

Safety Committee Minutes – May 20, 2015

Call to order 11:08 am

Present: Bob Riffle, April Guajardo, Marcia Jeffredo, Tami Oh, Shirley Smith, Robyn Udell.

Absent: Alex Bernal , Debbie Valentine, Steve Banneck, Karen Cant, Valentina Purtell, , Marla McBride, student representative

Skateboarding: Locally, Tami only found a “no-wheels” at UCI. It was brought up that SDSU has a “no-wheels” policy. The school does not discourage students from using skateboards or bicycles as transportation to and from campus, but they must walk once they arrive on campus. No recommendation made at this time.

Automated External Defibrillators: P.E. and Campus Safety should have them. Not all academic departments are comfortable with the responsibility. Bob Riffle will contact Deans to survey if any additional departments want to have an AED. Currently Campus Safety has three vehicles equipped with newer AEDs, and two aging AEDs in their office.

At least six new AEDs will be purchased:

1 – Gym 2 P.E. Office

1 – Fitness Center

1 – Trainer’s Office

1 – Pool Deck

2 – Campus Safety Office

Annual training sessions for AED use will be scheduled by Ken Robinson in the District Equity Office in collaboration with Debbie Valentine, Occupational Health and Safety.

Campus Safety performs daily checks on AEDs. Debbie Valentine performs an annual audit of AED inventory.

Timely warning: Three out of five committee attendees has received most recent alert.

Bees: Prefer contracting with beekeepers instead of exterminators.

Adjourned at 12:00 pm

Next meeting: Wednesday, September 16, 2015
