Essex to Chair Measure X Oversight

► The former Cypress city manager and Kay Bruce also join the Foundation Board.

Darrell Essex, the former city manager for Cypress and a longtime friend of the college, is set to become the chair of the Measure X Citizens' Oversight Committee. He is also one of seven new members of the Foundation Board of Directors.

Essex was an active supporter of the college and the District in the bond campaign. He spent 34 years as Cypress city manager, from 1962 to 1996.

Former Library Dean Kay Bruce is also joining the Foundation Board. She is the founder of the Bruce Family Fund for the Library and the Sciences, and brings years of successful grant-writing expertise to the Foundation Board.

Also joining the board are:

- Bill Garcia, vice president of business development, M Squared, Inc. — He has demonstrated commitment to community service and to the community college system. He has lived in Cypress for 10 years and brings expertise in management, fundraising, marketing and public relations.

- Michael Sellers, chief of police, Seal Beach Police Department — Sellers was the 2002 Cypress College Alumnus of the Year. A well-respected law enforcement professional,

Chief Sellers' commitment to community colleges in general, and to Cypress College in particular, is unparalleled.

- Margie Hilgenfeld-Field, Hilgenfeld Mortuaries — She is a past Cypress College Foundation Board member, former City of Anaheim Citizen of the Year, and a 25-year benefactor to Cypress College.

- Bruce Ertmann, corporate manager of field operations and dealer development for Toyota Motor Sales, U.S.A., Inc. — Ertmann is one of several Toyota executives involved with Cypress College. On behalf of Toyota, he accepted the 2002 Distinguished Business Partner award at the 2002 Americana Awards Banquet. Toyota partners with Cypress College as part of the T-TEN automotive program.

- Eddie Marquez, J.D., public affairs region manager for Southern California Edison Company — He is the region manager for six Orange County cities, including Garden Grove and Stanton. Marquez is the legislative and political liaison for all elected officials in his area and is responsible for community relations and charitable contributions. He is on the board of the Orange County Human Relations Commission, a member of the Hispanic Chamber of Commerce Legislative Committee, and is involved with the Hispanic Education Endowment Fund Scholarship Fund, which provides scholarships to Hispanic students.

'Grow Our Own' Leadership Initiative Begins this Week

The Cypress College Leadership Enhancement and Development Series — CC LEADS — will be introduced this Friday by Dr. Lewis in the first of seven workshops. Each session is led by faculty and staff who have participated in college-sponsored leadership activities during the past two years. The lone exception is the December 6 workshop, which will be facilitated by two wonderful staff development presenters from the Company of Experts.

CC LEADS is open to all faculty, staff, administrators, and Associated Students officers. Completed registration forms are due to the Staff Development Office by Monday in order to allow for sufficient handouts, drinks and dessert for all participants. The rewards of participation include: 1/2 equivalent credit unit toward advancement on the pay scale for every 10 hours of workshop attendance by full-time faculty who attend outside their contract hours; classified staff who attend outside their contract hours can earn 1/2 unit professional growth and development unit credit for every nine hours of workshop attendance; all other participants who complete the workshop series will earn a certificate of completion.

The other workshop dates are November 15, December 6, February 7, February 28, March 28, and April 25. All sessions begin at noon and end at 1:30 p.m., except for the December 6 workshop, which is a 3-hour seminar concluding at 3 p.m. Call ext. 47324 for more info. @

CHARGERS

Women's Soccer: The Lady Chargers continue to roll. Cypress, rated second in the state, is 11-0 overall and 6-0 in the Orange Empire Conference. The team's OEC unbeaten streak is at 82 games (77-0-5). Freshman goalie **Jackie James** was chosen the *Orange County Register's* Community College Female Athlete of the Week after posting a pair of shutouts against Riverside and Santa Ana.

Volleyball: After posting a 3-2 record in non-conference action, Cypress opened Orange Empire Conference play last week.

Wrestling: The Chargers boast three of the top wrestlers in the state in their respective weight divisions: 141 lbs. **Steve Avelar** (15-2, eight pins), 125 lbs **Doug Yadon** (12-5) and 157 lbs **Dave Hanaumi** (7-3, three pins). The state tournament will be held at Cypress in December.

Women's Water Polo: The Lady Chargers, one of the top-15-rated teams in the state, have a 12-6-1 record.

OPENINGS

The new phone number is (714) 808-4810.
Applications must be mailed or delivered to:
NOCCCD, Human Resources
1830 Romneya Drive, 9th floor,
Anaheim, CA 92801

Clarke Remembered; Scholarship Booksale Opens

The campus came together last week to remember Bill Clarke, with faculty, staff, administrators and students sharing stories about one of the colleges' most-loved faculty members.

Clarke, a longtime faculty member in Language Arts, passed away in July.

The annual Language Arts Scholarship Booksale will be held Monday through Thursday. Proceeds will fund a scholarship in memory of Bill Clarke in addition to the existing one in the name of J. Robert Leach.

The fundraiser is held each year

in the second-floor Humanities Building lobby, adjacent to the Language Arts Division office.

For information, call ext. 47176.

Oranges, poetry, and a candle were a part of last Thursday's memorial for Bill Clarke.

California Governor Candidates on Campus

The Political Science Department is hosting a forum featuring candidates for California governor on Wednesday, from 9-10:45a.m. in H-131.

Faculty are invited to bring classes to the forum.

Participating candidates are: Iris Adam, Natural Law Party; Peter M. Camejo, Green Party; Gary David Copeland, Libertarian; and Reinhold S. Gulke, American Independent.

Both incumbent Gray Davis and his Republican challenger Bill Simon have been invited. The date of the forum had been changed at the request of the Simon campaign.

The forum is sponsored by the Political Science Department. For more information, contact faculty members Peter Mathews at ext. 47185 and Amy Pritchett at ext. 48231, or Student Advocate Karen Johnson at ext. 48117.

A voter-registration drive is also part of the event.

Construction Corner: Remodel for Efficiency

One of the most exciting Measure X projects will begin to take shape this week: the campus remodel for efficiency. The project is most noteworthy because it will touch every building on campus, culminating in classrooms that function for the needs of today and tomorrow.

Beginning this week, a team of experts will be walking through all of the buildings with Albert Miranda, director of the Physical Plant, and Nancy Byrnes, vice president of Educational Support and Planning, to assess the conditions of the buildings. In addition to the two campus administrators, the team consists of two architects and two construction managers.

They will assess the infrastructure needs and will then develop an esti-

mate to determine the costs involved to bring each building up to a state-of-the-art condition and current building code standards.

In the spring, each division will receive the cost estimates for their building.

Planning meetings will then begin sometime during that semester to develop division needs and a list of priorities for each division. These planning meetings will be led by architects as they design the remodels.

Finally, a schedule of building remodels will be integrated into the master schedule of new construction to produce an overall schedule of planning and construction on campus.

For the latest information, visit the Web site and click on the Measure X logo.

**MEASURE X
CONSTRUCTION
UPDATE**

BRIEFLY

Here are reminders for a set of Staff Development workshops that are upcoming: The Marketing Workshop Series concludes on October 25, from 9 a.m.-12:30 p.m. in the TLC. Utilizing Web Browsers and Instructional Web Sites will be held on October 23 and 25, from 2-5 p.m. in the TLC. Advanced PowerPoint I will be held today, from 2-4 p.m. in the TLC. Finally, the CC LEADS series (see article on page 1) kicks off on Friday.

More information is available by calling the Staff Development Office at ext. 47324.

Speaking of Staff Development, full-time faculty will find their flex contracts in their campus mailbox this week.

The innovative convergence newsroom — a.k.a. the Chronicle — completed another first recently. The student-produced CNC-Live cable news program has been posted to the CyChron.com Web site.

It contains a tribute to Bill Mace by those who worked with him, and 9/11 ceremonies at the college. Visit: rtsp://www.cychron.com/pages/old_site/video/cnc9192002.rm

Subscribe to the e-version of @Cypress by sending an e-mail to mposner@CypressCollege.edu. Put "@Cypress Online" in the subject line. Also be sure to include your name and work area in the body of the e-mail message.

Subject: CNC-Live newscasts for college are online

The season's first production of CNC-Live, the Cypress College student-produced live newscast to the cities of Cypress and La Palma is not available on the web.

It contains a tribute to Bill Mace by those who worked with him.

The Sept. 11 ceremonies in Cypress and La Palma are also in this broadcast.

Use this link to go directly to the page, but please use the table of contents to view the front page and other features, too. <http://www.cychron.com/vnews/display.v/ART/2002/10/01/3d9e770abf585>

You don't have to sit through the sections in which you have not interest. Just move the "slider" down the time line to sample different clips. Bill's piece is at the very first of the tape, however.

Shows two and three will hopefully be mounted late this week. The final newscast of Spring 2002 is also online.

Thank you,
Robert R. Mercer

CYPRESS

COLLEGE
Go Places

Educational Excellence

Students and staff are proud of the many top-quality academic and vocational programs at Cypress College. Our students say Cypress College is a good place to build skills and connect with others. Many feel their confidence grow. Graduates say that after completing a program at Cypress College, they feel well prepared for their next step, whether that's a career or the university.

A Great Environment

Students often comment about the warm, personal and friendly experience at Cypress College. They say they feel safe at the college and enjoy the atmosphere. Students like that teachers remember their first names and say "hi" on campus. They also enjoy the casual environment, beautiful grounds and ample parking. And they rave about the relaxing duck pond.

Personal Attention

Cypress College classes are always taught by highly qualified faculty members. Students think their teachers are excellent and willing to go the extra mile for them. Faculty members like Cypress College because they love to teach. The result is personal attention and one-on-one interaction between students and their instructors. Many students say they came to Cypress College for that reason alone.

Value and Quality

Ask a Cypress College student if they're getting a good deal and you're likely to hear this response: "My friends are paying a fortune for the same education." It's not only the exceptionally low cost of just \$11 per unit, either. Students say they know they're getting a top-quality education and transfer credits, too.

A Fun Experience

You can't quite call Cypress College a party school. At least not in an official publication. But students say they find lots of opportunity for involvement. The campus has a vibrant arts community and several top-notch athletic programs. Not to mention all the attractions — like Downtown Disney and Knott's Berry Farm — that are just a stone's-throw from the campus.

9200 Valley View Street • Cypress, CA • 90630 • (714) 484-7000
