MODIFY DEGREES/CERTIFICATES																																																																		
DEGREE		EFF DATE	JUSTIFICATION																																																															
Counseling and Guidance	<p>CSU General Education (CSU GE Breadth) Certificate of Achievement This certificate allows the student to complete Certification of General Education Requirements for the California State University (CSU) system. To meet general education requirements and obtain certification, students must complete the pattern of courses in the categories listed. Certification is not automatic. Students must apply for GE certification through the Admissions and Records Office by the published deadline during the semester in which requirements will be completed or thereafter. The course must be on the list when it is taken in order to be certified. Students should refer to the Cypress College CSU GE-Breadth Certification List on www.assist.org to verify that a course was valid when it was taken. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Some universities will not allow students to count courses in their major field as part of general education. Students should check with a counselor and review the university catalog for further clarification. In order to earn this certificate, students must complete 39 semester units or 58.5 quarter units.</p> <p>Note: CSU/IGETC Certificate of Achievement only confirms completing CSU and/or UC general education requirements and does not meet Associate degree or transfer requirements. Refer to the College Catalog and meet with a Counselor for additional information.</p> <p>A. Counseling and Guidance	Intersegmental General Education Transfer Curriculum (IGETC) Certificate of Achievement			2021 Fall	Course changes within the certificate. Annual update to include addition of IGETC courses based on annual cycle. Adding 2021-22 GE approvals. Total units remain the same.
	Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Cypress College to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. However, students approaching readiness for transfer who are unable to complete one or two IGETC courses that are not required for admission to the university may request to complete IGETC after transferring. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Transfer students may also fulfill general education requirements that are specific to the school or campus to which they intend to transfer. Completion of IGETC is NOT an admission requirement to CSU or UC. It is NOT advisable for students who are pursuing majors that require extensive lower division preparation, such as engineering, to follow IGETC. Students				

must apply for IGETC certification in Admissions and Records. All courses must be completed with grades of C or better. Courses must be at least 3 semester or 4 quarter units in order to meet IGETC requirements. Courses must be on the college's approved IGETC list at the time the course was completed. Students should confer with their counselor regarding these requirements.

Note:

CSU/IGETC Certificate of Achievement only confirms completing CSU and/or UC general education requirements and does not meet Associate degree or transfer requirements. Refer to the College Catalog and meet with a Counselor for additional information.
