two-semester sequence (PHYS 201 C and PHYS 202 C) for students majoring in life sciences, medical/dental fields, architecture, psychology, and similar professional fields. This course satisfies a requirement for biology majors in the CSU system, but not the UC system.

10063 | 001  | 10:40-12:05 P | MW   |            | Subramaniam, Brinda | ZOOM |

LAB 1:20- 4:30 P | W    | Subramaniam, Brinda | ZOOM |

The above class meets via Zoom during the days and times identified in the schedule. The above section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

PHYS 202 C

College Physics II

Transfer: CSU, UC Limitation

Prerequisite: PHYS 201 C with a grade of C or better

This course is the second half of algebra- and trigonometry-based two-semester sequence (PHYS 201 C and 202 C) for students majoring in life sciences, medical/dental fields, architecture, psychology, and similar professional fields. This course satisfies a requirement for biology majors in the CSU system, but not the UC system.

14966 | 001  | 9:05-10:30 A | MW   |            | Subramaniam, Brinda | ZOOM |

LAB 1:20- 4:30 P | M    | Subramaniam, Brinda | ZOOM |

The above class meets via Zoom during the days and times identified in the schedule. The above section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

PHYS 210 C

Physics for Life Sciences I

Prerequisite: Completion of or concurrent enrollment in MATH 150AC and PHYS 130 C or High School Physics with minimum grades of C or better

This course is the first half of a calculus-based two-semester sequence (PHYS 210 C and PHYS 211 C) for students majoring in life sciences and similar professional fields. This course satisfies a requirement for biology majors in the UC system; the CSU system will accept either this sequence or PHYS 201 C and PHYS 202 C sequence.

10064 | 101  | 10:40-12:05 P | MW   |            | Subramaniam, Brinda | ZOOM |

LAB 1:20- 4:30 P | W    | Subramaniam, Brinda | ZOOM |

The above class meets via Zoom during the days and times identified in the schedule. The above section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### Psychiatric Technology

**Political Science**

**Leadership Supervision and Ethics**

Prerequisite: Approved Independent Study Learning Contract

This independent study course is for able students who wish to extend their knowledge of a particular area through individual research and study.

11598 400 8/23-12/11 Badal, Gloria ZOOM

For the above class, students must contact an instructor to supervise their semester’s work. An agreement will be developed by the student and instructor, signed and approved by the Division Dean. Agreements are available from the Social Sciences Division Office.

**Psychiatric Technology**

You must be accepted into the Psychiatric Technology Program prior to enrolling in any PT courses.

Are you interested in applying to the Psychiatric Technology Program?

Visit our website for details!

https://careers.cypresscollege.edu/programs/psychiatric-technology/

---

**PT 090 C**

**Leadership Supervision and Ethics**

Prerequisite: PT 135 C

This course defines the leadership and supervisory roles of the mental health professional with focus on the ethical considerations surrounding work with persons diagnosed with intellectual disabilities and mental illness.

- Non-degree credit

14738 300 12:30-1:20 P 10/20-12/8 Marquardt, Marcus ZOOM

This course meets via Zoom during the days and times identified in the schedule, with 1 hour TBA by teacher.

Last day to add: Oct 25;
Last day to drop with “W”: Oct 25;
Last day to drop with “W”: Nov 29;
Last day to drop for refund: Oct 21.

---

**PT 110 C**

**Nursing Science I**

Prerequisite: Acceptance into the Psychiatric Technology Program

This course introduces the basic principles and concepts of healthcare. Scientific principles of nursing care are introduced.

14737 200 7:00-12:05 P 8/23-10/15 Marquardt, Marcus ZOOM

CLINICAL CLASS: The above class includes ZOOM lecture and 20 lab hours per week to be arranged by instructor at a clinical facility IN PERSON. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus or facility check-in station, wearing masks, and social distancing.

Last day to add: Aug 31;
Last day to drop with “W”: Aug 31;
Last day to drop with “W”: Oct 1;
Last day to drop for refund: Aug 26.

---

**PT 115 C**

**Nursing Science II**

Prerequisite: Completion of or concurrent enrollment in PT 110 C with a grade of C or better

This course explores the disease process of medical/surgical conditions relative to etiology, pathology and treatment modalities.

14740 300 7:00-12:05 P 10/18-12/10 Flipp, Dragana ZOOM

CLINICAL CLASS: The above class includes ZOOM lecture and 20 lab hours per week to be arranged by instructor at a clinical facility IN PERSON. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus or facility check-in station, wearing masks, and social distancing.

Last day to add: Oct 25;
Last day to drop without “W”: Oct 25;
Last day to drop without “W”: Nov 29;
Last day to drop for refund: Oct 21.

---

**PT 120 C**

**Developmental Disabilities I**

Prerequisite: PT 115 C with a grade of C or better

In this course, students learn how to teach self-help and independent living skills to persons with intellectual/developmental disabilities.

11598 200 7:00-12:05 P 8/23-10/15 Ramos, Jaime ZOOM

CLINICAL CLASS: The above class includes ZOOM lecture and 20 lab hours per week to be arranged by instructor at a clinical facility IN PERSON. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus or facility check-in station, wearing masks, and social distancing.

Last day to add: Aug 31;
Last day to drop without “W”: Aug 31;
Last day to drop with “W”: Oct 1;
Last day to drop for refund: Aug 26.

---

**PT 125 C**

**Developmental Disabilities II**

Prerequisite: PT 120 C with a grade of C or better

This course studies the causes and treatment of behavioral disorders in persons diagnosed with developmental disabilities. The clinical application of the principles of behavior modification is stressed.

11409 300 7:00-12:05 P 10/18-12/10 Marquardt, Marcus ZOOM

CLINICAL CLASS: The above class includes ZOOM lecture and 20 lab hours per week to be arranged by instructor at a clinical facility IN PERSON. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the campus or facility check-in station, wearing masks, and social distancing.

Last day to add: Oct 25;
Last day to drop without “W”: Oct 25;
Last day to drop with “W”: Nov 29;
Last day to drop for refund: Oct 21.

---

**Psychology**

**PSY 101 C**

**Introduction to Psychology**

Transfer: CSU, UC Credit Limitation

Advisory: Eligibility for ENGL 100C or ENGL 101C or ESL 110C

This course is a scientific consideration of the psychological foundations of behavior.

10379 007 10:40-12:05 P TTh Wise, Bonnie ZOOM

This course meets via Zoom during the days and times identified in the schedule.

11765 011 12:15-1:40 P MW Tapia, James ZOOM

This course meets via Zoom during the days and times identified in the schedule.

11586 010 1:50-3:15 P MW Pueblos, Daniel ZOOM

This course meets via Zoom during the days and times identified in the schedule.

11583 HY1 8/23-12/11 Pueblos, Daniel ZOOM

HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. **Petitioning Closed Classes**

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.
The Cypress College Honors Program is designed to encourage talent and ability in highly motivated students as they begin their academic studies and prepare to transfer to a four-year college or university. Students who complete the Honors Program and meet all major transfer requirements will have priority consideration for admission to specific four-year institutions.

About the Program — Classes are taught by faculty interested in enriching your academic experience with special projects, readings, and class activities. The program provides a unique, seminar environment with close academic and social interaction with outstanding faculty and other highly motivated honors students. Guest speakers, cultural events, and field trips enhance the challenging and creative learning experience.

The Transfer Alliances — Cypress College is a member of the Honors Transfer Council of California. This group has established transfer alliance agreements with many four-year colleges and universities. The transfer alliance agreements guarantee priority consideration for entrance to Honors Students who meet the entrance criteria of the universities.

Requirements for Membership
- Minimum 3.25 GPA in high school course work, or a 3.0 GPA in a minimum of 6 units of college course work, verified by transcripts
- Completion of the Honors Program application

Benefits for Students
- Priority consideration for admission at the junior level to selected 4-year colleges and universities
- Small classes with a seminar environment
- Library privileges at transfer colleges and universities
- Special counseling and advisement with the Honors Program Director and Honors Counselor

Honors Program Office — Student Center, 2nd Floor
Hours: Mon–Thurs 8 am – 6 pm and Friday 8 am – 5 pm
www.cypresscollege.edu/academics/specialprograms/Honors

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
PSY 131 C (continued)

12555 0L2 ONLINE 8/23-10/17 Young, Brandy
ONLINE CLASS: The above first 8-week online class has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Sep 1; Last day to drop without “W”: Sep 1; Last day to drop with “W”: Oct 3; Last day to drop for refund: Aug 28.
11360 0L3 ONLINE 10/18-12/11 Young, Brandy
ONLINE CLASS: The above second 8-week online class has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Oct 26; Last day to drop without “W”: Oct 26; Last day to drop with “W”: Nov 29; Last day to drop for refund: Oct 22.

PSY 139 C Developmental Psychology
3 Units
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course is a study of emotional, intellectual, social and physical growth patterns from conception to death. This course explores major theories of development.
10388 002 9:05-10:30 A TTh Lozano Castillo, Elizabeth ZOOM
This course meets via Zoom during the days and times identified in the schedule.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.
10389 004 12:15- 1:40 P MW Orona, Shannelle ZOOM
This course meets via Zoom during the days and times identified in the schedule.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.
10387 HY1 HYBRID 8/23-12/11 Adams, Brian
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.
11781 OL1 ONLINE 8/23-12/11 De Dios, Angela
ONLINE CLASS: The above online class has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.
10826 OL2 ONLINE 9/18-12/11 Puebles, Daniel
ONLINE CLASS: The above second 8-week online class has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.

PSY 145 C Child Psychology
3 Units
Transfer: CSU, UC
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C
This course explores child development from conception through adolescence. Education and teaching issues related to children are highlighted.
10400 HY1 HYBRID 8/23-12/11 Garcia, Claudia
9:05-10:30 A W 8/23-12/11 Garcia, Claudia ZOOM
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Sep 6; Last day to drop without “W”: Sep 6; Last day to drop with “W”: Nov 14; Last day to drop for refund: Sep 6.

PSY 161 C Probability and Statistics: Social Sciences (same as SOC 161 C)
4 Units
Transfer: CSU, UC Credit Limitation
Prerequisite: MATH 040 C or MATH 041 C or Algebra II with a grade of C or better and the assessment process
This introduction to basic statistical concepts uses computer applications and traditional methods to analyze data and problems in psychology and the social sciences.
Students who receive credit for this course may not receive credit for MATH 120 C. Duplicate credit not granted for PSY 161HC, SOC 161 C, or SOC 161HC.
11357 HY1 HYBRID 8/23-12/11 De Dios, Angela
12:15 - 2:20 P W 8/23-12/11 De Dios, Angela ZOOM
HYBRID CLASS: The above hybrid class includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your email address in myGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.

### PSY 222 C
**Abnormal Psychology**

**Prerequisite:** PSY 101 C with a grade of C or better

**Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C**

This course is a systematic study of psychopathology. It is concerned with the expression of counterproductive, maladaptive, and disruptive behavior. This course surveys the nature, causes, assessment and treatment of deviant behavior within and across cultures.

### Student Responsibility to Add and Drop Classes

It is your responsibility to officially add and drop within published deadlines printed in the Class Schedule. The neglect of adding or dropping may result in no credit or a substandard grade or “W” posted on your permanent record.

### WAITLIST NOW AVAILABLE

During registration, you can request to be placed on a waitlist when a class is full. This online feature does not guarantee a seat, but it allows the chance to obtain one if any become available. Waitlist students must attend the first day of instruction to be considered for an add code. Refer to the Waitlist page in the Class Schedule for complete waitlist information.
Public Health Science

Public Health Science classes can be found in the Kinesiology area.

Radiologic Technology

Are you interested in applying to the Radiologic Technology Program?
Visit our website for details and attend an information workshop!
https://careers.cypresscollege.edu/programs/radiologic-technician/

RADT 142 C
Radiologic Electronics

In this course basic knowledge of scientific units, the structure of matter, electromagnetic radiation and sound energy, electromagnetism, the imaging system and tube, x-ray production and interaction with matter will be discussed.

10427 100 4:20- 8:35 P T Mitts, Teri ZOOM
This course meets via Zoom during the days and times identified in the schedule.

11551 101 4:30- 8:45 P W Truong, Derek ZOOM
This course meets via Zoom during the days and times identified in the schedule.

11552 102 4:45- 9:00 P M Truong, Derek ZOOM
This course meets via Zoom during the days and times identified in the schedule.

RADT 146 C
Introduction to Radiography

This course prepares the student for the radiography program. Material covered in the course include x-ray tube construction and production, radiographic quality and techniques, digital imaging, grid utilization, beam, limitation, radiation protection, and quality assurance.

10428 001 8:30-12:45 P T Mitts, Teri ZOOM
This course meets via Zoom during the days and times identified in the schedule.

RADT 148 C
Radiology Imaging Techniques (formerly Radiologic Technology)

Prerequisite: Admission to Radiologic Technology program

This course offers a study of the principles of radiographic technique, factors influencing radiographic quality and principles of digital imaging along with artifacts and quality control are included.

- $50 Material Fee — PAYABLE AT REGISTRATION

10429 001 8:45-11:55 A M Mitts, Teri ZOOM
LAB 1:00- 4:10 P Frianeza, Michael TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 148 C sections meet together for lecture.

10430 002 8:45-11:55 A M Mitts, Teri ZOOM
LAB 1:00- 4:10 P Pak, Phanh TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 148 C sections meet together for lecture.

14575 003 8:45-11:55 A M Mitts, Teri ZOOM
LAB 1:00- 4:10 P T Staff TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 148 C sections meet together for lecture.

14576 004 8:45-11:55 A M Mitts, Teri ZOOM
LAB 1:00- 4:10 P W Staff TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 148 C sections meet together for lecture.

RADT 150 C
Radiographic Positioning I (formerly Radiologic Positioning)

Prerequisite: Admission to the Radiologic Technology program

This course offers positioning methods for upper and lower extremities, pelvis, respiratory system, bony thorax, and abdomen along with practical applications of image evaluation and radiation protection.

- $50 Material Fee — PAYABLE AT REGISTRATION

10431 001 8:30-12:45 P W Frianeza, Michael ZOOM
LAB 1:00- 4:10 P T Mitts, Teri TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 150 C sections meet together for lecture.

10432 002 8:30-12:45 P W Frianeza, Michael ZOOM
LAB 1:00- 4:10 P W Binoya, Gary TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 150 C sections meet together for lecture.

14577 003 8:30-12:45 P W Frianeza, Michael ZOOM
LAB 1:00- 4:10 P M Staff TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 150 C sections meet together for lecture.

14578 004 8:30-12:45 P W Frianeza, Michael ZOOM
LAB 1:00- 4:10 P Th Staff TE3-309
ON-CAMPUS CLASS: All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app. PLEASE NOTE: All RADT 150 C sections meet together for lecture.

RADT 153 C
Radiography Patient Care

Transfers: CSU

This course is a lecture/demonstration class to teach basic patient care skills used by radiology personnel in working with patients. Students will be required to obtain cardiopulmonary resuscitation (CPR) certification from the American Heart Association.

11177 001 8:30-11:40 A Th Frianeza, Michael ZOOM
This course meets via Zoom during the days and times identified in the schedule.

11553 002 1:00- 4:10 P T Frianeza, Michael ZOOM
This course meets via Zoom during the days and times identified in the schedule.

10433 100 5:00- 8:10 P Siegel, Barry ZOOM
This course meets via Zoom during the days and times identified in the schedule.

Be Sure to Attend the First Class Meeting

Because of enrollment demands, attendance at the first class meeting is required of officially enrolled and waitlist students. Any student not reporting to the first class meeting may be dropped from the class and waitlist. This includes waitlisted students.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
### RAD 299 C
**Imaging Independent Study**

**Prerequisite:** Approved Independent Study Learning Contract

This course is designed for capable students enrolled in the Radiologic Technology Program or options of the program who wish to increase their knowledge and experience in applied areas.

11937  400  8/23-10/15  Siegel, Barry

To add the above independent study course, please contact Barry Siegel, Clinical Coordinator.

| Last day to add: Aug 31; |
| Last day to drop with "W": Aug 31; |
| Last day to drop for refund: Aug 26; |

### RAD 255 C
**Clinical Internship II**

**Corequisite:** RADT 260 C with a grade of C or better

This course is offered as clinical training within a department of radiology in affiliated hospitals for approximately 40 hours per week.

- **Clinical hours subject to rearrangement by hospital facility request**

10435  100  5:00- 8:10 P  M  Miotts, Teri  ZOOM

This course meets via Zoom during the days and times identified in the schedule.

### RAD 260 C
**Fluoroscopy Permit Course**

**Prerequisite:** Satisfactory completion of the Summer intersession of the Radiologic Technology Program and RADT 254 C with a grade of C or better

This course will provide the knowledge to operate fluoroscopic equipment efficiently and safely.

10434  600  8:00- 5:00 P  MTWTh  Siegel, Barry  ZOOM

**CLINICAL CLASS:** The above class will be held IN PERSON at a clinical facility, 40 hours per week to be arranged by instructor. All participants will be expected to follow campus health and safety protocols per state and federal guidelines, such as visiting the facility check-in station, wearing masks, and social distancing.

### RAD 262 C
**Cross-Sectional Imaging**

This course correlates knowledge and practice of diagnostic imaging with cross-sectional anatomy of the brain, skull, chest, thorax, spine, abdomen, and pelvis.

10432  200  6:00- 8:50 P  T  8/24-9/28  Griswold, Jack  ZOOM

This course meets via Zoom during the days and times identified in the schedule.

| Last day to add: Aug 24; |
| Last day to drop with "W": Aug 24; |
| Last day to drop for refund: Aug 24; |

### RAD 297 C
**Selected Topics II**

**Transfer:** CSU

**Corequisite:** RADT 260 C with a grade of C or better

This course is comprehensive categorical review of radiologic technology to support the student in the clinical internship phase. Topics include routine and fluoroscopic positioning, special imaging procedures, radiation protection, and radiobiology. Case studies will be discussed.

### COVID-19

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Cypress College Theatre Arts

presents

The Laramie Project

by Moises Kaufman

and the

Tectonic Theatre Project

Directed by Jenni McMillin-Brick

In October 1998, a 21-year-old student named Matthew Shepard was severely beaten, and left tied to a fence in the middle of the prairie outside Laramie, Wyoming. He was the victim of this assault because he was gay. For a year following the murder of Matthew Shepard, the Tectonic Theatre Project conducted hundreds of interviews with the citizens of Laramie, Wyoming, to create this portrait of a town struggling with a horrific event.

Performances: October 15, 16, 22, 23 at 7 pm
October 17, 24 at 4 pm

Campus Theatre

Auditions: August 23 or 24 at 7 pm

Studio Theatre

Please bring a one-minute, prepared, contemporary, dramatic monologue. You may be given sides from the script to read as well.

Call backs will be on at 7 pm on Thursday, August 26 in the studio Theatre.

For more information please visit www.CypressCollegeTheatre.com
## THEA 133 C (continued)

### Prerequisite: Audition

#### Corequisite: THEA 149 C or THEA 150 C or THEA 151 C or THEA 152 C, with a grade of C or better

This performance course concentrates on training students in the intermediate skills required of performing and preparing a production for a public performance for the Theater Department.

### THE LARAMIE PROJECT

**Project**

By Moises Kaufman and members of the Tectonic Theatre Project

Auditions: August 23 or 24 at 7:00 pm, Studio Theatre.

Website: CypressCollegeTheatre.com/auditions

Students should bring a one minute, prepared, contemporary, dramatic monologue.

Call backs will be on at 7:00 pm on Thursday August 26 in the studio theatre.

**STORY LINE:** In October 1998, a 21-year-old student named Matthew Shepard was severely beaten, and left tied to a fence in the middle of the prairie outside Laramie, Wyoming. He was the victim of this assault because he was gay. For a year following the murder of Matthew Shepard, the Tectonic Theater Project conducted hundreds of interviews with the citizens of Laramie, Wyoming, to create this portrait of a town struggling with a horrific event.

**PERFORMANCES:** October 15, 16, 22, 23 at 7:00 pm, October 17, 24 at 4:00 pm, in the Campus Theatre.

Last day to add: Sep 16; Last day to drop without “W”: Sep 16; Last day to drop with “W”: Nov 12; Last day to drop for refund: Sep 8.

### The Campus Theatre

**ALL THOSE CAST:**

- Will enroll in 3 units of a performance course and 1 unit of a Stage Crew Course.
- Interviews for Stage Crew will be held from 9:00 am to 4:00 pm on Friday, August 27 in the lobby of the Campus Theatre. For more information contact Jim Hormel: JimHormel@cypresscollege.edu.
- Last day to add: Sep 16; Last day to drop without “W”: Sep 16; Last day to drop with “W”: Nov 12; Last day to drop for refund: Sep 8.

**ON-CAMPUS CLASS:**

All students will check in prior to class each day by completing the wellness check form on the CypressConnect mobile app.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
1 Prepare for success

Take the Distance Education Readiness Quiz. This free anonymous quiz will help you decide if you’re ready for the special demands of online and hybrid courses. These classes require computer, email, and Internet skills.

Talk to your counselor. A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

2 Choose the right class

Enroll in the course that best fits your needs. Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the Internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in myGateway before you register and add @CypressCollege.edu as a secure site (or on your white or trusted list) in your email program.

Online Courses have no in-person classroom instruction. All instruction is online, although some courses may have a few in-person meetings for proctored exams.

Hybrid Courses are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will be listed in the schedule of classes.

3 Get started today

Visit your instructor’s home page. Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

ATTENDANCE
It is important that officially enrolled students attend the first class meeting of every course. Failure to attend the first class session may result in the instructor dropping the student from the class. Students should be especially careful not to accumulate excessive absences. Waitlist and non-waitlist students must attend the first day of instruction to be considered for an add code.

AUDITING COURSES
Currently enrolled students who wish to audit must have previously completed the course successfully the maximum times allowed at Cypress College. An audit form must be filed with the Admissions and Records Office. Students must petition to audit during the second week of the class. Enrolled students must pay $15 per unit, the health fee and other fees as required. For additional information, contact the Admissions and Records Office.

CALIFORNIA RESIDENCE REQUIREMENT
For tuition purposes, California Community Colleges are required to determine a student’s residency. California law states that residency is physical presence coupled with the intent to remain in California.

To qualify for residency status, a student must have been a California resident for one year and one day prior to the first day of instruction. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student. See the College Catalog and college website for residency information. Visit the Admissions and Records Office for additional details.

CHALLENGING PREREQUISITES, COREQUISITES, OR OTHER LIMITATIONS ON ENROLLMENT
Grounds for Challenge
Where a student is denied enrollment in a program or course on the grounds that the student does not meet a prerequisite or corequisite, or on the basis of other limitations on enrollment, the student may challenge such prerequisite, corequisite or limitation on one or more of the following grounds:

1. The prerequisite, corequisite or other limitation on enrollment has not been established in accordance with the district’s process for establishing prerequisites, corequisites and other limitations on enrollment;
2. The prerequisite, corequisite or other limitation on enrollment is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
3. The basis upon which the district has established an enrollment limitation does not in fact exist;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available by the college.

Burden of Proof
The student shall bear the burden of proof in demonstrating that grounds exist for the challenge.

1. In the case of a challenge under Grounds for Challenge number 4, the student shall provide evidence of knowledge and/or skills, by virtue of placement/assessment testing, academic coursework, independent learning, experience, or a combination of these which are at least equivalent to the knowledge and/or skills the student would have possessed had he or she successfully completed the prerequisite or corequisite.

2. In the case of a challenge under Grounds for Challenge number 5, the student shall provide evidence that the student has declared a broad educational intent or specific educational goal and has developed a Student Educational Plan in conformity with the provisions of Section 55530(d) of Subchapter 6 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

Challenge Procedure
Filing of Challenge
1. A challenge with respect to any prerequisite, corequisite or limitation on enrollment initiated pursuant to this policy shall be made upon the appropriate challenge form, which may be obtained from a counselor or the Office of Instruction.
2. The completed challenge form must be filed with the Office of Instruction in accordance with the following deadlines:
   a. for the Fall term, not earlier than Friday of the fifteenth week of the Spring semester and not later than the first day of instruction for the Fall semester;
   b. for the Spring term, not earlier than Friday of the twelfth week of the Fall semester and not later than the first day of instruction for the Spring semester;
   c. for the Summer Intersession, not earlier than the first Monday in May and not later than the first day of final examinations for the Spring semester.

In the case of a challenge under Grounds for Challenge number 4, the completed challenge form must be accompanied by appropriate evidence of skill or accomplishment such as placement/assessment results, transcripts from an accredited institution or appropriate foreign institution, work-related experience, or other evidence of relevant experience. To warrant consideration, any such evidence shall be of a clear and reliable nature.

CHANGE OF ADDRESS
Personal information change forms are available online at www.cypresscollege.edu and may be emailed to admissions@cypresscollege.edu with a picture of government-issued I.D. Students are expected to notify the Admissions and Records Office when their address, email and/or phone number changes. Personal Information Change forms are available in the Admissions and Records Office and there is no charge for this form. Address and phone updates can also be made using myGateway. After logging into myGateway, this option is available under Personal Information on the student tab. The college is not responsible for any delay in communications sent to an outdated address or email that the student has not corrected.

CHANGE OF NAME
Personal information change forms are available online at www.cypresscollege.edu and may be emailed to admissions@cypresscollege.edu with a picture of government-issued I.D. Students that wish to change their name on official college records must obtain and file the Personal Information Change form in the Admissions and Records Office. Proof of a legal name change may be required and there is no fee for this form. When the name change is processed, it is recommended that a new student ID card should be purchased and a new picture taken at Photo ID in the Student Center.
CHILDREN ON THE CYPRUS COLLEGE CAMPUS

Introduction
Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety and well being of all children.

Why do we need these guidelines?
The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

Who is a child?
For purposes of these child-protection guidelines, the term “child” applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

Guidelines to be followed:
• Children may not accompany parents or guardians to classes, labs or the worksite.
• “Arms-length supervision” by a parent or guardian is required at all times.
• Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.

CLASS CANCELLATIONS
Cypress College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COURSE NUMBERING
Courses completed at Cypress College, which are not designated as Non-Degree credit, will transfer to other community colleges. Courses numbered from 001 C–099 C are remedial, occupational and/or technical and designed in content and organization for students who do not intend to transfer for the Bachelor’s degree. Courses numbered from 100 C–299 C (including Honors classes) have been certified by Cypress College as being of baccalaureate level for the school year and are transferable to any campus of the California State University system.

The transfer institution, however, will determine the extent to which a course satisfies the requirements of a particular degree program. Credit not otherwise applied shall be acceptable as general electives to the extent that the particular degree objective permits. Students who plan to transfer to any campus of the University of California or other university or college should check with a counselor and www.Assist.org for transferable courses since UC does not accept all courses numbered 100 C–299 C (including Honors classes).

COURSE PROGRESSION
Students are expected to take courses on an acceptable progressive basis. Students will not receive credit for courses which are considered lower in degree of advancement than those already taken.

COURSE REPETITION
As a general rule, a course in which a student has earned a grade of D, F, NC, NP, or W may be repeated twice. Students who have earned a grade of A, B, C, CR or P may repeat a course under extenuating circumstances. A Petition for Exception must be submitted to the Admissions and Records Office for approval prior to repeating a course; otherwise, students will be electronically blocked from registering or notified by mail that their enrollment in a course is in conflict with this policy.

EXAMINATIONS
Class instruction includes frequent examinations throughout the semester so that students can judge their progress. Final examinations are given on the last day of the class. The final examination is a requirement for each course. All students must take these examinations at the scheduled time and place. Any exceptions to the above policy will be made only after consultation with the division dean.

GRADES
Grades are available to be viewed online on myGateway. Grades are not mailed to students. Students may order official copies of transcripts via myGateway.

OPEN ENROLLMENT
It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the District, shall be fully open to enrollment and participation by any person who is eligible for admission to the college and who meets such prerequisites as may be established pursuant to the provisions of Title 5 of the California Administrative Code and the policy of the Board of Trustees of the North Orange County Community College District.

PASS/NO PASS OPTION (FORMERLY CREDIT/NO CREDIT OPTION)
If a full term course is listed in the Class Schedule as “PASS/NO PASS/LETTER GRADE OPTION,” a student wishing to take the course on a credit basis only must file a “Request for Pass/No Pass Grading Option” form with Admissions and Records by the end of the fifth week of the semester. The filing date for Summer, late start and short-term courses and open entry classes is by 30% of the class meetings. The decision to take a course on a P/NP basis is irreversible once the request has been submitted to the Admissions and Records Office. Refer to the College Catalog for more information or inquire at the Admissions and Records Office.

PRIVACY RELEASE
Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the North Orange County Community College District has established Board Policy 5040 — Student Records, Directory Information, and Privacy, which covers the release of student records. The College may make public, without prior student consent, only certain directory information. This information will consist of the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Students who wish to have this directory information further restricted may do so on the online college Application for Admission or by making the request in the Admissions and Records Office. Directory information will then be provided to only those individuals who have a written authorization from the student.

No other student information will be disclosed without prior student consent except to college officials and employees of the District with legitimate educational interests unless sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

A copy of this District policy is available on the District website, www.nocccd.edu.
TRANSCRIPT OF RECORD

Cypress College has partnered with Credentials, Inc. to provide transcript services via TranscriptsPlus®. This new service allows current and former students to request transcripts online and to choose from the following formats for delivery:

- EDI electronic transmission to participating colleges and universities
- PDF via email
- Hardcopy

Each transcript format reflects all academic work attempted at Cypress College. Chronologically, it lists all courses, units, grades, grade points, total units, a cumulative grade point average and other relevant academic data. The normal processing time for transcripts is 5–7 working days.

The cost of the transcripts is $5 per request. Expedited service for transcript processing is available for a $10 fee per request. Transcript request can be made online through myGateway or via TranscriptsPlus®:

https://www.credentials-inc.com/cgi-bin/dvcgitp.pgm?ALUMTRO0001193

All students are eligible to receive up to two free transcripts; however, the free-transcript option is available directly from the Admissions and Records Office. To request a free transcript, eligible students must make their request in writing and show photo ID. To release a transcript to a third party, students must submit an Authorization to Release Education Records to the Admissions and Records Office. The form can be obtained from the Admissions and Records Office or downloaded from the Admissions and Records webpage:

http://www.cypresscollege.edu/admissions/admissionsandrecords/downloadableForms.aspx

For additional information about TranscriptsPlus® and instructions on how to place an order, please access the transcript link on the Admissions and Records webpage:

http://www.cypresscollege.edu/admissions/admissionsandrecords

Or, for assistance placing an order, please contact the TranscriptsPlus® Customer Service Department at (847) 716-3005 between the hours of 7:00 am and 8:00 pm Monday through Thursday and between 7:00 am and 6:00 pm (CST/CDT) on Fridays.

VERIFICATION OF ENROLLMENT

Beginning Fall 2006, Cypress College authorized the National Student Clearinghouse (NSC) to provide degree and enrollment verifications on behalf of the college. NSC provides free, self-service enrollment certificates to students and adheres to the privacy mandates of FERPA (Family Education Rights and Privacy Act of 1974).

Students can request NSC enrollment verification certificates ten business days after the beginning of a term. Access NSC by logging onto www.cypresscollege.edu. Click on “Student Records” under student links. Choose Cypress College Enrollment Verification via National Student Clearinghouse and obtain an enrollment certificate. All other verifications will be charged $3 per request.

WITHDRAWAL OR DROP POLICY

While an instructor may drop a student who has poor attendance, it is the student’s responsibility to officially withdraw from a class. Students can drop classes by accessing myGateway during its posted hours. Failure to withdraw officially from a class can result in a substandard grade being posted on the student’s permanent record.

Semester Courses
First two weeks of the term — The student or the instructor may initiate a withdrawal. No notation shall be made on the student’s academic record. For exact dates refer to Important Dates in this Class Schedule.

Third week through twelfth week — The student or the instructor may initiate a withdrawal. A “W” shall be recorded on the student’s permanent record. For exact dates refer to Important Dates in this Class Schedule.

Short Courses
Refer to the comment line under the CRN of the class for withdrawal deadline dates. Every effort has been made to ensure the accuracy of these dates; however, they are subject to change without notice in order to comply with State accounting regulations.
Prohibition of Harassment

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment including but not limited to access to its services, classes, and programs in which no person shall be subjected to unlawful harassment and where such environment is free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment. It shall also be free of other unlawful harassment, including but not limited to harassment that is based on: ethnic group identification, national origin, religion, age, sex, gender, gender identification, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics. Students and employees who believe they have been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in Administrative Procedure 3410, Unlawful Discrimination.

The following person is designated by the North Orange County Community College District as the Responsible Officer for receiving and coordinating the investigation of all unlawful harassment complaints, including sexual harassment:

Name: Irma Ramos
Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Non IX and Civil Rights Grievances

NON DISCRIMINATION STATEMENT

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment, including but not limited to access to its services, classes and programs in which no person shall be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination on the basis of gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or as otherwise prohibited by state and federal statutes, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The following person is designated by the North Orange County Community College District as the Responsible Officer/Section 504 and Title IX Coordinator for receiving and coordinating the investigation of all unlawful discrimination complaints filed pursuant to section 59328 of Title 5 of the California Code of Regulations, and for coordinating compliance with section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1992, and response to discrimination complaints related thereto:

Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Students, employees, interns and volunteers who believe they have been subjected to unlawful discrimination, including sexual harassment, or who seek information regarding the District’s Unlawful Discrimination Policy should contact the Office of the Vice Chancellor, Human Resources.

Victims of Sexual Assault

Students who are victims of sexual assault occurring on District property or on an off-campus site or facility maintained by the District, or who seek information or assistance regarding a sexual assault, should contact the campus Director of Health Services at (714) 484-7361 or the Director of Campus Public Safety at (714) 484-7455. Except as may otherwise be required by law, all inquiries will be maintained in confidence. Victims of sexual assault should immediately report the incident to the Campus Safety Department, Cypress Police Department and the campus Title IX officer. The Title IX Officer for the campus is the Executive Vice President of Educational Programs & Support Services (714) 484-7330. The Title IX Officer for the District is the Vice Chancellor of Human Resources (714) 808-4826.
**BOOKSTORE**
All textbooks and supplies will be available for purchase in the bookstore at least two weeks before each semester or mid-semester class begins. The Cypress College Bookstore also offers special orders for those books that students cannot find in area stores. Visit our website at http://www.CypressCollegeShop.com to rent or purchase textbooks online. Textbook purchases can be picked up or delivered for a nominal fee. See website for more details. Cypress College Bookstore gift cards are now available for customer convenience. The gift cards are rechargeable and are good for any purchases within the Bookstore. Students may sell their textbooks and certain workbooks back to the bookstore throughout the semester.

**CALL OR VERIFY HOURS ONLINE BEFORE YOU VISIT.**

**Normal Hours of Operation:**
- MON–THU 7:45 am– 6:00 pm
- FRI 7:45 am–12:00 pm
- SAT, SUN & HOLIDAYS CLOSED

**First Week of Each Semester Extended Hours:**
- MON–THU 7:45 am– 8:00 pm
- FRI 7:45 am– 6:00 pm

**ADULT RE-ENTRY PROGRAM**
The Adult Re-entry Program recognizes that learning is a lifelong process and is dedicated to meeting the needs of “non-traditional” students. Our Program provides a combination of services to explore career, academic and success issues as you progress on your educational path. Let us help you discover the many opportunities, services and options available. The Program offers counseling, classes, workshops, resources and referrals. The Adult Re-entry Program is located in the Career Planning Center on the second floor of the Student Center, Bldg #19. For information, call (714) 484-7120. www.cypresscollege.edu/services/counseling/adultReentryProgram.aspx.

**Virtual Hours of Operation:**
- MON–THU 8:00 am– 6:00 pm
- FRI 8:00 am– 5:00 pm

---

**OUTDOOR STUDENT STUDY SPACE**
The Outdoor Student Study Space provides an on-campus location with WiFi access for students who need a quiet study location and reliable Internet access.

Additional information is available at:

---

**BOOKSTORE**
All textbooks and supplies will be available for purchase in the bookstore at least two weeks before each semester or mid-semester class begins. The Cypress College Bookstore also offers special orders for those books that students cannot find in area stores. Visit our website at http://www.CypressCollegeShop.com to rent or purchase textbooks online. Textbook purchases can be picked up or delivered for a nominal fee. See website for more details. Cypress College Bookstore gift cards are now available for customer convenience. The gift cards are rechargeable and are good for any purchases within the Bookstore. - SAT, SUN & HOLIDAYS CLOSED

**First Week of Each Semester Extended Hours:**
- MON–THU 7:45 am– 8:00 pm
- FRI 7:45 am– 6:00 pm

**BURSAR’S OFFICE**
The Bursar’s Office processes registration payments and registration refunds, accepts deposits and processes requests for expenditures for a variety of areas on campus including Associated Students and all campus clubs, and monitors campus fundraising activities. This office is also responsible for disbursement of scholarship funds. The Bursar’s Office is located on the first floor of the Student Center. For information, call (714) 484-7317.

**Virtual Hours of Operation:**
- MON–THU 8:00 am– 5:00 pm
- FRI 8:00 am–12:00 pm
**CAREER PLANNING CENTER**
The Career Planning Center (CPC) offers services designed to assist students and the general public to move forward with confidence, new skills, and strategies for success. Visit the Career Planning Center to discover your career-related interests, values, strengths, skills and personality; explore occupations, majors and schools; research career options; make career and college decisions; and improve your job-search skills, strategies and preparation. The CPC offers one-on-one counseling to help you select college majors, explore occupational possibilities, and discover career goals. Also available are career classes, career assessments, student success workshops, a research library, and career-related software programs. The Career Planning Center is located on the second floor of the Student Center, Bldg #19. For information call (714) 484-7120. www.cypresscollege.edu/services/cpc.

**Virtual Hours of Operation:**
- **MON–THU**: 8:00 am – 6:00 pm
- **FRI**: 8:00 am – 5:00 pm

---

**DISABILITY SUPPORT SERVICES (DSS)**
Disability Support Services are available to students with verified disabilities. Typical services include counseling, registration assistance, test-taking assistance, note-takers, interpreters, adapted equipment, adapted computer services and selected educational assistance classes. The High Tech Center is also available to assist students with assistive technology needs. DSS is located on the first floor of the Business Building. Please call (714) 484-7049 for more information.

**Virtual Hours of Operation:**
- **MON–THU**: 8:00 am – 6:00 pm
- **FRI**: 8:00 am – 5:00 pm

---

**ENGLISH SUCCESS CENTER (ESC)**
The College maintains a complete guidance service. Counselors assist students in planning a program of courses and are available to help in other matters affecting the student’s progress in college. Appointments may be scheduled to ensure that the student receives maximum benefit from their counseling service. The Counseling Center is located on the second floor of the Student Center. Online counseling is available daily in Express Counseling or appointments can be made by calling (714) 484-7015.

**Virtual Hours of Operation:**
- **MON–THU**: 8:00 am – 6:00 pm
- **FRI**: 8:00 am – 5:00 pm

---

**EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)**
Extended Opportunity Programs and Services (EOPS) is a state and college-funded program designed to assist students with economic, linguistic, and educational challenges (as defined by Title 5) enroll and succeed in higher education. Comprehensive support services are provided to promote access to college and once the student is enrolled, to increase retention and/or transfer to four-year universities and colleges. These services include:

- Application Assistance
- Orientation to EOPS
- Transfer Services
- Textbook Services
- Priority Registration
- Specialized Counseling and Advisement Services
- Educational Supplies
- EOPS Computer Lab
- University Application Fee Waivers
- Enhanced Tutoring Services
- Transfer Readiness Workshops
The CARE (Cooperative Agencies Resources in Education) program provides additional services and grants to eligible single parents who are on public assistance.

The EOPS and CARE staff are composed of dedicated professionals and student workers who are committed to seeing you succeed in college. Services are free of charge to EOPS eligible Cypress College students. To find out if you are eligible and to apply for EOPS or CARE, visit our office in the Cypress College Complex, 2nd floor, or call us at (714) 484-7368.

Virtual Hours of Operation:
- MON–THU: 8:00 am– 6:00 pm
- FRI: 8:00 am– 5:00 pm

**FINANCIAL AID**

Student financial aid is available through the college for students who need financial assistance in order to pursue their college education. Students are encouraged to contact the Financial Aid Office located in the Cypress College Complex, 1st floor, Room 120 or call (714) 484-7114 or visit us online at www.cypresscollege.edu/financial-aid to obtain information and the required forms to receive financial assistance.

**Financial Aid Programs Available**
- California College Promise Grant (CCPG) — covers enrollment fees
- Cal Grant (B or C programs) Cal Grant A – for eligible baccalaureate degree students
- Pell Grant
- Federal Supplemental Education Opportunity Grant (FSEOG)
- Federal Work Study (FWS) — part time employment on campus
- Direct Loans

**Required Application Forms**
- Submit a “Free Application for Federal Student Aid” (FAFSA) https://fafsa.gov
- Submit a “California Dream Application” (for eligible AB540 students) https://dream.csac.ca.gov

**Application Timeline — Fall 2020, Spring 2021, and Summer 2021**
- Application Period: October 1, 2019 through June 30, 2021
- CalGrant filing deadline for initial awards: March 2, 2020
- For additional community college awards: September 2, 2020 (date postmarked)

For Information
- Cypress College Financial Aid Office
- Cypress College Complex, 1st Floor, Room 120
- 9200 Valley View Street
- Cypress, CA 90630 (714) 484-7114
- www.cypresscollege.edu/financial-aid

Virtual Hours of Operation:
- MON–THU: 8:00 am– 6:00 pm
- FRI: 8:00 am– 5:00 pm

**FOOD SERVICES — Charger Café**

In the Student Center
- MON–THU: 7:45 am– 8:00 pm
- FRI, SAT, SUN & HOLIDAYS: CLOSED
- (714) 484-7484

Bookstore Express
- MON–THU: 7:45 am– 8:00 pm
- FRI: 8:00 am–12:00 pm
- SAT, SUN and Holidays: CLOSED

**FOUNDATION/SCHOLARSHIPS**

In addition to supporting various programs and projects on campus, the Cypress College Foundation awards $400,000 in scholarships to over 600 students each year. Normally, applications are available at the Foundation office in December and are due back in early February. Student book loans and emergency assistance are also available.

Virtual Hours of Operation:
- MON–FRI: 8:00 am– 5:00 pm

**GUARDIAN SCHOLARS**

Guardian Scholars is a program committed to supporting ambitious college bound current and former foster youth. Program benefits include assistance in priority registration; personal and academic counseling; completing college entrance forms; Financial Aid application assistance, mentoring opportunities, friendship and support. Our program collaborates with Orangewood Children’s Foundation and other human service agencies.

If you are a current or former foster youth and interested in receiving benefits available to you, contact our office at (714) 484-7238. The office is located in the Cypress College Complex on the second floor in the EOPS office, Room 201.

Virtual Hours of Operation:
- MON–THU: 8:00 am– 6:00 pm
- FRI: 8:00 am– 5:00 pm

**HEALTH SERVICES**

The Student Health Center exists to promote physical and emotional wellness, prevent illness and injury, provide basic outpatient health services, and to educate students toward taking responsibility for their own health.

There is no charge to see Mental Health Counselor, Nurses, Nurse Practitioner, or Physician. Nominal fees may be assessed for lab tests, immunizations, medications, and special exam procedures. Appointments are recommended to see the health care provider. Emergencies are triaged immediately.

All students are covered by an accident insurance policy, which provides coverage for accidents while on campus during required attendance and while using college-sponsored transportation to and from college activities (private insurance is primary). The health fee is not health insurance, please refer to the Health Center website for more information.

To make use of health services or to get further information stop by the Health Center located on the first floor of the Gym II Building “under the blue awning,” Visit the website or call (714) 484-7361.

Virtual Hours of Operation:
- MON–THU: 8:00 am– 6:00 pm
- FRI: 8:00 am–12:00 pm

**INTERNATIONAL STUDENTS PROGRAM**

Cypress College welcomes applications for its International Student Program. One of the goals of the program is to provide positive educational opportunities for students in an effort to improve the global community. The staff offers assistance with academic advisement, registration into classes and orienting students to living in Southern California.

Only persons who qualify for F-1 student visa are eligible for admission. Deadlines for the acceptance of applications from international students are July 1 for the fall semester and December 1 for the spring semester.

Applications are available in the program office, which is located in Building 11, Gym 2, Room 204 or visit our website at www.cypresscollege.edu and link to International Students.

Virtual Hours of Operation:
- MON–THU: 8:00 am– 6:00 pm
- FRI: 8:00 am– 5:00 pm
LEARNING RESOURCE CENTER (LRC)
Located on the second floor of the Library/Learning Resource Center (LLRC), the Learning Resource Center includes a Computer Commons (open computer lab), a Language Lab (Room 126), the English Success Center (Room 126) and a Math Learning Center (Room 127). Free tutoring is available for Cypress College students. Tutors in math, sciences, and other subjects are also available. Call (714) 484-7183 or stop in for information.

The Computer Commons provides nearly 100 computers with access to the Internet, and Microsoft applications to complete classroom assignments. Power ports and wireless connectivity are provided for students with personal laptop computers or PDAs. Students may print in color or black and white, and a photocopier is also available. The Math/Science Learning Center (Room 127) is staffed by faculty and peer tutors, offering assistance in solving math problems or understanding math concepts. Call (714) 484-7193 for information.

Virtual Hours of Operation:
- MON–THU 9:00 am–7:00 pm
- FRI 9:00 am–2:00 pm
- SAT, SUN & HOLIDAYS CLOSED

LIBRARY
The library (located on the second floor of the Library/Learning Resource Building) maintains a collection of approximately 68,000 books, periodical subscriptions as well as CDs and DVDs. Students may access the Internet, the library catalog and the extensive full-text journal and newspaper article databases, such as ProQuest, EBSCOhost, and the TILT academic research program via twenty-four Internet stations located in the Reference area. Remote access is available from any Internet computer by linking to the library home page and from off-campus with a User ID and password. The library also maintains a textbook reserve collection for students who may need access for a limited time inside the library.

In addition, available resources include individual study spaces, group study rooms, photocopiers, various listening and viewing stations and the ability to text or chat with a reference librarian via a mobile device or the library home page. To contact the library please call (714) 484-7125.

Virtual Hours of Operation:
- MON–THU 7:30 am–9:00 pm
- FRI 7:30 am–1:00 pm
- SAT, SUN & HOLIDAYS CLOSED

MATH LEARNING CENTER (MLC)
Students will find instructors and qualified tutors available for assistance in solving mathematical problems or in understanding mathematical concepts in the Math Learning Center, located on the first floor, in room 127 of the Library/Learning Resource Center. The center also offers students a variety of faculty-designed workshops and directed learning activities aimed at improving Math skills. For more information or help please call (714) 484-7151.

Virtual Hours of Operation:
- MON–THU 8:00 am–8:00 pm
- FRI 10:00 am–3:00 pm

STUDENT ACTIVITIES
Virtual Hours of Operation:
- Student Activities Center MON–THU 8:00 am–6:00 pm
- Office FRI 8:00 am–4:00 pm

Virtual Hours of Operation for Fall and Spring:
- MON–THU 8:00 am–6:00 pm
- FRI 8:00 am–12:00 pm

- Photo ID MON–THU 8:00 am–6:00 pm
- FRI 8:00 am–12:00 pm

VETERANS BENEFITS
Cypress College is approved as a degree-granting institution for the attendance of veterans under Title 38, United States Code. This includes the programs covered in Chapters 1606, 30, 31, 33 and 35. The College is also approved to participate in the Cal-Vet Fee Waiver program.

Veterans who plan to enroll in Cypress College and need more information regarding their educational benefits or priority registration should contact the Veterans Resource Center at (714) 484-7150. The Veterans Resource Center is located on the second floor of the Cypress College Complex.

The Veterans Resource Center works closely with Admissions and Records, Academic Counseling, Financial Aid, and various Veteran agencies to provide the Veteran with services contributing to a successful educational experience.

For information regarding:
- Priority Registration
- In house tutoring/Vet to Vet tutoring
- Computer access
- UsVets “Outside the Wire” program
- Academic Counseling
- Cypress College Veterans Organization
- CalVet Fee Waiver program
- Educational Benefits
- Mentorship Program

Phone (714) 484-7150

STUDENT EQUITY AND ACHIEVEMENT PROGRAM
The mission of the Student Equity and Achievement Program is to increase student access and success by providing effective core services such as orientation, assessment and placement, counseling, academic advising, and early intervention to foster student success. Effective Fall 2014, all new students are required to complete the Assessment process, Orientation, Counseling and have at least a one semester Educational Plan to be eligible for enhanced Registration.

Please call for any additional information (714) 484-7097.

Virtual Hours of Operation:
- MON–FRI 8:00 am–5:00 pm

TRANSFER CENTER
The Transfer Center assists students interested in continuing their education at four-year institutions. Students are offered opportunities to meet with representatives from four-year schools for academic advising, application workshops, and transfer information fairs. Students can access transfer resources including college catalogs, articulation agreements, reference books, degree major programs, and university admission requirements. The Transfer Center is located on the second floor of the Student Center. Please call for any additional information (714) 484-7129.

Virtual Hours of Operation:
- MON–THU 8:00 am–6:00 pm
- FRI 8:00 am–5:00 pm

Check our website for more information and up-to-date college visitation details: www.cypresscollege.edu/services/transfer.

#### Category A: Language and Rationale

- **A1**: Written Communication
  - ENGL 100C (100HC), 101C
  - ESL 110C

- **A2**: Analytical Thinking
  - COMM 050C, 100C**, (100HC)**, 110C**, 135C**
  - CIS 111C*
  - ENGL 103C**, (103HC**), 104C**, (104HC**), 106C**, 135C
  - PHIL 170C** (170HC**), 172C**, 175C**

#### Category B: Natural Sciences and Mathematics

- **B1**: Life Sciences and Physical Sciences
  - ANTH 101C (101HC), 101LC, 210C
  - ASTR 116C, 117C (116HC, 117HC)
  - CHEM 100C, 101C, 103C, 104C, 107C, 111AC, 111BC, 201C
  - GEOG 102C/102LC, 140C
  - GEOL 100C/101C (100HC)/101C, 100C/116C (100HC)/116C, 103C, 105C, 120C, 125C, 130C/131C, 190C
  - PHSC 104C
  - PHYS 190C, 201C, 202C, 210C, 211C, 221C, 222C, 223C
  - PSY 221C

- **B2**: Mathematics (Courses need a prerequisite of Elementary Algebra or higher)

#### Category C: Arts and Humanities

- **C1**: Arts
  - ENGL 125C (125HC)
  - MUSA 104C (formerly MUS 122C)
  - PHOT 101C**, 204C

- **C2**: Humanities
  - ANTH 105C, 107C
  - CHIN 100C, 101C, 102C, 203C, 204C
  - COMM 220C◊ (220HC◊)
  - ESL 108C, 109C, 184C, 185C, 186C
  - FREN 101C, 102C, 203C, 204C, 206C
  - IND 100C, 101C
  - JAPN 100C, 101C, 102C, 125C, 200C (begin F19), 203C, 204C
  - JOUR 110C
  - LING 101C
  - PORT 101C, 102C
  - SPAN 101C, 102C, 201C, 202C, 203C, 204C

---

**Note:** Includes fulfillment of both the cultural diversity and reading requirements, major course-work toward an occupational degree (AA or AS), completion of 60 degree eligible units with a minimum grade point average of 2.0 and satisfaction of a minimum of 25-unit general education requirement as described in the following list. Courses taken for general education must be on the native AA/AS General Education list at the time they are taken. Students should check with their counselor in planning completion of General Education requirements.

|  | HIST 275C |

Completion of the Nursing Program also meets the Social Justice, Equity and Sustainability graduation requirement.

**READING PROFICIENCY**

One of the following:

- Graduation Reading Requirement
- Proficiency in reading may be satisfied by one of the following:

1. Completion of a degree (AA/AS or higher) from a US regionally accredited college or university.
2. A Cypress College placement test score indicating proficiency has been met or passing the Cypress College reading proficiency test (CTEP 60 or Nelson-Deny 225) prior to Fall 2019.
3. A passing grade of "C" or better in ENGL 98C or ENGL 102C or a comparable course from a regionally accredited college or university.
4. A passing grade of "C" or better in any course in the Cypress College IGETC (1B); or Cypress College CSU GE (A3) Critical Thinking category or a comparable course from a regionally accredited college or university.
5. A passing grade of "C" or better in the Cypress College AA/AS degree General Education pattern Area A2 (Analytical Thinking) or a comparable course from a regionally accredited college or university.

See a counselor for details.

**LEGEND**

- **** Also meets Reading Proficiency requirement for graduation.
- ∞ Also meets Social Justice, Equity and Sustainability requirement for graduation.
- ◊ Course may be used to satisfy requirements for one area only.
- □ Duplicate credit not granted for the same cross listed courses, nor for non-honors and honors classes.

**NOTE:** Underlining indicates a course is no longer offered at Cypress College.

In order to receive General Education credit, the course must be on the official approved list at the time the course is taken. Please see a counselor to determine your catalog rights and the applicability of courses completed.

View the current Cypress College Native GE course list on-line at: [https://catalog.nocccd.edu/cypress-college/programs-study/associate-degrees/general-education-native-requirements-associate-degree/](https://catalog.nocccd.edu/cypress-college/programs-study/associate-degrees/general-education-native-requirements-associate-degree/)

Please confer with a counselor for more information and to discuss your major requirements.
CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREATH REQUIREMENTS
39 Units Required

Student's Name: __________________________ ID#: @ __________ Date: __________

Major: __________________________ Transfer To: __________________________ Counselor: __________________________

Certification of General Education Requirements for CSU: Students planning to graduate from one of the campuses of the California State University must complete a minimum of 48 semester units in General Education breadth courses. Cypress College is permitted to certify completion of the lower division 39-unit general education requirement (a minimum of 9 units of General Education coursework must be completed at the upper division level after transfer). To complete a minimum of 48 semester units in General Education breadth courses. Cypress College is permitted to certify completion of the lower division 39-unit general education requirement and obtain certification, students must complete the pattern of courses in the categories listed. Please see the current catalog for additional information on CSU-GE Partial Certification. Certification is not automatic. Students must apply for GE certification or be pursuing the CSU GE Certificate of Achievement through the Admissions and Records Office by the published deadline during the semester in which requirements will be completed or thereafter. The course must be on the list when it is taken in order to be certified. Students should refer to the legend below or the Cypress College CSU GE-Breadth Certification List on www.assist.org to verify that a course was valid when it was taken. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Some universities will not allow students to count courses in their major field as part of general education. Check with a counselor and review the university catalog for further clarification.

Disclaimer: Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website @ www.assist.org.

**Please check the CSU-GE Breadth Certification list on [www.assist.org](http://www.assist.org) and confer with a counselor for more information and to discuss your major requirements. See the Cypress College Catalog for information on how to receive a CSU GE Certificate of Achievement upon completion of this pattern.**
### IGETC REQUIREMENTS

**UNIVERSITY OF CALIFORNIA & CALIFORNIA STATE UNIVERSITY**

**CYPRESS COLLEGE**

**2020-2021**

**NOTICE:**
- A 2021-2022 sheet will be available online upon final review and approval. See a counselor for updates.

**Student's Name:**

**ID#:**

**Date:**

**Major:**

**Transfer To:**

**Counselor:**

**Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer to Cypress College to a campus in either the California State University system or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. However, students approaching readiness for transfer who are unable to complete one or two IGETC courses that are not required for admission to the university may request to complete IGETC after transferring. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Completion of IGETC is NOT an admission requirement to CSU or UC. It is NOT advisable for students who are pursuing majors that require extensive lower division preparation, such as engineering, to follow IGETC. Confer with your counselor regarding these requirements. Students must apply for IGETC certification or the IGETC Certificate of Achievement in Admissions and Records. All courses must be completed with grades of “C” or better. Courses must be at least 3 semester or 4 quarter units in order to meet IGETC requirements. Courses must be on the college’s approved IGETC list at the time the course was completed.

**Disclaimer:** Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website **www.assist.org**

### AREA 6A – LANGUAGE OTHER THAN ENGLISH (LOTE): UC requirement only

**REQUIREMENT:** Complete one of the following:

1. Complete 2 years of high school course work in a language other than English (in the same language) with a grade of “C” or better.
2. Complete course 102C (102HC) or higher level in a foreign language at Cypress College or equivalent courses at another college or university.
3. Completion with “C” or better of 2 years of formal schooling at the 6th grade level or higher at an institution where the language of instruction is not English. Students unable to provide documentation need to have passed one of the exams listed below or take the appropriate college course(s).
4. Earn the appropriate score on the SAT II Subject Test in languages other than English. See a counselor for score requirements.
5. Earn an appropriate score on the SAT II Subject Test in languages other than English.
6. Earn a score of 5 or higher on the International Baccalaureate Higher Level Exam in a language other than English.
7. Satisfactory completion of an achievement test administered by a community college, university, or college in a language other than English. This test will have to assess the student’s proficiency at the level equivalent to two years of high school language.
8. Earn an A, B, or C on the Language Other than English “O” level exam.
9. Earn a score of 5, 6, or 7 on Language Other than English International “A” Level Exam.
10. Earn a “C” or better in a Defense Language Institute course.

**Cypress College courses that meet the proficiency level:**

- CHIN 102C, 204C(F20)
- FREN 102C, 203C, 204C
- JAPN 102C, 203C(F09), 204C(F05)
- PORT 102C(S06)
- SPAN 102C (102HC), 201C, 202C, 203C, 204C

**Note:** A higher-level language course can be used to meet language proficiency. Examples: FREN 203C or SPAN 202C. Students completing such courses will satisfy both the 3B Area and validate the proficiency level requirement. These courses are identified in the 3B area as (LOTE).

### CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION, AND AMERICAN IDEALS

[Not part of IGEC, may be completed prior to transfer.](F02) 6 semester units, one course from Group A and one course from Group B)

**Group A (US-2) U.S. Constitution & Government:**

- POSC 100C (100HC+), 101C

**Group B (US-4) U.S. History:**

- ETHS 101C (F04)(formerly 100C (101HC))(formerly 100HC), 130C, 131C, 152C(101F16), 160C, 161C(101F16)
- HIST 170C (170HC), 171C (171HC), 190C(formerly 162AC), 191C(formerly 162BC)

**Note:** All graduation requirement is not part of IGEC. Since requirements vary, it is advisable to check the catalog of the UC campus to which the student intends to transfer. See Counselor if American Government is Completed OUT-OF STATE.

### Legend

- Check with counselor for credit limitations for applicable courses in these departments: BIOL, CHEM, DANCE, ECON, GEOL, MATH, PHOT, PHYS, PSYCH, SOC and THEA. Specific credit limitation information is available at [www.assist.org](http://www.assist.org).
- **Note:** Certain majors require specific Mathematics course(s). See a Counselor for details.
- ◊ Course may be used to satisfy requirements for one area only.
- □ The class also may be used to satisfy the Cypress College Associates Degree Cultural Diversity requirement.
- Duplicate credit not granted for the same cross-listed courses nor for non-honors and honors classes.
- See CSU graduation requirement in U.S. History, Constitution, and American Ideals.

**Note:** Underlining indicates a course is no longer offered at Cypress College. The notations reflected after classes represent either the time a class was approved or ended.

---

Please check the IGEC Certification list on [www.assist.org](http://www.assist.org) and confer with a counselor for more information and to discuss your major requirements. See the Cypress College Catalog for information on how to receive an IGEC Certificate of Achievement upon completion of this pattern.

CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST
(Education Code section 68130.5, commonly known as AB 540
Effective Jan. 1, 2018)

INSTRUCTIONS
Complete and sign this form to request exemption from nonresident tuition charged to nonresident students. Once determined to be eligible, you will continue to receive the exemption as long as you fulfill eligibility requirements or until the College or University no longer offers this exemption. Applying for this exemption does not alter your responsibility to pay, by the campus deadline, any nonresident tuition and associated fees that may be due before your eligibility is determined.

APPLICATION
Name___________________________ College Student ID: ____________________________

I, the undersigned, am applying for the California Nonresident Tuition Exemption at (specify the College) ____________________________ and declare that the following apply to me.

1.) Check one box only:

- [ ] I have a current nonimmigrant visa (not including a T and U visa) as defined by federal law.
  *Nonimmigrants have been admitted to the U.S. on a temporary visa and include, but are not limited to, foreign students (holding F visas) and exchange visitors (holding J visas).*

- [ ] I have a current nonimmigrant T or U visa as defined by federal law.

- [ ] I do NOT have a current, nonimmigrant visa as defined by federal law.
  *This includes, among others, U.S. citizens, permanent residents, DACA recipients, and individuals without current or valid immigration status.*

2.) Select all items that apply to you from each column (must satisfy at least one from each column to be eligible):

<table>
<thead>
<tr>
<th>Column A</th>
<th>Column B</th>
</tr>
</thead>
<tbody>
<tr>
<td>[ ] I have 3 years of attendance at a California high school.</td>
<td>[ ] I have graduated or will graduate (before the first term of enrollment at the CCC) with a California high school diploma or the equivalent (i.e., California-issued GED, CHSPE).</td>
</tr>
<tr>
<td>[ ] I have 3 or more years of high school coursework and 3 years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.</td>
<td>[ ] I completed or will complete (before the first term of enrollment at the CCC) an associate’s degree from a California Community College.</td>
</tr>
<tr>
<td>[ ] I attended or attained credits at a combination of California high school, California adult school, and/or California Community College for the equivalent of (3) years or more.*</td>
<td>[ ] I completed or will complete (before the first term of enrollment at the CCC) the minimum requirements at a California Community College for transfer to the California State University.</td>
</tr>
</tbody>
</table>

* A year’s equivalence at a California Community College is either a minimum of 24 semester units of credit or 36 quarter units. Only two (2) years of full-time attendance in credit courses at a California Community College will count.

Revised February 26, 2020
toward the three (3) or more years of attendance. For noncredit courses, a year’s attendance is a minimum of 420 class hours per year (a semester is equivalent to a minimum of 210 hours and a quarter is equivalent to a minimum of 140 hours). Full-time attendance at a California adult school is a minimum of 420 hours of attendance for each school year.

Please provide information on the schools you attended and referenced above, including the dates you attended and the number of credits or hours obtained:

<table>
<thead>
<tr>
<th>Name of CA School</th>
<th>Type of School (high school, adult school or community college)</th>
<th>City</th>

</tr>
</tbody>
</table>

Applicants must submit, as part of this form, official transcripts/attendance records that validate any of the information above as requested by the College, District, or University residence official.

**AFFIDAVIT:**
By signing this document below, I hereby state that if I am a non-citizen without a current or valid immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so.

**DECLARATION OF TRUE AND ACCURATE INFORMATION:**
I, the undersigned, declare under penalty of perjury that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the California Nonresident Tuition Exemption. I further understand that if any of the above information is found to be false, I will be liable for payment of all nonresident tuition charges from which I was exempted and may be subject to disciplinary action by the College or University.
