Wall Honoring 9/11 Victims, Military Killed in War on Terror to Visit

The Global War on Terror Wall of Remembrance will be on display in the Gateway Plaza beginning November 5.

Cypress College’s Veterans Resource Center and the Cypress College Veterans Organization are hosting a display of a wall honoring the victims of the 9/11 terrorist attacks and the military personnel killed in the subsequent conflicts in Iraq and Afghanistan.

Display of the Global War on Terror Wall of Remembrance will begin at 8 a.m. on November 5 and close at sundown on November 8.

The 6-foot-tall, 94-foot-long wall was designed and built by Vision2Victory, an Orange County-based non-profit whose mission is to fulfill the wishes of combat-wounded veterans.

“It’s the simple acts of kindness — like picking up the check, paying a bill, dropping off food at night, cheering them on to a goal or just lending a shoulder — that makes it all worth it,” the Vision2Victory website says of the group’s mission. “We believe in America and the ability we have to care for our own.”

One side of the wall is a full listing of the names of 9/11 victims and of those who lost their lives in the Global War on Terror.

The other side depicts a timeline of the Global War on Terror, beginning with the 1983 bombing of the U.S. Marines barracks in Beirut, Lebanon, which resulted in the death of 241 Americans.

The wall is capped at each end with towers depicting the World Trade Center. Interactive screens help visitors find names on the wall and retrieve information about the heroes listed on it.

It was unveiled on September 11, 2011, at JT Schmid’s, a restaurant near one of the entrances to Angel Stadium. That evening, the Halos were hosting the New York Yankees.

ShakeOut Drill Results in Impressive Evacuation

Cypress College students and employees were among the 9.4 million Californians who participated in Thursday’s The Great California ShakeOut drill.

The campus broadcast and evacuation progressed impressively, with the drill being completed in roughly 20 minutes.

In addition to the evacuation, the drill tested communications systems. Issues with text messaging were identified and are being addressed. Other communications devices — including a campus-wide speaker system installed by Academic Computing and Maintenance and Operations — performed well during the drill.

‘Pull for Cypress’ Campaign Closes With New Record for Participation

The Cypress College Foundation’s 2012 “Pull for Cypress” campaign reached its formal end with another new record total for participation of 214 commitments — one more than last year.

“Against the backdrop of the worst economic environment in our lifetime — and I’m almost certain with fewer college employees than a year ago — this is an extraordinary and fitting testimony to our Cypress College faculty and staff,” said Raúl Álvarez, executive director of the Foundation and Community Relations. “We normally get a few donations after our formal end, so I expect the number to go up slightly.”

gested by “The Trapp Family Singers” by Maria Augusta Trapp.

In the musical, Maria is a sweet young postulant, whose love of freedom makes it obvious to her superiors that she is not suited for religious life. Thus, she is sent off to be the governess to Captain von Trapp's seven troublesome children. Unlike previous governess', Maria becomes friends with the children due to their mutual love of music. Soon, even the strict Captain begins to admire Maria. Eventually, the Captain and Maria fall in love and are married. Unfortunately, when the Nazis invade their homeland, Austria, the whole family is forced to flee over the Alps to escape.

Polling Shows Proposition 30 with a Narrow Lead

Recent polling indicates Proposition 30 at 51-52% in favor. In order to pass, Prop. 30 must not only receive a majority of votes in support, but it must also receive more votes than Prop. 38.

"Donate A Day of Service"

The 3rd Annual "Donate A Day of Service" was a great success thanks to many volunteers! We would like to thank those hands that contributed to the success of this important event. Close to 300 hundred students participated in the following service activities:

1. Letters to the Military were written by students to raise the spirits of those serving far from home.

2. American Red Cross Disaster Relief Bracelets were purchased and donations will go to help many victims of disasters around the world (Bracelets are still available for purchase [$2.00] in the Transfer Center).

3. Gently used clothing was gathered and donated to the Salvation Army.

4. Voter Registration/Education encouraged many of our students to officially register as voters and be more aware of their ability to make a difference with their votes.

5. Chalk Talk allowed student to creatively record their feeling and impressions about service in a designated area on the concrete.

6. Students also were able to learn about how to volunteer on campus.

7. The Career Center offered students information on jobs and career paths available in the non-profit field.

8. Halloween crafts were made by students to be delivered to ill children at CHOC.

9. Grounds supplied students with flowers to plant on campus in a beautification project.

10. Books were donated for a children’s shelter and the Language Arts Scholarship Book sale.

11. Numerous non-profit agencies from the local community were available to share how students can get involved off campus. Thanks go out to Tiger Woods Learning Center, The Orange County Food Bank, The Boys and Girls Club of Cypress, Big Brothers and Sisters of Orange County, and the American Red Cross for sharing their valuable messages.

Special thanks go out to the Associated Students and Service Learning students that orchestrated the entire event, Paul Bottiaux, Becky Rojas, BettyGermanero, Marc Posner, Albert Mirando, Angie Rios, Jose Sioria, and Nina DeMarkey.
