Spring 2005 Class Schedule Now Available on the College's Web site

► The Admissions and Records Office is now accepting applications for the 2005 Winter and Spring term.

Cypress College has released its class schedule for the winter and spring term, and the document is now accessible on the college's Web site, located at <http://CypressCollege.edu>.

Printed copies will be available to purchase for \$1 in the campus Bookstore and in the Admissions and Records Office by Monday, November 15.

The two-week Winter Intersession features dozens of full-credit courses and will be held January 3-14, 2005.

The spring semester begins the week of January 18 and concludes the week of May 27.

Late-start 15- and 16-week classes begin the week of January 31 and "1/2-semester" courses begin the week of March 28.

Students who wish to attend the Winter Intersession and/or the Spring Semester can begin selecting classes when registration begins on November 30 for continu-

ing students. Priority registration is based on the number of units a student has completed.

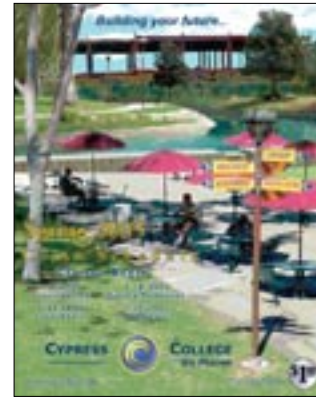

New students can apply online by clicking on the "apply online" icon at the top of the Cypress College Web page. Paper applications are still accepted and can be obtained from the Admissions and Records Office. Applications are also included in the schedule of classes.

New and returning (those who will not receive any grades for Fall 2004) students who mail in the application must ensure that it is postmarked by Monday, January 3. Likewise, applications submitted via CCC Apply Online must be submitted by that same date. Applications must be submitted in person after the mail-in deadline.

Admissions and Records hours are as follows: 8 a.m.--7 p.m., Monday through Thursday; 8 a.m.--5 p.m., Friday.

Webstar's hours of operation are 7 a.m.--11:30 p.m., Monday through Friday; 7 a.m.--6 p.m., Saturday.

Students may use computers in a variety of locations on campus to select their classes. A bank of computers is available in Admissions and Records and labs are located in Student Activities and the Library, among other places.

I Didn't Know That!

The artwork on the cover of the Spring 2005 class schedule was created by two students in Michael Johnson's Art Computer Graphics/Electronic Painting class. The two art students — Michele Frost and Christina Brooks — created paintings for this class schedule cover reflecting campus life in the near future. The images focus on the pond, which will become the heart of the campus once work is completed on the Library/Learning Resource Center, the Student Center and Student Activities.

Laugh for the Health of It!

Back by popular demand, the "Laugh for the Health of It!" Part 1 – Reprise workshop is for anyone who missed it the first time around – or needs a "booster dose."

The workshop will be presented by Andrea Hannon and Mary Lou Giska on Thursday, November 11, from noon-1 p.m., in L-216, located in the Administration Building.

The workshop is being sponsored by the Staff Development Committee.

PRESS RELEASE

FOR IMMEDIATE RELEASE

Contact: Paul Paiement (714) 484-7137

A FACULTY EXHIBITION

October 20-November 11, 2004

Reception: Wednesday, October 20, 7:00pm

The Cypress College Visual Arts Department is comprised of a faculty of artists who work in a variety of media and express themselves with a rich mix of attitudes and techniques. This exhibition is a perfect venue to celebrate the labyrinth of artistic expression as it exists.

Faculty artists include: John Ahr, Hilda Baitoo, John Bilotta, Jerry Burchfield, Glenn Canigiani, Hilary Chartrand, Vonn Cummings-Sumner, Jacques du beaufort, Daniel DuPlessis, Margaret Griffith, Ian Holmes, Michael Johnson, Robert Johnson, Alexia Kutzner, Clifford Lester, Sharon McNeil, Robert Mercer, Hilary Norcliffe, Paul Paiement, Joyce Patti, Jay Sagen, Molly Schulps, Dan Stephens, Tracey Weiss

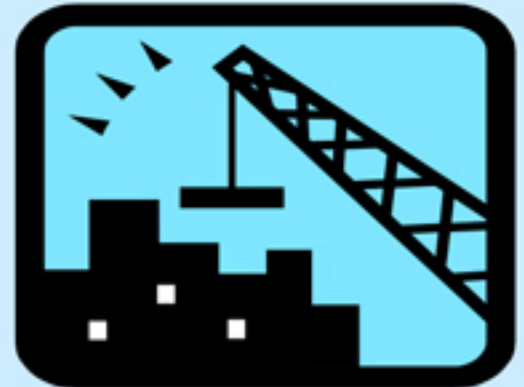

###

Cypress College

A "topping off" ceremony for the new Library/Learning Resource Center will be held on Monday, November 15, 2004, from 9-10:00 am at the end of Lakeshore Drive near the fence at the L/LRC construction site. This age-old custom is a celebration of placing the last steel beam in the building's framework at its highest structural element. The topping off ceremony is symbolic of a job well done and good luck to future inhabitants of the building.

Mark your calendars now and plan to be there to witness this milestone event.

Community Advisory Group

Participants in the annual Community Advisory Group included Orange County Supervisor Jim Silva (front left), Cypress schools Superintendent William Eller (center), and Cypress College President Dr. Margie Lewis.

Health Fair

The annual Health Fair was held on Thursday, November 4 in the corridor adjacent to the Library/Administration Building. A participant in the Health Fair receives instruction on how to properly conduct a self examination for breast cancer (top left). This year's Health Fair was particularly well attended, as can be seen at the lower left. A Cypress College nursing student draws a drop of blood from a participant's finger to conduct a blood-sugar-level test (bottom).
