

# Legacy Program

September 2015

*The mission of the Legacy Program is to provide students with a strong academic program, instructional resources, and motivational support that will support facilitate their progression toward transferring to four-year institutions. With its basic skills and transfer level holistic curriculum and interactive activities that emphasize the African American experience in the United States, the Legacy Program is geared specifically toward student populations who are underrepresented in higher academia.*

Over 70 students, faculty and staff attended Legacy's Mentoring Dinner. Representatives from over 15 departments came to support the 2015-2016 Legacy Scholars. Professor Virgil Adams and Stephanie Eaves facilitated a myriad of team building exercises.
