Hello Charger,

Registration for the fall 2021 semester is well under way, and we want to ensure that we're helping you reach your educational goals.

The majority of course instruction in the fall will continue in a remote/online format; however, approximately 20% of courses will be offered on campus. Many classes still have seats available, so for the widest selection of courses we encourage you to select and register for classes at your earliest convenience. The semester starts on Monday, August 23, 2021, so act now!

Register online for fall 2021 classes by logging in to myGateway and clicking on “Add or Drop Classes” in Registration Tools. If you’re unsure of what steps to take for registration, or you need assistance, click here for next steps and ways we’re here to help.
