

Highlights from the November 19, 2014 Safety Committee

Facilitator: Robert Riffle

Members: Steve Banneck, Alex Bernal, Karen Cant, Marcia Jeffredo, Marla McBride, Tami Oh, Valentina Purtell, Robert Riffle, Denise Simpson, Robyn Sumpter, Debbie Valentine

Members Present: Robert Riffle, Marcia Jeffredo, Marla McBride, Tami Oh, Shirley Smith, Debbie Valentine

Campus/District Radio Project is in the works. Antennas are being added to the rooftops of the Cypress College Business Building and District headquarters for a stronger signal between the campuses on emergency channel 5.

Robert Riffle will contact student and faculty constituencies to round out member representation.

Notification is being sent to vendors making deliveries not to drive beyond the motorized gate behind the book store.

Bloodborne Pathogen and Hazard Communications Program training for staff was completed last week.

ASCIP (Alliance of Schools Cooperative Insurance Program) recently concluded their safety audit walk with Debbie Valentine. Robert Riffle is reviewing the report in order to plan for corrective actions.

October 16th Great Shakeout drill feedback—problems with viewing the video were reported.

Automatic operators have been ordered for the Production Center/Mailroom, EOPS, Veterans Center and Financial Aid. Installation is scheduled to take place in December.

How to raise safety concerns: Safety Concern Forms are available at j:\safety meeting minutes\safety concern (on the J Drive). Submit to Campus Safety office.

Next meeting: Wednesday, January 21st, 11:00am -12:00pm
