Deadline for One-Time Budget Allocation Requests Approaching

► **Each campus budget unit can submit up to five requests to the Budget Office by 5 p.m. on Tuesday, February 28.**

The deadline to submit one-time budget requests is approaching. The requests must be prioritized by individual budget units and sent to Jann Nelson in the campus Budget Office by 5 p.m. on Tuesday, February 28.

Requests that involve technology and/or the future involvement of Maintenance and Operations must have a signature and an estimate from Frank Smith and/or Albert Miranda before the request is submitted. Those departments need a few days’ lead time to review requests — so obtaining approvals from those areas should be underway now.

Three fundamental improvements have been made to the process this year:

- Evaluation criteria have been developed for the readers of requests in the Direction Committees and for Planning and Budget

Committee members to assist them in evaluating the requests that are submitted. These have been developed in order to have evidence that the budget requests are based to at least some extent on data that has been collected per accreditation requirements.

- Requests which identify health/safety/security issues will be reviewed by the campus Safety Committee to provide an assessment of the circumstances surrounding the request.

- The third area of change involves evaluation and identification early in the process by the Planning and Budget Committee of requests that require either ongoing funding to maintain a program (same request is seen each year), or involve broader legal issues which require immediate response from the campus.

As in previous years up to five requests may be submitted by each budget unit. To assist in preparation of requests, the approved Strategic Plan for 2004-2008 can be downloaded from the college Web site. Visit the <http://www.cypresscollege.edu> click on the Campus News link and then on the word “docs” below the Cypress College logo.

Student Activities Offers \$7,000 in Scholarships

The Associated Students have designated \$7,000 in scholarship money to be awarded in May. Forms are available in Student Activities and must be returned to the Student Activities Office by 5 p.m. on March 31.

Students may nominate themselves. Employees may also nominate students.

To be considered, nominees must be currently enrolled at Cypress College, must have community and/or campus involvement during the current academic year, must maintain an overall 2.5 GPA or higher, must have paid the Associated Students Activity Fee for the current semester and must have enrolled in and maintained at least 9 units this semester.

SLO-CATs Workshops Set

A number of workshops to cover the development of Student Learning Outcomes and Campus Assessment Techniques have been scheduled. All will be held in the TLC in the new L/LRC.

The workshops are set for: February 22, 3-5 p.m.; February 23, 3-5 p.m.; February 24, 10 a.m.-noon; March 22, 3-5 p.m.; March 23, 3-5 p.m.; and March 24, 10-noon.

The workshop provides an understanding of SLO-CATs, the writing of SLOs, posting the SLOs on the discussion board, ideas for assessing SLOs and the posting of those ideas on the discussion board.
