Accreditation Team Coming to Cypress College March 15-17

► **The 11-member team will review documents and meet with faculty, staff and administrators in considering reaffirmation of accreditation.**

The 11-member accreditation team that will consider the college’s reaffirmation of accreditation is scheduled to be on campus from March 15-17.

The team consists of faculty and administrators from other institutions in the state.

As the visit date approaches, a brochure with the pictures and titles of the visiting team members will be included in @Cypress and posted to the campus Web site.

Accreditation team members will work from the Staff Conference Center while on campus.

In that location, they will be reviewing documents and minutes of meetings, as well as interviewing some faculty, staff, students and administrators.

Additionally, they will be observing some meetings while on campus and visiting classes.

Because members of the team will be popping in to several classes while they are here, each will be wearing a name badge that will identify them as a member of the accreditation team.

As the visit comes to a close, the team will hold an exit interview.

That session has been scheduled for Thursday, March 17, beginning at 2 p.m. The location will be determined at a later time.

All members of the campus community are encouraged to attend the exit interview.

Cypress College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges.

Members of the accreditation site visit team are charged with the responsibility of reviewing our processes presented in the college’s Institutional Self Study report on behalf of the Accrediting Commission.

The college’s full Institutional Self Study in Support of Reaffirmation of Accreditation is [available on the campus Web site](#) for review.

I Didn't Know That!

The former “Welcome” section of college’s Web site has been revamped and given a new title: “[About Us](#).” The section now includes a photographic directory of the campus administrators, their areas of responsibility and contact information. It is a first step in developing a campuswide photo directory. A full campus phone directory is already available. Demographic information has also been added. If you don’t see “About Us” at the top of the navigation links to the left, you’ll want to refresh your browser.

Participation for Upcoming Events Sought

Volunteers are being sought for two major campus-visitation events – Senior Day, on March 10, and KinderCaminata, on March 18. Senior Day, the annual visit by high school seniors, is in need of tour guides, registration-table assistance and exhibits. Volunteers are also needed for KinderCaminata, the annual parade of kindergarten students onto and around the campus. Those interested should contact Becky Rojas in Student Activities at ext. 47199, by February 18.

Puente Family Night

Puente students had a blast entertaining their parents who were on campus for Puente Family Night on February 3. In addition to the entertainment, the potluck dinner was fabulous. The event was an opportunity for parents of Puente students to meet the people who serve as mentors for their children. The Food for Thought diningroom was packed.
