

Safety Committee Minutes – October 12, 2016

Call to order 11:10 a.m.

In attendance: Bob Riffle, Mario Gaspar, April Guajardo, Marla McBride, Louella Nelson, Tammy Oh, Shirley Smith, Student Reps: Amy Castellanos, Kayla Zuniga

Louella Neslson introduced herself as a new member of the Safety Committee and we welcomed her.

Old Business:

Stryker Chairs, CC Administration will fund two additional Stryker chairs at this time with the remainder to be funded in the future. SCE has requested an additional chair for Tech ED II. We recommended that they procure with their funding for any additional chairs. We support placing one Stryker Chair per each upper level in all multilevel buildings.

New Business:

Minor Consent: Marla withdrew this item from the agenda.

Good of the order:

Marla stated that student and non-student threats are increasing on Campus and we need to be more cognizant of threat assessment. There is a program that is used to track these types of issues, the individuals responsible and their actions. The District is looking into a threat tracking program for possible implementation and the Cypress College Safety Committee supports this. Tammy Oh will inquire on Status of this through Human Resources and gather more information.

Tammy Oh reminded us that there are many informational items available for us to use on the District website/mygateway regarding disaster preparedness, threats, hazardous communications etc.

Bob Riffle, reminded us of the upcoming October 20, 2016, Great California Shake Out drill and that we will be having an AM and PM drill Campus Wide.

Adjourn: 11:50 a.m.
