## Cypress College Health Science Application - Colleges (list all)

Colleges (list all) (Checklist item 4 of 8)

In order to verify your overall GPA you must **list** and **submit** transcripts from all regionally accredited colleges even if the classes taken do not directly relate to the program in which you are applying. This includes any colleges where there is a record of you attending which includes "W" (withdrawal). Failure to do so will make your application ineligible.

We may use the Nation Student Clearinghouse to verify your information.

Enter your current college information on this page, including Cypress College and Fullerton College. If necessary, click **Enter or View another College** to enter information about another college. All colleges attended must be submitted.

When you're finished, click **Continue** to navigate to the next section.

Students who have attended colleges and universities outside of the United States and believe they have successfully completed courses applicable to the Associate Degree/Certificate requirements must have their transcripts evaluated by one of the approved NACES evaluation agencies. Evaluations need to be done course by course with grades and units. Evaluations for degree equivalency recommended if student is applying for Dental Hygiene, Health Information Technology or Radiologic Technology programs. <http://www.naces.org/members.htm>

One OFFICIAL college transcript FOR EACH COLLEGE ATTENDED must be **listed** and **submitted**. If your college/university transcripts can only be sent to the Admissions office, please note this in the Footnotes section.
