WebStar Registration Labs, Help Available

► Admissions and Records sets up a computer lab to help students use WebStar.

Students can register for spring and winter classes using WebStar at Admissions and Records through December 20.

A new computer lab has been connected in the Admissions Annex for those students who want to register with WebStar and would like some technical support at the ready.

The lab — and assistance — is available Monday through Thursday, from 8 am to 7 pm, and Friday, from 8 am to 5 pm.

It is open to all students with registration appointments.

ADDITIONAL LABS

Available November 28 through December 12:

Business Lab (B-117) — M-Th, 8 am-9 pm; F, 8 am-3 pm; S, 9 am-1 pm

North Lab (1E8-114) — M-Th, 8 am-8:30 pm; F, 8 am-4:50 pm; S, 8 am-12:50 pm

Learning Center (B-304) — M-Th, 8 am-8 pm; F, 8 am-4:50 pm; S (12/1), 8 am-noon

Writing Center (B-324) — M-Th, 8 am-8 pm; F, 8 am-5 pm

SEDC/OOPS (712) — M-Th, 8 am-8 pm; F, 8 am-5 pm

Student Activities (Gym2) — M-F, 8 am-5 pm (must have R.S. sticker)

Six other campus computer labs are also available for students to use during this registration period. Exact times and dates are listed to the left and the labs' locations are highlighted in the map above.

Spring classes begin January 22 and winter courses begin on January 2. Late-start 16-week classes begin on February 4; and second “1/2-Semester” courses start on April 1.

The schedule, with important updates, is also on the Web site at <http://www.cypresscollege.org/schedule>.

Help Get the Word Out About Cypress College Programs

If you're involved in a community organization — such as the YMCA, American Heart Association, little league, Boy Scouts, Girl Scouts, a city commission or task force, a service club like Rotary or Soroptimists, a chamber of commerce, etc. — in the NOCCCD service area, Dr. Lewis would like to know. Further, if you're willing to serve as a college liaison to that group, she would also like to know.

A recent survey commissioned by the District revealed that nearly 40% of the respondents didn't know a thing about us. Yikes! The campus liaisons are part of a college-wide campaign to get the word out about Cypress College.

For more information, please contact the Foundation Office at ext. 47126 or the President's Office at ext. 47308.

President's Holiday Reception is Thursday Morning

It's hard to believe, but winter break is just about here. To celebrate the holidays, Dr. Lewis is hosting the annual President's Holiday Reception on Thursday, from 9-11:30 a.m., in the Theater Lobby.

The gathering is an opportunity to visit with friends and colleagues in celebrating the spirit of the season.

“The holiday season is a perfect time

for me to thank faculty, staff and friends of Cypress College for their individual and collective contributions to the college and especially to our students,” Dr. Lewis said. “I hope you will attend the annual President's Holiday Reception so that I can thank you personally for the important role you play in helping our students be successful.”

CHARGERS

Sadly we have learned that **Ed Beamer** passed away last week. Ed was a charter member of the counseling staff in the Business Division. He retired in 1987.

A bit of advice: don't get in a foot pursuit with **Shirley Smith**. The director of Campus Safety recently won her division in the 18th Annual Minnie Riperton 5k Run. Shirley was a champion NCAA sprinter at Cal State Los Angeles.

Unique Items at Convenient Holiday Art Sale

Cypress College's Annual Holiday Art Sale includes hundreds of one-of-a-kind art objects in a wide range of styles and all at remarkably reasonable prices

The sale is scheduled for the Fine Arts Gallery on Wednesday, from 9 a.m.-8 p.m., and Thursday, from 9 a.m.-3 p.m.

Items on sale include paintings, prints, photographs, greeting cards, jewelry, ceramics, glass, clothing

accessories, home accessories, and more.

Cypress College art students as well as professional artists from both Orange and Los Angeles counties are participating in this event.

Proceeds from the sale are used to support the Cypress College Fine Arts Gallery and its educational programs.

For details, call Paul Paiement at ext. 47134.

Sports Teams Compete in Playoff Tournaments

The women's soccer team advanced to the state semi-finals, which were held this past weekend in Lemoore. The team was scheduled to play American River College on Saturday. Sunday's state championship game featured the winner of that game versus the winner of Saturday's Santa Rosa/Long Beach City game.

Members of the wrestling team were also scheduled to compete in the state championship tournament in Santa Rosa this past weekend.

Results will be printed in the December 10 edition of *@Cypress*.

It was a sweet ride for the women's volleyball team, which advanced to the second round of the Southern California Regionals before being defeated by El Camino. Cypress hosted its first home volleyball playoffs in at least 17 years after eliminating Golden West.

D. Jay Lucas of Cypress College was named most valuable player of the Cuesta Tournament a week ago Sunday, after the basketball forward averaged 20.3 points and seven rebounds for the tournament.

Ready to Submit Final Grades Via WebStar?

The last chance for training to submit student grades online via the new WebStar system is upon us.

Sessions are scheduled on campus for Tuesday and next Monday and Tuesday.

All sessions will be held in the North Lab. Reservations must be made with Staff Development by calling ext. 47324.

On Tuesday, sessions will be held from 8-10 a.m., 10 a.m.-noon, 1-3 p.m., and 3-5 p.m.

A session is set for 6-8 p.m. on Monday, December 10, and on Tuesday, December 11.

During the coming week, sessions are also scheduled at the Wilshire Education Center. Times and reservations are available by calling Sally Stackhouse at (714) 578-8426.

Instructors who are willing to assist other faculty members post their grades online, and who have attended one of these training sessions, are being sought.

Volunteers will be compensated with double flex hours for each hour spent in the North Lab during finals week. For more information, call Staff Development at ext. 47326.

Important Registration/Class Schedule Updates

Some important updates for registration and to the class schedule have been made. The latest information can be found on the campus Web site at <http://www.cypresscollege.org/schedule>.

- The correct phone number for TeleStar is (714) 578-8000. The number on page 103 of the printed class schedule is incorrect.
- English 139 — Children's Literature, section 23629, is misprinted as being offered on Wednesday, from 6:30-9:20. In fact, it is being offered on Thursdays, from 6:30-9:20 p.m.
- English 100 — College Writing (Black Studies Learning Community) section 23167, is misprinted as being offered on Monday and Wednesday, from 9-11 a.m. It is in fact being held on Tuesday and Thursday, from 9-11 a.m.

BRIEFLY

Senior Day 2002 has been set to take place on Thursday, March 21, 2002, 10 a.m.-1 p.m. Anyone who would like to volunteer at the annual recruiting event should contact Student Activities.

File this one under the heading "food for thought": students in the Honors Program connected with those studying Culinary Arts. They discussed the book *Under the Tuscan Sun*, which the honors students have been studying, and then enjoyed recipes from the literature, as prepared by the Culinary Arts students. The meal, minus the discussion, was available to all who dined at Cafe Cypress last Thursday.

Service Learning students visiting the Orange County Foodbank last week packaged enough food to fill a semi truck (896 meals to be exact). The project followed a visit to campus the previous week by Mark Lowery, who heads the foodbank.

Anyone interested in attending an informational Weight Watchers at Work meeting is welcome to join in on Monday at 11:30 in Culinary Arts.

Only one edition of *@Cypress* remains for this year! Submissions must arrive in the Public Information Office by Wednesday.
