

# Where to get the vaccine?

- Othena app/Othena.com
- FEMA- supplies CVS, Rite Aid, Walgreens from an outside supply of vaccine
- MY TURN- C-19 online scheduling from CDPH
- Individual providers- Kaiser, Providence, Memorial Care, UCI Health. They may make appointments available to their local communities
- **1B- all educators & staff NOW- go to the different sites and register!**
- OC IHE working on a site specific for staff and faculty of OC IHE- more to come on this process

\*\*ALL IS DEPENDENT ON VACCINE AVAILABILITY- this may look very different in 2 weeks and as more vaccine is available
