- Cypress College Map .......... Inside Back Cover
Welcome to Cypress College! Whether you are a new or returning student, or even coming back to college after an extended absence, we are delighted you have chosen to take your educational journey with us; we encourage your full participation in all the college has to offer. Although the pandemic has affected our ability to offer services on our campus, all of these services, policies, and resources are still available to you whether on campus or in a virtual format. Our Student Handbook was developed with you, and your needs, in mind.

This handbook is a valuable tool to help you understand a clear path to your educational goals at Cypress College, including how to develop an education plan, find your preferred academic major, detailed transfer policies to four-year colleges and universities, and the many ways to help you reach your future career goals. This handbook is also a resource to help you navigate our policies, procedures, activities, and services, as well as your rights and responsibilities as a student – in other words, everything you need to know as a Cypress College student.

Cypress College is proud to be a Guided Pathways college. This means it is our goal and responsibility to provide you with the tools you need to identify and acquire the knowledge and skills to move ahead in your education, to advance to a better job, or to support your journey of lifelong learning. We want to make navigating college a clear and simple process, so you can concentrate on the important work of achieving your educational goals. Please access our Program Mapper, located on each academic webpage, to guide you in the possible majors and areas of interest, and to provide an outline of the courses you should be taking each semester in order to achieve your degree or certificate.

Cypress College has a vibrant community of faculty, counselors, and staff members committed to your success, and we all believe that the most important part of the college is supporting you in your academic journey. We hope you will take the opportunity to participate in student government, in our performing arts productions, in student clubs, on our athletic teams, and acquire the knowledge and skills to move ahead in your education, and to support your journey of lifelong learning. We want to make navigating college a clear and simple process, so you can concentrate on the important work of achieving your educational goals. Please access our Program Mapper, located on each academic webpage, to guide you in the possible majors and areas of interest, and to provide an outline of the courses you should be taking each semester in order to achieve your degree or certificate.

We hope you take the opportunity as a Cypress College student to participate in the many activities that will support your education. If you have questions that are not addressed by the information contained in this Handbook, please use our college staff as a resource. Our motto is “No Wrong Door”, which means that every door you knock upon – whether virtual or in person – will be opened by a person committed to providing you with the guidance and support you need. Please do not hesitate to contact any college representative, program, or department listed in the directory if the need arises.

Buen Cypress, Chargers! We Take This Journey Together

JoAnna Schilling, Ph.D.
President
Buen Cypress! We Take this Journey Together

Buen Cypress is more than a greeting – it’s a promise that we take this journey together. It means that, as Cypress College employees, we join our students on their educational path. Our success is derived exclusively from the success of our students.

This expression derives from our investment in the Guided Pathways movement. The California Guided Pathways Project asks colleges to look at current processes from students’ perspectives for the purpose of fostering completion in the most-efficient timeline possible. Guided Pathways is built on four pillars:

1) Create clear curricular pathways to employment and further education
2) Help students choose and enter their pathway
3) Help students stay on their path
4) Ensure that learning is happening with intentional outcomes

As Cypress College implements Guided Pathways, this is a term you’ll hear on campus. What it comes down to is that, at Cypress College, We Take this Journey Together.
Mission, Vision, and Values

Mission Statement

Cypress College enriches students’ lives by providing high quality education for transfer to four-year institutions, associate degrees, career technical education, and certificate coursework, as well as basic skills and opportunities for lifelong learning. The college is committed to promoting student learning and success, embracing diversity, and contributing to both the economic and social development of the surrounding community.

Vision

A premier learning community recognized for supporting student success and enriching society.

Values

Excellence - Quality and high standards in instruction and student services, supported by professional growth for faculty and staff.

Integrity - An ethical standard that emphasizes honesty, fairness, accountability, and trust.

Collegiality - An environment that emphasizes teamwork, collaboration, communication, courtesy and respect both on campus and with the surrounding community.

Inclusiveness - A community that embraces diverse individuals, provides an accessible, supportive climate and encourages a variety of perspectives and opinions.
Academic Pathways

Guided Pathways is an intentional, holistic, student-centered approach ensuring students have the tools, guidance, and support to complete their academic goals. Think of it as a GPS for students—there are many ways to get to the same goal, but our responsibility is to provide a guided approach to ensuring the goal is achieved. We do this by setting up Academic Pathways for our students.

Cypress College now uses division nomenclatures to help students determine their area of interest. Fine Arts; Social Sciences; Science, Engineering, & Math (SEM); Business and Computer Information Systems; Career Technical Education (CTE);

<table>
<thead>
<tr>
<th>Business &amp; Computer Information Systems</th>
<th>Fine &amp; Performing Arts</th>
</tr>

<tbody>
<tr>
<td>The Business and Computer Information Systems (BCIS) Division prides itself in delivering academic preparation and practical experience in preparing students for transfer to four-year colleges and universities as well as preparing students for careers. Our instructors will work with you to prepare your transfer with our Associate of Science Transfer Business Administration Degree to any business major at a California State University. Our instructors can also help you advance in your career by helping you earn a vocational certificate. Many career building certificates are available.</td>
<td>The academic departments and programs in the Fine Arts Division are designed to encourage students to explore the creative possibilities and gain understanding of the process in creating art in an environment that challenges the intellect and the imagination. The Fine Arts Division at Cypress College cultivates relationships with the total community.</td>

Whether you are a high school student thinking about a technical career, a transfer student seeking to complete your undergraduate degree in one of our technical disciplines, an adult re-entry student seeking to build your skills or career, or an individual seeking personal growth and development, we have a program to fit your needs.</td>
<td>The Health Science Division is comprised of eight major health programs leading to certification and/or licensure. The health careers at Cypress College provide for quality care of an individual from birth to death. Health careers are exciting, dynamic and growing professions, with employment opportunities expected to continue in high demand for many years to come. As technology advances, it is expected new programs will be added to the existing program options. Health career programs include occupations that involve either direct patient care, or indirect patient care.</td>

What’s Your +1?
Save thousands and get a better education by spending your first two years at Cypress College then transfer to a tier 1 college or university. See why we’re #CYProud

Cypress + You
Each year, hundreds of students transfer from Cypress College to their dream schools. Why settle for second best when you can save thousands, get a quality education, and move on to a tier-1 college or university by completing your first two years at Cypress?

Anh Nguyen
2020 Library/Learning Resource Center Presidential Scholar of Distinction

Anh was a liberal arts major and was selected as the Presidential Scholar of Distinction for the Library/Learning Resource Center at Cypress College. She immigrated to the U.S. five years ago and originally chose to attend Cypress College to improve her English skills in the English as a Second Language Program. She soon realized that pursuing higher education would be the most effective way to be successful in America.

At Cypress College, Anh has been involved in the EOPS Program and has worked at the Math Learning Center as a statistics tutor. She enjoys helping others and cares about other people, so she plans to pursue registered nursing “so that I can contribute my work to improve [people’s] health and help more people.”

Following her graduation, Anh is continuing her studies at Cypress College in the Registered Nursing Program. After completing the program, she plans to find a job in healthcare and continue to pursue education by earning bachelor’s and master’s degrees in nursing. “Being a part of the Cypress College family has helped me become more confident in myself to pursue one of the most competitive majors in the U.S.: Registered Nurse,” she said.

Nate Garcia
2020 Language Arts Presidential Scholar of Distinction

Nate was a communication studies major and was selected as the Presidential Scholar of Distinction for the Language Arts Division at Cypress College. Growing up, he had a number of interests and passions: to be an animator; to be like his MRI technician dad; and to turn his politics and government interest into becoming a lawyer. He was a good student throughout high school, yet, Nate admits, “I still wrestled with confidence issues about my academics and who I was as an individual.”

He chose to attend Cypress College while he figured out what he wanted to do. “Once I got to Cypress and took a few classes I realized I was right where I was supposed to be,” he said. “At Cypress, my love for politics, debate, and art collided when I took my first communications class.” Nate developed a passion for rhetoric and critical thinking, something that was further galvanized when he joined the college’s speech and debate team. There, he grew his confidence and found a support system in his team.

Nate transferred to Cal State Fullerton after graduation to complete a bachelor’s degree in communications. After that, he hopes to attend UCLA to pursue a master’s degree in communication as well as a juris doctor degree. Ultimately, he aspires to become a communications professor and lawyer.

“I know a lot of work lies ahead of me, but every time I think I’ve reached my full potential, there has been someone there showing me that I can do even more,” he said.

## Verify Residency Status for Tuition Purposes
California Resident: Verification of residence status may be required.
See link for residency classification:
(http://www.cypresscollege.edu/admissions/admissionsAndRecords/residency.aspx)

### California Resident
Verification of residence status may be required. Generally California residence is established by one of the following:

<table>
<thead>
<tr>
<th>Conditions</th>
<th>Non-California Resident</th>
<th>Exceptions authorized by the State of California</th>
</tr>
</thead>
<tbody>
<tr>
<td>If the applicant is under the age of 18, his or her parents must have had legal residence within the State of California for 12 consecutive months preceding the day before the first day of the semester.</td>
<td>Minors (under 18 years of age and not married) will be required to pay the non-resident tuition fee if their parents or legal guardians reside outside the state even though such minors may have lived in the State of California for one year or more.</td>
<td>Active military personnel are exempt from non-resident tuition fees provided they are in California for a purpose other than attending a state-supported institution of higher learning.</td>
</tr>
<tr>
<td>If the applicant is 18 but not yet 19 years of age, the applicant and the applicant's parents must have had legal residence within the State of California for 12 consecutive months preceding the day before the first day of the semester.</td>
<td>Students who are financially dependent on their parents or legal guardians will be required to pay non-resident tuition if their parents or legal guardians reside outside the state even though such students may have lived in the State of California for one year or more.</td>
<td>Dependents of military personnel stationed on active duty in California are given a waiver of non-resident fees.</td>
</tr>
<tr>
<td>If the applicant is 19 years of age or older, the applicant must have had legal residence within the State of California for 12 consecutive months preceding the day before the first day of the semester. If the applicant’s parents or legal guardian’s reside out-of-state, the student must be financially independent (see Non-California Residents #2).</td>
<td>Students holding visas that preclude them from establishing residency in California may be restricted in their enrollment and will have to pay non-resident tuition. In addition, students with visas who are citizens of another country are required to pay an additional per unit capital outlay fee. See the class schedule for the amount of the fee.</td>
<td>Non-resident students who have completed three years of high school in California and graduated in California (or equivalency) may qualify for a waiver of non-resident fees by filing an affidavit with a copy of their unofficial transcripts to the Admissions and Records Office, AB540 California Nonresident Tuition Exemption Request.</td>
</tr>
<tr>
<td>A non-citizen holding a visa that does not preclude the student from establishing residency in California must have legal residence in California for 12 consecutive months preceding the day before the first day of the semester.</td>

CYPRESS COLLEGE
FINANCIAL AID APPLICATION PROCESS

STEP 1: APPLY FOR ADMISSION TO CYPRESS COLLEGE STARTING MARCH 1

Complete the application for admission to Cypress College online by visiting cypresscollege.edu and clicking the “Apply Now” link at the top of our homepage. Once your application is complete, you will receive an email notification that will provide you with a Student ID Number and password to the myGateway online student portal to handle all your registration and enrollment needs.

STEP 2: APPLY FOR FEDERAL & STATE AID OCTOBER 1ST - MARCH 2ND*

To ensure timely delivery of financial aid, create an FSA ID prior to applying for federal financial aid at fsaid.ed.gov. Your FSA ID may be used to file your Free Application for Federal Student Aid (FAFSA), make corrections to your Student Aid Report (SAR), and monitor federal loans you receive while pursuing your higher education.

**Complete the FAFSA or the California Dream Act Application.** The U.S. Department of Education recommends that you file online atfafsa.gov or the Dream Act Application at caldreamact.org. Be sure to add Cypress College to your list of schools on the application so that we can receive your application. Our school code is 001193.

Note: students who qualify for the California College Promise Grant (CCPG) - formerly known as the Board of Governors Fee Waiver (BOG) - will have their enrollment fees waived while attending Cypress College. It is possible to apply separately for the CCPG, however it should only be done if you will not be completing a FAFSA / Dream Act Application or if you only wish to receive CCPG. The application process is different at each college. At Cypress College you may apply through your myGateway account.

**Complete and mail a Cal Grant GPA Verification Form if you are a first-time applicant.** Some high schools and colleges automatically submit their students’ verified grade point averages (GPA); some do not. Please speak with your High School Counselor or current college’s Financial Aid Office to determine if a GPA Verification Form is needed. The forms must be submitted to the California Student Aid Commission (CSAC) prior to March 2nd.

Cypress College automatically submits GPAs after completion of 16 units at Cypress.

*March 2nd is the date the State of California uses to establish priority for financial aid purposes. You can still apply after March 2nd, however some financial aid programs are “first-come, first-served.”

STEP 3: COMPLETE INCOME VERIFICATION (IF SELECTED)

The Cypress College Financial Aid Office will notify you via email if your file has been selected for verification. Verification is a process mandated by the U.S. Department of Education, requiring that the student submit documentation to the financial aid office to verify eligibility. Please make sure all documents are completed as instructed. Missing signatures or incomplete responses will cause delays in completing your file.

STEP 4: ESTABLISHING FINANCIAL AID ELIGIBILITY AND AWARDS

Students are notified via email and myGateway about any forms required to complete a financial aid file for the academic year. Students will be notified via email once their file has been completed and they may view their financial aid award information in myGateway. It is the student’s responsibility to regularly check myGateway for updates and action requested by the Financial Aid Office.

Cal Grant Funding is limited to four academic years, except for a student enrolled in an institutionally prescribed five-year undergraduate program. In order to graduate in 4 years, you must complete 15 units or more per semester or the equivalent quarter units. Create a plan with your academic counselor to ensure you will graduate in four years.
Cost of Attendance Comparison Worksheet 2021-2022 Academic Year

The actual cost of attendance (COA) is unique for each student at each school. While some expenses are fixed (like tuition and fees), others are influenced and controlled by the student’s lifestyle (like housing and personal expenses). When considering the award package from a particular school, or in comparing packages from multiple schools, you can use this worksheet to compare your cost expectations to each school’s estimated total COA. The goal of this comparison is to better decide if the resulting difference is realistically manageable given the resources available to your family and the aid being offered by each school.

1 Add the mandatory $350 USC orientation fee if you are a first semester student.
2 CA Residents pay $46 per unit. Board of Governor’s Fee Waiver available to waive fee (complete a FAFSA or apply in myGateway)
3 Projected cost assumes that the student lives at home. Room/Board for students not living at home is approximately $12,492.
4 Includes the mandatory $2,265 Health Insurance Fee. All figures are estimates as of March 7, 2016 and are subject to increase.
5 See USC website for current information since fees are subject to change.

Strategies & Skills for Success

Test-Taking Strategies

Preparing for the exam
- Ask your instructor if the exam will consist of multiple choice, true/false, essay or a combination of questions.
- Find out whether the exam will cover all (comprehensive) or part of the course. Will it be based on textbook, lectures, or both? How long will it last, and how will it be graded?
- Know the vocabulary or key terms
- Review at least a week prior to the exam date
- Rewrite or retype your notes
- Use note cards to assist with materials or vocabulary you need to memorize
- Read your notes aloud
- Participate in a study group or study with a classmate

Taking the exam
- Get plenty of rest the night before
- Go to class a few minutes early. Avoid feeling rushed or stressed
- Relax by slowing inhaling and exhaling
- Carefully read and follow the directions, and then skim the entire test
- Notice the number of points assigned to each question, then plan your time accordingly
- Ignore other students
- If you read a question you do not think you know or can't remember, move on and come back to it if you have time
- Ask the instructor whether there is a penalty for guessing
- Review your answers before handing in the test when time permits

Objective Tests
- Notice words like “always”, “never”, “seldom”, and “usually”, to help guide you to the correct answer
- Change your answer only if you have reason to do so; research indicates most first choices are correct
- Underline the subject and verb to help you
- Notice whether the grammar is appropriate from the question to the possible answers

True/False Tests
- If there is more than one fact to the statement, check each part. If one part is false, the statement is probably false unless there is a qualifying word such as “usually” or “sometimes”
- When the statement is given negatively, state the item without the “no” or “not” and see if it is true or false. If the statement now reads “true”, mark it false
- Words like “always” and “never” are absolutes, and true absolutes are rare

Essay Tests
- Analyze the question and divide it into main parts and subparts
- Make an attempt to answer all questions by telling the instructor what you know, and answer as specifically as possible
- Notice words like “evaluate”, “describe”, “compare”, and do what is asked of you
- Before you write, think about your thesis, supporting material, transitional words or phrases, and a summary. Prepare an outline if the instructor permits one
- Watch spelling, grammar, and punctuation

Whether you think you can, or you think you can’t--you’re right.

-Henry Ford
Good Study Habits

**Schedule Time** to do your schoolwork as you would for any important activity.

**Find an Effective Place** to study such as the library, student/tutorial centers on campus, or in a private room.

**Keep a List** of specific “things to do.” List what you need to do short-term to prepare for long-term projects. Keep a list of all your assignment due dates.

**Learn Techniques** that are most effective for you. Listen, read, take notes, and participate in class activities and discussions.

**Read Actively** by looking for specific information that will help you understand the material. Selectively highlight your text and use a dictionary or other outside materials when needed.

**Be neat and complete** Follow directions and hand your assignments in on time.

**Review** class materials by underlining, highlighting, outlining, or writing a summary of your notes. Read or recall information aloud.

**Meet With Your Instructors** during their office hours or call and leave them a message if you are having problems with a class assignment.

**Take Advantage of the Learning Centers** on campus when you need tutoring.

**Find a Study Partner** or ask several students in class if they are interested in forming a study group.

**Pay Attention to Lecture Clues**, what the instructor writes on the board, shows on overheads, repeats, or gives extra time to.

**Position Yourself** in class where you are most likely to stay awake, pay attention, and hear and see the material most clearly.

Strategies & Skills for Success

Time Management Techniques

What is a college unit?
- A college unit is a term used to define the number of hours per week you will spend in a given class.
- A one-unit class typically requires one hour of instruction or class time per week for the entire length of the semester.
- Lab units are determined differently. (Refer to Schedule of Classes)

How many units should I take?
- When deciding how many units to take, it is important to plan time for reading, studying, and preparing for exams, as well as for time you spend in class.
- The recommended formula is at least 2 hours of study and preparation for every unit of class time.

Example:
Twelve (12) classroom units = 12 hours in class per week
Recommended study time outside of class = 24 hours per week (12x2=24)
Total time needed for 12 units = 36 hours per week

What if I’m working?
- For students who are working, a guideline for the number of semester units recommended for the number of working hours per week is given below:

<table>
<thead>
<tr>
<th>If you work</th>
<th>Take approximately</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 hours</td>
<td>12 + units</td>
</tr>
<tr>
<td>20 hours</td>
<td>6 - 12 units</td>
</tr>
<tr>
<td>40 hours</td>
<td>1 - 6 units</td>
</tr>
</tbody>
</table>

Other Considerations:
- Design a plan each semester that meets your personal needs.
- When planning your week, include class time, study time, work time (if applicable), travel time, family obligations, and personal needs such as sleeping, eating, and grooming.
- Prioritize what you need to do and when. What is most important?
- Learn to say no, or not now, to friends and family who constantly and needlessly impose upon you and interfere with your educational responsibilities.
- Monitor and limit the amount of time you spend watching television, in chat rooms, playing video games, going window shopping, etc.
- Prevent problems from occurring. Take care of yourself physically, emotionally, spiritually, and cognitively.
- Build relationships, and reward your successes.

“Either you run the day, or the day runs you.”

-Jim Rohn
Where does all your time go?
The first step in improving your time management skills is knowing how you spend your time now.

How do you improve your time management skills?
The first step is to become aware of how you usually spend your time.

- Learn to organize your time by:
  - using a planning guide such as this one
  - dividing large tasks into several smaller parts
  - completing one part at a time
  - focusing on your specific goal.

- Control interruptions since these unexpected situations can take away a large percentage of your time. Some common interruptions are:
  - drop-in visitors
  - noise
  - telephone calls
  - distractions you create to avoid doing a task.

- You can learn to control interruptions by:
  - using a quiet place to study or do work.
  - learning to say “no” to others.
  - scheduling social or free time.
  - controlling distractions in your home or work area.
  - taking care of your basic needs.

Other Tips
There are many methods you can practice in your daily life to make the most of your time. Some of these are:

1. Make use of your wait time.
2. Don’t wait to do things until the last minute because it will decrease your ability to do things well.
3. Do hard or least-liked tasks or activities first.
4. Don’t feel everything you do has to be perfect.
5. Don’t overcommit yourself. Make yourself responsible to only those activities you can manage in the time you have.
6. Be realistic in your expectations of yourself, rather than becoming “superman” or “superwoman.”
7. Plan creative time. Schedule time each day to do things that make you feel good or help you clear your mind.
8. Take care of yourself by eating a healthy diet and by exercising regularly.
9. Learn to ask others for help when you have too many things going on.

Identify how you allocate your time.
Make a pie graph of how you use your time.
List daily activities and the approximate number of hours each activity takes. Shade in the number of hours for each activity in the 24-hour pie chart below.

English Placement Procedures – New & returning students can complete the English assessment process by completing the Guided Self Placement: https://bit.ly/2VAnscJ or by meeting with a counselor to review all transcripts and test scores.

ESL Placement Procedures – The Combined English Language Skills Assessment (CELSA) Test will assess the English skills of non-native speakers of English, and it is required for proper placement in Cypress College English as a Second Language (ESL) courses. Students with appropriate scores on the CELSA will be advised to take ESL 110 C or ENGL 100 C (College Writing).
- All students are encouraged to complete their ESL coursework as soon as possible in their college program, and once enrolled, students must earn at least a “C” to be eligible to take the next level ESL course.
- Students enrolled in core classes will write an essay on the first day of instruction as a multiple measure; a new student may use this writing diagnostic as a prerequisite challenge in order to begin in a higher-level course if appropriate.

Cypress College is committed to enhancing the student experience by providing opportunities for students to access counseling services from virtually anywhere. Through Cranium Café, students can meet with counselors face-to-face for a 30 minute counseling appointment. This online platform allows students to complete all services available in a traditional in-person counseling session such as:

- Educational Planning
- Career/Goal Setting
- Degree/Transfer Requirements
- Review Transcripts
- Progress Check

Career Development Process

The Career Development Process is the active, continuous, and lifelong cycle of obtaining, processing, and understanding information about one’s self, educational and career options, life styles, and how these relate to the world of work. It consists of five stages to help provide an organized way to develop clarity, confidence, and excitement.

Stage 1: Learn About Yourself
Find out who you are and what you want
Valid and reliable Career Assessments are tools to help you identify your Values, Interests, Personality, Skills, Strengths, Work Preferences, and Leisure Interests.

Stage 2: Explore Your Major & Career Options
Find out more about the world of work and your educational path
Match your strengths to possible careers by exploring the Nature of Work, Training or Education Required, Salary Range, and Job Outlook.

Stage 3: Make Decisions & Set Your Goals
Analyze occupational, academic and career information
Incorporate information gathered in Stages 1 and 2, and consider all of the facts about the occupations to determine what you would like to pursue. Establish short- and long-term plans to achieve your goals.

Stage 4: Plan Your Education
Plan your path to compete in the workplace of tomorrow
Discover what, where, and how to acquire the training and education needed to develop the skills for your career choice. Establish a Student Education Plan (SEP) to guide you on your path toward your career.

Stage 5: Prepare for Your Career
Utilize your Strengths and enhance your employability potential
Research companies, build your résumé, develop networking skills, define your personal brand, and practice your interviewing techniques.

## Introduction to Career Research

Name: _______________________________  
Student ID: _______________________________  
Instructor: _______________________________  
Class Day/Time: _______________________________

**Please carefully follow your instructor’s directions for completing this project**

1. List 1-2 careers/occupations you are considering or would like to learn more about.

Research one of the careers/occupations you have selected by using a Career Planning Center resource: **Choices360**, **Eureka**, **Career Cruising**, and **Kuder Journey**.

2. What does the person do? List at least five (5) duties or nature of work.

3. What is the work environment like? List at least three (3) working conditions or physical demands in this job.

4. What skills, personal characteristics, abilities, interests, or values do you need in this job? List at least five (5).

5. What education or training is required? (Degree, Certificate, license, years of experience).

6. What schools/colleges offer the program or training? List at least two (2).

7. What classes or subjects could you take to prepare for this career/occupation?

8. What is the earning potential for this career/occupation? Include entry, median, and top pay ranges.

9. What is the employment outlook for this career/occupation?

Now that you have learned more about this career/occupation ask yourself these questions:

10. Would I like to do the duties required for this career or occupation? Why or why not?

11. Would the job allow me to do things that are important to me?

12. Do I currently have the necessary skills and abilities?

13. Could I successfully complete the education and training?

Counseling Services (Academic)

Express Counseling is available for general questions and answers related to: first semester educational planning, pre-requisite clearances, and getting started in college. Students are served on a first-come, first-served drop-in basis, generally lasting no longer than 15 minutes. Express counseling is located on the second floor of the Student Center virtually at: https://cypress.craniumcafe.com/group/express-counseling-4/lobby. Students can also email their questions to Express Counseling at ExpressCounseling@cypresscollege.edu.

Listed below are different academic counseling services available to students.

1) Express Counseling

Express Counseling is available on the 2nd floor of the Student Center for general questions and answers, pre-requisite clearance and getting started in college. Students are served on a first-come, first-served walk-in basis, generally lasting no longer than 10 minutes. Students may email their questions to Express Counseling at ExpressCounseling@cypresscollege.edu.

2) Walk-in Major Counseling

Walk-in counseling is available on Mondays during the fall and spring semesters in each of the division offices where counselors are located (refer to page 30-32; 74 for major counselor locations). Walk-in counseling is designed for students who are not able to make appointments or individuals who are not yet students at Cypress College.

3) Registration Counseling

During the summer all of the counselors work in the Express Counseling Center in aiding new and returning students with registration assistance. Students are served on a first-come, first-served walk-in basis.

4) Appointments

Major counselors are specialists in the academic and vocational area to which they are assigned and are located in their division offices in each academic building on campus during the fall and spring semesters (please refer to pages 65–68 for a list of counselors assigned to majors). Appointments to meet with a counselor by major are made through the Express Counseling Center at (714) 484-7015.

5) On-line Video

Students can talk face-to-face with a counselor by using the Cranium Café link found in MyGateway. Appointments are made through the Express Counseling Center at (714)-484-7015.

6) E-mail

Students can contact a counselor via their individual e-mail listed on the next page. An online counselor is available via e-mail at onlinecounselor@cypresscollege.edu.

At Cypress College, students can complete most of their general education and lower division major requirements before transferring.

Each student is advised to enroll in Counseling 140 C, Educational Planning, and follow up with a counselor to carefully review their Student Educational Plan (SEP). The SEP is a guide to assist students in identifying and understanding the courses they need in order to transfer or to complete their specific educational goal.

Selecting a Major
Many students who come to Cypress College are undeclared and still exploring their major and therefore considered undecided/undeclared. These students are strongly advised to enroll in one of the following career classes: COUN 139 C, 145 C, or 151 C. Career counselors are also available by appointment in the Career Planning Center to assist students with discovering individual personality traits, interests, values, skills and abilities in the process of finding a satisfying college major to lead to a fulfilling career.

Most students can begin working on general education requirements, without a major since they apply to most educational plans. Students may also select a course in a subject area that interests them and try it out. Once a major has been declared or when students change their majors, they are advised to schedule an appointment with their academic counselor to review and update their Student Educational Plans.

Selecting a Transfer Institution
Selecting a college or university for transfer takes time and advanced planning. It is strongly recommended that students planning to transfer work closely with their counselors in exploring and evaluating transfer options. Transfer workshops, university campus tours, and appointments with university representatives are some of the services available through the Cypress College Transfer Center. It is advisable to review a college catalog for the university to which you plan to transfer; and also be aware of dates for submitting applications and financial aid papers. Many university catalogs are available online at the university website.

Students are advised to check with their counselor regarding certification of general education and transfer admission agreements with selected transfer institutions. Certification of general education is not automatic. An application must be submitted to Cypress College Admissions and Records Office prior to transfer. Students are encouraged to schedule an appointment with their counselor or attend an application workshop to assist them in completing their application. However, it is the student’s responsibility to know and meet deadlines.

Transferability of Courses
Students can generally transfer a maximum of 70 units. Cypress College courses that are numbered 100 C and above are transferable to CSU campuses either as general education, lower division major preparation, or elective coursework. However, not all courses numbered 100 C or above are transferable to UC campuses or to private colleges or universities. It is important to work with a counselor to ensure that courses are transferable to the campus students plan to attend and to ensure that they meet the requirements students need to fulfill.

Articulation agreements will assist students in determining the transferability of courses. www.assist.org is the official source for California articulation and student transfer information between community colleges and UCs and CSUs.
General Transfer Information

California State University (CSU)
Applicants in particular majors may need to meet certain departmental admission requirements such as specific general education courses and/or a higher grade point average in addition to major preparation requirements. Most CSU campuses will not admit transfer students who have fewer than 60 transferable units completed. In addition, students are strongly advised to complete English, speech, critical thinking, mathematics general education requirements as early as possible prior to transfer.

Information regarding any CSU campus can be found through on-line at www.calstate.edu or www2.calstate.edu.

University of California (UC)
The University of California has 10 campuses located throughout the state. Each campus within the system has its own unique geographic and academic character. Bachelor's (with the exception of UC San Francisco), master's, and doctoral degrees are offered in a variety of subject areas. Generally, the UC system will accept a minimum of 60 and a maximum of 70 units of UC transferable coursework from Cypress College.

Prospective UC transfer students are advised to consult with their counselor regarding UC admission. Applicants in particular majors may need to meet certain departmental admission requirements for selective or impacted majors such as specific general education courses and/or a higher grade point average in addition to major preparation requirements.

Information regarding any UC campus can be found on-line at admission.universityofcalifornia.edu/transfer/index.html.

Independent Colleges and Universities
In addition to the state-supported UC's and CSU's, there are many outstanding independent institutions in California. Each of these institutions has unique requirements for admission. In order to determine eligibility, students should check the school website and consult with their counselor. This also applies to students who plan to transfer to institutions outside of California.

Although admission requirements vary and are listed in the colleges and universities catalogs and on their websites, students who transfer to independent institutions are generally given credit for most, if not all of their community college courses designed for transfer.

Information about institutions that are accredited by the Western Association of School and Colleges (WASC) can be found through the Internet at www.wascweb.org. Students may also consult with their Counselor.

California Community Colleges
There are 115 community colleges located throughout California. Each campus offers various courses for personal and professional growth, vocational certificates, associate degrees, and lower division transfer courses/programs. Information about each of the community college campuses in California can be found on-line at www.cccco.edu.

Articulation Agreements
Articulation agreements define how courses will transfer from one institution to another. Cypress College maintains major and/or course-to-course articulation agreements with most public universities and many independent colleges and universities in the state of California. The agreements with the public institutions are listed on www.assist.org which is the official repository for articulation in the state. Many independent institutions have articulation information available on their websites. Students should see their counselor, log on to www.assist.org, or visit the Transfer Center for additional information.

What is DSS?
Cypress College’s Disability Support Services Program is proud to provide services to eligible students. Our services are individualized to meet each student’s needs based on their disability.

All DSS students are eligible for the following:
• Academic, vocational, and personal counseling
• Assistance connecting with other programs and resources
• Enrollment in special courses
• Use of the High Tech Computer Lab

Additional services available on an individual basis:
• Adaptive equipment
• Alternate media
• Assistive listening device loan
• Audio recorder loan
• Learning disability assessment
• Note-taking assistance
• Priority registration
• Referral to additional resources
• Sign language interpreting
• Test accommodations

How to Apply
Step 1: Cypress College Application
Apply online at cypresscollege.edu. Select the appropriate semester (complete the form as if you have already graduated high school). You will be assigned a student identification number. Keep this with you at all times.

Step 2: DSS-Required Paperwork and Transcripts
Have your documentation of disability ready, which may include, but is not limited to, your most recent IEP and Psychological Report; medical verification from a doctor, audiology report, etc. Also, please prepare your transcripts from previous colleges or high school attended.

Step 3: Apply for DSS Services
Visit the DSS website at dss.cypresscollege.edu and click on “Apply to DSS”. Sign in using your myGateway ID and password. Complete all sections, then scan and upload your disability documentation and transcripts. After submitting the form, you will receive an email from DSS staff within 3-4 days asking you to call DSS to schedule an appointment.

Step 4: Counseling/Orientation
During your meeting with our academic counselors, you will discuss placement testing results, DSS services, class scheduling and your academic and vocational goals.

Step 5: Financial Aid
The fee waiver (BOGW) form may be obtained online at cccapply.org/BOG_Waiver. Federal financial aid (FAFSA) is available online at fafsa.ed.gov. For current financial aid information, call (714) 484-7114.

Step 6: Registration
Register for classes online through myGateway: mg.nocccd.edu. Fees must be paid within 72 hours of registration.

Learning Disability Assessment
Students who are having academic difficulties and believe they may have a learning disability may request a learning disability (LD) screening. The DSS LD Specialist screens students to determine if they should be further assessed for presence of a learning disability or given appropriate referrals. If testing is recommended by the LD specialist, students are scheduled for a series of appointments where they are administered standardized tests of aptitude and achievement. Testing results may determine eligibility for DSS services.

Use the resources in the Transfer Center located in Student Center, and complete the information below to assist you in understanding and completing the “major” courses on your Student Educational Plan (SEP).

1. My major is ____________________________.
Students who have not yet declared a major are encouraged to enroll in COUN 139 C, 145 C, or 151 C and/or make an appointment with a career counselor in the Career Planning Center located in Student Center, 2nd Floor.

2. Identify and list two or more California colleges/universities that offer your major program. When deciding between campuses, read about the admission requirements for transfer students, as well as the preparation for your major area.

**NOTE:** If you do not plan to transfer to a California college/university, it is recommended you seek advisement from your Cypress College counselor and from the transfer institution.

After researching, select one college/university where you plan to transfer. Using that college/university online catalog, find the lower division/core requirements for your major, and then list their course number, prefix, and course title on the left side of the table below.

**Example:** ACCT 201 A – Financial Accounting.

On the right side of the table use the [www.assist.org](http://www.assist.org) to identify which courses for your major are articulated (equivalent) with Cypress College courses.

**NOTE:** Some college/university courses for some majors may not have articulation agreements with Cypress College, and not all information for UC’s and CSU’s are currently listed on ASSIST.

Campus security staff are certified in emergency first aid and CPR. Red security phones are available in several locations around campus for emergency assistance. Security documents campus incident reports and holds lost and found articles. The campus maintains security 24 hours daily.

Parking
Use of Cypress College’s general parking lots requires a parking fee. In lieu of a physical parking permit, the College uses a virtual parking system. Physical parking passes are no longer issued to students or visitors. Students are able to register their vehicle(s) online via myGateway once all registration fees, including parking, are paid in full. Visitors may purchase virtual permits online via the campus website. After purchasing a parking permit, students must register their vehicle license plate to activate the virtual parking permit. Visitors purchasing a virtual parking permit via the campus website will be prompted for vehicle information prior to final purchase. Please note: Your registered license plate is your Virtual Parking Permit.

Students that purchase their semester virtual parking permit may change vehicles anytime online using the “Cypress Parking System” link via their myGateway account. Returning students MUST renew their virtual parking permit for the new semester. Day-use vehicle registration and purchase is also available at kiosks on campus. Successful payment and registration of a vehicle license plate authorizes students and visitors to use any of the seven lots open to student designated parking stalls, as well as designated spots on Circle Drive. Cypress College students that have semester-length parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information.
Parking Permit Fees:
No fees for fall 2021 semester

Parking Enforcement and Appeals - All campus parking regulations are enforced by the Cypress College Campus Safety Department. All traffic regulations are enforced by the Cypress Police Department. Parking is strictly enforced and there is a one-week grace period at the beginning of the Fall and Spring semesters in order for students to obtain permits. Failure to display a parking permit will result in a parking citation issued by Campus Safety. Please contact Campus Safety regarding the appeal process by calling or visiting the Campus Safety website.

Associated Students

Faculty Advisor: Dave Okawa
Location: Student Activities Office (SAC 8), Bldg. 8
Phone: (714) 484-7198

The Associated Students (AS) provide learning, leadership and service opportunities outside the classroom. They are supervised and advised by the Student Activities Advisor. The AS Council is comprised of eleven executive board positions, up to fifteen senator positions, and fifteen activities coordinators programmer positions. Their offices are located in the Student Activities Center and they conduct their business meetings once a week in the SAC Conference Room. Associated Student leaders facilitate participation in the shared governance process on campus by their service on campus committees. Associated Students sponsor many events/activities on campus throughout the school year.

Campus Clubs

Students are encouraged to broaden their horizons by participating in club activities at Cypress College. Clubs are organized to involve the student in specialized fields of interest or service to the college and community. The clubs and organizations at the college can be listed in four categories: academic achievement, cultural, special interest, and religious. The meeting times for all clubs can be obtained from the Office of Student Activities in the Student Center. If there are no clubs that fit the student’s interest, they are more than welcome to start their own club.

Academic Achievement Clubs

The Honors Club is the college’s academic club. Their main goal is to increase and promote academic excellence among students. The club provides service to the school and hold fund-raising activities to earn money for scholarships. The Honors Club is the support club for the Cypress Honors Program.

Cultural Clubs

Cultural clubs provide students with an opportunity to experience other cultures as well as to meet students with similar backgrounds. In addition, they provide a link to the political and social events shaping the world of today.

Interest Clubs

Interest clubs provide a place or event for students to share a common interest or a chance to experience something new.

Religious Clubs

Religious clubs promote a particular religion as well as provide a place for students to come together in their faith.

INTER-CLUB COUNCIL (ICC)

The Inter-Club Council (ICC) is financed by the Associated Students of Cypress College and its chair is an elected, voting member of the Associated Student Council. The Inter-Club Council is composed of a representative from each of the recognized clubs on campus. Its function is to coordinate the activities of the various clubs and to provide an organized channel for club support of, or participation in, major campus events. For information regarding current clubs on campus, and/or the forming of new clubs, please stop by the Student Activities Center.

INTERCOLLEGIATE ATHLETIC PROGRAM

The Cypress College Chargers are members of the Orange Empire Conference composed of Cypress, Fullerton, Golden West, Irvine Valley, Orange Coast, Norco, Riverside, Saddleback, Santa Ana, and Santiago Canyon Community Colleges. The Chargers compete in conference competition in the following men’s sports: baseball, basketball, golf, soccer, swimming, diving and tennis. Women’s intercollegiate sports include: basketball, soccer, softball, swimming, diving, tennis, volleyball and water polo. Cypress students may participate in football, cross-country, track and men’s water polo at Fullerton College.
Student Life and Development

STUDENT ACTIVITIES CENTER

The Student Activities Center, housed in a recently renovated building, is charged with providing an element of students’ lives that co-exists with their academic endeavors. The building offers students a small computer lab, small student lounge, game room, conference room, Associated Students executive office areas, and a general work area for student club projects.

Activities include campus clubs, concerts, special interest programming, community awareness and involvement, club rush, Senior Day, World Fest, and Welcome Back Week. The Associated Students Council participates on Campus and District Shared Governance committees to represent student interests.

The Student Activities Program at Cypress College is intended to achieve the following objectives:

- to provide opportunities for students in shared governance activities;
- to provide students with the opportunity to create and administer their own organizations;
- to provide a leadership development program for credit that will help students learn the practical application of leadership and organizational theory.

Hours: 8:00am– 6:00pm Monday & Thursday
8:00am– 7:00pm Tuesday & Wednesday
8:00am– 4:00pm Friday

STUDENT GOVERNMENT

For information, contact the Associated Students at (714) 484-7198.

Cypress College is committed to student government with the following objectives:

- promoting cultural, educational and social events
- enhancing and supporting class instruction
- recognizing student government as an integral part in the shared governance structure of the college
- facilitating participation in the college community

The governing body of the Associated Students of Cypress College is the A.S. Council, which consists of the Executive Board, the Student Senator, and the Activities Coordinators. Elections for officers on these boards are held during the Spring and Fall semesters. The Student Activities Center houses the A.S. Council. Meetings of the Council are held on Mondays at 11:30 a.m. and are open to anyone who would like to attend.

The A.S. Council plans, organizes, promotes and finances many activities for the campus. A.S. Council officers serve on campus committees and participate in the California State Student Senate to represent student interests concerning campus, district, and statewide decisions affecting community college students. Campus clubs are part of Inter-Club Council (ICC) which is administered by the A.S. Council.

A Quote for Thought
“Twenty years from now you will be more disappointed by the things that you didn’t do than by the ones that you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.” —Mark Twain
Glossary of College Terms

**Academic Repeat** - Recognition by an organization or agency that a college meets certain established standards of educational quality (may be national or regional).

**Academic Renewal** - A petition to request grade forgiveness if you believe that one or more substandard grades (D, F, NC, NP) you received at Cypress College in the past do not reflect your present demonstrated ability and level of performance.

**Accreditation** - Recognition by an organization or agency that a college meets certain established standards of educational quality (may be national or regional).

**Application Fee Waiver** - Freedom from payment of the admission application fee for those students with demonstrated financial hardship.

**Articulation Agreement** - Agreements between colleges, at the institutional or program level, that state specific policies related to transfer.

**Associate Degree** - A degree usually awarded by a community college upon completion of a program of study and a minimum of 60 degree eligible units.

**Associate Degrees for Transfer (ADT)** - California Community Colleges are now offering associate degrees for transfer (ADT) to the CSU. These may include an Associate in Art degree for Transfer (AA-T) or an Associate in Science degree for Transfer (AS-T). California Community College students who are awarded an ADT are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

**Bachelor’s or Baccalaureate Degree** - A Bachelor of Arts, Sciences or related degree, awarded upon completion of a program of study at a transfer college or university, usually consisting of a minimum of 120 units.

**Certification** - The indication of the completion of the pattern of general education for California State Colleges and Universities (either CSU General Education/Breadth pattern or the Intersegmental General Education Transfer Curriculum). Students must apply for certification in the Admissions and Records Office at their community college for indication of completion on their transcripts.

**Concentration** - An option or special emphasis within a degree program.

**Core Curriculum** - A group of courses, in varied areas of the arts and sciences, designated by a college as one of the requirements for the degree.

**Course Identification Numbering System (C-ID)** - The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. The C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

**Credential Program** - Prescribed professional education requirements that must be met in order to teach at the K-12 levels. These are usually fulfilled after completion of a Bachelor’s Degree, but may also be completed while pursuing the degree.

**CSU General Education** - Breadth - Completion of the CSU General Education/Breadth pattern will permit a student to transfer from a community college to a campus in the CSU system without the need, after transfer, to take additional lower-division general education courses to satisfy campus GE requirements. The community college must certify the completion of the CSU GE requirements.

**CSU System** - The California State University System. (See Public Four-Year Institutions in California page for more information)

**CTE** - Career Technology Education
Glossary of College Terms

**Extended Opportunity Program and Services (EOPS)** - A program designed to provide information regarding admission, financial aid, and supportive services to current and/or prospective students who may have economic, educational, or environmental disadvantages. “Special Admission” considerations may also be provided.

**Elective** - Courses which are not required by the major or general education but which are acceptable for credit. An elective course may be in the student’s major area of study or any department of a college or university.

**Filing Periods** - The period of time during which campuses will accept applications for students wishing to enroll in a particular semester or quarter.

**Financial Aid Transcript** - A copy of a student’s official record of all financial aid awarded and received at an institution.

**General Education Requirements** - A group of courses, in varied areas of the arts and sciences, including requirements designated by a college for the degree. Also known as "Breadth" requirement; varies by type of degree.

**Grade Point Average (GPA)** - The indication of the overall level of academic achievement. It is an important measure used in making decisions about probation and disqualification, eligibility for graduation, and transfer.

The GPA is derived from the following unit system:

- A = 4 points per unit
- B = 3 points per unit
- C = 2 points per unit
- D = 1 point per unit
- F = 0 points per unit

The GPA is calculated by dividing the total number of grade points received by the number of units attempted (see page 80).

**I.G.E.T.C.** - Intersegmental General Education Transfer Curriculum. Completion of IGETC will permit a student to transfer from a community college to a campus in either the CSU or to most campuses of the UC system without the need, after transfer, to take additional lower-division general education courses to satisfy campus GE requirements.

**Impacted Major/Campus** - When the number of applications received is expected to be larger than the number of spaces available. Additional criteria are then considered in making an admission decision and students must apply during a specified period of time.

**Independent College/University** - In California there are more than 66 accredited colleges and universities, which are free from direct financial control by the state. Thousands of others exist throughout the nation.

**Liberal Arts** - Programs/courses in the humanities, natural sciences, and social sciences.

**Lower Division** - The freshman and sophomore years of study prior to completing upper division (Bachelor's degree) courses.

**Major** - A subject of academic study chosen as a field of specialization.

**Major Preparation** - University prerequisite courses that prepare students to enter upper division courses in their chosen major.

**Master’s Degree** - A degree awarded by a transfer college or university upon completion of a program of study beyond the bachelor's level, usually consisting of 40-60 units.

**Minor** - A secondary field of study outside of the major, often requiring substantially less course work. (Not typically found at a 2-year but at four-year level.)
Glossary of College Terms

Register/Registration - Process of selecting courses for each semester

Pass/No Pass - A form of grading whereby a student receives a grade of P or NP instead of a letter grade. AP is assigned for class work the equivalent of a grade of C or above. No grade points are awarded and the grade is not used in computing the GPA.

Postsecondary - Educational instruction beyond high school.

Prerequisite – Prior knowledge that a student must have to be successful in the course. The prior knowledge may be a skill, an ability, a test score, or successful completion of a prior course earning a grade of C (or better). Completion of the prerequisite is required prior to enrolling in the course.

Quarter System - Approximately 10 weeks of instruction offered three times a year, during the fall, winter, and spring. Some institutions also offer a summer quarter.

Register - The process of enrolling formally for courses for each semester

Residency Requirements – The minimum number of units required to be taken at a campus from which the student expects to receive a degree.

Resident/Non-Resident Status - Student status based on place of legal residence. Any student who has legal residence in California for one year or more immediately preceding the residence determination date and who provides evidence of the intent to make California his/her home for other than a temporary purpose shall be classified as a district resident. Non-residents (out-of-state) often have to pay higher fees and meet higher admission requirements at state-financed colleges and universities.

Semester System - Approximately 16-18 weeks of instruction offered two times a year, during the fall and spring semester.

Transcript - A list of all courses taken at a college or university showing the final grade received for each course. Official Transcripts bear a seal of the college and signature of a designated college official and at the student’s request, are generally sent directly from one institution to another.

Transfer - Changing from one college to another after meeting the requirements for admission to the second institution.

Transfer Student - A student who has attended another college for any period, which may be defined differently by different colleges.

UC System - The University of California System. (See Public Four-Year Institutions in California page for more information)

Undergraduate - A student enrolled in the years of college study prior to receiving a Bachelor’s degree.

Units - The measure of college credit given. A semester unit equals eighteen hours of lecture or fifty-four hours of laboratory work per semester in most courses. Combinations of lecture-laboratory hours exist in some situations. For each unit taken, students should expect to spend two to three hours in out-of-class preparation and study.

Upper Division - The junior and senior years of study prior to receiving a Bachelor’s degree.
Distance Education is college instruction in which the instructor and student are separated by distance and interact with the assistance of communication technology. These courses provide the same quality of Cypress College instruction, teach the same material, are transferrable to most four-year baccalaureate institutions, and require the same fees as our traditional in-person classes. A wide range of Distance Education general interest, transferrable, and career-orientated courses are offered each term. Distance Education courses have many advantages, such as:

- A flexible academic schedule to help you meet work and family responsibilities
- Access to courses from “anywhere”
- Reduction of commuting time
- An opportunity for disabled students, working couples, and single parents to continue their education

To take a Distance Education course, you need access to a computer with an Internet connection. You must also have a functioning private email address. Computers are available to you with a valid Cypress College student photo ID in the Learning Resource Center (LRC). Printing hard copies is allowed in the LRC for a fee. To take a Distance Education class, you must, at a minimum, be able to:

- Send email with attachments
- Receive private email with attachments (No shared email accounts)
- Use a word processing program
- Save documents
- Navigate and search the Internet
- Install new software applications

### Online Courses 🌐

Online Courses have no in-person classroom instruction. All instruction is online, although some courses have a few in-person meetings for proctored exams. The dates and times for required meetings will be listed in the schedule of classes.

### Hybrid Courses 🍃

Hybrid Courses are taught both in-person and online. While a class may not meet every week, those meetings that are scheduled will be listed in the schedule of classes.

### Web Enhanced Courses

Web enhanced courses at Cypress College are defined as in-person courses that use the Internet to deliver files, but not instruction, online. Web enhanced courses offer you access to class materials and other resources online. While supplemental work, homework assignments, or other activities may also be offered online, web enhanced courses may not use Internet-based resources or activities to replace required in-person instruction or in-seat contact hours with the instructor.
Distance Education Frequently Asked Questions

Are Distance Education courses for me?
Taking the [Cypress College Readiness Quiz](http://www.cypresscollege.edu/admissions-records/registration/enrollment/) will help you determine if your needs match the special demands of distance learning. If you feel that you are not ready to enroll in a Distance Education class and would like to develop your computer skills, contact your counselor for information about introductory computer skills development courses. Take the online readiness quiz.

How can I be a successful Distance Education student?
Successful Distance Education students are generally characterized as being independent, self-motivated, self-reliant in their learning, and comfortable with technology. A successful Distance Education student:

- Has basic computer and web skills
- Is self-motivated and self-disciplined
- Is able to communicate through writing
- Has good time management skills
- Is comfortable communicating with an instructor and other students
- Learns how to use the online classroom

How much time can I expect to spend on a Distance Education course?
Distance Education courses require the same amount of student time as in-person courses. The minimum time required is the “normal” on campus meeting time per week plus class preparation time (2 hours for each on campus hour). For example, if a course normally requires three hours of classroom instruction per week a student should expect to spend at least an additional six hours of preparation time for a minimum total of nine hours per week. When gauging how much time to schedule in your semester for a Distance Education course please take into account your comfort level working with computers and the Internet for educational purposes such as academic reading, writing, and studying on the web.

How do I enroll in online and hybrid courses?
Enrolling in online and hybrid courses is the same procedure as enrolling in on campus classes at Cypress College. Please refer to the registration information on the Admissions and Records page [http://www.cypresscollege.edu/admissions-records/registration/enrollment/](http://www.cypresscollege.edu/admissions-records/registration/enrollment/)

How do I access my class?
At Cypress College, all of our online and hybrid courses are delivered using the Canvas Course Management System. Go to [cypresscollege.instructure.com](http://cypresscollege.instructure.com)

For more information, please visit the Distance Education website or contact us at DistanceEd@cypresscollege.edu or (714) 484-7052.
Accreditation Information

Regional, National, and Programmatic Accrediting Agencies

There are two main types of accreditation: institutional and programmatic. Institutional accreditation reviews and accredits an entire school, while programmatic accreditation reviews and accredits a single program or department within a school (such as engineering, physical therapy, or theater). Below is a detailed explanation of each type of accreditation.

Regional Accrediting Organizations: These offer the most prestigious and widely recognized form of accreditation in the United States, and set the highest and most strict standards. They review whole institutions, and they cover the entire country by subdividing it into six regions: Middle States, New England, North Central, Northwest, Southern, and Western. Colleges and universities reviewed by regional councils may be private or public, offering two-year or four-year degrees. They must, however, offer a well-rounded education with a wide spectrum of courses. For a school to be regionally accredited, between one-quarter and one-third of the curricula offered must in general education (social sciences, humanities, and physical sciences). Schools prefer to seek national accreditation if the courses they offer cannot meet regional accreditation standards.

National Accrediting Organizations: These also review whole institutions, but tend to target more specialized colleges and universities, such as those offering vocational education, rather than the large liberal arts schools. These institutions may not be able to pass all of the requirements to gain regional accreditation, but provided they are successful in gaining national accreditation, they will still be highly regarded in the educational world. Faith-based organizations: A subset of national accrediting agencies, faith-based organizations review schools that are organized around a religious faith, such as catholic universities. These schools cannot gain regional accreditation, because regional accrediting agencies insist on academic freedom for all students and faculty to engage with all ideas, which is not the case at a school with a religious affiliation.

Private Career Organizations: These organizations review and accredit private institutions that offer specific vocational training and degrees. It is important to note that many U.S. schools with regional accreditation will not honor credits or diplomas received from a school that has national accreditation only. This will be important for you if you ever need to transfer schools, or if you plan to seek higher education after your bachelor's degree. When you research online schools, always check their accreditation status, to make sure you choose a program that will suit your needs.

Programmatic/Specialized Accreditation: Programmatic accrediting organizations: These review individual programs or disciplines within an institution, but do not review that institution in its entirety. Programmatic accrediting bodies exist for over 100 subfields including programs in computer science, education, law, and medicine. Examples of these narrow-focus accrediting councils include The American Society for Landscape Architects, and the American Occupational Therapy Association.

In most cases, these specially accredited programs are offered by schools that have already been awarded institutional accreditation. Programmatic accreditation is thus a secondary guarantee that specific program meets a national standard.

For some career fields (especially those related to health or safety, such as nursing, dentistry, or engineering) you must hold a degree from a department that has programmatic accreditation in order to practice and work in the field. Before enrolling in a program, check to see whether you will need this accreditation to practice in your chosen career field, and then choose a program accordingly. Educational Options in CA

- **Doctorate Degree**
- **Master's Degree**
- **Bachelor's Degree**
- **Associate's Degree**
- **Vocational Certificate**
- **High School Diploma/General Education Development (G.E.D)/ High School Equivalency Test (HiSet) or Test Assessing Secondary Completion (TASC) or California High School Proficiency Exam (CHSPE)**

Vocational Certificate
Vocational certificates include a series of courses related to a particular occupation or skill. The number of units required vary. These are typically offered by community colleges or private educational organizations. They are designed to be helpful in obtaining or upgrading employment.

Associate's Degree
The Associate’s Degree includes major courses, plus general education courses and possibly some electives. Sixty (60) degree eligible units are required. California community colleges are now also offering associate degree for transfer (ADT). These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. California community college students who are awarded an ADT degree are guaranteed admission with junior standing within the California State University (CSU) system. This priority does not guarantee admission to specific CSU majors or campuses.

Bachelor's Degree
The Bachelor’s Degree includes major courses, plus general education courses and possibly some electives—approximately 120-132 total units are required. It is usually referred to as a Bachelor of Arts (BA) or Bachelor of Science (BS) Degree. Students can generally complete freshman and sophomore (lower division) courses at a community college and then transfer to a college or university to complete junior and senior (upper division) courses. All courses at Cypress College numbered 100 and above are transferable.

Master's Degree
The Master’s Degree is approximately 40-60 units of coursework in a specialized area, after completion of a Bachelor’s Degree. It is usually referred to as a Master of Arts (MA) or Master of Science (MS) Degree.

Doctorate Degree
A Doctorate Degree is advanced training beyond a Bachelor’s and Master’s Degree. It is the highest level of academic degree. Units vary depending on the field of study. The degree is usually referred to as Doctorate of Philosophy (Ph.D.) or Doctorate of Education (Ed.D.). In addition, there are also other professional Doctorate Degrees, such as M.D. (Doctor of Medicine), Pharm. D. (Doctor of Pharmacy), Psy. D. (Doctor of Psychology), D.D.S. (Doctor of Dental Science), O.D. (Doctor of Optometry) or J.D. (Juris Doctor).

GENERAL EDUCATION (GE) CERTIFICATION AND PASS ALONG

Students planning to graduate from the California State University or University of California systems must complete a minimum number of general education breadth courses. Cypress College is permitted to certify completion of the lower division general education requirement. Certification is not automatic. To meet general education requirements and obtain certification, students must:

- Complete the pattern of general education courses approved for Cypress College.
- Apply for GE certification through the Admissions and Records Office or online at www.CypressCollege.edu during the semester in which requirements will be completed or thereafter. Note: Students applying for completion of an approved Associate Degree at Cypress College requiring CSU GE or IGETC do not need to apply.

Students with transcripts from other educational institutions should see a counselor to obtain a supplemental “pass along” form which must be attached to the certification application. Courses completed at educational institutions outside the United States cannot be used for “pass along” and these courses must be evaluated by the university during the application process. Students do not have to be currently enrolled in Cypress College to apply for GE certification.

DESCRIPTION OF COURSES

The following section includes a description of course types which may be studied at Cypress College. The prerequisite(s) for the class is stated, if applicable. The program of instruction related to the numbering of courses is divided into major categories:

- College and university parallel courses (transfer courses) have title numbers ranging from 100 through 299. If appropriate to the student's major, they usually will be accepted as transfer units to institutions of higher education for their full credit value.
- Several general education courses, in addition to occupational, vocational and technical courses will bear the title numbers ranging from 001 through 099 and generally are not transferable to institutions of higher education except as they apply to major programs in the California State Universities. Students are advised to confer with their counselors regarding the transferability of these courses to particular colleges or universities. Students entering Cypress College should consult with college counselors in planning their programs of study. The faculty and counseling staff of Cypress College will assist students in every way possible to make wise vocational and educational plans. Students, however, must assume the responsibility for their own choices and plans.

CSU GE — These courses satisfy general education breadth requirements for California State Universities (CSU campuses).

GE — Courses which satisfy general education requirements for the Associate Degree.

IGETC — Intersegmental General Education Transfer Curriculum is a series of courses that Cypress College students may use to satisfy lower division general education requirements at any CSU or UC campus.

NON-DEGREE CREDIT courses indicated as NON-DEGREE CREDIT do earn credit, but the credit is not counted toward the Associate Degree. These classes are intended to help students gain the skills they need to perform in college level degree applicable courses. NON-DEGREE CREDIT classes count toward the following categories. Athletic Eligibility, Social Security Benefits, Work Study and Financial Aid, Veterans’ Benefits, Associated Student Body Office and Full-Time Status. All other Cypress College courses are degree applicable.

UC/CSU designated courses are transferable to the campuses of the University of California and the California State University system. Those courses that are not marked UC are not transferable to the University of California campuses. Confer with a counselor for information regarding transferability of courses marked UC Limitation. Students can view a complete list of Cypress College courses that are transferable to the UC at www.assist.org.
TRANSFER CREDIT — BACCALAUREATE DEGREES

Cypress College certifies that the following classes listed (by instructional divisions) are baccalaureate-level classes and are transferable to any campus of the California State University system for credit toward its baccalaureate degrees:

Business and Computer Information Systems — All classes numbered 100 C through 299 C.

Career Technical Education — All classes numbered 100 C through 299 C; Aviation 050 C and Photography 050 C.

Counseling and Guidance — All classes numbered 100 C through 299 C.

Fine Arts — All classes numbered 100 C through 299 C.

Health Science — All classes numbered 100 C through 299 C.

Language Arts — All classes numbered 100 C through 299 C.

Physical Education — All classes numbered 100 C through 299 C.

Science/Engineering/Mathematics — All classes numbered 100 C through 299 C; Basic Electricity 051 C is transferable only for Industrial Arts Majors.

Social Science — All classes numbered 100 C through 299 C.

*Note: All Honors classes offered at Cypress College are transferable to any campus of the California State University system.*
CSU General Education Breadth Requirements

Students wishing to transfer to California State Universities should follow this plan

What is CSU GE Breadth?

- Requirements for graduation from the California State University System include completion of specific courses in general education. Cypress College is permitted to certify that a student has satisfied the lower division 39-unit general education requirements established by the California State University System.

Full vs. Partial Certification

- Under the provisions of Title 5 and Executive Order 1065, regionally accredited colleges and universities may certify one or more subject areas for students being admitted to the CSU system, a.k.a. partial certification. Students admitted to a CSU campus with a subject area or partial certification should not be held to completing additional courses for the areas already certified.
- In order to be partially certified, Cypress College students must complete all the CSU lower-division General Education Breadth Requirements in a specific area. Students who have completed courses at other regionally-accredited colleges and universities may “pass along” those courses for either partial or full certification at Cypress College. To meet general education requirements and obtain full certification, students must complete the pattern of courses in the five categories listed.

How to Apply for CSU GE Certification

- GE Certification is not automatic. Students should apply for certification during or after the semester in which they are completing General Education Breadth Requirements. Students are advised to request certification prior to enrolling at the university due to varying CSU campus partial certification policies that may prohibit the certification from being granted.
- CSU Certification Limitations
- CSU Certification policy specifies that a course or sequence of courses used to satisfy a requirement in one area, may not be used to satisfy a requirement in another area. Students should talk to a counselor for more information. Some state universities also will not allow students to count courses in their major field as part of general education requirements.
- Courses on this list are approved by the CSU Chancellor’s Office for a specific academic year; that is, a course must be on the list when the course is taken in order to be certified. Check with a counselor and review the catalog of the individual state university for further clarification.

Courses from Non-Certifying Colleges (ex: Private, Out-of-State)

- A pass along form must be completed by a Cypress College counselor when courses are being used from other non-certifying colleges and universities and submitted with the application for CSU General Education Certification. No deadlines apply for certification of the CSU GE Breadth Pattern. Check these following websites for “regionally accredited” institutions: www.chea.org or https://ope.ed.gov/accreditation.

### LEGEND

- Note: Certain majors require specific Mathematics course(s). See a Counselor for details.
- Course may be used to satisfy requirements for one area only.
- The class also may be used to satisfy the Cypress College Associates Degree Social Justice, Equity and Sustainability requirement.
- Duplicate credit not granted for the same cross-listed courses nor for non-honors and honors classes.
- See CSU graduation requirement in U.S. History, Constitution, and American ideals.
- Underlining indicates a course is no longer offered at Cypress College. Students may still receive credit, as long as a course was on the official approved list in that category at the time it was taken. The notations reflected after classes represent either the time a class was approved or ended.

IGETC Requirements

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

What is IGETC?
• The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which community college transfer students may use to fulfill lower division general education requirements for the California State University (CSU) or University of California (UC) system. Completion of IGETC eliminates the need to take additional lower division general education courses after transfer. Students approaching readiness for transfer who are unable to complete one to two IGETC courses that are not required for admission to the university may request to complete IGETC after transferring. See a counselor for more information.
• IGETC is accepted by the University of California, California State University, and by many private institutions. Students wishing to transfer to the University of California or who are undecided about their transfer institution should consult counselor before choosing this plan.

How to Apply to IGETC?
• Students must apply for IGETC certification (full or partial) in the Admissions and Records Office. To get “partial” certification, no more than two requirements may be missing. Students must apply for IGETC Certification through the Admissions and Records Office during or after the semester in which requirements will be completed. Courses will be certified ONLY if they are on the official IGETC list during the catalog year they are taken. In addition to the course requirements for each subject area, full certification for the CSU must include completion of the Oral Communications requirement. With the UC, Oral Communications is NOT required, but the certification must include satisfactory completion of the Language Other Than English (LOTE) proficiency requirements. A course or sequence used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. All courses must be completed with a “C” or better.

Do I need IGETC?
• While IGETC is popular with transfer students, it may not be the best choice for you. Depending on your major, it may be best to follow the UC campus GE pattern. ASSIST Exploring Majors feature at www.assist.org include information about the specific UC majors that do and do not recommend IGETC. Specific UC majors that do not recommend IGETC is listed on https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/general-education-igetc/igetc/campus-guidance.html

*The courses on the IGETC list are approved at the time of printing. Check with a Counselor or on www.assist.org for the most recent list of approve courses.
### AREA 5 – PHYSICAL AND BIOLOGICAL SCIENCES

### AREA 6A – LANGUAGE OTHER THAN ENGLISH (LOTE): UC requirement only

**REQUIREMENT:** Complete one of the following:

1. Complete 2 years of high school course work in a language other than English (in the same language) with a grade of “C” or better.
2. Complete course 102C (“102HC”) or higher level in a foreign language at Cypress College or equivalent courses at another college or university.
3. Completion with “C” or better of 2 years of formal schooling at the 8th grade level or higher at an institution where the language of instruction is not English. Students unable to provide documentation need to have passed one of the exams listed below or take the appropriate college course(s).
4. Earn the appropriate score on the SAT II Subject Test in languages other than English. See a counselor for score requirements.
5. Earn a score of 3 or higher on the Advanced Placement Language Other than English Test.
6. Earn a score of 5 or higher on the International Baccalaureate Higher Level Exam in a language other than English.
7. Satisfactory completion of an achievement test administered by a community college, university, or college in a language other than English. This test will have to assess the student’s proficiency at the level equivalent to two years of high school language courses.
8. Earn an A, B, or C on Language Other than English “C” level exam.
9. Earn a score of 5, 6, or 7 on Language Other than English International “A” Level Exam.
10. Earn a “C” or better in a Defense Language Institute course.

**Cypress College courses that meet the proficiency level:**
- CHIN 102C, 204C (F20)
- FREN 102C, 203C, 204C
- JAPN 102C, 203C (F05), 204C (F05)
- PORT 102C (S06)

**Note:** A higher-level language course can be used to meet language proficiency requirements. Examples: FREN 203C or SPAN 202C. Students completing such courses will satisfy both the 3B Area and validate the proficiency level requirement. These courses are identified in the 3B area as (LOTE).

The Liberal Arts degree with Area of Emphasis provides students with the opportunity to earn a degree within a broad liberal arts education, allowing them to understand the intellectual relationships between various disciplines in a broader Area of Emphasis. Earning an Associate Degree may or may not be the most effective path to fulfilling transfer requirements. The courses listed for each Area of Emphasis in the Cypress College catalog do not reflect major preparation requirements at any specific university, but some may be used to fulfill local university requirements. Reminder: Students with catalog rights for 2012 or prior, meet with a Counselor to confirm if courses taken at that time are applicable to the Arts and Humanities emphasis and the Transfer Center for information regarding selection of an appropriate general education pattern and pertinent classes, as well as your intended major at the specific colleges/universities of choice.

Requirements for the Liberal Arts Degree with Area of Emphasis include:

- Completion of Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC).
- Completion of at least 18 units in an Area of Emphasis from those outlined below. (Note: Where appropriate, courses in the Area of Emphasis may also be counted for a GE area).
- A 2.0 (C) overall GPA and a 2.0 (C) in all courses taken in the Area of Emphasis.
- Effective Fall 2017 - Fulfillment of all graduation requirements, to include local requirements of a minimum of one (1) unit of coursework approved for Physical Activity and Health and three (3) units of coursework approved for Social Justice, Equity and Sustainability for a total of 60 transferable units.

**Liberal Arts AA Degree: ARTS & HUMANITIES emphasis**

The Arts & Humanities option under Liberal Arts is an ideal choice for students planning on transferring to the California State University (CSU) or University of California (UC). Students are able to satisfy both their transfer institution’s general education requirements, plus focus on transfer major preparation course work required by the four-year university. The Area of Emphasis listed below includes courses that transfer to CSU and/or UC. Courses in **BOLD** are transferable to UC.

**Disclaimer:** Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website @ www.assist.org

This degree emphasizes the study of cultural, literary, humanistic activities and artistic expression of human beings. Students will evaluate and interpret the ways in which people through the ages in different cultures have responded to themselves and the world around them in artistic and cultural creation. Students will also learn to value aesthetic understanding and incorporate these concepts when constructing value judgments.

Liberal Arts AA Degree with Area of Emphasis
Cypress College 2021-2022

SOCIAL & BEHAVIORAL SCIENCES emphasis

Student’s Name_________________________ ID#_________________________ Date:_________________________

Major_________________________ Transfer To_________________________ Counselor_________________________

The Liberal Arts degree with Area of Emphasis provides students with the opportunity to earn a degree within a broad liberal arts education, allowing them to understand the intellectual relationships between various disciplines in a broader Area of Emphasis. Earning an Associate Degree may or may not be the most effective path to fulfilling transfer requirements. The courses listed for each Area of Emphasis in the Cypress College catalog do not reflect major preparation requirements at any specific university, but some may be used to fulfill local university requirements. Reminder: Students with catalog rights for 2012 or prior, meet with a Counselor to confirm if courses taken at that time are applicable to the Social & Behavioral emphasis and the Transfer Center for information regarding selection of an appropriate general education pattern and pertinent classes, as well as your intended major at the specific colleges/universities of choice.

Requirements for the Liberal Arts Degree with Area of Emphasis include:

- Completion of Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC).
- Completion of at least 18 units in an Area of Emphasis from those outlined below. (Note: Where appropriate, courses in the Area of Emphasis may also be counted for a GE area).
- A 2.0 (C) overall GPA and a 2.0 (C) in all courses taken in the Area of Emphasis.
- Effective Fall 2017 - Fulfillment of all graduation requirements, to include local requirements of a minimum of one (1) unit of coursework approved for Physical Activity and Health and three (3) units of coursework approved for Social Justice, Equity and Sustainability for a total of 60 transferable units.

Computing Your Grade Point Average (GPA)

Your grade point average (GPA) may be an important factor in influencing your admission to a college or university, your chances for a particular job, your auto insurance rates, and your eligibility for financial aid. It is important that you understand how individual class grades are computed and affect your overall GPA. The chart below explains the grade points assigned to the varied grades student may earn.

How to Determine Your Grade Point Average

The most common grading system is the 4.0 grade point system. This is the system Cypress College uses, however they are called quality points on your unofficial transcript. Following is the value chart to help determine your GPA:

<table>
<thead>
<tr>
<th>Quality Point Value Per Unit</th>
<th>The following grades are not part of the GPA computation:</th>
</tr>
</thead>
<tbody>
<tr>
<td>A = 4 quality points</td>
<td>P = Pass - no quality points, no units attempted, but counts for units completed.</td>
</tr>
<tr>
<td>B = 3 quality points</td>
<td>NP = No Pass - no quality points, no units attempted, no units completed.</td>
</tr>
<tr>
<td>C = 2 quality points</td>
<td>W = Withdrawal - no quality points, no units attempted, no units completed.</td>
</tr>
<tr>
<td>D = 1 quality point</td>
<td>I = Incomplete - no quality points, no units attempted.</td>
</tr>
<tr>
<td>F = 0 quality points</td>
<td>IP = In Progress - no quality points, no units attempted.</td>
</tr>
<tr>
<td>RD= Reports Delayed - no quality points, no units attempted.</td>
<td></td>
</tr>
</tbody>
</table>

Computing the GPA - the Steps

1. Determine which courses are not part of the GPA computation (see box above).
2. All qualifying courses earn one (1) GPA hour for each semester unit.
3. Using the “Quality Point Value Per Unit” chart above, for each course, multiply the quality points by the number of semester units to find the earned quality points.
   (For example: For a 3 unit course with an “A” grade, the course earns 4 quality points per unit: 4 quality points x semester units = earned quality points.)
4. Calculate the total number of earned GPA hours for the semester.
5. Calculate the total number of earned quality points.
6. Use the following formula to determine your GPA:
   \[ \text{GPA} = \frac{\text{Total Earned Quality Points}}{\text{Total Earned GPA Hours}} \]

What is CARE?

The Cooperative Agencies Resources for Education (CARE) program was established to assist Extended Opportunity Programs and Services (EOPS) students. The CARE program is the combined effort of three agencies; Department of Social Services, Department of Employment, and Cypress College. The goals of the CARE program are to assist single parents receiving Temporary Aid to Needy Families (TANF) to increase their education skills, become more confident and self-sufficient, and help them move from welfare to INDEPENDENCE. The hope is to break the welfare-dependency cycle by completing college-level educational training programs to become more employable and economically self-sufficient. CARE was initiated as the first state-funded program of its kind in the nation.

Stay EOPS Strong!
Extended Opportunity Programs and Services (EOPS) is designed to assist students with economic, linguistic and educational challenges, as defined by Title 5, enroll and succeed in higher education. The EOPS staff is composed of dedicated professionals and student advisors who are committed to seeing you succeed in college. Services are free of charge to EOPS eligible Cypress College students.

EOPS students who are single parents and receiving public assistance may be eligible to receive additional supportive services through Cooperative Agencies Resources for Education (CARE).

Through CARE, eligible EOPS students receive:

- **Supplemental educational support services:**
  - Counseling and advisement
  - Group support
  - Peer networking
  - Help from peer advisors
  - Information and referrals to campus and community-based services or agencies
  - Networking activities specifically designed for low-income single parents
  - Workshops including self-esteem, parenting, study skills, and time management

- **Grants and allowances for:**
  - Child care
  - Bus passes
  - Textbooks
  - School supplies
  - Personal computer access
  - On-campus meal tickets are provided to enhance the retention, persistence, graduation and transfer rates of these highly motivated students.

CARE also extends an important safety net to students who meet EOPS/CARE eligibility criteria but are ineligible for other programs or the CalWORKs program. The CARE staff works closely with other campus and community-based agencies to ensure the delivery of comprehensive educational and student support services to eligible EOPS students who are single parents, including child care, work study, and CalWORKS programs. CARE staff are available to assist students with their educational and student needs.

In order to be considered for CARE, the following criteria must be met:

- Be an EOPS-eligible single parent
- Be enrolled in full-time (12 units)
- Be 18 years of age or older
- Be a current recipient of TANF/CalWORKs
- Be currently enrolled full-time at Cypress College
- Be interested in enhancing graduation and transfer rates
- Be interested in alleviating financial barriers to educational success

If you are a single parent and interested in receiving benefits available to you, contact the EOPS/CARE office at (714) 484-7368.
The Charger Experience Program is designed to provide all incoming students the foundation for success through direct engagement with academic programs and comprehensive understanding of support services. Serving all AUHSD, Pledge and NOCCCD Promise students.

Policies and Procedures

Active Shooter Procedures
Be Aware, Be Prepared, Be Safe...

Profile of an Active Shooter
An active shooter is an individual actively engage in killing or attempting to kill people in a confined and populated area, typically through the use of firearms.

Characteristics
• Victims are selected at random.
• The event is unpredictable and evolves quickly
• Law enforcement is usually required to end an active shooter situation

How to Respond: When an Active Shooter is in your Vicinity
1) Evacuate
• Have an escape route and plan in mind.
• Leave your belongings behind
• Keep your hands visible

2) Hide Out
• Hide in an area out of the shooter’s view
• Block entry to your hiding place and lock the doors
• Silence your cell phone/or pager

3) Take Action
• As a last resort and only when your life is in imminent danger
• Attempt to incapacitate the shooter
• Act with physical aggression and throw items at the active shooter

How to Respond: When law enforcement arrives:
• Remain calm and follow instructions
• Put down any items in your hands (i.e. bags, jackets)
• Raise hands and spread fingers
• Keep hands visible at all times
• Avoid quick movements towards officers such as holding on to them for safety
• Avoid pointing, screaming, or yelling
• Do not stop to ask officers for help or directions when evacuating

Providing Information
You should provide the following information to Law Enforcement or 911 operator: (Call 911 when it is safe to do so)
• Location of the active shooter
• Number of shooters
• Physical description of shooters
• Number and type of weapons held by shooters
• Number and potential victims at the location

* Information provided by US Department of Homeland Security
Policies and Procedures

Policies that Affect Students

Attendance & Absences:

- Regular attendance is expected of all students.
- If you are absent the first day, the instructor may drop you from the class to make room for students who want to add that class to their schedule.
- If you accumulate more than a week’s absences for a full semester course, you may be dropped from the class.

Withdrawals:

- You may drop or withdraw from a class.
- While an instructor may drop a student who has poor attendance, it is the student’s responsibility to officially withdraw when unable to continue the class. Students who wish to drop a class or withdraw from the College must drop the class(es) using myGateway. Refer to the deadlines listed in the Class Schedule.
- You may drop a class up through the 3rd week or approximately 1/5 of the term of the class without a "W" appearing on your transcript.
- You may drop a class up through the 14th week or approximately 3/4 of the term of the class and a “W” will be recorded on your transcript. If you are still officially enrolled in the class after this time, you will receive the letter grade you have earned.
- Excessive withdrawals can lead to progress probation and/or dismissal and loss of priority registration.
Policies and Procedures

Children on the Campus Guidelines

Introduction
Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety, and well-being of all children.

Why do we Need These Guidelines?
The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

Who is a Child?
For purposes of these child-protection guidelines, the term “child” applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

Guidelines to be Followed:
- Children may not accompany parents or guardians to classes, labs or the worksite.
- “Arms-length supervision” by a parent or guardian is required at all times.
- Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.
Policies and Procedures

Computing Resources Acceptable Usage Policy

Purpose

All computing resources are intended to support the research and educational mission of Cypress College; their use is a privilege and responsibility. The use of computing resources is subject to all applicable local, state and federal laws, the general guidelines outlined in this document, and any specific guidelines in effect at individual computing centers.

All computing resources are intended to support the research and educational division of Cypress College, their use is a privilege and a responsibility. Users of computer and Electronic Communications Systems and services are expected to do so responsibly and the use of computing resources is subject in compliance with state and federal laws, policies and procedures of the District, and with normal standards of professional and personal courtesy and conduct. Reasons for restricting access to the electronic communications services include, but are not limited to, the following: when required by and consistent with law; when there is significant reason to believe that violations of policy or law have occurred; when failure to act may result in significant bodily harm, when significant property loss or damage would result, when loss of significant evidence of one or more violations of law or of District policies would result, when significant liability to the District or to members of the District community would result; or District business operational needs warrant.

Policy Violations

Violations of District policies and procedures governing the use of District computer systems and electronic communications services may result in the temporary or permanent restriction of access to District computer systems and electronic communication services and appropriate disciplinary action, up to and including student dismissal or employee termination in accordance with existing board policies and State Education Code. Violation of state or federal law may result in a referral to the appropriate law enforcement agencies. Standards of student conduct and discipline along with procedures can be found beginning on page 56 of the student handbook.

Campus Computing Centers/Labs

Individual computing centers maintain their own specific policies that supplement the Board Policies and procedures. Users of individual computing centers are to follow these policies. Computing centers and labs are authorized to enforce both the District/Campus Acceptable User Policy and their own individual policies. Users who establish individual computer accounts for use of Internet e-mail, applications or campus resources will be required to abide by all the policies.
Policies and Procedures

Sexual Assault

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by:
- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is habituating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under California law
- Or by any other person against an adult or youth victim who is protected from that person’s acts under California law.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

An affirmative consent standard in the determination of whether consent was given by both parties to sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. consent

Tips For Preventing Sexual Violence
Be aware that the great majority of sexual assaults involve acquaintances. Avoid excessive use of alcohol and do not use illegal drugs. Alcohol and drugs interfere with clear thinking and effective communication.

Be safe while you’re on campus
• Walk in well-lit public areas,
• Walk confidently and at a steady, brisk pace
• Travel with a friend or call the night escort service
• Walk close to the curb, avoid bushes, doorways, and alleys where someone could hide
• Carry your keys ready at all times (they can be used as weapons if necessary)

Make sure your home and vehicle are secure
Lock all doors and windows when you leave and lock the doors when you are inside
Leave lights on in your home if you plan to return after dark
Check inside and around your car before getting inside and after entering, then immediately lock the doors

Be alert when you’re on a date or at a party
• Know your alcohol tolerance level and don’t exceed it
• Never let your drink out of your sight
• Use the buddy system and watch out for each other
• Decide now what your sexual and relationship boundaries are and communicate your feelings and sexual expectations clearly
• If you are attacked, fight back as hard as you can (you have a better chance of getting away if you fight.) Yell “FIRE” if in danger; do not yell “HELP” or “RAPE”. People are more likely to respond to a general emergency than one involving an assault

PROCEDURES FOR FILING COMPLAINTS

Cypress College students and staff are assured that allegations of any form of discrimination will be administered in a confidential manner throughout the entire process of filing a complaint. Discrimination complaints may be filed on the basis of sexual harassment, ethnicity, religion, age, gender, color, physical or mental disability, and sexual orientation.

Unlawful Discrimination
It is the policy of the North Orange County Community College District to provide an educational, employment, and business environment in which no person shall be unlawfully subject to discrimination or sexual harassment, nor unlawfully denied full and equal access to the benefits of any program or activity of the District.

Sexual Harassment
It is the policy of the District to provide an educational, employment, and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature constituting sexual harassment as defined in District policy and otherwise prohibited by state and federal law.

How to File a Complaint
A complaint of unlawful discrimination or sexual harassment may be submitted by contacting the Office of the District Director of Equity and Diversity, the Office of the District Director of Human Resources. Anonymous complaints will not be accepted.

When a complaint is received, the District will attempt to informally resolve the complainant’s concerns; however, a complainant need not participate in informal resolution and may file a formal complaint as provided in Section 4.0 of Board Administrative Procedure 3430 (AP3430). A formal complaint must be submitted using the Unlawful Discrimination Complaint form.

A complaint alleging discrimination in employment, the complaint must normally be submitted within 180 days of the date the alleged unlawful discrimination/sexual harassment occurred.

A complaint alleging discrimination that does not involve employment must be submitted within one year of the date of the alleged unlawful discrimination/sexual harassment or within one year of the date on which the complainant knew or should have known of the facts underlying the allegation of unlawful discrimination/sexual harassment. It is unlawful to knowingly file a false complaint.

Drug Free Environment
It is the policy of the North Orange County Community College District to provide a drug-free educational, employment and business environment. The unlawful manufacture, distribution, dispensing, possession or use of alcohol or any controlled substance is prohibited on District property, during District-sponsored field trips, activities or workshops, and in any facility or vehicle operated by the District. Any student who violates this policy will be subject to disciplinary action, which may include suspension, expulsion and referral for prosecution. Information regarding the District’s Drug Free Environment Policy may be obtained by contacting the campus Office of the Vice President at (714) 484-7312 or the Office of the District Director of Human Resources at (714) 808-4818.
Student Rights Under Family Educational Rights and Privacy Act (FERPA) for Postsecondary Institutions

What is FERPA?
The Family Educational Rights and Privacy Act of 1974, as amended, sets forth requirements regarding the privacy of student records. FERPA governs: (1) release of these records (known as education records) maintained by an educational institution and (2) access to these records. This law applies to K-12 as well as postsecondary education.

Who must comply with FERPA?
Any educational institution (school or other entity that provides educational services and is attended by students) and educational agency (entity that administers schools directly linked to it) that receives funds under any program administered by the U.S. Secretary of Education.

What does FERPA Require for Educational Institutions to be in Compliance?
- Notify students annually. Schools must notify students of their rights on an annual basis. There is no specific method that schools must use to notify students; it is up to the institution. Notice must take a form that is “reasonably likely” to notify students.

Recommended and most frequently used ways include:
- Student bulletin, handbook, or catalog
- School or local newspaper
- Student registration packet
- Protect students’ rights to inspect and review their education records.
- Protect students’ rights to request to amend their education records.
- Protect students’ rights to limit disclosure of personally identifiable information contained in education records.
- Ensure that third parties do not redisclose personally identifiable information (except under a few circumstances).
- Keep records of requests for and disclosures of student education records in limited situations.

Who has FERPA rights at the postsecondary level?
A student “in attendance” (regardless of age) and former students.
- Student applies to all students attending — including continuing education students, students auditing a class, distance education students, and high school students enrolled in college.
- In attendance applies to and is determined by the institution. If the institution has not defined when a student is “in attendance” that date becomes the day the student first attends a class at the institution.

What rights does FERPA provide for students?
- Right to inspect and review their education records.
- Right to request to amend their education records.
- Right to limit disclosure of some “personally identifiable information” (information that would directly identify the student or make the student’s identity easily traceable) known as directory information.

What is Considered Directory Information?
Student’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student. (NOCCCD BP 5040 effective April 2009)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

These rights include:
(1) The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access.
(2) The right to request the amendment of the student’s education record that the student believes is inaccurate.

Students may ask the College to amend a record that they believe is inaccurate. They should write the College official responsible for the record, where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise clearly identify the part of the record they want changed, and specify why it is inaccurate.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

Campus Instruction Social Media Policy:
Any copyrighted materials used in class are used for distance education purpose only and in compliance with United States copyright law. Use of these materials is limited to students enrolled in the course for the duration of the course. Students must refrain from saving, changing, distributing any such copyrighted materials.

In addition, online/remote instruction and counseling platforms such as CypressZoom, Microsoft Teams, Google Classroom, Cranium Safe, and other remote devices per instructional and counseling design cannot be shared or posted without written consent of all individuals in the recording, including the professor. Cypress College and The State of California have strict privacy laws for class recording and student confidentially protection per FERPA guidelines. If you are found recording class or counseling sessions without consent, taking screenshots of class, and/or class or counseling recordings you will be subject to the student code of conduct in accordance to BP 5500 and AP 5500.

1.0 Standards of Student Conduct

For purposes of this policy, the term "District" as used herein means the North Orange County Community College District, Cypress College, Fullerton College, North Orange Continuing Education, the Anaheim Campus, and other entities operated by, or property under the control of, the North Orange County Community College District.

Students enrolling in the programs and services of the North Orange County Community College District assume an obligation to conduct themselves in a manner compatible with the function of the Colleges and North Orange Continuing Education as educational institutions. A student who violates the standards of student conduct shall be subject to disciplinary action including, but not limited to, the removal, suspension or expulsion of the student. Misconduct, which constitutes "good cause" for disciplinary action includes, but is not limited to, the following:

1.1 Disruptive behavior, willful disobedience, habitual profanity or vulgarity, the open and persistent defiance of the authority of, or persistent abuse of, District personnel, or violating the rights of other students.

1.2 Failure to identify oneself when requested to do so by District officials acting in the performance of their duties.

1.3 Cheating, plagiarism in connection with an academic program (including plagiarism in a student publication), or engaging in other academic dishonesty.

1.4 Dishonesty, forgery, alteration, or misuse of District documents, records, or identification, or knowingly furnishing false information to the District.

1.5 Misrepresentation of oneself or of an organization to be an agent of the District.

1.6 Causing, attempting to cause, or threatening to cause physical injury or physical or verbal abuse or any threat of force or violence, to the person, property, or family of any member of the college community, whether on or off District property as defined above.

1.7 Willful misconduct which results in injury or death to a student or to District personnel, or which results in the cutting, defacing, or other damage to any real or personal property of the District.

1.8 Unauthorized entry into, unauthorized use of, or misuse of property of the District.

1.9 Stealing or attempting to steal District property or private property on District premises, or knowingly receiving stolen District property or stolen private property on District premises.
BP 5500 Standards of Student Conduct and Discipline

1.10 Causing or attempting to cause damage to District property, or to private property on District premises.

1.11 Unlawful use, sale, possession, offer to sell, furnishing, or being under the influence of any controlled substance listed in the California Health and Safety Code, section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind, or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code or other State law defining controlled substance while on District property, or at a District function; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in the California Health and Safety Code, section 11014.5.

1.12 Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.

1.13 Possession, sale, use, or otherwise furnishing of explosives, dangerous chemicals, deadly weapons or other dangerous object including, but not limited to, any facsimile firearm, knife or explosive on District property, or at a District function, without prior written authorization of the Chancellor, college president, School of Continuing Education Provost, or authorized designee.

1.14 Engaging in lewd, indecent, or obscene behavior on District property, or at a District function.

1.15 Violation of municipal, state, or federal laws in connection with attendance in programs or services offered by the District, or while on District property or at District-sponsored activities.

1.16 Soliciting or assisting another to do any act (including the purchasing, transporting or consumption of any controlled substance), while under the supervision of a District official, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.

1.17 Attempting any act constituting cause for disciplinary action as identified in the above sections of this policy.

1.18 Sexual assault or sexual exploitation regardless of the victim’s affiliation with the District.

1.19 Committing sexual harassment as defined by law or by District policies and procedures.

1.20 Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.

1.21 Engaging in physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student's academic performance, or District employee’s work performance, or of creating an intimidating, hostile or offensive educational or work environment.
BP 5500 Standards of Student Conduct and Discipline

1.22 Engaging in physical or verbal disruption of instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on District property.

1.23 Stalking, defined as a pattern of conduct by a student with intent to follow, alarm, or harass another person, and which causes that person to reasonably fear for his or her safety, and where the student has persisted in the pattern of conduct after the person has demanded that the student cease the pattern of conduct. Violation of a restraining order shall, without more, constitute stalking under this policy.

1.24 Persistent, serious misconduct where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others.

1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.

1.26 Use of the District’s computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.

2.0 No student shall be suspended from a college or North Orange Continuing Education program or expelled unless the conduct for which the student is disciplined is related to college, North Orange Continuing Education or District activity or attendance.

3.0 Any violation of law, ordinance, regulation or rule regulating, or pertaining to, the parking of vehicles, shall not be cause for removal, suspension, or expulsion of a student.

4.0 The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of law. The procedures shall identify potential disciplinary actions including, but not limited to, the removal, suspension or expulsion of a student.

5.0 The Chancellor shall establish procedures by which all students are informed of the rules and regulations governing student behavior.

1.0 The purpose of these administrative procedures is to provide a prompt and equitable means to address violations of the standards of student conduct in a manner consistent with requirements of due process of law. Nothing in these procedures is intended to infringe upon the rights of students to engage in the lawful exercise of free expression as protected by the state and federal constitutions and by the provisions of Education Code section 76120.

2.0 Definitions

2.1 Administrator: A management employee of the District having significant responsibilities for formulating District policies or administering District programs.

2.2 District: The North Orange County Community College District.

2.3 College: Cypress College, Fullerton College, and the School of Continuing Education and their respective programs.

2.4 Student: Any person currently enrolled as a student at a College or in any program offered by the District.

2.5 Instructor: Any instructional employee of the District in whose class a Student subject to discipline is enrolled.

2.6 Student Discipline Officer: The official at a College who is responsible for reviewing and processing student discipline matters.

2.7 President: The President of Cypress College, the President of Fullerton College, and the Provost of the School of Continuing Education.

2.8 Day: A day during which the District administrative offices are open for business. The time limits set forth in these procedures for action by the Student Discipline Officer, President, hearing officer or panel, and Board of Trustees are guidelines; failure to strictly adhere to these time limits shall not invalidate any action otherwise appropriately taken hereunder.

2.9 Expulsion: The involuntary removal of a student from the District and all District programs for one or more terms, or permanently, by action of the Board of Trustees.

2.10 Formal Hearing: A hearing conducted before a hearing officer or hearing panel in accordance with section 4.0 of these procedures during which the student and the District may call and examine witnesses and present documentary evidence.
Informal Hearing: A meeting between the student and the Student Discipline Officer or designee in accordance with section 3.2.3 of these procedures to discuss the charges and provide the student with the opportunity to respond to the charges orally, or in writing.

Suspension: The involuntary removal of a student for good cause from one or more classes or from the college by the President or designee for a limited period of time, as follows:

2.12.1 Short-Term Suspension: Removal from one or more classes for a period of up to 10 consecutive days of instruction;

2.12.2 Long-Term Suspension: Long-term suspension may consist of:

   2.12.2.1 Removal from one or more classes for the remainder of the academic term;

   2.12.2.2 Removal from one or more classes for one or more academic terms; or

   2.12.2.3 Removal from all classes and activities of the College for one or more academic terms.

2.12.3 A student placed on suspension from one or more classes may not, for the period of the suspension, be enrolled in any class or program at any College in the District that is substantially similar to the class(es) or program(s) from which the student is suspended.

2.12.4 A student placed on suspension from all classes and activities of a College may not be enrolled in any College or program in the District for the period of suspension.

Removal from Class: The involuntary removal of a student from class by an Instructor for a maximum period of two consecutive class sessions.

Removal from Facility: The involuntary removal of a student by an administrator from a District or College facility, or facility under the control of the District or College for a maximum period of two consecutive days.

Disciplinary Probation: A status between good standing and suspension or expulsion. It covers a stated trial period and disciplinary conditions required of the student. At the end of the trial period, it shall be determined, based on whether the probationary conditions have been met, whether the student is to be returned to good standing, suspended, recommended for expulsion, or subject to other disciplinary action.
AP 5500 Standards of Student Conduct and Discipline

2.16 Loss of Privileges: Disciplinary action involving the loss of certain student privileges, such as eligibility to participate in extracurricular activities, for a stated period of time.

2.17 Formal Reprimand: Written admonition or warning to cease and desist from conduct that has been determined to violate the standards of student conduct. A formal reprimand becomes part of a student's permanent record and is considered in the event of future violations of the standards of student conduct.

2.18 Informal Reprimand: An oral admonition or warning to cease and desist from conduct that has been determined to violate the standards of student conduct. A record of the fact that an informal reprimand has been given may be retained as part of a student's record for a period of up to one year and is considered in the event of future violations of the standards of student conduct during the period of retention. It is the student's responsibility to request that the record be removed upon expiration of the period of retention.

2.19 Withdrawal of Consent to Remain on Campus: Withdrawal of consent by the President or the President's designee for a student or other person to remain on a College campus in accordance with California Penal Code section 626.4 where the College President has reasonable cause to believe that the student has willfully disrupted the orderly operation of the campus.

3.0 Procedures for Implementing Disciplinary Action

3.1 Removal of Student From Class or From a Facility

3.1.1 Removal From Class by an Instructor: An Instructor may order a student removed from class for good cause. Removal shall be for a maximum period of two class sessions, which shall be the day of the removal and the next class meeting.

3.1.2 Removal From a Facility by an Administrator: For good cause, an administrator may order a student removed from a facility for the day of the offense and the next day.

3.1.3 The student shall be advised of the removal and the reasons therefore. The Instructor or Administrator shall immediately report the removal, through established College administrative channels, to the Office of the President and to the Student Discipline Officer for appropriate action and shall submit, through those channels, a written report describing the conduct warranting the removal to the Student Discipline Officer within ten (10) days of the removal.

3.1.4 The appropriate program administrator or the Student Discipline Officer shall conduct a meeting with the student. If the student is a minor, the Student Discipline Officer shall ask the parent or guardian of the student to attend a parent conference with the Instructor; if the removal was from
class, or if the removal was from a facility, with the administrator who ordered the removal, as soon as possible. If the Instructor, administrator, or the parent or guardian so requests, the Student Discipline Officer shall attend the conference.

3.1.5 During the period of removal, the student shall not be returned to the class without the concurrence of the Instructor or, if the removal is from a facility, without the concurrence of the administrator who ordered the removal.

3.1.6 Nothing herein shall prevent the President or Student Discipline Officer from recommending further disciplinary action in accordance with these administrative procedures based on the conduct which prompted the removal.

3.2 Suspension or Expulsion

3.2.1 Except in the case of immediate interim suspension as provided in section 3.3 of these procedures, before implementing disciplinary action to suspend or expel a student, the student shall be provided with a written notice of the conduct warranting the discipline, which shall include:

3.2.1.1 the section(s) of the Standards of Student Conduct the student is charged with violating;

3.2.1.2 a brief statement of the facts supporting the charges;

3.2.1.3 the right of the student to an informal hearing with the Student Discipline Officer or designee to discuss the charges, or to respond in writing; and

3.2.1.4 the nature of the proposed disciplinary action.

3.2.2 The notice shall be provided to the student within thirty (30) days of the date on which the conduct occurred or the date on which an Instructor or other official of the District learned of the conduct; or, in the case of continuous, repeated, or ongoing conduct, the notice shall be provided within thirty (30) days of the date of the most recent occurrence. Within five (5) days of receiving the notice, the student may submit to the Student Discipline Officer a written request for an informal hearing, as provided in section 3.2.1.3. In addition to, or in lieu of requesting an informal hearing with the Student Discipline Officer, the student may submit a written response to the charges. Notice is deemed received as of the date it was personally delivered or three (3) days after it was placed in the United States mail.
3.2.3 If the student requests an informal hearing as provided in section 3.2.1.3, the Student Discipline Officer shall hold an informal hearing during which the student shall be given an opportunity to respond orally or in writing to the charges.

3.2.4 Within five (5) days after the informal hearing, or within ten (10) days after the student has received the written notice pursuant to section 3.2.1 and has declined or failed to request a meeting, the Student Discipline Officer shall provide the President with a written recommendation regarding the specific disciplinary action to be imposed, if any, which shall include the factual findings regarding the charges and conclusions as to the standards of student conduct that were violated, if those findings and conclusions differ in any material respect from the initial notice.

3.2.5 Within five (5) days after receipt of the recommendation of the Student Discipline Officer, the President shall render a decision regarding the disciplinary action to be implemented, if any, and shall provide written notice of the decision to the student. The President may accept, modify or reject the recommendation of the Student Discipline Officer.

3.2.5.1 Short-Term Suspension or Lesser Disciplinary Action:
Where the decision of the President is to impose short-term suspension or some lesser disciplinary action, the decision of the President shall be final. The written notice to the student of the President's decision shall specify the length of time of the suspension or the nature and duration of the lesser disciplinary action.

3.2.5.2 Long-Term Suspension

3.2.5.2.1 Where the decision of the President is to impose long-term suspension, the student shall have the right to request a formal hearing before the suspension is imposed.

3.2.5.2.2 The written notice to the student of the President's decision shall specify the right of the student to request a formal hearing and shall include a copy of the formal hearing procedures.

3.2.5.2.3 Within five (5) days of receiving the written notice of the President's decision, the student may submit to the President a written request for a formal hearing. Notice is deemed received as of the day it was personally delivered or three (3) days after it
was placed in the United States mail. The hearing, if requested, shall be conducted in accordance with the provisions of section 4.0 of these procedures. If the student does not request a hearing within five (5) days of receiving notice, the President's decision shall become final.

3.2.5.2.4 Within five (5) days after receipt of the recommended decision of the hearing officer or panel, the President shall render a final decision regarding the disciplinary action to be implemented, if any, and shall provide written notice of the decision to the student. The President may accept, modify or reject the findings, conclusions and recommendations of the hearing officer or panel. If the President modifies or rejects the decision of the hearing officer or panel, the President shall review the record of the hearing and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the President shall be final.

3.2.5.3 Expulsion

3.2.5.3.1 A student may be expelled for good cause where other means of correction have failed to bring about proper conduct or when the presence of the student causes a continuing danger to the physical safety of students or others. Only the Board of Trustees may expel a student.

3.2.5.3.2 Where the decision of the President is to recommend expulsion to the Board of Trustees, the student shall have the right to request a formal hearing before expulsion is imposed.

3.2.5.3.3 The written notice to the student of the President's decision shall specify the right of the student to request a formal hearing and shall include a copy of the formal hearing procedures.

3.2.5.3.4 Within five (5) days of receiving the written notice of the President's decision, the
student may submit to the President a written request for a formal hearing. Notice is deemed received as of the date it was personally delivered or three (3) days after it was placed in the United States mail. The hearing, if requested, shall be conducted in accordance with the provisions of section 4.0 of these procedures. If the student does not request a hearing within five (5) days of receiving the notice, the President's decision shall become final.

3.2.5.3.5 Within five (5) days after receipt of the recommended decision of the hearing officer or panel, the President shall render a decision regarding the disciplinary action to be implemented, if any. The President may accept, modify or reject the findings, conclusions and recommendations of the hearing officer or panel. If the President modifies or rejects the decision of the hearing officer or panel, the President shall review the record of the hearing and shall prepare a new written decision, which contains specific factual findings and conclusions.

3.2.5.3.5.1 Where the decision of the President is to impose suspension or some lesser disciplinary action, the decision of the President shall be final. The student shall be provided with a written notice of the President's decision, which shall specify the length of time of the suspension or the nature of the lesser disciplinary action.

3.2.5.3.5.2 Where the decision of the President is to recommend expulsion, the written recommendation of the President shall be submitted to the Board of Trustees for consideration in accordance with section 5.0 of these procedures. The Board of
Trustees shall consider the recommendation for expulsion at the next regularly scheduled meeting of the Board following the meeting at which the recommendation was received.

3.2.6 The College President shall report all suspensions of students to the Chancellor.

3.2.7 Whenever a minor student is suspended, the parent or guardian shall be notified in writing by the President or designee.

3.2.8 In cases of assault, the Chancellor or President shall, upon the expulsion or suspension of any student, notify the appropriate law enforcement authorities of any acts of the student which may be in violation of Section 245 of the Penal Code.

3.3 Immediate Interim Suspension: The President or designee may order the immediate suspension of a student where there is reasonable cause to believe that immediate suspension is required to protect lives or property and to ensure the maintenance of order. Where a student is placed on interim suspension, the procedural time limits specified in these procedures shall not apply. The student shall be given prompt notice of the charges and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, shall be afforded the student within ten (10) days of the imposition of interim suspension. The student shall not, without prior written permission from the President or designee, enter the campus of any College other than to attend the hearing. Violation of the interim suspension conditions shall be grounds for expulsion.

3.4 Withdrawal of Consent to Remain on Campus

3.4.1 The President or designee may withdraw consent for a student to remain on the College campus, in accordance with California Penal Code Section 626.4, where there is reasonable cause to believe that the student has willfully disrupted the orderly operation of the campus. A student who is on campus at the time consent is withdrawn shall promptly leave or be escorted off campus. Whenever consent is withdrawn by an authorized designee of the President, a written report shall be promptly submitted to the President.

3.4.2 Consent shall not be withdrawn for longer than fourteen (14) days from the date upon which consent was initially withdrawn. The student from whom consent has been withdrawn may submit a written request for a hearing to the Student Discipline Officer. The request must be submitted within the period of the withdrawal. A hearing, if requested, shall be held
within seven (7) days of the date of receipt of the request. The hearing shall be conducted in accordance with the provisions of this procedure relating to interim suspensions.

3.4.3 A student from whom consent to remain on campus has been withdrawn and who willfully and knowingly enters or remains upon the campus or facility during the period for which consent has been withdrawn, except for the purpose of attending a meeting or hearing on the withdrawal, is subject to arrest.

4.0 Formal Hearing Procedures

4.1 Hearing Officer or Panel

4.1.1 At the discretion of the President, a formal disciplinary hearing may be conducted using the services of a hearing officer, or the President may select an impartial hearing panel comprised of two educational administrators at the level of dean or vice president, one of whom shall be selected from another college within the District.

4.1.2 The President shall appoint one member of the panel to serve as the chair of the hearing panel. The decision of the chair shall be final on all matters relating to the conduct of the hearing.

4.1.3 No administrator who has any direct involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

4.2 Notification of Hearing: The student, and the student's parent or guardian, if the student is a minor, shall be notified by registered or certified mail or by personal service of the date, time, and location of the hearing.

4.3 Conduct of Hearing

4.3.1 Prior to the hearing, the members of the hearing panel shall be provided with a copy of the charges against the student and any written response provided by the student.

4.3.2 The hearing shall be closed and confidential.

4.3.3 The student shall have the right to represent himself/herself at the hearing or to be represented by a person of the student's choice, except that neither the student nor the District shall be represented by legal counsel unless authorized by the hearing officer or panel, in which case both parties shall be entitled to be represented by legal counsel.

4.3.4 A record of the hearing shall be made by the District, either by means of tape recording or stenographic recording, and shall be the only recording
made. In the event the record is by means of tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify himself/herself by name, and thereafter shall ask each witness to identify himself/herself by name. Tape recordings shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may receive a copy of the tape recording upon request.

4.3.5 Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

4.3.6 The hearing officer or panel shall not have the authority to issue subpoenas on behalf of either the District or the student.

4.3.7 Charges against the student, along with supporting evidence from witnesses or other sources, will be presented by the District.

4.3.8 The student shall be given the opportunity to confront and cross-examine witnesses.

4.3.9 The student shall be given an opportunity to present a defense, including witnesses and documentary evidence.

4.3.10 The District shall have the opportunity to cross-examine the student and witnesses called by the student.

4.3.11 Unless the hearing officer or panel determines to proceed otherwise, the District and the student shall each be permitted to make an opening statement. Thereafter, the District representative shall make the first presentation, followed by the student. The District representative may present rebuttal evidence after completion of the student's presentation.

4.3.12 All testimony shall be taken under oath; the oath shall be administered by the hearing officer or hearing panel chair. Witnesses shall not be present at the hearing when not testifying. No witness who refuses to be recorded may be permitted to give testimony. Written statements of witnesses under penalty of perjury shall not be admissible unless the witness is unavailable to testify. A witness who refuses to be tape-recorded is not unavailable.

4.3.13 The hearing officer or hearing panel chair may determine that requiring live testimony of a proposed witness would subject the witness to an unreasonable risk of psychological or physical harm. After such a determination, the witness may be permitted to provide a written statement under penalty of perjury in lieu of testifying at the hearing.

4.3.14 The burden shall be on the District to introduce substantial evidence to support the charges against the student.
4.3.15 Within fifteen (15) days following the close of the hearing, the hearing officer or panel shall prepare and submit a written decision to the President. The decision shall include specific factual findings regarding the charges, conclusions as to the standards of student conduct that were violated, and a recommendation regarding the specific disciplinary action to be imposed, if any. Failure of the hearing officer or panel to submit its written decision within fifteen (15) days shall not invalidate the decision.

5.0 Procedures for Consideration of Expulsion by Board of Trustees

5.1 The Board shall hold closed sessions when it considers disciplinary action regarding expulsion of a student. The Board shall notify the student, and the parent if the student is a minor, by registered or certified mail or by personal service of the intent of the Board to call a closed session to consider the expulsion. The notification shall specify the date, time and place of the meeting at which the Board will consider the disciplinary action and shall be provided at least three (3) days prior to the meeting. Final action by the Governing Board may be taken in closed session, provided that the action of the Board shall be reported in public session. The student shall not be identified by name or other designation that would disclose the identity of the student.

5.2 In considering a recommendation for expulsion, the Board may accept, modify or reject the findings decisions and recommendations of the President and/or the hearing officer or panel. If the Board modifies or rejects the decision of the President and/or the hearing officer or panel, the Board shall review the record of the formal hearing, and shall prepare a new written decision, which contains specific factual findings and conclusions. The decision of the Board shall be final. The student, and the student's parent or guardian, if the student is a minor, shall be notified in writing of the Board's decision.
Resolution No. 16/17-18, Support for Students and Privacy of Student Records

RESOLUTION OF THE BOARD OF TRUSTEES OF THE NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT

Resolution No. 16/17-18, Support for Students and Privacy of Student Records

WHEREAS, California community colleges were founded with the goal of fostering excellence and guaranteeing educational access for all; and

WHEREAS, the North Orange County Community College District (the District) is committed to serving all students who can benefit from a post-secondary education, without regard to race, ethnicity, religion, national origin, immigration status, age, gender, language, socio-economic status, gender identity or expression, medical condition or disability; and

WHEREAS, California’s diversity is a great source of innovation and industry, making California one of the largest economies in the world and an economic engine for the United States; and

WHEREAS, California’s workforce is undocumented and contributes $130 billion annually to our state’s gross domestic product, according to the California Assembly; and

WHEREAS, the District seeks to reassure students and our community that our campuses will remain welcoming places for students of all backgrounds to learn; that no changes have been made with regard to admissions or financial aid; and that financial aid for certain undocumented students is protected by state law; now

THEREFORE, BE IT RESOLVED, that the District declares that its campuses shall remain open and welcoming to all students who meet the minimum requirements for admission, regardless of immigration status, and that financial aid remains available to certain undocumented students; and be it further

RESOLVED, that the District will not enter into any agreements with law enforcement agencies to assist in the enforcement of federal immigration law; and be it further

RESOLVED, that in accordance with Board Policy, the District will not release any personally identifiable student information related to immigration status without a judicial warrant, subpoena or court order, unless authorized by the student or required by law; and be it further

RESOLVED, that the District urges the new United States presidential administration to continue the Deferred Action for Childhood Arrivals program, which grants “Dreamers” – people brought to this country as children by their parents – reprieve from deportation because California and the United States are both stronger due to their contributions to our economy and to our communities; and be it further

RESOLVED, that the District will join the California Community Colleges Board of Governors and Chancellor’s Office to vigorously advocate to protect our students and our values.
