### Apply Online
- New and returning* students apply to the college at www.cypresscollege.edu
- Continuing students do not need to reapply.

*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

### Orientation
- To complete orientation, students are encouraged to complete the online orientation via myGateway.
- To access the New Student Orientation, log onto myGateway via the Cypress College Home page, click on the “Student” tab, then click on the “Online Orientation” hyperlink and follow the instructions.

### Counseling
#### New Students
- Make a virtual appointment to create an Abbreviated Student Education Plan with a counselor. Students can schedule an appointment by calling the Counseling Center, (714) 484-7015.

#### Continuing Students and Returning* Students
- Virtual counseling sessions are available during peak registration periods to answer any general questions regarding schedule planning. Students are recommended to meet with their major counselor during the semester for a 30 minute appointment for academic planning.

For individual appointments please call (714) 484-7015

*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

### Assessment Process
New and returning students can complete the assessment process for math/English by completing the Guided Self Placement: https://bit.ly/2VAnscJ or by meeting with a counselor to review all transcripts and test scores.

ESL (English as a Second Language) placement exams are available through the Assessment Center. Please contact the Assessment Center at email: tdowdle@cypresscollege.edu

### Financial Aid
- Apply for Financial Aid at www.fafsa.ed.gov or the California Dream Application (for eligible AB-540 students).
- Visit the Financial Aid website at www.cypresscollege.edu/admissions/FinancialAid

### Register for Classes and Pay Your Fees
- Students receive registration appointments by email and can view their time on myGateway’s “Check Registration Appointment” under Registration tools on the student tab.
- Fees are due at the time of registering and can be paid by debit or credit card on myGateway.

### Before the Semester Begins
**Before the Semester Begins:**
- Familiarize yourself with DegreeWorks and myGateway.
- Buy your Books!

**After the Semester Begins:**
- See your Major Counselor to create a comprehensive educational plan and for further information regarding your course of study. Appointments can be made by calling the Counseling Center at (714) 484-7015.
Step 1: Application for Admission to the College Must Be Submitted If:

- You are a first-time student and have never registered in classes at Cypress or Fullerton College.
- You previously applied at Cypress or Fullerton College but never attended classes.
- You are a former student at Cypress or Fullerton College and returning after an absence of one or more terms.
- You are a high school graduate or at least eighteen years of age.
- You are enrolled in K-12 and qualify for the Special Admit Program. Each semester, a completed Special Admit Form with the appropriate approvals must also be submitted to the Admissions and Records Office by emailing specialadmit@cypresscollege.edu.
- You are an International Student who is eligible under a student Visa F-1. For additional information on the international student process, call (714) 484-7049.

**APPLICATION FOR ADMISSION**
The Application for Admission can be accessed using www.cypresscollege.edu. Click on “Apply NOW!” and follow the OpenCCCapply instructions. August 31 is the first day applications are accepted for Spring, Summer and Fall semesters.

Step 2: Orientation
New Students are required to complete a one and one-half hour orientation to the college system.

To access the online orientation, please log into your myGateway account, click on the “Student” tab, then click on the “Online Orientation” hyperlink. Be sure to meet with a counselor to complete your first semester educational plan.

For more information please call (714) 484-7015.

Step 3: Counseling
**Continuing and Returning Students** may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Virtual counseling appointments can be made by calling (714) 484-7015.

Counseling Center is available online via Cranium Cafe:
https://www.cypresscollege.edu/services/counseling/online-counseling/

**COUNSELING CENTER VIRTUAL HOURS:**
- MON–THU: 8:00 am–6:00 pm
- FRI: 8:00 am–5:00 pm

Spring counseling services are provided online through Express Counseling. Please call (714) 484-7015 or visit the Online Counseling website:
https://www.cypresscollege.edu/services/counseling/online-counseling/

New Students AND Returning Students
- Use the link provided above to meet with a counselor through our Online Express Counseling with your unofficial high school transcripts or assessment scores from other colleges for course placement and prerequisite clearance.

Step 4: Assessment
New and returning students can complete the assessment process for math/English by completing the Guided Placement:
http://www.tinyurl.com/nocccd-gsp or by meeting with a counselor to review all transcripts and test scores.

ESL (English as a Second Language) placement exams are available Online. Please contact the Assessment Center at email: tdowdle@cypresscollege.edu

**Test Results**

**Retest Policy**
Students may retest 14 days after their initial assessment, retests thereafter are permitted 120 days from the date of the most recent retest. Requests to retest before this period has passed require counselor approval (14/120 days).

**Students may not retest if they have started coursework in that subject and earned a letter grade, P/NP, or W in that course.**

Step 5: Financial Aid

**Cypress College Enrollment Fee Waiver**

**California College Promise Grant (CCPG)**
formerly known as Board of Governors Waiver (BOGW)

**WHAT IS CCPG?**
The CCPG is a state sponsored program which only waives enrollment fees for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

**HOW DO I APPLY?**
There are two options to apply for the CCPG:

Option 1 — Preferred option: complete the FAFSA at https://fafsa.gov or the California Dream Act application at https://dream.csac.ca.gov

Option 2 — Complete a CCPG only application on myGateway. Below are the steps to guide you to the application:

1. Log in to myGateway
2. Under the Student tab, select Financial Aid
3. Select California College Promise Grant Application
4. Select the appropriate academic year and school
5. Complete and submit the application online
You may be required to submit supporting documentation to the financial aid office.

**Note:** You must add both Cypress and Fullerton to your FAFSA or CA Dream Act for CCPG considerations.

### WHAT ARE THE DIFFERENT CCPG APPLICATION METHODS FOR QUALIFYING?
The CCPG application has three methods for qualifying:

**Method A:** Is for students on public assistance programs such as TANF/CalWORKs, SSI/SSP, and General Assistance.

**Method B:** Is for low income students whose previous year income was within qualifying income guidelines, established by the California Student Aid Commissions.

**Method C:** You must have already applied for and been determined to have at least $1104 of financial need by filing a FAFSA or CA Dream. No CCPG application is required for a CCPG Method “C” waiver.

### WHAT IF I AM ELIGIBLE?
If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester. You will see your fee waiver posted in myGateway and your fees will be waived at the time of registration if you qualify.

### CCPG REQUIREMENTS
The CCPG requires students to meet Academic and Progress Standards. For Academic Standards — a CCPG recipient must maintain a cumulative 2.0 GPA or higher. For Progress Standards — student must complete more than 50% of cumulative courses attempted.

All students must maintain both standards to continue to receive the CCPG. If these standards are not met for two consecutive primary semesters (fall and spring), then the students will lose their CCPG eligibility. **Current and former foster youth 24 years old or younger are exempt from the Academic and Progress Standards.** For more information, please contact the financial aid office or visit the financial aid website. The financial aid office will send emails reminding students of these requirements each semester.

---

**Did you know?**

Effective Fall 2018, the Board of Governor’s (BOG) Fee Waiver was changed to the **California College Promise Grant (CCPG).**

---

**DO I NEED TO KNOW ANYTHING ELSE?**

If you need help with books, supplies, food, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) at fafsa.gov or the California Dream Application (for eligible AB 540 students) at https://dream.csac.ca.gov immediately.

### Step 6: REGISTRATION
Continuing students will be assigned registration appointments based on district policies AP/BP 5055. Be advised that assessment, orientation and an education plan impact registration appointments. Registration appointments and other necessary information will be sent by email. All students should register on their assigned date and time; however, registration appointments do not guarantee enrollment into any class. The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes. Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

**Special Admit**

All Special Admit students must submit the online admissions application prior to registering for classes. A completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office. The Special Admit Form is available online from the Admissions and Records webpage.
Continuing Student Registration Schedule

- Continuing students are those enrolled in Fall 2021 classes and will receive letter or “W” grades at the end of the term. They will receive a registration email that provides their priority registration date and time for Spring 2022.
- Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.
- Registration appointments are based on units/hours earned through Fall 2021 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the units/hours earned at both colleges.
- Units/hours earned can be determined by logging onto myGateway at www.cypresscollege.edu. Click on both Student Records and View Unofficial Web Transcript.
- Veteran students who are active or former members of the United States Armed Forces who are within two years of their date of separation from active duty may qualify for priority registration (CA Senate Bill 272 — effective January 1, 2008). For priority registration approval, submit the military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the certifying official of Veterans Affairs, located in the Veterans Resource Center in the Cypress College Complex.
- Special Admit students begin registering on January 24, 2022 at 4:00 pm or after.
- Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.
- The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.
- Registration is subject to established deadlines for adding, dropping, payments and refunds.
- Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

REGISTRATION EMAIL
A registration email informs students of the first registration appointment available based on their eligible priority. For the best selection of classes, register on the date and time indicated in the email; however, the email does not guarantee enrollment into any class. Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.

New students are those who have never attended Cypress or Fullerton College. New students will receive registration information by email based on the date their online Application for Admission is received.

Returning students are those who have previously attended Cypress or Fullerton College but did not register into a class for the Fall 2021 semester. Returning students will receive registration information by email based on the date their online Application for Admission is received.

Continuing students are those currently registered at Cypress or Fullerton College and will complete the term with a letter grade or “W.” If a letter grade or “W” is not received, the student forfeits their continuing student status. They must submit a new online Application for Admission as a Returning student.

Special Admit students are those enrolled in K-12 and must submit an online Application for Admission and a Special Admit Form. Registration information will be received by email based on the date the online Application for Admission is received. A Special Admit Form must be completed and submitted to the Admissions and Records Office. The Special Admit Form is available online from the Admissions and Records webpage.

REGISTRATION INFORMATION
The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

BEFORE YOU REGISTER
• Ensure you are registering on or after your assigned appointment during myGateway registration hours.
• Clear all outstanding fees or holds. Non-clearance will delay registration.
• Get counselor clearance for math, English, ESL, reading classes and prerequisites.
• Make sure the Admissions and Records Office has your correct name, mailing address and email addresses and phone numbers.
• Use the Class Planning Sheet to prepare your tentative class schedule.
• Verify financial aid eligibility with the Financial Aid Office.

ON YOUR REGISTRATION APPOINTMENT DAY
Complete the myGateway Registration Worksheet and log onto www.cypresscollege.edu. Click on the myGateway logo and follow the prompts. With the exception of nightly maintenance, myGateway is available 7 days a week, 24 hours a day.

ADDING CLASSES
Providing prerequisites and/or corequisites have been cleared by a counselor, and class seats are available, classes can be added during myGateway registration. Once a class begins, students must obtain an Add Code from the instructor of each class they wish to add. Refer to the How to Add/Drop a Class and Waitlist pages for further instructions. Refer to the deadlines listed in the Class Schedule. The neglect of adding a course will result in no credit or grade earned for the course.

CANCELLED CLASSES
The college reserves the right to cancel any class it is unable to offer. Select alternate classes and list them on your Class Planning Sheet in case any of your classes are cancelled. Tuition and fees for cancelled classes will be refunded.

DROPPING CLASSES
While an instructor may drop a student that has poor attendance, it is the student’s responsibility to officially withdraw when unable to continue the class. Students that wish to drop a class or withdraw from the college must drop using myGateway. Refer to the deadlines listed in the Class Schedule. See the How to Add/Drop a Class page for further instructions.

The neglect of dropping a course can result in a substandard grade posted on your permanent student record.

PETITIONING CLOSED CLASSES
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. Waitlist information can be found in the next column and on the Waitlist page in the Class Schedule. If a seat is available the first class meeting, the instructor will issue the student an add code. By the add deadline, the student must access myGateway and add the class entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the student adds the class and fees have been paid through myGateway.

CONCURRENT ENROLLMENT
Concurrent enrollment requires a student to register for more than one class. Register for both the lecture and lab classes when both are required. Register for the lecture, lab and problem solving classes when all are required.

COURSE REPETITION
As a general rule, students may not register in a class if a passing grade has previously been received or the maximum number of repetitions allowed have been completed. Contact Admissions and Records for additional information.

EMAIL AND ADDRESS CHANGES
Email, mailing addresses and phone numbers can be updated by accessing the Personal Information channel of myGateway under the Student tab.

FEES
Fees are due immediately upon registration. Cypress College does not bill for unpaid registrations. Students with unpaid fees will have a hold placed on their account.

Students with the California College Promise Grant are reminded that the waiver covers enrollment fees ONLY. Students MUST submit payment for the student ID fee, material, health and parking fees and any other charges indicated. Check with Financial Aid to verify payment eligibility for enrollment fees.

MAXIMUM UNITS/HOURS
A maximum unit load for any student is 19 units and 12 units qualifies as full time enrollment. A student may carry over 19 units with counselor approval.

TIME CONFLICTS
The myGateway system will not allow students to register for two or more classes which are scheduled during the same time period. A Petition for Exception must be submitted to Admissions and Records to request approval for class time conflicts.
PARKING

Use of Cypress College’s general parking lots requires a parking fee. In lieu of a physical parking permit, the College uses a virtual parking system. Physical parking passes are no longer issued to students or visitors. Students are able to register their vehicle(s) online via myGateway once all registration fees, including parking, are paid in full. Visitors may purchase virtual permits online via the campus website. After purchasing a parking permit, students must register their vehicle license plate to activate the virtual parking permit. Visitors purchasing a virtual parking permit via the campus website will be prompted for vehicle information prior to final purchase. Please note: Your registered license plate is your Virtual Parking Permit.

Students that purchase their semester virtual parking permit may change vehicles anytime online using the “Cypress Parking System” link via their myGateway account. Returning students MUST renew their virtual parking permit for the new semester. Day-use vehicle registration and purchase is also available at kiosks on campus. Successful payment and registration of a vehicle license plate authorizes students and visitors to use any of the seven lots open to student designated parking stalls, as well as designated spots on Circle Drive. Cypress College students that have semester-length parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information.

SCHEDULE/BILL

The Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule. Many offices will require you to show a valid ID prior to providing you services.

WAITLIST

A waitlist is an electronic list of students that are petitioning a closed class. The list is prioritized according to the date and time students opt for the waitlist. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must attend the first class meeting and meet all registration requirements to be considered for an add code.

When myGateway advises that a class is closed, a student can choose the option to be placed on the waitlist. If a seat becomes available, the waitlisted student will be notified via email that they have 48 hours to add the class through myGateway. The email will be sent to the preferred email address on file. Students can also access myGateway and check Personal Announcements for seat advisements for waitlisted classes. Yahoo email users should check myGateway daily for information regarding their waitlist status.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information.

NOTE: Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

**STEP 5**  OPTIONAL FEES

- Select Campus: Choose the campus for which you have enrolled in the most units (Fullerton or Cypress) and click Submit.
- Select Optional Fees: Select the optional fees you wish to purchase and click Submit. If you do not wish to purchase any optional fees, leave all fees unselected and click Submit.
- Confirm Optional Fees: Verify your selections and click Confirm Purchase.

**STEP 6**  FEE PAYMENT

The amount shown next to your “Account Balance” is due and payable immediately. Cypress College does not bill for unpaid registrations. Select either “Credit Card Payments” or “Check or Money Order Payments” and follow the prompts.

Note: If paying by credit card, you must resubmit the term you registered for.

Your Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule.

If you decide not to attend any classes you have registered for, it is your responsibility to officially drop within published deadlines.
What is a waitlist?
A waitlist is an electronic list of students that want to enroll in a closed class. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlist students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Enter the five-digit CRN of the class. You will be advised if the class is closed and given the option of adding the waitlist if waitlist seats are available.
• Use the drop down menu and select “Waitlist”. Click “Confirm Your Choices”.

How do I remove myself from a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Use the drop down menu and select “Waitlist Drop”. Click “Confirm Your Choices”.

Can I add myself to more than one waitlist?
You can waitlist for more than one class but you CANNOT waitlist for two sections of the same class.

How can I monitor my waitlist status?
Log onto myGateway and go to Registration Tools. Click “Check Waitlist Status”. It is recommended that you frequently check your waitlist status.

How will I know if a seat in the class becomes available while I am on the waitlist?
• You will be notified via a Personal Announcement on myGateway.
• Log onto myGateway. Go to Personal Announcements. Click “Check Waitlist Status”.
• If a seat is available, you will see the date and time the seat notification will expire.

How long do I have to add the class when a seat becomes available?
You have 48 hours from when the seat notification was sent to you to add the class OR until midnight prior to the first day of the class, whichever comes first. If you miss the 48-hour deadline, your name is automatically removed from the waitlist and the next waitlisted student is notified of the available seat.

How do I add the class if I receive the notification that a seat is available?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Go to the specific waitlisted class in your list of classes.
• Use the drop down box and choose “Register — Web”. Click “Confirm Your Choices” and “Complete Registration”.

What if I am on a waitlist but no seat becomes available before the first class meeting?
Contact the course instructor and attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization Code. You must add the class via myGateway entering the add code when prompted. The class must be added by the add deadline. Check the Class Schedule for the deadlines of semester and less than semester length classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.
All Registration, Adds, Drops and Withdrawals are to be completed online through myGateway.

Adding a Class

**Prior to the first day of class**  
If the class is OPEN, an Add Authorization Code is not required. If the class is CLOSED, a Waitlist option may be offered and the student must comply with its requirements. However, there is no guarantee of enrollment into the class, and not all classes will have waitlists.

**Starting the first day of class**  
An Add Authorization Code is required for most classes. Attend the first class meeting of the class you wish to add. If seat space is available, ask the instructor to give you an Add Authorization Code. Instructors may not be able to grant all requests for Add Authorization Codes.

1. **IMMEDIATELY** access myGateway registration at http://mg.nocccd.edu.  
   Log in and click on **Register for Classes**.
2. Select the term Cypress College/Fullerton College Spring 2022 and click **Submit**.
3. Enter the five-digit CRN (Course Reference Number) in the “CRN” box and click on **Confirm Your Choices**.
4. If prompted, enter the Add Authorization Code in the field provided.
5. Click on the **VALIDATE** button. If the code is approved, continue to Step 6.  
   If the code is not approved, you will need to obtain another add code from the instructor.
6. Click on **Submit Changes** and confirm the status of your class.
7. After confirming that the class has been added, click on **COMPLETE REGISTRATION**.
8. Print a Schedule/Bill to ensure official adding of the class.

The Add Authorization Code is commonly known as the “Add Code” and is good for five days. If you receive an error message when you use the add code, you must first correct the related problem before the class can be added. If the five days expire before correcting the problem, you must obtain another add code from the instructor. A separate add code is required for each class you wish to add and is only valid for the current term and class.

Dropping or Withdrawing from a Class

   Log in and click on **Register for Classes**.
2. Select the term Cypress College/Fullerton College Spring 2022.
3. From the drop down menu, choose **Drop Online** or **Withdrawal-Web** for the classes you wish to drop.
4. Click on **Confirm Your Choices** to drop your classes.
5. Check under **Status** on the left of the screen to confirm the **Drop Online** or **Withdrawal-Web** status before exiting **myGateway**.
6. Print a Schedule/Bill to ensure official dropping of the class.

**Waitlisted students**  
Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information on how to add a waitlisted class or drop a waitlist.

Adding, Dropping and Withdrawing from classes are subject to established deadlines.  
It is the student’s responsibility to officially add and withdraw from classes.  
Verify added and dropped classes on your Schedule/Bill.
Use this page to help determine the amount of fees you will owe once your registration is completed.

PAYMENT INSTRUCTIONS — Payment is due immediately

DO NOT SEND CASH!

Credit Card Payments:
- Pay by Visa or MasterCard through myGateway.

Check or Money Order Payments:
- Make check or money order payable to Cypress College.
- Write your eight-digit student ID number on the front of the check.
- Enclose the check and Fee Payment Slip in an envelope.
- Return your payment to the College by:
- placing the envelope in the Registration Fee Payment Slot located outside the Business Building near the ATM
- OR
- mailing to: Cypress College Bursar’s Office, P.O. Box 6047, Cypress, CA 90630-0047

Third Party Payments:
- If your fees are to be paid by a third party (i.e. Dept. of Rehabilitation, Veteran’s, Scholarship etc.), please contact the Bursar’s Office immediately at (714) 484-7317, to avoid having a hold placed on your account. You can email your Department of Rehabilitation “Authorization for Services” document to lmorales@cypresscollege.edu, or drop it off at the Bursar’s Office.

Fees are due IMMEDIATELY. Cypress College does not bill for unpaid registrations. If payments are not received, you will have a hold placed on your account.
While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the current academic year.

**HEALTH FEE**

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is $21 per semester ($18 for summer inter-session) for each student regardless of the number of units taken. The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

**MATERIAL FEES**

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course).

**NON-RESIDENT TUITION**

Non-residents of the State of California are charged tuition at $323 per unit which includes the $33 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is in addition to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to request a change in your classification in the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the $20 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

*Please note that your Cypress College Parking fee will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.

**Students requesting and paying for Photo ID sticker and/or AS Benefits sticker must pick up their stickers by appointment in the Admissions & Records office.

NOTE: Campus Safety will ticket for non-registration of license plate permit beginning the second week of the term.

**Disabled Persons Vehicles** — Use of state-designated disabled parking spaces requires proper display of either a valid disabled placard or designated license plates. Disabled parking spaces are prominently marked in blue and white. Vehicles parked in disabled parking spaces must also comply with the requirements noted above, including purchase of a virtual parking permit and completion of vehicle license plate registration. Designated disabled parking spaces are available in all campus lots. Individuals who park vehicles in the disabled stalls without proper credentials will be subject to a $290 citation.

**Parking Availability** — One day parking permit dispensers are available in various lots for $3 per day.

**Parking Enforcement** — A one-week grace period is provided at the beginning of the Fall and Spring semesters in order for students to finalize vehicle registration and/or renew parking permits. All campus parking regulations are enforced by the Cypress College Campus Safety Department. All traffic regulations are enforced by the Cypress Police Department. Parking regulations are strictly enforced. Failure to register your vehicle license plate may result in a parking citation issued by Campus Safety.

The fine for parking without a valid permit and registered license plate is $37; other fines range from $37–$290, depending on the violation.

Any vehicle found parked on Cypress College property that has (3) or more unpaid Cypress College parking citations may be towed without notice. Registered owners of the vehicle will be responsible for paying all citations, towing fees, and impound fees prior to the vehicle being released by the impound company.

**Citation Payment and Appeals** — Payment of fines or filing of an appeal must take place within 21 days from the date of the citation or the fine will be doubled. Cypress College Parking Regulations are available on myGateway, the Campus Safety webpage, and in the Campus Safety Office on the first floor of the Business Building.

**Parking Refunds** — Refunds will only be given with proof of withdrawal from all classes. No refunds will be issued after 10% of class is complete.

**Parking Enforcement** — Payment of fines or filing of an appeal must take place within 21 days from the date of the citation or the fine will be doubled. Cypress College Parking Regulations are available on myGateway, the Campus Safety webpage, and in the Campus Safety Office on the first floor of the Business Building.

ALL FEES ARE DUE AND PAYABLE AT REGISTRATION

REFUND POLICY

Registration fees are refundable, with the exception of the Campus ID Card fee (except as noted under refund deadlines on the previous page), if the student withdraws from full length term classes on or before February 2, 2021 (drop/add deadline). After February 7, 2021, there will be no refunds for withdrawal. Enrollment fees for Short Term classes are refundable if the student withdraws from class by the 10% point of the length of the course. Refunds must be requested during the term of attendance.

REFUND PROCESSING FEE

A refund processing fee of $10 per semester will be deducted from the enrollment fee refunds. The fee will be waived for students who are administratively dropped from class(es) due to cancellation of class(es), student disqualification or course repetition.

REFUNDS

If a student withdraws from classes, a refund processing fee of $10 will be deducted from the enrollment fee refund. Refunds will be processed the 4th week of the semester and should be received by mid November. All refunds are issued by check and will be mailed. Please keep your Cypress College address current. See the Refund Policy statement on the next page.

REGISTRATION FEES

All Registration Fees must be paid in full at the time of registration. Payments may be made by cash, check, money order, MasterCard or Visa.

SERVICE CHARGE

There is a $25 service charge on all checks returned by your bank, and your enrollment at the College, as well as your credit, may be affected.

Cypress College participates in the COTOP program (Chancellor’s Office Tax Offset Program) and will be charging the administrative fee if your account is sent to COTOP for collection. To avoid these additional charges, please pay all debts owed to the college in a timely manner. This includes registration fees, checks returned by your bank, and any other fees due on your student account.

STUDENT REPRESENTATION FEE

This fee will be used so that students may represent students’ views and positions at city, county, and district governments as well as state legislative offices and other governmental agencies. All students are urged to pay this $2 fee.

CAMPUS PHOTO ID CARD

Students are strongly encouraged to purchase a Campus Photo ID Card. Students pay a $2.50 service fee at the time of registration and receive a validation sticker upon payment of the fee. New and returning students may obtain a Campus Photo ID Card upon presentation of their Enrollment Receipt showing proof of payment of the fee and a valid photo ID (i.e. Driver’s License or California ID card). The Campus Photo ID Card includes the student’s photo, signature, permanent number and a scannable bar code. The Campus Photo ID Card is required for the following services:

- all campus labs
- Library, Financial Aid, Bursar’s Office, and Student Affairs
- check or credit card purchases in the Bookstore

Cards that are requested but not picked up by the end of the last day of the semester will be voided and not refunded.

CHANGES TO PRIORITY REGISTRATION

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.
ADD AUTHORIZATION CODE
An Add Authorization Code (commonly known as the “Add Code”) is a code that may be issued to a student by an instructor to add a class on myGateway once the class has closed. The add code can only be used to add that closed class and must be used by the add deadline. The add code is good for five days and is only valid for the current term and class it is attached to. If the add code expires, another add code must be obtained from the instructor. After entering an add code on myGateway, the student must click on Submit Changes and COMPLETE REGISTRATION.

ADVISORY
When a course has an advisory, it means a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is recommended, the student is advised (but not required) to meet the condition before or in conjunction with enrollment in the course or educational program.

EXAMPLE: Advisory: Eligibility for ENGL 100 C is recommended for POSC 100 C.

ASSIST
ASSIST is a computerized student-transfer information system that can be accessed online. It displays reports of how course credits earned at one California community college can be applied when transferred to a CSU or UC campus. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information available about student transfer in California. ASSIST is available at: www.assist.org.

ASSOCIATE DEGREES FOR TRANSFER (ADT)
California Community Colleges are now offering Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an ADT degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

The ADT degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students who have been awarded an ADT are guaranteed to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units after transfer to a CSU only unless the major is designated “high-unit” major. To view the most current list of Cypress College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com.

Current and prospective community college students in pursuit of an ADT are encouraged to meet with a counselor to review their options and learn how to develop an educational plan that best meets their goals and needs as it relates to university admission and transfer requirements.

CHALLENGING ADVISORIES, COREQUISITES, AND/OR PREREQUISITES:
Refer to the Academic Policies Affecting Students in this Class Schedule.

COREQUISITE (COREQ)
When a course has a corequisite, a student is required to take a course in combination with (or prior to) another course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course. Generally, a course cannot be dropped if it is a corequisite of another course.

It is the student’s obligation to know and meet course corequisites. These are stated in the course description section of the College Catalog. Corequisites will be enforced at registration. The student may be required to show proof of meeting corequisites.

EXAMPLE:
Coreq: Completion of or concurrent enrollment in MATH 040 C is required for CHEM 107 C.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)
The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

COURSE REFERENCE NUMBER (CRN)
The CRN is the unique five-digit code assigned to a course for a specific time and day for identifying and registering into that course.

ELECTIVE
An elective is a course not required for graduation or a particular program. For example, a science student might take electives from non-science areas which may include history, art, English, or political science. To assist in choosing electives, a student should consult a college counselor. An excess of elective units beyond what is needed for a student’s educational goal is not encouraged.

FEES
Refer to the Fee Calculation Worksheet in this Class Schedule. If there are any additional mandatory fees for a class, they are listed under the course description in the Class Schedule.
GRADING
The grading symbols earned at Cypress College are A, B, C, D, F, I, IP, NP, P, and EW.
If a grading option is not listed, the class is available for a standard letter grade (A, B, C, D, F) only.
If only PASS/NO PASS is listed, the class is available for P or NP grading only.
If PASS/NO PASS/LETTER GRADE OPTION is listed, students have the option of taking the class for a standard letter grade or pass/no pass. Students must choose the option they wish, complete the necessary paperwork and submit it to the Admissions and Records Office no later than the fifth week of full semester classes. The deadline for Summer, late start, short-term and open-entry classes is by 30% of the class meetings.
If an EW (Excused Withdrawal) is assigned to a student, they have been approved to withdraw from a class.

PREREQUISITE
When a course has a prerequisite, a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (types 35wpm), an ability (speaks and writes Spanish fluently), a test score or a successful completion of a prior course (must have completed ENGL 060 C with a grade of “C” or better). Completion of the prerequisite is required prior to enrolling in the course, and D, F, NC or NP grades are not acceptable.
It is the student’s obligation to know and meet course prerequisites. These are stated in the course description sections of the Class Schedule and the current College Catalog. Prerequisites will be checked at registration. The student may be required to obtain prerequisite clearance from the Counseling Center.

SOCIAL JUSTICE, EQUITY, AND SUSTAINABILITY
As an educational community, Cypress College embraces the shared characteristics as well as the diverse intellectual viewpoints and ideas of its culturally rich population. To prepare students for effective participation in our society, selected academic courses are designed to:
1. foster respect for diverse populations;
2. assist students in understanding the struggles of people to achieve social justice, equity and sustainability;
3. encourage students to apply the knowledge gained in these courses in their daily lives.
To achieve this educational goal, Cypress College will require all students to take at least one course whose emphasis is on the struggles of people to achieve social justice, equity and sustainability, focusing primarily on race, ethnicity, class, and gender/transgender intersectionality.
Please reference the list of approved Social Justice, Equity, and Sustainability (SOC JUST) courses for the college on the general education Native GE requirements list. Students may earn credit for course work previously completed at other regionally accredited institutions to meet this requirement upon review of the course by Admissions and Records to determine appropriateness of content to meet this local requirement.

UNIT
Course work at Cypress College is measured in terms of semester units. A course requires a minimum of three hours of student work per week, per unit. This includes class time and/or demonstrated competency for each unit of credit, prorated for short term, laboratory and activity courses.

### ADD AUTHORIZATION CODES:

(commonly known as “Add Codes”)

May be issued by the instructor based on space availability and in accordance with all the requirements for the class.

**Prior to the first day of class**

- if the class is OPEN — no add code is needed
- if the class is CLOSED — an add code is needed

**Beginning the first day of class**

- an add code is needed for most classes
- add codes must be used by 11:59 pm on the add deadline

---

Student Responsibility to Add and Drop Classes

It is your responsibility to officially add and drop within published deadlines printed in the Class Schedule. The neglect of adding or dropping may result in no credit or a substandard grade or “W” posted on your permanent record.
Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

BIOL 174 C
Biology of Cells and Tissues

Prerequisite: Completion of or concurrent enrollment in CHEM 111AC with a grade of C or better
Advisory: ENGL 060 C
This course will include the principles of molecular and cellular biology including biomolecules, cell structure, cell metabolism, cell growth, cell reproduction, cell tissue integration, and basic genetics for biology majors. Duplicate credit not granted for BIOL 111 C and BIOL 112 C.

ON-CAMPUS CLASS: The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to: https://www.cypresscollege.edu/coronavirus. ### BIOL 278 C

**Molecular Biology**

Transfer: CSU, UC

**Prerequisite: BIOL 277 C, CHEM 211AC**

This course presents structure and function of biomolecules, mechanisms of gene expression, genomics, biotechnology, cell signaling and biochemical pathways in cells, and the mechanisms for regulating these processes.

**Prerequisite: Completion MATH 020 C or MATH 041 C with C or better.

Note: MATH 120 C does not satisfy MATH 020 C/041 C prerequisite.

A student who is concurrently enrolled in or has completed MATH 120 C must present verification of successful completion of MATH 020 C/041 C or an equivalent course.

### Ways to Satisfy MATH 040 C/041 C Prerequisite for CHEM 107 C/CHEM 111AC

- Completed MATH 040 C or MATH 041 C with C or better in NOCCCD (or a course equivalent to these courses at another college or high school. Example: Algebra 2).
- OR
- Completed MATH 100 C, 110 C, 115 C, 130 C, 141 C, 142 C, 150AC, 150BC, 250AC, 250BC with C or better in NOCCCD (or a course equivalent to these courses at another college or high school. Example: Pre-Calculus, Calculus).

**Note:** MATH 120 C does not satisfy MATH 040 C/041 C prerequisite.

A student who is concurrently enrolled in or has completed MATH 120 C must present verification of successful completion of MATH 040 C/041 C or an equivalent course.

Concurrent enrollment or completion of MATH 120 C by itself does not satisfy the MATH 040 C/041 C prerequisite conditions.

Please contact the chemistry course lead instructors or SEM counselors for more details.

---

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

---

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

Do you know your Student ID and PIN Number?  
You will be required to use your 8-digit Student ID number to access myGateway.  
Memorize it! Be ready!
## Is taking a language class worth it?

**Absolutely!** Studying a language can open doors to many careers and opportunities. Give yourself a wide perspective of our diverse world! And it’s fun!

### What about transfer credits?

All Foreign Language 101, 102, 203, and 204 classes are transfer-level credit courses (UC/CSU, AA, GE)

### Which language should I choose?

**You don’t have to choose just one!**

- **Spanish** — Learn California’s most spoken language after English. Use it to travel all around Latin America and Spain. Since Spanish is all around us, it’s also easy to practice close to home with neighbors, friends, and coworkers.

- **Spanish for Spanish Speakers** — Study with Spanish-speaking students just like you. Enroll in SPAN 201 C to improve your skills in spoken and written academic Spanish, discover literary greats of the Spanish-speaking world, and learn the secrets of written accent marks.

- **French** — Learn the international language of the culinary arts, diplomacy, fashion, and film. Become a Francophone and connect with a global community that extends across six continents.

- **Japanese** — Study fun and exciting cultural topics like: Japanese food, Manga, Anime, J Pop, fashion, etc. Plus, over 100 jobs opening in Orange County require Japanese language skills or knowledge about Japan. We offer hybrid courses for JAPN 101 C and 102 C, a fun Japanese Culture Club, Free Japanese Tutoring, and Free Textbooks for All Japanese Courses!

- **Chinese** — Study Mandarin and you’ll be able to speak with over 1 billion people in the world. And guess what? Mandarin has no conjugations or tenses, so it’s not as hard to learn as you might think.

The mission of the Legacy Program is to provide students with a strong academic program, instructional resources, and motivational support to facilitate their progression toward transferring to four-year institutions.

Set in a positive academic environment, students create a close bond with their peers, mentors and professors as they participate in a variety of events both on and off campus. By offering interesting and rewarding curriculum that focuses on the Black experience, students that complete the program are prepared to transfer and excel in university level work.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

Students enrolled in pre-English 100 C classes must earn at least a C grade in ENGL 060 C to be eligible for enrollment in ENGL 100 C. All students are encouraged to complete their English coursework as early as possible in their educational programs.

Students enrolled in core classes will be required to write an essay on the first day of instruction to verify skill level and assessment placement score.

Pathways to ENGL 100 C

Native English speakers are advised to take ENGL 100 C (College Writing) and ENGL 101 C (Enhanced College Writing). Students needing additional fundamental work are advised to see a counselor to determine if enrollment in ENGL 060 C (Preparation for College Writing) is appropriate. More basic English skill courses are offered by North Orange Continuing Education (NOCE). Students enrolled in pre-English 100 C classes must earn at least a C grade in ENGL 060 C to be eligible for enrollment in ENGL 100 C. All students are encouraged to complete their English coursework as early as possible in their educational programs.

Students enrolled in core classes will be required to write an essay on the first day of instruction to verify skill level and assessment placement score.
The above class will be held IN PERSON. Students must meet college vaccination requirements and follow CDC guidance on masking, social distancing, etc. For more information, go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

## KIN 130 C

### Yoga

(Formerly PE 102 C)

**.5 to 1 Unit**

**Transfer:** CSU, UC Credit Limitation

This course, as defined by Patanjali, means “citta vrtti nirodha,” the stilling of all states of citta, roughly, the stilling of mind. Students will develop an understanding of the goal of yoga, primarily through the significance of yoga asana. Not because asana (posture) is the most significant aspect of Patanjali’s system of yoga, but because it allows students a way into the practice. In this respect, yoga is a practice and students will focus on developing a yoga practice, represented through asana, that reflects the goals of yoga, and the stilling of mind.

## KIN 132 C

### Hatha Yoga

**.5 to 1 Unit**

**Transfer:** CSU, UC Credit Limitation

This course is the larger lineage of yoga that derives from Patanjali’s Yoga Sutras. In this course, students will learn and investigate this lineage, and the common themes of practice that derive from this lineage. The Yoga Sutras of Patanjali is a philosophical text which is based on the goal of “citta vrtti nirodha,” the stilling of all states of citta, or roughly, the stilling of mind. This course will focus primarily on the significance of yoga asana (posture), as well as pranayama (the breathing), to facilitate a practice and experimental analysis of this yoga and Hatha Yoga lineage.

Some students will be required to take a corequisite course.
MATH 040 C Intermediate Algebra, MATH 041 C Combined Algebra 1 & 2, and MATH 044 C Basic Accelerated Math will also be offered for students that prefer to take a refresher course.
Please see a counselor for further guidance.

What is a Math Hybrid class?
A math hybrid class covers all the same material as a standard synchronous math class. The main difference is that most instruction is delivered asynchronously via engaging videos created by current Cypress College instructors. Students have as much, or even more, access to their instructors to get help throughout the semester.

Here is what your fellow students say about the Math video lectures in our Hybrid classes:

- Thank you Professors for creating such super high-quality videos! They offer even more than an in-person class could because the video lectures have great animations, pop-up windows of review material, formulas, and key concept reminders.
- I really like that I can pause the videos at any time while taking notes.
- It helped me a lot to be able to go back in the video if I missed any information or if I didn’t quite get it the first time.
- I can change the speed of video lectures to suit me. I can skip over parts that I already know how to do, or slow down and spend more time on the things that are more difficult for me.
- It helped me to be able to watch all or part of a video lecture again to review before the exam.
- I loved that I never had to miss any lectures because of my work schedule, illness, lost Internet connection, or other commitments, since I was able to take notes at the times that were best for me personally.

MATH 009 C 0 Units
Supervised Tutoring - Math
This course provides individual tutoring based on each student's needs in mathematics.
- Non-Credit
- Open Entry/Open Exit
CRN: 22600
Sec: 0EI
Time: 1/24-5/21
Instructor: Staff
Room: 1/24-5/21

MATH 009 C 2 Units
Skills for Math for Prospective Elementary School Teachers
Prerequisite: Appropriate placement
Corequisite: MATH 110PC with a grade of C or better
This support course covers the skills and concepts needed to be successful in MATH 110PC. Topics include operations with integers, multiplying polynomials, factoring polynomials, solving linear equations, graphing linear equations, functions, probability, data analysis and geometric concepts. Students enrolling in a section of MATH 009 C must also enroll in the specific MATH 110PC course it is paired with during the same semester.

MATH 012 C

This course is a corequisite course to MATH 120PC, Introduction to Probability and Statistics. Based on placement, you can either take MATH 120 C alone, or the combination of MATH 012 C and MATH 120PC. Each MATH 012 C class is paired with a specific MATH 120PC class. Students must take both of these classes concurrently. Enter both CRNs when registering.

The combination course pairing will review the specific arithmetic and algebra skills needed to successfully complete Probability and Statistics. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

MATH 012 C  2 Units  

Skills for Probability and Statistics  
Prerequisite: Appropriate placement  
Corequisite: MATH 120PC with a grade of C or better  

This support course covers the skills and concepts needed to be successful in MATH 120PC which includes solving and graphing linear equations, order of operations, real numbers, basic probability, probability distributions, measures of central tendency and dispersion, sampling techniques, parametric and non-parametric tests of hypotheses. Students enrolling in a section of MATH 012 C must also enroll in the specific MATH 120PC course it is paired with during the same semester.

WAITLIST NOW AVAILABLE

During registration, you can request to be placed on a waitlist when a class is full. This online feature does not guarantee a seat, but it allows the chance to obtain one if any become available. Waitlist students must attend the first day of instruction to be considered for an add code. Refer to the Waitlist page in the Class Schedule for complete waitlist information.
### MATH 040 C — Intermediate Algebra

**Prerequisite:** MATH 020 C or Algebra I with a grade of C or better and the assessment process or AB 705 Multiple Measures Placement

This is the second course in algebra that covers sets, axioms for the real number system, polynomials, solutions of linear and quadratic equations and inequalities, and systems of equations. Students may not receive credit for both MATH 040 C and MATH 041 C. Students must see a counselor for placement.

MATH 044 C Basic Accelerated Mathematics

MATH 044 C will review arithmetic and algebra skills in preparation for taking a transfer level math course. The course is self-paced, allowing focus on difficult topics. The course provides videos and an instructor to explain concepts. This course may be taken only once. The grading for this course is Pass/No Pass.

MATH 044 C

Basic Accelerated Math

Advisory: Students must see a counselor for placement. This is a self-paced math course in which students can progress from Basic Math through Intermediate Algebra in one semester. Students will take an assessment at the beginning of the course to determine their starting point and study plan. Students will then show mastery of topics using ALEKS, a Web-based assessment and learning system.

MATH 110PC
Math for Prospective Teachers (same as MATH 110 C)

4 Units

Prerequisite: MATH 040 C or MATH 041 C and MATH 030 C and the assessment process. Proof of prerequisites is required.

This course is an introduction to problem solving processes and strategies. Development and analysis of the structure and operations of the real number system will also be discussed. This course contains the same topics as MATH 110 C, but it must be taken concurrently with a paired section of MATH 009 C. Duplicate credit not granted for MATH 110 C.

Corequisite: MATH 009 C with a grade of C or better

Transfer: CSU, UC

Math for Prospective Elementary School Teachers (same as MATH 110 C)

4 Units

Prerequisite: MATH 040 C or MATH 041 C or Algebra II with a grade of C or better and the assessment process. Proof of prerequisites is required.

This is a general education course in practical mathematics for liberal arts students or any student not majoring in mathematics or science. This course covers linear equations, functions, finance, matrices, linear programming, sets, counting techniques, probability and applications. TI-83/84 or equivalent graphing calculator required.

MATH 115 C/115PC Finite Math

MATH 115 C and MATH 115PC are designed for students in Liberal Arts, Fine Arts, Humanities, Mortuary Science, or Career Technical Education.

These courses may be offered as a traditional course or as a hybrid course. In the hybrid course, students have the option of setting their own timeline and watching instructional videos created by the instructor for each lesson at a time that best fits their schedule. Exams are taken online while proctored by the instructor.
COMBO CLASSES FOR FINITE MATH
Take MATH 011 C Skills for Finite Math along with MATH 115PC Finite Math.

- MATH 011 C is a full-term corequisite support course for MATH 115PC.

CHANGES TO PRIORITY REGISTRATION
Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:
1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:
1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.
The above class uses open educational resources and has zero textbook costs.

Petitioning Closed Classes

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available, the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

Petitioning Closed Classes

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available, the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

Any student wishing to take on-campus classes or access on-campus Student Support services must meet the college vaccination requirements and follow CDC guidelines on masking, social distancing, etc. For more information go to: https://www.cypresscollege.edu/coronavirus. Students who do not meet the vaccination requirement may remain off site and enroll in entirely online classes.

The Cypress College Honors Program is designed to encourage talent and ability in highly motivated students as they begin their academic studies and prepare to transfer to a four-year college or university. Students who complete the Honors Program and meet all major transfer requirements will have priority consideration for admission to specific four-year institutions.

About the Program — Classes are taught by faculty interested in enriching your academic experience with special projects, readings, and class activities. The program provides a unique, seminar environment with close academic and social interaction with outstanding faculty and other highly motivated honors students. Guest speakers, cultural events, and field trips enhance the challenging and creative learning experience.

The Transfer Alliances — Cypress College is a member of the Honors Transfer Council of California. This group has established transfer alliance agreements with many four-year colleges and universities. The transfer alliance agreements guarantee priority consideration for entrance to Honors Students who meet the entrance criteria of the universities.

Requirements for Membership
• Minimum 3.25 GPA in high school course work, or a 3.0 GPA in a minimum of 6 units of college course work, verified by transcripts
• Completion of the Honors Program application

Benefits for Students
• Priority consideration for admission at the junior level to selected 4-year colleges and universities
• Small classes with a seminar environment
• Library privileges at transfer colleges and universities
• Special counseling and advisement with the Honors Program Director and Honors Counselor

1 Prepare for success

**Take the Distance Education Readiness Quiz.** This free anonymous quiz will help you decide if you’re ready for the special demands of online and hybrid courses. These classes require computer, email, and Internet skills.

**Talk to your counselor.** A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

2 Choose the right class

**Enroll in the course that best fits your needs.** Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the Internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in myGateway before you register and add @CypressCollege.edu as a secure site (or on your white or trusted list) in your email program.

**Online Courses** have no in-person classroom instruction. All instruction is online, although some courses may have a few in-person meetings for proctored exams.

**Hybrid Courses** are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will be listed in the schedule of classes.

3 Get started today

**Visit your instructor’s home page.** Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

ATTENDANCE
It is important that officially enrolled students attend the first class meeting of every course. Failure to attend the first class session may result in the instructor dropping the student from the class. Students should be especially careful not to accumulate excessive absences. Waitlist and non-waitlist students must attend the first day of instruction to be considered for an add code.

AUDITING COURSES
Currently enrolled students who wish to audit must have previously completed the course successfully the maximum times allowed at Cypress College. An audit form must be filed with the Admissions and Records Office. Students must petition to audit during the second week of the class. Enrolled students must pay $15 per unit, the health fee and other fees as required. For additional information, contact the Admissions and Records Office.

CALIFORNIA RESIDENCE REQUIREMENT
For tuition purposes, California Community Colleges are required to determine a student's residency. California law states that residency is physical presence coupled with the intent to remain in California.

To qualify for residency status, a student must have been a California resident for one year and one day prior to the first day of instruction. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student. See the College Catalog and college website for residency information. Visit the Admissions and Records Office for additional details.

CHALLENGING PREREQUISITES, COREQUISITES, OR OTHER LIMITATIONS ON ENROLLMENT
Grounds for Challenge
Where a student is denied enrollment in a program or course on the grounds that the student does not meet a prerequisite or corequisite, or on the basis of other limitations on enrollment, the student may challenge such prerequisite, corequisite or limitation on one or more of the following grounds:

1. The prerequisite, corequisite or other limitation on enrollment has not been established in accordance with the district's process for establishing prerequisites, corequisites and other limitations on enrollment;
2. The prerequisite, corequisite or other limitation on enrollment is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
3. The basis upon which the district has established an enrollment limitation does not in fact exist;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available by the college.

Burden of Proof
The student shall bear the burden of proof in demonstrating that grounds exist for the challenge.

1. In the case of a challenge under Grounds for Challenge number 4, the student shall provide evidence of knowledge and/or skills, by virtue of placement/assessment testing, academic coursework, independent learning, experience, or a combination of these which are at least equivalent to the knowledge and/or skills the student would have possessed had he or she successfully completed the prerequisite or corequisite.

2. In the case of a challenge under Grounds for Challenge number 5, the student shall provide evidence that the student has declared a broad educational intent or specific educational goal and has developed a Student Educational Plan in conformity with the provisions of Section 55530(d) of Subchapter 6 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

Challenge Procedure
Filing of Challenge
1. A challenge with respect to any prerequisite, corequisite or limitation on enrollment initiated pursuant to this policy shall be made upon the appropriate challenge form, which may be obtained from a counselor or the Office of Instruction.
2. The completed challenge form must be filed with the Office of Instruction in accordance with the following deadlines:
   a. for the Fall term, not earlier than Friday of the fifteenth week of the Spring semester and not later than the first day of instruction for the Fall semester;
   b. for the Spring term, not earlier than Friday of the twelfth week of the Fall semester and not later than the first day of instruction for the Spring semester;
   c. for the Summer Intersession, not earlier than the first Monday in May and not later than the first day of final examinations for the Spring semester.

In the case of a challenge under Grounds for Challenge number 4, the completed challenge form must be accompanied by appropriate evidence of skill or accomplishment such as placement/assessment results, transcripts from an accredited institution or appropriate foreign institution, work-related experience, or other evidence of relevant experience. To warrant consideration, any such evidence shall be of a clear and reliable nature.

CHANGE OF ADDRESS
Personal information change forms are available online at www.cypresscollege.edu and may be emailed to admissions@cypresscollege.edu with a picture of government-issued I.D. Students are expected to notify the Admissions and Records Office when their address, email and/or phone number changes.

Personal Information Change forms are available in the Admissions and Records Office when their address, email and/or phone number changes. Address and phone updates can also be made using myGateway. After logging into myGateway, this option is available under Personal Information on the student tab. The college is not responsible for any delay in communications sent to an outdated address or email that the student has not corrected.

CHANGE OF NAME
Students who want to change their name must complete a Personal Information Change form. Proof of a legal name change is required and there is no fee for this service. When a name change is processed, we recommend that students purchase a new Campus Photo I.D. a new picture be taken by Admissions and Records. The Admissions and Records Office is located on the first floor of the Student Center. The Personal information Change form is available from the Admissions and Records webpage at www.cypresscollege.edu/admissions-records/admissions-records-forms/ and must be submitted electronically.

Preferred or Chosen Name
Beginning with the Spring 2021 semester, students may request to have their preferred or chosen name displayed on class rosters, student ID cards, and in Canvas. Students who wish to have their preferred or chosen name included
in their student records may submit a Personal Information Change form to the Admissions and Records Office. The Personal Information Change form is available online from www.cypresscollege.edu/admissions-records/admissions-records-forms/ and must be submitted electronically.

**CHILDREN ON THE CYPRESS COLLEGE CAMPUS**

Introduction

Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety and well being of all children.

Why do we need these guidelines?

The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

Who is a child?

For purposes of these child-protection guidelines, the term “child” applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

Guidelines to be followed:

- Children may not accompany parents or guardians to classes, labs or the worksite.
- “Arms-length supervision” by a parent or guardian is required at all times.
- Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.

**CLASS CANCELLATIONS**

Cypress College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

**COURSE NUMBERING**

Courses completed at Cypress College, which are not designated as Non-Degree credit, will transfer to other community colleges. Courses numbered from 001 C–099 C are remedial, occupational and/or technical and designed in content and organization for students who do not intend to transfer for the Bachelor’s degree. Courses numbered from 100 C–299 C (including Honors classes) have been certified by Cypress College as being of baccalaureate level for the school year and are transferable to any campus of the California State University system.

The transfer institution, however, will determine the extent to which a course satisfies the requirements of a particular degree program. Credit not otherwise applied shall be acceptable as general electives to the extent that the particular degree objective permits. Students who plan to transfer to any campus of the University of California or other university or college should check with a counselor and www.Assist.org for transferable courses since UC does not accept all courses numbered 100 C–299 C (including Honors classes).

**COURSE PROGRESSION**

Students are expected to take courses on an acceptable progressive basis. Students will not receive credit for classes which are considered lower in degree of advancement than those already taken.

---

**COURSE REPETITION**

As a general rule, a course in which a student has earned a grade of D, F, NC, NP, or W may be repeated twice. Students who have earned a grade of A, B, C, CR or P may repeat a course under extenuating circumstances. A Petition for Exception must be submitted to the Admissions and Records Office for approval prior to repeating a course; otherwise, students will be electronically blocked from registering or notified by mail that their enrollment in a course is in conflict with this policy.

**EXAMINATIONS**

Class instruction includes frequent examinations throughout the semester so that students can judge their progress. Final examinations are given on the last day of the class. The final examination is a requirement for each course. All students must take these examinations at the scheduled time and place. Any exceptions to the above policy will be made only after consultation with the division dean.

**GRADES**

Grades are available to be viewed online on myGateway. Grades are not mailed to students. Students may order official copies of transcripts via myGateway.

**OPEN ENROLLMENT**

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the District, shall be fully open to enrollment and participation by any person who is eligible for admission to the college and who meets such prerequisites as may be established pursuant to the provisions of Title 5 of the California Administrative Code and the policy of the Board of Trustees of the North Orange County Community College District.

**PASS/NO PASS OPTION (FORMERLY CREDIT/NO CREDIT OPTION)**

If a full term course is listed in the Class Schedule as “PASS/NO PASS/LETTER GRADE OPTION,” a student wishing to take the course on a credit basis only must file a “Request for Pass/No Pass Grading Option” form with Admissions and Records by the end of the fifth week of the semester. The filing date for Summer, late start and short-term courses and open entry classes is by 30% of the class meetings. The decision to take a course on a P/NP basis is irreversible once the request has been submitted to the Admissions and Records Office. Refer to the College Catalog for more information or inquire at the Admissions and Records Office.

**PRIVACY RELEASE**

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the North Orange County Community College District has established Board Policy 5040 — Student Records, Directory Information, and Privacy, which covers the release of student records. The College may make public, without prior student consent, only certain directory information. This information will consist of the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Students who wish to have this directory information further restricted may do so on the online college Application for Admission or by making the request in the Admissions and Records Office. Directory information will then be provided to only those individuals who have a written authorization from the student.

No other student information will be disclosed without prior student consent except to college officials and employees of the District with legitimate educational interests unless sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

A copy of this District policy is available on the District website, www.nocccd.edu.
TRANSCRIPT OF RECORD
Cypress College has partnered with Credentials, Inc. to provide transcript services via TranscriptsPlus®. This new service allows current and former students to request transcripts online and to choose from the following formats for delivery:

- EDI electronic transmission to participating colleges and universities
- PDF via email
- Hardcopy

Each transcript format reflects all academic work attempted at Cypress College. Chronologically, it lists all courses, units, grades, grade points, total units, a cumulative grade point average and other relevant academic data. The normal processing time for transcripts is 5–7 working days.

The cost of the transcripts is $5 per request. Expedited service for transcript processing is available for a $10 fee per request. Transcript request can be made online through myGateway or via TranscriptsPlus®:

https://www.credentials-inc.com/cgi-bin/dvcgitp.pgm?ALUMTR0001193

All students are eligible to receive up to two free transcripts; however, the free-transcript option is available directly from the Admissions and Records Office. To request a free transcript, eligible students must make their request in writing and show photo ID. To release a transcript to a third party, students must submit an Authorization to Release Education Records to the Admissions and Records Office. The form can be obtained from the Admissions and Records Office or downloaded from the Admissions and Records webpage:

http://www.cypresscollege.edu/admissions/admissionsandrecords/downloadableForms.aspx

For additional information about TranscriptsPlus® and instructions on how to place an order, please access the transcript link on the Admissions and Records webpage:

http://www.cypresscollege.edu/admissions/admissionsandrecords

Or, for assistance placing an order, please contact the TranscriptsPlus® Customer Service Department at (847) 716-3005 between the hours of 7:00 am and 8:00 pm Monday through Thursday and between 7:00 am and 6:00 pm (CST/CDT) on Fridays.

VERIFICATION OF ENROLLMENT
Beginning Fall 2006, Cypress College authorized the National Student Clearinghouse (NSC) to provide degree and enrollment verifications on behalf of the college. NSC provides free, self-service enrollment certificates to students and adheres to the privacy mandates of FERPA (Family Education Rights and Privacy Act of 1974).

Students can request NSC enrollment verification certificates ten business days after the beginning of a term. Access NSC by logging onto www.cypresscollege.edu. Click on “Student Records” under student links. Choose Cypress College Enrollment Verification via National Student Clearinghouse and obtain an enrollment certificate. All other verifications will be charged $3 per request.

WITHDRAWAL OR DROP POLICY
While an instructor may drop a student who has poor attendance, it is the student’s responsibility to officially withdraw from a class. Students can drop classes by accessing myGateway during its posted hours. Failure to withdraw officially from a class can result in a substandard grade being posted on the student’s permanent record.

Semester Courses
First two weeks of the term — The student or the instructor may initiate a withdrawal. No notation shall be made on the student’s academic record. For exact dates refer to Important Dates in this Class Schedule.

Third week through twelfth week — The student or the instructor may initiate a withdrawal. A “W” shall be recorded on the student’s permanent record. For exact dates refer to Important Dates in this Class Schedule.

Short Courses
Refer to the comment line under the CRN of the class for withdrawal deadline dates. Every effort has been made to ensure the accuracy of these dates; however, they are subject to change without notice in order to comply with State accounting regulations.
Prohibition of Harassment

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment including but not limited to access to its services, classes, and programs in which no person shall be subjected to unlawful harassment and where such environment is free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment. It shall also be free of other unlawful harassment, including but not limited to harassment that is based on: ethnic group identification, national origin, religion, age, sex, gender, gender identification, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics. Students and employees who believe they have been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in Administrative Procedure 3410, Unlawful Discrimination.

The following person is designated by the North Orange County Community College District as the Responsible Officer for receiving and coordinating the investigation of all unlawful harassment complaints, including sexual harassment:

Name: Irma Ramos
Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Student Right to Know Campus Security Act

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the North Orange County Community College District and Cypress College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 2001, all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cypress College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 33% attained a certificate, degree or became “transfer prepared” during a three-year period (fall, 2013, to spring, 2016). Students who are “transfer-prepared” have completed 60 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 15% transferred to another postsecondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate or becoming “transfer prepared” during a five-semester period (spring, 2014 to spring, 2016).

More detailed information related to the reporting of criminal actions which have occurred on campus may be obtained from the President’s Office, Public Safety, Admissions and Records, Financial Aid, Bursar’s Office, Student Activities, Library and the website.

Title IX and Civil Rights Grievances

NON DISCRIMINATION STATEMENT

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment, including but not limited to, access to its services, classes and programs in which no person shall be unlawfully denied equal access to the benefits of, or be unlawfully subjected to discrimination on the basis of gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or as otherwise prohibited by state and federal statutes, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The following person is designated by the North Orange County Community College District as the Responsible Officer/Section 504 and Title IX Coordinator for receiving and coordinating the investigation of all unlawful discrimination complaints filed pursuant to section 59328 of Title 5 of the California Code of Regulations, and for coordinating compliance with section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1992, and response to discrimination complaints related thereto:

Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Students, employees, interns and volunteers who believe they have been subjected to unlawful discrimination, including sexual harassment, or who seek information regarding the District’s Unlawful Discrimination Policy should contact the Office of the Vice Chancellor, Human Resources.

Victims of Sexual Assault

Students who are victims of sexual assault occurring on District property or on an off-campus site or facility maintained by the District, or who seek information or assistance regarding a sexual assault, should contact the campus Director of Health Services at (714) 484-7361 or the Director of Campus Public Safety at (714) 484-7455. Except as may otherwise be required by law, all inquiries will be maintained in confidence. Victims of sexual assault should immediately report the incident to the Campus Safety Department, Cypress Police Department and the campus Title IX officer. The Title IX Officer for the campus is the Executive Vice President of Educational Programs & Support Services (714) 484-7330. The Title IX Officer for the District is the Vice Chancellor of Human Resources (714) 808-4826.

**LEARNING RESOURCE CENTER (LRC)**

Located on the first floor of the Library/Learning Resource Center (LLRC), the Learning Resource Center includes a Computer Commons (open computer lab), a Language Lab (Room 126), the English Success Center (Room 126) and a Math Learning Center (Room 127). FREE tutoring is available for Cypress College students. Tutors in math, sciences, and other subjects are also available. Call (714) 484-7183 or stop in for information.

The Computer Commons provides nearly 100 computers with access to the internet, and Microsoft applications to complete classroom assignments. Power ports and wireless connectivity are provided for students with personal laptop computers or PDAs. Students may print in color or black and white, and a photocopier is also available. The Math/Science Learning Center (Room 127) is staffed by faculty and peer tutors, offering assistance in solving math problems or understanding math concepts. Call (714) 484-7193 for information.

**LIBRARY**

The library (located on the second floor of the Library/Learning Resource Building) maintains a collection of approximately 68,000 books, periodical subscriptions as well as CDs and DVDs. Students may access the internet, the library catalog and the extensive full-text journal and newspaper article databases, such as ProQuest, EBSCOhost, and the TILT academic research program via twenty-four internet stations located in the Reference area. Remote access is available from any internet computer by linking to the library home page and from off-campus with a User ID and password. The library also maintains a textbook reserve collection for students who may need access for a limited time inside the library.

In addition, available resources include individual study spaces, group study rooms, photocopiers, various listening and viewing stations and the ability to text or chat with a reference librarian via a mobile device or the library home page. To contact the library please call (714) 484-7125.

STUDENT EQUITY AND ACHIEVEMENT PROGRAM
The mission of the Student Equity and Achievement Program is to increase student access and success by providing effective core services such as orientation, assessment and placement, counseling, academic advising, and early intervention to foster student success. Effective fall 2014, all new students are required to complete the Assessment process, Orientation, Counseling and have at least a one semester Educational Plan to be eligible for enhanced Registration.

Please call for any additional information (714) 484-7097.

Normal Hours of Operation:
- MON–FRI: 8:00 am–5:00 pm

TRANSFER CENTER
The Transfer Center assists students interested in continuing their education at four-year institutions. Transfer counselors are available to assist students with the transfer process. Students are also offered opportunities to meet with representatives from four-year schools for academic advisement, application workshops, and transfer information fairs. Students can access transfer resources including college catalogs, articulation agreements, reference books, degree major programs, and university admission requirements. The Transfer Center is located on the second floor of the Student Center. Please call for any additional information (714) 484-7129.

Virtual Normal Hours of Operation:

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH REQUIREMENTS

39 Units Required

Student’s Name: ___________________________ ID#: ___________________________ Date: ___________________________

Major: ___________________________ Transfer To: ___________________________ Counselor: ___________________________

Certification of General Education Requirements for CSU: Students planning to graduate from one of the campuses of the California State University must complete a minimum of 45 semester units in General Education breadth courses. Cypress College is permitted to certify completion of the lower division 39-unit general education requirement (a minimum of 9 units of General Education coursework must be completed at the upper division level after transfer). To meet general education requirements and obtain certification, students must complete the pattern of courses in the categories listed. Please see the current catalog for additional information on CSU-GE Partial Certification. Certification is not automatic. Students must apply for GE certification or be pursuing the CSU GE Certificate of Achievement through the Admissions and Records Office by the published deadline during the semester in which requirements will be completed or thereafter. The course must be on the list when it is taken in order to be certified. Students should refer to the legend below or the Cypress College CSU GE-Breadth Certification List on www.assist.org to verify that a course was valid when it was taken. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Check with a counselor and review the university catalog for further clarification.

### AREA 6A – LANGUAGE OTHER THAN ENGLISH (LOTE): UC requirement only

**REQUIREMENT:** Complete one of the following:

1. Complete 2 years of high school course work in a language other than English (in the same language) with a grade of "C" or better.
2. Complete course 102C (100HC) or higher level in a foreign language at Cypress College or equivalent course(s) at another college or university.
3. Completion with "C" or better of 2 years of formal schooling at the fifth grade level or higher at an institution where the language of instruction is not English.
4. Earn the appropriate score on the SAT II Subject Test in languages other than English. See a counselor for score requirements.
5. Earn a score of 3 or higher on the Advanced Placement Language Other than English Test.
6. Earn a score of 5 or higher on the International Baccalaureate Higher Level Exam in a language other than English.
7. Satisfactory completion of an achievement test administered by a community college, university, or college in a language other than English. This test will have to assess the student's proficiency at the level equivalent to two years of high school language.
8. Earn an A, B, C or on Language Other than English "O" level exam.
9. Earn a score of 5, 6, or 7 on Language Other than English International "A" Level Exam.
10. Earn a "C" or better in a Defense Language Institute course.

**Cypress College courses that meet the proficiency level:**

- CHIN 102C, 204C (F20)
- FREN 102C, 203C, 204C
- JAPN 102C, 205C (F05), 204C (F05)
- PORT 102C (S06)
- SPAN 102C (F102C), 201C, 202C, 203C, 204C

**Note:** A higher-level language course can be used to meet language proficiency. Examples: FREN 203C or SPAN 202C. Students completing such courses will satisfy both the 3B Area and validate the proficiency level requirement. These courses are identified in the 3B area as (LOTE).

**CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION, AND AMERICAN IDEALS**

*(Not part of IGETC, may be completed prior to transfer.)* 6 semester units, one course from Group A and one course from Group B)

- **Group A (US-2 & US-3)** U.S. Constitution & Government; California state and local government:
  - POSC 100C (100HC), 101C
- **Group B (US-1)** U.S. History:

CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST
(Education Code section 68130.5, commonly known as AB 540
Effective Jan. 1, 2018)

INSTRUCTIONS
Complete and sign this form to request exemption from nonresident tuition charged to nonresident students. Once determined to be eligible, you will continue to receive the exemption as long as you fulfill eligibility requirements or until the College or University no longer offers this exemption. Applying for this exemption does not alter your responsibility to pay, by the campus deadline, any nonresident tuition and associated fees that may be due before your eligibility is determined.

APPLICATION
Name___________________________ College Student ID: ____________________________

I, the undersigned, am applying for the California Nonresident Tuition Exemption at (specify the College) __________________________ and declare that the following apply to me.

1.) Check one box only:

☐ I have a current nonimmigrant visa (not including a T and U visa) as defined by federal law. 

Nonimmigrants have been admitted to the U.S. on a temporary visa and include, but are not limited to, foreign students (holding F visas) and exchange visitors (holding J visas).

☐ I have a current nonimmigrant T or U visa as defined by federal law.

☐ I do NOT have a current, nonimmigrant visa as defined by federal law.

This includes, among others, U.S. citizens, permanent residents, DACA recipients, and individuals without current or valid immigration status.

2.) Select all items that apply to you from each column (must satisfy at least one from each column to be eligible):

<table>
<thead>
<tr>
<th>Column A</th>
<th>Column B</th>
</tr>
</thead>
<tbody>
<tr>
<td>☐ I have 3 years of attendance at a California high school.</td>
<td>☐ I have graduated or will graduate (before the first term of enrollment at the CCC) with a California high school diploma or the equivalent (i.e., California-issued GED, CHSPE).</td>
</tr>
<tr>
<td>☐ I have 3 or more years of high school coursework and 3 years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.</td>
<td>☐ I completed or will complete (before the first term of enrollment at the CCC) an associate’s degree from a California Community College.</td>
</tr>
<tr>
<td>☐ I attended or attained credits at a combination of California high school, California adult school, and/or California Community College for the equivalent of (3) years or more.*</td>
<td>☐ I completed or will complete (before the first term of enrollment at the CCC) the minimum requirements at a California Community College for transfer to the California State University.</td>
</tr>
</tbody>
</table>

* A year’s equivalence at a California Community College is either a minimum of 24 semester units of credit or 36 quarter units. Only two (2) years of full-time attendance in credit courses at a California Community College will count.

Revised February 26, 2020
toward the three (3) or more years of attendance. For noncredit courses, a year’s attendance is a minimum of 420 class hours per year (a semester is equivalent to a minimum of 210 hours and a quarter is equivalent to a minimum of 140 hours). Full-time attendance at a California adult school is a minimum of 420 hours of attendance for each school year.

Please provide information on the schools you attended and referenced above, including the dates you attended and the number of credits or hours obtained:

Applicants must submit, as part of this form, official transcripts/attendance records that validate any of the information above as requested by the College, District, or University residence official.

**AFFIDAVIT:**
By signing this document below, I hereby state that if I am a non-citizen without a current or valid immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so.

**DECLARATION OF TRUE AND ACCURATE INFORMATION:**
I, the undersigned, declare under penalty of perjury that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the California Nonresident Tuition Exemption. I further understand that if any of the above information is found to be false, I will be liable for payment of all nonresident tuition charges from which I was exempted and may be subject to disciplinary action by the College or University.
