COUN 077 C Overcoming Academic Challenges and Completing Goals Units:1 Lecture:1 Laboratory:0	*New Course *Advisory: This course is designed for students who are eligible for services from Disability Support Services (DSS) *Grading Option: Pass/No Pass	20	While the instructor does lecture, much of the class time focuses on discussion, group learning, and/or formal/informal student presentations. Evaluation primarily through objective exams. Writing assignments are assessed mostly for concepts and structure. This course is for students with disabilities and the course involves hands-on teaching, so a smaller class size is warranted.	2020 Fall	Executive Function skills are directly related to a student's success.
