Cypress College Health Science Application - Application Checklist

This is a checklist of your application sections. When you have completed a required section, a checkmark will appear by that section.

One OFFICIAL high school transcript, or GED or High School Proficiency must be submitted. A copy of your high school diploma will also be accepted.

One OFFICIAL college transcript FOR EACH COLLEGE AND UNIVERSITY ATTENDED including dual enrollment (college or university classes taken while in high school) must be listed and submitted.

Official transcripts must be submitted. If your college/university transcripts can only be sent to the Admissions office, please note this in the Footnotes section. Transcripts sent to Admissions and Records can only be uploaded once a student has a CC ID (@00000000).

I am certifying that the information that I am submitting on my web application is complete and correct and that I fully understand that the penalties for providing false information may include suspension and/or expulsion if I am admitted to the program.

SAMPLE Radiologic Technology Application

Cypress College Health Science Application - Colleges (list all)

Colleges (list all) (checklist item 4 of 8)

In order to verify your overall GPA you must list and submit transcripts from all regionally accredited colleges even if the classes taken do not directly relate to the program in which you are applying. This includes any colleges where there is a record of you attending which includes ‘W’ (withdrawal) and dual enrollment (college or university classes taken while in high school). Failure to do so will make your application ineligible.

We may use the Nation Student Clearinghouse to verify your information.

Enter your current college information on this page, including Cypress College and Fullerton College. If necessary, click Enter or View another College to enter information about another college. All colleges attended must be submitted.

When you’re finished, click Continue to navigate to the next section.

Students who have attended colleges and universities outside of the United States and believe they have successfully completed courses applicable to the Associate Degree/Certificate requirements must have their transcripts evaluated by one of the approved NACES evaluation agencies. Evaluations need to be done course by course with grades and units. Evaluations for degree equivalency recommended if student is applying for Radiologic Technology programs. http://www.naces.org/members.htm

ALL COLLEGES OR UNIVERSITIES ATTENDED must be listed, including dual enrollment college or university classes taken while in high school.

Official transcripts must be submitted. If your college/university transcripts can only be sent to the Admissions office, please note this in the Footnotes section. Transcripts sent to Admissions and Records can only be uploaded once a student has a CC ID (@00000000).

Click here for a list of the College(s) that you have already entered.

* indicates a required field.

College Information:

College Name: 
College City: 
College State: None
College Country: None
College Degree Awarded: None
College Degree Year: Year (YYYY)

Enter or View another College or Degree

Make sure to click ‘Enter another college’ to add each college attended (including W’s and dual enrollment courses). All colleges attended must be listed for application to be considered eligible.
Cypress College Health Science Application - High School or Equivalent

High School or Equivalent (Checklist item 5 of 8)

⚠️ Applicants who have earned a college degree have satisfied this requirement and do not need to provide High School graduation or equivalent information. You may click on the Continue button to continue to the next section.

Either put in:
- College Degree Information
- High School information
- put in GED
- put in High School Prof.

You cannot enter more than one.
SAMPLE Radiologic Technology Application

Cypress College Health Science Application - Course Prerequisites

Course Prerequisites (checklist item 6 of 8)

Enter information for the program prerequisites and requirements that you have met.

Courses indicated by * are required. If you have not taken these courses, you are ineligible for acceptance into the program and may not complete this online application.

Transcripts verifying the information entered below must be submitted by the deadline date, or your application will be rejected.

One OFFICIAL college transcript FOR EACH COLLEGE AND UNIVERSITY ATTENDED must be listed and submitted. If transcripts are sent to records it is the students responsibility to notify the Health Science Application office that they are in records. If your college/university transcripts can only be sent to the Admissions office, please note this in the Footnotes section.

</tbody>
</table>

Notes:

A For Tests or Exams, select the appropriate value under Course Grade (other fields in that row may be left blank).

C If you have already completed English 100 or a comparable class, please enter it here.

D For completion of a comparable class at ROP, School of Continuing Education or vocational college that has been approved with a course substitution, select "Course Substitution" under Course Grade and enter the "Course Title" in the Course Taken field (other fields may be left blank).

E The grade for this course is not used to calculate your GPA for points for this program.

All boxes within each required line must be filled in or the page will not save and an error will occur, unless AP or Degree is selected in the course grade column.

If a college is not listed in the drop down menu, the college needs to be added to the list of colleges attended in the ‘previously attended college(s)’ section.

### Notes

A. For Tests or Exams, select the appropriate value under **Course Grade** (other fields in that row may be left blank).

B. For application purposes only, a degree from a regionally accredited college/university will satisfy the Reading requirement.

C. Only Cypress College reading proficiency tests will be accepted.

D. See **CC Native GE Requirements** for options.

---

All boxes within each required line must be filled in or the page will not save and an error will occur, unless AP or Degree is selected in the course grade column.

If a college is not listed in the drop down menu, the college needs to be added to the list of colleges attended in the ‘previously attended college(s)’ section.
Cypress College Health Science Application - Footnotes (optional)

Footnotes (optional) (checklist item 8 of 8)

Briefly note any pre-approved petitions for exceptions, course substitutions, current transcripts that have already been turned in to the Health Science Application office or any other related approved application information.

This section is optional and is not required to be filled in order to submit your application.

When you're finished, click **Continue** to navigate to the next section.

Footnotes are optional and used to clarify something in the application.

Your application will be reviewed by the Health Science Application Office when we have received all supporting documents. You may check the status of your application at any time by logging back into this web site.

Transcripts must be received by Friday, March 13, 2020 at 5:00 pm. All official transcripts (except Cypress College and Fullerton College, which may be unofficial and can be printed from myGateway) must be submitted to the Health Science Application Office.

You must print out and sign the following declaration and deliver it in person (along with the required supporting documents) to:

Health Science Application Office
Cypress College
9200 Valley View Street
Building 13 T31, Room 217
Cypress, CA 90630

Health Science Application Office Hours: M-F 8:30a-2p-5:30. It is the applicant's responsibility to check the most recent schedule for campus closings.

Notification emails will be sent out no later than May 1 for Fall applicants and December 1 for Spring applicants.

Your required documents are:

***Please submit a complete packet of your required documents to the Health Science application office. We will not accept transcripts that have been opened prior to submission or printed PDF documents. ***

☐ Signature Page
☐ Unofficial Cypress College transcript
☐ San Diego State University official transcript

Notes:
Transcripts already with Cypress College Admissions and Records, but will provide updated ones within the week.

X If you are reapplying to this program, you can mail in this signature page.

I certify that the information given in this application to the Radiologic Technology program is complete and correct. I understand that the penalties for providing false information may include dismissal from the Radiologic Technology program.
