SPRING 2021
CLASS SCHEDULE
Classes Begin January 25
Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Cypress College has made every reasonable effort to determine that everything stated in this Class Schedule is accurate. This publication is prepared in advance of the time period it covers; therefore, changes in courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Cypress College. The College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation, and to change the class hours and/or days as necessity demands. Student fees and instructional fees are subject to change after the printing of the Class Schedule.

Throughout the registration process (including class petitioning), certain deadlines must be established. These deadlines are necessary in order to comply with state attendance laws and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit or be allowed to attend classes.

Cypress College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges.
These dates apply to scheduled classes meeting the full length of the semester.

August 31, 2020 .......................... First Day to apply for Spring, Summer and Fall 2021 Admission
November 2 ........................................ First day to apply for Spring 2021 Graduation
First day to apply for Spring 2021 vocational certificates
November 9 .............................. myGateway Registration Begins
First Day to submit Special Admit Forms
January 18 ................................. MLK Holiday — Campus Closed
January 21 ................................................................................. Special Admit students register
January 25 ........................................ Spring 2021 Classes Begin
Prior to the first day of class If the class is OPEN, an Add Authorization Code is not required.
If the class is CLOSED, a Waitlist option may be offered.
There is no guarantee of enrollment into any class.
Starting the first day of class An Add Authorization Code is required for most classes.
(Refer to the How to Add/Drop a Class/Waitlist information in the Class Schedule.)
February 1 .............................. Begin Taking Audit Requests
February 7 .............................. Last Day to Add Classes
Last Day to Drop Classes as a No Show and to Qualify for Refunds
Last Day to Drop Classes WITHOUT a “W”
February 7 .............................. Campus Safety begins issuing parking tickets for vehicles that have not been registered in the campus virtual parking system
Priority Deadline to apply for Spring 2021 Graduation: CSU E-Verification
Priority — Deadline to apply for Spring 2021 vocational certificates
February 12–15 ............................... Presidents’ Holidays — Campus Closed
Saturday and Sunday classes will not meet February 13 and 14
February 19 .............................. Last Day to File Pass/No Pass Grading Option Forms
Deadline to apply for Spring 2021 graduation
Deadline to apply for Spring 2021 vocational certificates
March 22 ........................................ Second Eight-Week Classes Begin
March 29–April 2 .......................... Spring Recess — Campus Open
Classes will not meet
April 1 ........................................ Cesar Chavez Holiday (Observed) — Campus Closed
April 2 ........................................ Spring Holiday — Campus Closed
Classes will not meet
April 23 ...................................... Last Day to Increase/Decrease Variable Unit Classes
(must be done in person)
April 25 ...................................... Last Day to Drop Classes WITH a “W”
May 21 at 5 pm .......................... Spring 2021 Commencement
May 22 ........................................ Spring 2021 Semester Ends

SHORT-TERM/Open Entry Classes
The dates above do not apply to classes that meet less than the full length of the semester or classes students may enroll in at various times throughout the semester. Refer to the comment line under the CRN in the Class Schedule for add, drop, withdrawal and refund deadlines.

* All Registration, Adds and Drops are to be completed ONLINE through myGateway *
All dates are subject to change without notice.
### Apply Online
- New and returning* students apply to the college at www.CypressCollege.edu
- Continuing students do not need to reapply.  
*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

### Orientation
- To complete orientation, students are encouraged to complete the online orientation via myGateway.  
- To access the New Student Orientation, log onto myGateway via the Cypress College Home page, click on the “Student” tab, then click on the “Online Orientation” hyperlink and follow the instructions.

### Counseling
**New Students**
- Make a virtual appointment to create an Abbreviated Student Education Plan with a counselor. Students can schedule an appointment by calling the Counseling Center, (714) 484-7015.

**Continuing Students and Returning* Students**
- Virtual counseling sessions are available during peak registration periods to answer any general questions regarding schedule planning. Students are recommended to meet with their major counselor during the semester for a 30 minute appointment for academic planning.

For individual appointments please call (714) 484-7015  
*Students are considered returning students if they have previously enrolled at Cypress College but have not attended for one or more semesters, or have attended another U.S. college or university.

### Assessment Process
New and returning students can complete the assessment process for math/English by completing the Guided Self Placement: https://bit.ly/2VAnscJ or by meeting with a counselor to review all transcripts and test scores.

ESL (English as a Second Language) placement exams are available through the Assessment Center. Please contact the Assessment Center at email: tdowdle@CypressCollege.edu

### Financial Aid
- Apply for Financial Aid at www.fafsa.ed.gov or the California Dream Application (for eligible AB-540 students).
- Visit the Financial Aid website at www.CypressCollege.edu/admissions/FinancialAid

### Register for Classes and Pay Your Fees
- Students receive registration appointments by email and can view their time on myGateway’s “Check Registration Appointment” under Registration tools on the student tab.
- Fees are due at the time of registering and can be paid by debit or credit card on myGateway.

### Before the Semester Begins
**Before the Semester Begins:**  
- Familiarize yourself with DegreeWorks and myGateway.
- Buy your Books!

**After the Semester Begins:**  
- See your Major Counselor to create a comprehensive educational plan and for further information regarding your course of study. Appointments can be made by calling the Counseling Center at (714) 484-7015.
Step 1: AN APPLICATION FOR ADMISSION TO THE COLLEGE MUST BE SUBMITTED IF:
- You are a first-time student and have never registered in classes at Cypress or Fullerton College.
- You previously applied at Cypress or Fullerton College but never attended classes.
- You are a former student at Cypress or Fullerton College and returning after an absence of one or more terms.
- You are a high school graduate or at least eighteen years of age.
- You are enrolled in K-12 and qualify for the Special Admit Program. Each semester, a completed Special Admit Form with the appropriate approvals must also be submitted to the Admissions and Records Office by emailing specialAdmit@cypresscollege.edu
- You are an International Student who is eligible under a student Visa F-1. For additional information on the international student process, call (714) 484-7049

APPLICATION FOR ADMISSION
The Application for Admission can be accessed using www.CypressCollege.edu. Click on “Apply NOW!” and follow the OpenCCCApply instructions. August 31 is the first day applications are accepted for Spring, Summer and Fall semesters.

Step 2: ORIENTATION
New Students are required to complete a one and one-half hour orientation to the college system.

To access the online orientation, please log into your myGateway account, click on the “Student” tab, then click on the “Online Orientation” hyperlink. Be sure to meet with a counselor to complete your first semester educational plan
For more information please call (714) 484-7015.

Step 3: COUNSELING
Continuing and Returning Students may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Virtual counseling appointments can be made by calling (714) 484-7015.

Counseling Center is available online via Cranium Cafe: https://www.CypressCollege.edu/services/counseling/online-counseling/

COUNSELING CENTER VIRTUAL HOURS:
MON–THU 8:00 am–6:00 pm
FRI 8:00 am–5:00 pm

Spring counseling services are provided online through Express Counseling. Please call (714) 484-7015 or visit the Online Counseling website: https://www.CypressCollege.edu/services/counseling/online-counseling/

New Students AND Returning Students
• Use the link provided above to meet with a counselor through our Online Express Counseling with your unofficial high school transcripts or assessment scores from other colleges for course placement and prerequisite clearance.

Step 4: ASSESSMENT
New and returning students can complete the assessment process for math/English by completing the Guided Placement: http://www.tinyurl.com/nocccd-gsp or by meeting with a counselor to review all transcripts and test scores.

ESL (English as a Second Language) placement exams are available Online. Please contact the Assessment Center at email: tdowdle@CypressCollege.edu

Test Results
Retest Policy
Students may retest 14 days after their initial assessment, retests thereafter are permitted 120 days from the date of the most recent retest. Requests to retest before this period has passed require counselor approval (14/120 days).

Students may not retest if they have started coursework in that subject and earned a letter grade, P/NP, or W in that course.

Step 5: FINANCIAL AID
Cypress College Enrollment Fee Waiver
California College Promise Grant (CCPG)
formerly known as Board of Governors Waiver (BOGW)

WHAT IS CCPG?
The CCPG is a state sponsored program which only waives enrollment fees for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

HOW DO I APPLY?
There are two options to apply for the CCPG

Option 1 — Preferred option: complete the FAFSA at https://fafsa.gov or the California Dream Act application at https://dream.csac.ca.gov

Option 2 — Complete a CCPG only application on myGateway. Below are the steps to guide you to the application:
1. Log in to myGateway
2. Under the Student tab, select Financial Aid
3. Select California College Promise Grant Application
4. Select the appropriate academic year and school
5. Complete and submit the application online
You may be required to submit supporting documentation to the financial aid office.

**Note:** You must add both Cypress and Fullerton to your FAFSA or CA Dream Act for CCPG considerations.

**WHAT ARE THE DIFFERENT CCPG APPLICATION METHODS FOR QUALIFYING?**
The CCPG application has three methods for qualifying:

**Method A:** Is for students on public assistance programs such as TANF/CalWORKs, SSI/SSP, and General Assistance.

**Method B:** Is for low income students whose previous year income was within qualifying income guidelines, established by the California Student Aid Commissions.

**Method C:** You must have already applied for and been determined to have at least $1104 of financial need by filing a FAFSA or CA Dream. No CCPG application is required for a CCPG Method “C” waiver.

**WHAT IF I AM ELIGIBLE?**
If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester. You will see your fee waiver posted in myGateway and your fees will be waived at the time of registration if you qualify.

**CCPG REQUIREMENTS**
The CCPG requires students to meet Academic and Progress Standards. For Academic Standards — a CCPG recipient must maintain a cumulative 2.0 GPA or higher. For Progress Standards — student must complete more than 50% of cumulative courses attempted.

All students must maintain both standards to continue to receive the CCPG. If these standards are not met for two consecutive primary semesters (fall and spring), then the students will lose their CCPG eligibility. *Current and former foster youth 24 years old or younger are exempt from the Academic and Progress Standards.* For more information, please contact the financial aid office or visit the financial aid website. The financial aid office will send emails reminding students of these requirements each semester.

**DO I NEED TO KNOW ANYTHING ELSE?**
If you need help with books, supplies, food, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) at fafsa.gov or the California Dream Application (for eligible AB 540 students) at https://dream.csac.ca.gov immediately.

**Step 6: REGISTRATION**
Continuing students will be assigned registration appointments based on district policies AP/BP 5055. Be advised that assessment, orientation and an education plan impact registration appointments. Registration appointments and other necessary information will be sent by email. All students should register on their assigned date and time; however, registration appointments do not guarantee enrollment into any class. The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes. Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

**Special Admit**
All Special Admit students must submit the online admissions application prior to registering for classes. A completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office by emailing: specialadmit@CypressCollege.edu for the first term of attendance.

---

**Did you know?**
**Effective Fall 2018, the Board of Governor's (BOG) Fee Waiver was changed to the California College Promise Grant (CCPG).**
Continuing students are those enrolled in Fall 2020 classes and will receive letter or “W” grades at the end of the term. They will receive a registration email that provides their priority registration date and time for Spring 2021.

Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.

Registration appointments are based on units/hours earned through Fall 2020 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the units/hours earned at both colleges.

Units/hours earned can be determined by logging onto myGateway at www.CypressCollege.edu. Click on both Student Records and View Unofficial Web Transcript.

Veteran students who are active or former members of the United States Armed Forces who are within two years of their date of separation from active duty may qualify for priority registration (CA Senate Bill 272 — effective January 1, 2008). For priority registration approval, submit the military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the certifying official of Veterans Affairs, located in the Veterans Resource Center in the Cypress College Complex.

Special Admit students begin registering on January 21, 2021 at 4:00 pm or after.

Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

Registration is subject to established deadlines for adding, dropping, payments and refunds.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

---

Cypress College Counselor Locations

Our services are available online during the pandemic. Please visit our counselors at:
https://www.cypresscollege.edu/services/counseling/online-counseling
REGISTRATION EMAIL
A registration email informs students of the first registration appointment available based on their eligible priority. For the best selection of classes, register on the date and time indicated in the email; however, the email does not guarantee enrollment into any class. Registration appointments can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Registration Tools on the student tab.

New students are those who have never attended Cypress or Fullerton College. New students will receive registration information by email based on the date their online Application for Admission is received.

Returning students are those who have previously attended Cypress or Fullerton College but did not register into a class for the Fall 2020 semester. Returning students will receive registration information by email based on the date their online Application for Admission is received.

Continuing students are those currently registered at Cypress or Fullerton College and will complete the term with a letter grade or “W.” If a letter grade or “W” is not received, the student forfeits their continuing student status. They must submit a new online Application for Admission as a Returning student.

Special Admit students are those enrolled in K-12 and must submit an online Application for Admission and a Special Admit Form. Registration information will be received by email based on the date the online Application for Admission is received. A Special Admit Form must be completed and submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term for the first term of attendance.

REGISTRATION INFORMATION
The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

BEFORE YOU REGISTER
- Ensure you are registering on or after your assigned appointment during myGateway registration hours.
- Clear all outstanding fees or holds. Non-clearance will delay registration.
- Get counselor clearance for math, English, ESL, reading classes and prerequisites.
- Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone numbers.
- Use the Class Planning Sheet to prepare your tentative class schedule.
- Verify financial aid eligibility with the Financial Aid Office.

ON YOUR REGISTRATION APPOINTMENT DAY
Complete the myGateway Registration Worksheet and log onto www.CypressCollege.edu. Click on the myGateway logo and follow the prompts. With the exception of nightly maintenance, myGateway is available 7 days a week, 24 hours a day.

ADDITION CLASSES
Providing prerequisites and/or corequisites have been cleared by a counselor, and class seats are available, classes can be added during myGateway registration. Once a class begins, students must obtain an Add Code from the instructor of each class they wish to add. Refer to the How to Add/Drop a Class and Waitlist pages for further instructions. Refer to the deadlines listed in the Class Schedule. The neglect of adding a course will result in no credit or grade earned for the course.

CANCELLED CLASSES
The college reserves the right to cancel any class it is unable to offer. Select alternate classes and list them on your Class Planning Sheet in case any of your classes are cancelled. Tuition and fees for cancelled classes will be refunded.

DROPPING CLASSES
While an instructor may drop a student that has poor attendance, it is the student’s responsibility to officially withdraw when unable to continue the class. Students that wish to drop a class or withdraw from the college must drop using myGateway. Refer to the deadlines listed in the Class Schedule. See the How to Add/Drop a Class page for further instructions.

The neglect of dropping a course can result in a substandard grade posted on your permanent student record.

PETITIONING CLOSED CLASSES
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. Waitlist information can be found in the next column and on the Waitlist page in the Class Schedule. If a seat is available the first class meeting, the instructor will issue the student an add code. By the add deadline, the student must access myGateway and add the class entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the student adds the class and fees have been paid through myGateway.

CONCURRENT ENROLLMENT
Concurrent enrollment requires a student to register for more than one class. Register for the lecture, lab and problem solving classes when both are required. Register for the lecture, lab and problem solving classes when all three are required.

COURSE REPETITION
As a general rule, students may not register in a class if a passing grade has previously been received or the maximum number of repetitions allowed have been completed. Contact Admissions and Records for additional information.

EMAIL AND ADDRESS CHANGES
Email, personal addresses and phone numbers can be updated by accessing the Personal Information channel of myGateway under the Student tab.

FEES
Fees are due immediately upon registration. Cypress College does not bill for unpaid registrations. Students with unpaid fees will have a hold placed on their account.

Students with the California College Promise Grant are reminded that the waiver covers enrollment fees ONLY. Students MUST submit payment for the student ID fee, material, health and parking fees and any other charges indicated. Check with Financial Aid to verify payment eligibility for enrollment fees.

MAXIMUM UNITS/HOURS
A maximum unit load for any student is 19 units and 12 units qualifies as full time enrollment. A student may carry over 19 units with counselor approval.

TIME CONFLICTS
The myGateway system will not allow students to register for two or more classes which are scheduled during the same time period. A Petition for Exception must be submitted to Admissions and Records to request approval for class time conflicts.
PARKING
Use of Cypress College’s general parking lots requires a parking fee. In lieu of a physical parking permit, the College uses a virtual parking system. Physical parking passes are no longer issued to students or visitors. Students are able to register their vehicle(s) online via myGateway once all registration fees, including parking, are paid in full. Visitors may purchase virtual permits online via the campus website. After purchasing a parking permit, students must register their vehicle license plate to activate the virtual parking permit. Visitors purchasing a virtual parking permit via the campus website will be prompted for vehicle information prior to final purchase. Please note: Your registered license plate is your Virtual Parking Permit.

Students that purchase their semester virtual parking permit may change vehicles anytime online using the “Cypress Parking System” link via their myGateway account. Returning students MUST renew their virtual parking permit for the new semester. Day-use vehicle registration and purchase is also available at kiosks on campus. Successful payment and registration of a vehicle license plate authorizes students and visitors to use any of the seven lots open to student designated parking stalls, as well as designated spots on Circle Drive. Cypress College students that have semester-length parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information.

SCHEDULE/BILL
The Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule. Many offices will require you to show a valid ID prior to providing you services.

WAITLIST
A waitlist is an electronic list of students that are petitioning a closed class. The list is prioritized according to the date and time students opt for the waitlist. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must attend the first class meeting and meet all registration requirements to be considered for an add code.

When myGateway advises that a class is closed, a student can choose the option to be placed on the waitlist. If a seat becomes available, the waitlisted student will be notified via email that they have 48 hours to add the class through myGateway. The email will be sent to the preferred email address on file. Students can also access myGateway and check Personal Announcements for seat advisements for waitlisted classes. Yahoo email users should check myGateway daily for information regarding their waitlist status.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.

Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information.

NOTE: Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

Before You Register:

1. Refer to your registration email. Registration appointments can also be viewed on myGateway/Registration Tools.
2. Clear all outstanding fees or holds. Non-clearance will delay registration.
4. Make sure the Admissions and Records Office has your correct name, personal and email addresses and phone number.
5. Use the myGateway Registration Worksheet and Class Planning Sheet to prepare your tentative class schedule.
6. Verify financial aid eligibility with the Financial Aid Office. Non-verification can result in unexpected fees and being dropped for nonpayment.
7. Read and follow all registration instructions provided in the Class Schedule prior to registering for classes.
8. Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

myGateway Available
7 days a week – 24 hours a day

myGateway requires nightly maintenance, and generally occurs from 12:00 midnight to 6:00 am.

If you register and attempt to pay your fees by credit card, you may receive a message that your payment cannot be processed. Please return to myGateway at a later time and make your credit card payment.

Tuesday–Thursday ......................................... 8:00 am–6:00 pm
Friday ......................................................... 8:00 am–5:00 pm
January 25–January 29
Monday–Thursday ......................................... 8:00 am–6:00 pm
Friday ......................................................... 8:00 am–5:00 pm
Beginning February 1
Monday–Thursday ......................................... 8:00 am–6:00 pm
Friday ......................................................... 8:00 am–5:00 pm

Admissions and Records is located on the first floor of the Student Center.
All hours are subject to change.

STEP 1
Go to www.CypressCollege.edu and click on:

STEP 2
LOGGING IN:

• Enter your eight-digit Student Identification Number as printed on your Student ID Card or Schedule/Bill.

• Enter your six-digit PIN (Personal Identification Number).

STEP 3
Click on the myGateway logo in the myGateway Channel:

• CHANGE PIN: If you used your date of birth to log in, myGateway will require that you change your PIN.
• SECURITY QUESTION/ANSWER: myGateway may also ask you to enter a security question and answer in the event you forget your PIN.
• DISABLED PIN: If your PIN is disabled due to multiple login attempts, use the Pin Reset feature on the User Login page or contact the Registration Help Line at (714) 484-7346.
STEP 4  REGISTERING FOR CLASSES

SELECTING THE TERM:
• From the main menu, click Register for Classes.
• Select the term Cypress College/Fullerton College Spring 2021 and click Submit.

ADDING/DROPPING CLASSES:

A  • Enter the five-digit CRN (Course Reference Number) from the worksheet below for each class you wish to add and click Confirm Your Choices

OR

• Click the Class Search Button and enter desired class criteria (subject, hours, days, instructor, etc.), then click Class Search.

• Place a checkmark in the box to the left of any classes you wish to add and click either Add to Worksheet or Add Class.

B  If Add Authorization Code Required appears, enter the add code issued by your instructor in the field provided and click VALIDATE. If the code is approved, click Submit Changes and confirm the status of your class.

C  After you have added/dropped all your classes and are satisfied with your class schedule as shown on the registration screen, click Complete Registration. Print a Schedule/Bill to ensure official adding or dropping of a class.

WAITLIST: If the class is closed but it has a waitlist, you can opt to be placed on the list. The waitlist criteria will be provided by myGateway; however, there is no guarantee of enrollment into the class. Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information. Refer to the “How to Add/Drop a Class” page for further details.

STEP 5  OPTIONAL FEES

• Select Campus: Choose the campus for which you have enrolled in the most units (Fullerton or Cypress) and click Submit.

• Select Optional Fees: Select the optional fees you wish to purchase and click Submit. If you do not wish to purchase any optional fees, leave all fees unselected and click Submit.

• Confirm Optional Fees: Verify your selections and click Confirm Purchase.

STEP 6  FEE PAYMENT

The amount shown next to your “Account Balance” is due and payable immediately. Cypress College does not bill for unpaid registrations. Select either “Credit Card Payments” or “Check or Money Order Payments” and follow the prompts.

Note: If paying by credit card, you must resubmit the term you registered for.

Your Schedule/Bill includes a list of your classes, fees and payments, and is proof of your registration. You may use myGateway throughout the term to check or print your schedule.

If you decide not to attend any classes you have registered for, it is your responsibility to officially drop within published deadlines.
What is a waitlist?
A waitlist is an electronic list of students that want to enroll in a closed class. Waitlist size is determined by the division. Waitlisting does not guarantee enrollment into any class and not all classes have waitlists. Waitlist students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Enter the five-digit CRN of the class. You will be advised if the class is closed and given the option of adding the waitlist if waitlist seats are available.
• Use the drop down menu and select “Waitlist”. Click “Confirm Your Choices”.

How do I remove myself from a waitlist?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Use the drop down menu and select “Waitlist Drop”. Click “Confirm Your Choices”.

Can I add myself to more than one waitlist?
You can waitlist for more than one class but you CANNOT waitlist for two sections of the same class.

How can I monitor my waitlist status?
Log onto myGateway and go to Registration Tools. Click “Check Waitlist Status”. It is recommended that you frequently check your waitlist status.

How will I know if a seat in the class becomes available while I am on the waitlist?
• You will be notified via a Personal Announcement on myGateway.
• Log onto myGateway. Go to Personal Announcements. Click “Check Waitlist Status”.
• If a seat is available, you will see the date and time the seat notification will expire.

How long do I have to add the class when a seat becomes available?
You have 48 hours from when the seat notification was sent to you to add the class OR until midnight prior to the first day of the class, whichever comes first. If you miss the 48-hour deadline, your name is automatically removed from the waitlist and the next waitlisted student is notified of the available seat.

How do I add the class if I receive the notification that a seat is available?
• Log onto myGateway and go to Registration Tools. Click “Add or Drop Classes”.
• Go to the specific waitlisted class in your list of classes.
• Use the drop down box and choose “Register — Web”. Click “Confirm Your Choices” and “Complete Registration”.

What if I am on a waitlist but no seat becomes available before the first class meeting?
Contact the course instructor and attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization Code. You must add the class via myGateway entering the add code when prompted. The class must be added by the add deadline. Check the Class Schedule for the deadlines of semester and less than semester length classes.

Yahoo users are recommended to obtain an email address from another provider in order to receive electronic correspondence from the college.
All Registration, Adds, Drops and Withdrawals are to be completed online through myGateway.

Adding a Class

Prior to the first day of class If the class is OPEN, an Add Authorization Code is not required. If the class is CLOSED, a Waitlist option may be offered and the student must comply with its requirements. However, there is no guarantee of enrollment into the class, and not all classes will have waitlists.

Starting the first day of class An Add Authorization Code is required for most classes. Attend the first class meeting of the class you wish to add. If seat space is available, ask the instructor to give you an Add Authorization Code. Instructors may not be able to grant all requests for Add Authorization Codes.

1. IMMEDIATELY access myGateway registration at http://mg.nocccd.edu.
   Log in and click on Register for Classes.
2. Select the term Cypress College/Fullerton College Spring 2021 and click Submit.
3. Enter the five-digit CRN (Course Reference Number) in the “CRN” box and click on Confirm Your Choices.
4. If prompted, enter the Add Authorization Code in the field provided.
5. Click on the VALIDATE button. If the code is approved, continue to Step 6.
   If the code is not approved, you will need to obtain another add code from the instructor.
6. Click on Submit Changes and confirm the status of your class.
7. After confirming that the class has been added, click on COMPLETE REGISTRATION.
8. Print a Schedule/Bill to ensure official adding of the class.

The Add Authorization Code is commonly known as the “Add Code” and is good for five days. If you receive an error message when you use the add code, you must first correct the related problem before the class can be added. If the five days expire before correcting the problem, you must obtain another add code from the instructor. A separate add code is required for each class you wish to add and is only valid for the current term and class.

Dropping or Withdrawing from a Class

   Log in and click on Register for Classes.
2. Select the term Cypress College/Fullerton College Spring 2021.
3. From the drop down menu, choose Drop Online or Withdrawal-Web for the classes you wish to drop.
4. Click on Confirm Your Choices to drop your classes.
5. Check under Status on the left of the screen to confirm the Drop Online or Withdrawal-Web status before exiting myGateway.
6. Print a Schedule/Bill to ensure official dropping of the class.

Waitlisted students Refer to the “WAITLIST” page in the Class Schedule for complete waitlist information on how to add a waitlisted class or drop a waitlist.

Adding, Dropping and Withdrawing from classes are subject to established deadlines. It is the student’s responsibility to officially add and withdraw from classes. Verify added and dropped classes on your Schedule/Bill.
Fee Calculation Worksheet

Use this page to help determine the amount of fees you will owe once your registration is completed.

**REGISTRATION FEES**

**ENROLLMENT FEE**

$46 per unit × [number of units] units = $ [total]

(Waived for CCPG recipients)

$84 per bachelor’s unit × [number of units] units = $ [total]

**HEALTH FEE**

$21 per semester = $ [total]

**NON-RESIDENT FEES**

$323 per unit × [number of units] units = $ [total]

(plus enrollment)

(Includes $33 Capital Outlay fee per Ed Code 76141)

**MATERIAL FEE**

Certain classes require additional fees.

See the course description in this Schedule of Classes. = $ [total]

**OTHER FEES**

**ASSOCIATED STUDENT BENEFITS:**

$13 per term = $ [total]

**CAMPUS ID CARD:**

$2.50 per term = $ [total]

**PARKING PERMIT:**

Automobiles $40 = $ [total]

Motorcycles $20

**STUDENT REPRESENTATION FEE:**

$2 per semester = $ [total]

**TOTAL FEES DUE**

= $ [total]

*Students requesting and paying for an AS Benefits sticker must pick up their stickers at Admissions & Records by appointment only.

**NOTE:** Campus Safety will ticket for non-registration of license plate beginning the second week of the term! Your parking permit allows you to park in designated student parking at Cypress and Fullerton Colleges as well as our Anaheim Campus.

**PAYMENT INSTRUCTIONS** — Payment is due immediately

**DO NOT SEND CASH!**

**Credit Card Payments:**

- Pay by Visa or MasterCard through myGateway.

**Check or Money Order Payments:**

- Make check or money order payable to Cypress College.
- Write your eight-digit student ID number on the front of the check.
- Enclose the check and Fee Payment Slip in an envelope.
- Return your payment to the College by:
  - placing the envelope in the Registration Fee Payment Slot located outside the Business Building near the ATM
  - mailing to: Cypress College Bursar’s Office, P.O. Box 6047, Cypress, CA 90630-0047

**Third Party Payments:**

- If your fees are to be paid by a third party (i.e. Dept. of Rehabilitation, Veteran’s, Scholarship etc.), please contact the Bursar’s Office immediately at (714) 484-7317, to avoid having a hold placed on your account. You can email your Department of Rehabilitation “Authorization for Services” document to Imorales@CypressCollege.edu, or drop it off at the Bursar’s Office.

**Fees are due IMMEDIATELY.** Cypress College does not bill for unpaid registrations. If payments are not received, you will have a hold placed on your account.
While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the current academic year.

**HEALTH FEE**

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is $21 per semester ($18 for summer session) for each student regardless of the number of units taken. The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

**MATERIAL FEES**

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course).

**NON-RESIDENT TUITION**

Non-residents of the State of California are charged tuition at $323 per unit which includes the $33 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is in addition to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to request a waiver of the $20 capital outlay fee due to financial hardship, contact the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the $20 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

**OTHER FEES**

Associated Student Benefits Sticker** $13
Parking
Automobiles** $40*
(special sticker available for open vehicles)
Two-wheeled Motorized Vehicles** $20*
Public Parking — per day $3
Photo ID/New or replacement** $2.50
Student Representation Fee $2

*Please note that your Cypress College Parking fee will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.

**Students requesting and paying for Photo ID sticker and/or AS Benefits sticker must pick up their stickers by appointment in the Admissions & Records office.

**NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term.**

**PARKING**

Returning students MUST renew their virtual parking permits for the new semester. PARKING is an optional fee of $40 for automobiles ($30 for students who receive the California College Promise Grant) and $20 for motorcycles. These fees have been authorized by the North Orange County Community College District Board of Trustees (Education Code 25425 and 25425.1). Payment of this parking fee may be made at the time of registration in myGateway. Payment for semester parking and completion of vehicle license plate registration authorizes students to use any of the seven lots open to student and guest parking, as well as designated spots on Circle Drive. Cypress College student semester-length virtual parking permits are also honored at the Anaheim Campus and Fullerton College with the exception of the city parking structure at Lemon St. and Chapman Ave. The Fullerton Police Department will cite as they do not have access to your Cypress College virtual parking permit and information. Students and visitors may also register vehicles using short-term parking machines or through our campus website for $2 per day. Short-term virtual parking permits are valid at Cypress College only. Students and guests are NOT eligible to park in staff spaces. The virtual parking permit does not guarantee a parking space.

**NOTE: Campus Safety will ticket for non-registration of license plate permit beginning the second week of the term!**

**Disabled Persons Vehicles** — Use of state-designated disabled parking spaces requires proper display of either a valid disabled placard or designated license plates. Disabled parking spaces are prominently marked in blue and white. Vehicles parked in disabled parking spaces must also comply with the requirements noted above, including purchase of a virtual parking permit and completion of vehicle license plate registration. Designated disabled parking spaces are available in all campus lots. Individuals who park vehicles in the disabled stalls without proper credentials will be subject to a $290 citation.

**Parking Availability** — One day parking permit dispensers are available in various lots for $3 per day.

**Parking Enforcement** — A one-week grace period is provided at the beginning of the Fall and Spring semesters in order for students to finalize vehicle registration and/or renew parking permits. All campus parking regulations are enforced by the Cypress College Campus Safety Department. All traffic regulations are enforced by the Cypress Police Department. Parking regulations are strictly enforced. Failure to register your vehicle license plate may result in a parking citation issued by Campus Safety.

The fine for parking without a valid permit and registered license plate is $37; other fines range from $37–$290, depending on the violation.

Any vehicle found parked on Cypress College property that has (3) or more unpaid Cypress College parking citations may be towed without notice. Registered owners of the vehicle will be responsible for paying all citations, towing fees, and impound fees prior to the vehicle being released by the impound company.

**Citation Payment and Appeals** — Payment of fines or filing of an appeal must take place within 21 days from the date of the citation or the fine will be doubled. Cypress College Parking Regulations are available on myGateway, the Campus Safety webpage, and in the Campus Safety Office on the first floor of the Business Building.

**Parking Refunds** — Refunds will only be given with proof of withdrawal from all classes. No refunds will be issued after 10% of class is complete.
CHANGES TO PRIORITY REGISTRATION

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.
ADD AUTHORIZATION CODE
An Add Authorization Code (commonly known as the “Add Code”) is a code that may be issued to a student by an instructor to add a class on myGateway once the class has closed. The add code can only be used to add that closed class and must be used by the add deadline. The add code is good for five days and is only valid for the current term and class it is attached to. If the add code expires, another add code must be obtained from the instructor. After entering an add code on myGateway, the student must click on Submit Changes and COMPLETE REGISTRATION.

ADVISORY
When a course has an advisory, it means a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is recommended, the student is advised (but not required) to meet the condition before or in conjunction with enrollment in the course or educational program.

EXAMPLE:
Advisory: Eligibility for ENGL 100 C is recommended for POSC 100 C.

ASSIST
ASSIST is a computerized student-transfer information system that can be accessed online. It displays reports of how course credits earned at one California community college can be applied when transferred to a CSU or UC campus. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information available about student transfer in California. ASSIST is available at: www.assist.org.

ASSOCIATE DEGREES FOR TRANSFER (ADT)
California Community Colleges are now offering Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an ADT degree are guaranteed admission with junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

The ADT degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students who have been awarded an ADT are guaranteed to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units after transfer to a CSU only unless the major is designated “high-unit” major. To view the most current list of Cypress College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.adegreewithaguarantee.com.

Current and prospective community college students in pursuit of an ADT are encouraged to meet with a counselor to review their options and learn how to develop an educational plan that best meets their goals and needs as it relates to university admission and transfer requirements.

CHALLENGING ADVISORIES, COREQUISITES, AND/OR PREREQUISITES:
Refer to the Academic Policies Affecting Students in this Class Schedule.

COREQUISITE (COREQ)
When a course has a corequisite, a student is required to take a course in combination with (or prior to) another course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course. Generally, a course cannot be dropped if it is a corequisite of another course.

It is the student’s obligation to know and meet course corequisites. These are stated in the course description section of the Class Schedule and the current College Catalog. Corequisites will be enforced at registration. The student may be required to show proof of meeting corequisites.

EXAMPLE:
Coreq: Completion of or concurrent enrollment in MATH 040 C is required for CHEM 107 C.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)
The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

COURSE REFERENCE NUMBER (CRN)
The CRN is the unique five-digit code assigned to a course for a specific time and day for identifying and registering into that course.

ELECTIVE
An elective is a course not required for graduation or a particular program. For example, a science student might take electives from non-science areas which may include history, art, English, or political science. To assist in choosing electives, a student should consult a college counselor. An excess of elective units beyond what is needed for a student’s educational goal is not encouraged.

FEES
Refer to the Fee Calculation Worksheet in this Class Schedule. If there are any additional mandatory fees for a class, they are listed under the course description in the Class Schedule.
The grading symbols earned at Cypress College are A, B, C, D, F, I, IP, NP, P, and EW.

If a grading option is not listed, the class is available for a standard letter grade (A, B, C, D, F) only.

If only PASS/NO PASS is listed, the class is available for P or NP grading only.

If PASS/NO PASS/LETTER GRADE OPTION is listed, students have the option of taking the class for a standard letter grade or pass/no pass. Students must choose the option they wish, complete the necessary paperwork and submit it to the Admissions and Records Office no later than the fifth week of full semester classes. The deadline for Summer, late start, short-term and open-entry classes is by 30% of the class meetings.

If an EW (Excused Withdrawal) is assigned to a student, they have been approved to withdraw from a class.

**PREREQUISITE**

When a course has a prerequisite, a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (types 35wpm), an ability (speaks and writes Spanish fluently), a test score or a successful completion of a prior course (must have completed ENGL 060 C with a grade of “C” or better). Completion of the prerequisite is required prior to enrolling in the course, and D, F, NC or NP grades are not acceptable.

It is the student’s obligation to know and meet course prerequisites. These are stated in the course description sections of the Class Schedule and the current College Catalog. Prerequisites will be checked at registration. The student may be required to obtain prerequisite clearance from the Counseling Center.

**SOCIAL JUSTICE, EQUITY, AND SUSTAINABILITY**

As an educational community, Cypress College embraces the shared characteristics as well as the diverse intellectual viewpoints and ideas of its culturally rich population. To prepare students for effective participation in our society, selected academic courses are designed to:

1. foster respect for diverse populations;
2. assist students in understanding the struggles of people to achieve social justice, equity and sustainability;
3. encourage students to apply the knowledge gained in these courses in their daily lives.

To achieve this educational goal, Cypress College will require all students to take at least one course whose emphasis is on the struggles of people to achieve social justice, equity and sustainability, focusing primarily on race, ethnicity, class, and gender/transgender intersectionality.

Please reference the list of approved Social Justice, Equity, and Sustainability (SOC JUST) courses for the college on the general education Native GE requirements list. Students may earn credit for course work previously completed at other regionally accredited institutions to meet this requirement upon review of the course by Admissions and Records to determine appropriateness of content to meet this local requirement.

**UNIT**

Course work at Cypress College is measured in terms of semester units. A course requires a minimum of three hours of student work per week, per unit. This includes class time and/or demonstrated competency for each unit of credit, prorated for short term, laboratory and activity courses.
Accounting

ACCT 101 C
Financial Accounting

Prerequisite: MATH 038 C or MATH 040 C or MATH 041 C with a grade of C or better.
This beginning accounting course meets transfer requirements to four-year colleges and universities and provides a foundation for vocational accounting or other areas of business administration.

20596
001 3:30- 6:00 P TTh Ferguson, Kennellie ZOOM
The above course meets via Zoom during the days and times identified in the schedule.

20599
100 4:00- 6:30 P MW Sandoval, Evelyn ZOOM
The above course meets via Zoom during the days and times identified in the schedule.

24266
101 6:30- 9:00 P TTh Ferguson, Kennellie ZOOM
The above course meets via Zoom during the days and times identified in the schedule.

ACCT 107 C
Computerized Accounting with QuickBooks

Advisory: ACCT 101 C
This is a hands-on course that introduces students to accounting application software. Students will learn how to use QuickBooks software to prepare journals, ledgers, and financial statements as utilized in a small business environment.

20587
HY1 HYBRID 1/25-5/22 Manjra, Samreen ZOOM
HYBRID CLASS: The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you must enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

20593
OL1 ONLINE 1/25-5/22 Sheridan-Solis, Ann ONLINE
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you must enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

23316
OL2 ONLINE 1/25-5/22 Manjra, Samreen ONLINE
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you must enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Petitioning Closed Classes
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

Does Admissions and Records have your correct name, home and email addresses and phone number?

Log on to myGateway and update this information by using the Personal Information link on the Student tab.
### Administration of Justice

**AJ 110 C**  
**Introduction to Criminal Justice**  
Transfer: CSU, UC  
This course introduces the criminal justice system in the United States by examining crime measurement, theoretical explanations, responses, components, and challenges of the current system.

AC/R 215 C
Codes and Commissioning
(formerly Estimating for HVAC)
Transfer: CSU
Advisory: AC/R 100 C and AC/R 137 C
This course is an application course designed to demonstrate verification methods and practices of new construction and installation of subsystems for HVAC, plumbing, electrical, controls for energy efficiency and sustainability of life cost energy usage. This course includes application of the uniform building, mechanical, and electrical codes used for inspection and certification.

AC/R 235 C
Air Conditioning Capstone
Transfer: CSU
Advisory: Completion of or concurrent enrollment in AC/R 137 C, AC/R 125 C, AC/R 205 C, AC/R 215 C.
This course brings together all of the elements of commercial air conditioning principles, blueprint reading, heat load calculating with codes and estimating into a final design, build and bid air conditioning project application.

AC/R 245 C
Load Calculations for Heating and Cooling
(formerly AC/R 145 C)
Prerequisite: AC/R 110 C with a grade of C or better.
This is an advanced air conditioning course in which the student will learn how to calculate the heating and cooling load of a building. Students will layout and design systems for sustainability and maximum energy efficiency, according to ASHRAE Standard 90.1.

AC/R 260 C
Crew Leadership-Field Supervisor
Transfer: CSU
This course is an overview of team building and supervision in a field environment. Topics include: roles of leaders and supervisors; importance and purpose of job description; division of labor; effective communication in team building; group/individual decision making; scheduling of resources; problem solving and project quality.

ART 114 C  
Modern Art History  
Transfer: CSU, UC  
Advisory: ART 112 C and completion of ENGL 100 C or ENGL 101 C or ESL 110 C.  
This course is an art historical survey of the development of modern and architecture from its development in the 19th century to the early 21st century.  
PASS/NO PASS/LETTER GRADE OPTION  
$25.00 Material Fee — PAYABLE AT REGISTRATION  
Cost of museum visit will not exceed $25.  
20038 001 11:20-12:45 P  MW  Owen Driggs, Janet  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 120 C  
Two-Dimensional Design  
Transfer: CSU, UC  
This course is an introduction to the concepts, applications, and art historical and multi-cultural references related to two-dimensional art and composition, including the study of the basic principles and elements of line, shape, texture, value, color and spatial illusion. Development of a visual vocabulary for creative expression.  
$25.00 Material Fee — PAYABLE AT REGISTRATION  
20017 001 08:00-11:20 A  MW  Giardina, Edward  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 121 C  
Three-Dimensional Design  
Transfer: CSU, UC  
This course is an introduction to the concepts, applications, cultural and art historical references related three-dimensional design and spatial composition, including the study of the elements and organizing principles of design as they apply to three-dimensional space and form.  
$20.00 Material Fee — PAYABLE AT REGISTRATION, $20 materials fee payable at registration.  
20009 001 08:00-11:20 A  MW  Giardina, Edward  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 122 C  
Introduction to Digital Art  
(formerly ART 122 C Gallery/Portfolio Design)  
Transfer: UC, CSU  
This course introduces the computer as a creative tool for making contemporary art, illustration, sculpture, and non-commercial design. This course evaluates the history, theory, and artists of computer using the computer in their fine art practice.  
Non-degree credit  
$25.00 Material Fee — PAYABLE AT REGISTRATION  
23058 001 12:20-13:30 P  TTh  Giardina, Edward  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 123 C  
Color Theory  
Transfer: CSU, UC  
This course focuses on the scientific, artistic, and varied cultural understandings of color pertaining to painting, drawing, photography, media arts and design. This course combines lecture, demonstration and critique with hands-on exploration in problem solving. $25 Materials Fee Payable at Registration  
$25.00 Material Fee — PAYABLE AT REGISTRATION  
21366 001 12:20-13:30 P  TTh  Boruck, Holly  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 130 C  
Introduction to Printmaking  
Transfer: CSU, UC  
This introductory course presents the artist with concepts and techniques of drawing, design, and color through the use of fine art printing medias such as etching, lithography, and woodcut.  
$20.00 Material Fee — PAYABLE AT REGISTRATION, $20 materials fee payable at registration.  
20010 001 12:00-13:20 P  MW  Christy, Carleton  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 131 C  
Intermediate Printmaking  
Transfer: CSU, UC  
This intermediate course will continue with exploration and technical problem solving in the fine art printing medias such as etching, lithography, screen printing and woodcut.  
$20.00 Material Fee — PAYABLE AT REGISTRATION, $20 materials fee payable at registration  
21688 001 12:00-13:20 P  MW  Christy, Carleton  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 150 C  
Ceramics Handbuilding  
Transfer: CSU, UC  
In this course, students will learn ceramic handbuilding to convey ideas, images, and feelings. Ceramic terminology and visual vocabulary will be covered as well.  
$20.00 Material Fee — PAYABLE AT REGISTRATION  
20014 001 12:00-13:20 P  MW  Schulps, Molly  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 152 C  
Technical and Conceptual Ceramics  
Transfer: CSU, UC  
Prerequisite: ART 150 C or ART 151 C with a grade of C or better:  
This course deals with advanced technical skills in ceramic construction and visual concepts.  
$20.00 Material Fee — PAYABLE AT REGISTRATION  
20013 001 11:30-12:50 P  MW  Schulps, Molly  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

ART 153 C  
Ceramic Studio Exploration  
Transfer: CSU, UC  
Prerequisite: ART 152 C with a grade of C or better:  
This course focuses on the advanced technical and conceptual skills of ceramics.  
$20.00 Material Fee — PAYABLE AT REGISTRATION  
20014 001 11:30-12:50 P  MW  Schulps, Molly  ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
### ART 154 C
**Ceramic Aesthetics and Finishes**  
3 Units  
**Transfer:** CSU, UC

**Prerequisite:** ART 153 C with a grade of C or better.  
This class explores various firing processes, glaze exploration and is designed for the advanced ceramic student.  
- **$20.00 Material Fee — PAYABLE AT REGISTRATION**

### Astronomy

**ASTR 116 C**

**Introduction to Astronomy**

This course provides an overview of the physical universe and includes topics such as the night sky, the solar system, stars, the Milky Way galaxy, extrasolar planets, cosmology, and extraterrestrial life. Duplicate credit not given for ASTR 116HC.

- **Prerequisite:** ASTR 116HC.
- **Pass/No Pass/Letter Grade Option**

**HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class.

- **Last day to add:** Feb 7; Last day to drop without "W": Feb 7; Last day to drop with "W": Apr 25; Last day to drop for refund: Feb 7.

**HYBRID:**

You will be required to use your 8-digit Student ID number to access myGateway.

Memorize it! Be ready!
## Spring Schedule 2021

### ASTR 117 C
**Astronomy Lab**
Prerequisite: Completion of or concurrent enrollment in ASTR 116 C or ASTR 116HC, with a grade of C or better.
This course covers astronomical measurements, stellar photometry, Kepler’s laws, time, Coordinate systems, Star Finders, properties of stars and galaxies, structure of the universe and Hubble’s Law. Duplicate credit not granted for ASTR 117HC.

<table>
<thead>
<tr>

The above course meets via Zoom during the days and times identified in the schedule. Conditions permitting, this course may also meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site. This is a fixed 2 units class. Lecture hour is scheduled and lab hours can be arranged with instructors. 2 units = 16 lecture hours and 54.40 lab hours

### ACR 101 C
**Auto Collision Repair Technician I**
(formerly ACR 001 C)
Transfer: CSU
This course covers the fundamentals of automotive collision repair with an emphasis on safety, proper use of tools, and in-depth coverage of sheet metal straightening and welding practices. An overview of technical principles and in-depth coverage of sheet metal straightening and welding practices will also be discussed.

<table>
<thead>

- **Zoom:**

#### HYBRID CLASS:
The above course has no scheduled meeting times and is offered full online. To avoid being dropped, you MUST enter your e-mail address in myGateway BEFORE enrolling in the class. For more information, go to www.cypresscollege.edu/academics/distance-education/

- Last day to add: Feb 7;
- Last day to drop without "W": Feb 7;
- Last day to drop with "W": Apr 25;
- Last day to drop for refund: Feb 7.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
### Baking and Pastry Arts

**Interested in baking like a professional?**

Let Cypress help!

Information on Baking and Pastry Arts can be found under the Hotel, Restaurant, and Culinary Arts (HRC) section of the catalog.

---

### Biology

**BIOL 101 C**

**General Biology**

Transfer: CSU, UC Credit Limitation

**Advisory:** High School Chemistry or CHEM 101 C or CHEM 107 C recommended

This course is a survey of modern concepts in molecular, cellular, organismic, and population biology, stressing evolution as the central theme of modern biology. Duplicate credit not granted for BIOL 101HC. No credit if taken after BIOL 174 C, BIOL 175 C or BIOL 177 C.

### BIOL 174 C

**Biology of Cells and Tissues**

Transfer: CSU, UC

Prerequisite: Completion of or concurrent enrollment in CHEM 111AC with a grade of C or better.

Advisory: ENGL 060 C

This course will include the principles of molecular and cellular biology including biomolecules, cell structure, cell metabolism, cell growth, cell reproduction, cell tissue integration, and basic genetics for biology majors. Duplicate credit not granted for BIOL 111 C and BIOL 112 C.

**HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. Conditions permitting, this course may also meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

Last day to add: Feb 7; Last day to drop without "W": Feb 7;
Last day to drop with "W": Apr 25; Last day to drop for refund: Feb 7.

---

**If necessary, most lab exams for DSS students with authorized testing accommodations will be held on Fridays. Please speak to your lab instructor and/or department coordinator to schedule a specific time. If you need more information, contact your DSS Counselor.**
Cypress College Biology AS-T Majors Course Sequence*

*Each UC and CSU university has specific transfer requirements. Please consult with your counselor and www.assist.org for campus-specific requirements.

**Biology AS-T degree seekers may also consider PHYS 210 C and 211 C (Physics for Life Sciences I and II) but should consult with their counselor first.

Shaded boxes are core courses or require supporting science and mathematics courses within the Biology Transfer AS degree (AS-T). Other courses may be transferable to individual CSU or UC universities.

**BIOL 210 C**

**Anatomy and Physiology**

Transfer: CSU, UC

Advisory: BIOL 160 C or one semester of college biology/chemistry completed within the last five years with a grade of C or better or one year of high school biology/chemistry completed within the last five years with a grade of C or better.

This course includes a study of the normal structure and function of the human body using mammalian specimens as examples and some selected physiological exercises which utilize the student's own body function.

- PASS/NO PASS/LETTER GRADE OPTION

Last day to add: Feb 7; Last day to drop without “W”: Feb 7; Last day to drop with “W”: Apr 25; Last day to drop for refund: Feb 7.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

**BIO1 241 C**

**General Human Physiology**

**Transfer:** CSU, UC

**Prerequisite:** BIO1 210 C or BIO1 231 C with a grade of C or better.

**Advisory:** CHEM 101 C

This course is an in-depth study of human function. Special attention is given to the abnormal as well as the normal functional state.

- **PASS/NO PASS/LETTER GRADE OPTION**

---

**BIOL 276 C**

Molecular Biology

Transfer: UC/CSU

**Prerequisite:** BIOL 277 C, CHEM 211AC

This course presents structure and function of biomolecules, mechanisms of gene expression, genomics, biotechnology, cell signaling cancer and biochemical pathways in cells, and the mechanisms for regulating these processes.

Various Chemistry Pathways at Cypress College

Chemistry, Engineering, Physics, Biology, Pre-Med, Pre-Pharm Majors

- **CHEM 107 C** Preparation for General Chemistry
- **CHEM 111AC** General Chemistry I
- **CHEM 111BC** General Chemistry II
- **CHEM 211AC** Organic Chemistry I
- **CHEM 211BC** Organic Chemistry II

Health Science Majors

- **CHEM 101 C** Chemistry for Health Science Majors I
- **CHEM 201 C** Chemistry for Health Science Majors II

Non-Science Majors

- **CHEM 100 C** Chemistry for Daily Life

G.E. Course with Laboratory  
No Math Prerequisite  
(4 units)

OR

- **CHEM 103 C** Chemistry in a Changing World

G.E. Course without Laboratory  
No Math Prerequisite  
(3 units)

OR

- **CHEM 104 C / PHSC 104 C**  
Physical Science for Teachers

Teacher Preparation Course with Laboratory  
MATH 020 C or 041 C Prerequisite  
(4 units)

*Students may enter CHEM 111AC directly by passing the chemistry placement exam or by obtaining AP Chemistry Exam Score of 3 or higher.

---

**Ways to Satisfy MATH 040 C/041 C Prerequisite for CHEM 107 C/CHEM 111AC**

1. **Completed MATH 040 C or MATH 041 C with C or better in NOCCCD (or a course equivalent to these courses at another college or high school. Example: Algebra 2).**
2. **Completed MATH 100 C, 110 C, 115 C, 130 C, 141 C, 142 C, 150AC, 150BC, 250AC, 250BC with C or better in NOCCCD (or a course equivalent to these courses at another college or high school. Example: Pre-Calculus, Calculus).**

**Note:** MATH 120 C does not satisfy MATH 040 C/041 C prerequisite.

A student who is concurrently enrolled in or has completed MATH 120 C must present verification of successful completion of MATH 020 C/041 C or an equivalent course. Concurrent enrollment or completion of MATH 120 C by itself does not satisfy the MATH 040 C/041 C prerequisite conditions.

Please contact the chemistry course lead instructors or SEM counselors for more details.
## Chemistry

### CHEM 101 C

**Chemistry for Health Science Majors**

Prerequisite: MATH 020 C or MATH 041 C, with a grade of C or better.

This course is the first semester of a two-semester sequence designed for students requiring one year of allied health chemistry. Topics covered include the basic concepts and principles of inorganic and organic chemistry.

- **CRN 21112**: 8:15-10:20 A T T Th Tomsika, Craig ZOOM
- **LAB 21112**: 10:30-12:35 P T Tomsika, Craig ZOOM
- The above course meets via Zoom during the days and times identified in the schedule.

### CHEM 104 C

**Physical Science for Teachers**

(same as PHSC 104 C)

Prerequisite: MATH 020 C or MATH 041 C with a grade of C or better.

This activity based course introduces students to basic principles of physics and chemistry with emphasis on their practical importance and application in the real world. This course is intended for students who want to become elementary school teachers. Duplicate credit not granted for PHSC 104 C.

- **CRN 22072**: H1 HYBRID 12:30-1:55 P T Th Gotoh, Akiko ZOOM
- **LAB 22072**: 12:30-1:55 P T Th Gotoh, Akiko ZOOM

**HYBRID CLASS:** The above course meets via Zoom during the days and times identified in the schedule.

### CHEM 111AC

**General Chemistry I**

Prerequisite: MATH 040 C or MATH 041 C and CHEM 107 C, with a grade of C or better or a passing score on the Chemistry Proficiency Test.

This course is the first semester of a two-semester sequence designed to cover the principles of general chemistry, including laboratory analysis.

- **CRN 22170**: 001 10:15-11:05 A T T Al-Shawa, Ahmad ZOOM
- **LAB 22170**: 7:35-8:55 A T Th Al-Shawa, Ahmad ZOOM
- **LAB 22170**: 11:15-12:30 P T Al-Shawa, Ahmad ZOOM

**HYBRID CLASS:** The above course meets via Zoom during the days and times identified in the schedule.

### WHICH FIRST CHEMISTRY COURSE SHOULD I TAKE?

| CHEM 101 C — CHEMISTRY FOR HEALTH SCIENCE MAJORS | CHEM 107 C — PREPARATION FOR GENERAL CHEMISTRY | CHEM 111AC — GENERAL CHEMISTRY |
| Health Science Majors (Prerequisite: Completion of MATH 020 C, MATH 041 C or equivalent) | Science majors without a strong chemistry background (Prerequisite: Completion of MATH 040 C, MATH 041 C or equivalent) | Science majors with a very strong chemistry background (Prerequisites apply — Completion of MATH 040 C, MATH 041 C, or equivalent and CHEM 107 C or equivalent) |

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

21773 01L ONLINE 1/25-5/22 Molnar, Peter ONLINE
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Feb 7; Last day to drop without "W": Feb 7;
Last day to drop with "W": Apr 25; Last day to drop for refund: Feb 7.

CIS 164 C
Computer Desktop Support
3 Units
Transfer: CSU
This class is designed to teach students the crucial skills based on the Microsoft Certified Desktop Support Technician curriculum (MCDST) to work as a computer end-user support in today’s business.
• PASS/NO PASS/LETTER GRADE OPTION
• $3.00 Material Fee — PAYABLE AT REGISTRATION
24562 HY1 HYBRID 1/25-5/22 Moady, Alireza ZOOM
HYBRID CLASS: The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/.
Last day to add: Feb 7; Last day to drop without "W": Feb 7;
Last day to drop with "W": Apr 25; Last day to drop for refund: Feb 7.

Student Responsibility to Add and Drop Classes
It is your responsibility to officially add and drop within published deadlines printed in the Class Schedule. The neglect of adding or dropping may result in no credit or a substandard grade or “W” posted on your permanent record.

ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.  

**THIS CLASS IS CROSS-LISTED WITH CIS 075 C.**  
- Last day to add: Apr 23;  
- Last day to drop without “W”: Apr 23;  
- Last day to drop with “W”: Apr 25;  
- Last day to drop for refund: Feb 7.

---

### Computer Science

**CSCI 123 C**  
**Introduction to Programming Concepts in C++**  
Transfer: CSU, UC  
**Prerequisite:** MATH 141 C or MATH 142 C, with a grade of C or better.  
This course is an introduction to the basic principles of programming. It introduces the discipline of computer science using a high level language utilizing programming and practical hands-on problem solving. Object-oriented programming will also be introduced.

22836  
**001**  
10:00-11:25 A  
MW  
Johannsen, Jonathan  
ZOOM  

**LAB**  
11:35-12:05 P  
MW  
Johannsen, Jonathan  
ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.

21445  
**002**  
10:15-11:40 A  
TTh  
Shulman, S.  
ZOOM  

**LAB**  
11:50-12:20 P  
TTh  
Shulman, S.  
ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.

23533  
**003**  
12:00- 1:25 P  
TTh  
Wu, Penn  
ZOOM  

**LAB**  
1:35- 2:05 P  
TTh  
Wu, Penn  
ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.

**CSCI 133 C**  
**Data Structures in C++**  
Transfer: CSU, UC  
**Prerequisite:** CSCI 123 C with a grade of C or better.  
This course discusses how to apply software engineering techniques to the design and development of large programs, data abstraction and structures and associated algorithms. Topics include linked lists, stacks, queues, tables, sorting methods, tree structures, recursion and directed graphs using C++.

22841  
**001**  
11:00-12:25 P  
WF  
Wu, Penn  
ZOOM  

**LAB**  
12:35- 1:25 P  
F  
Wu, Penn  
ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.

**CSCI 252 C**  
**Discrete Structures**  
Transfer: CSU, UC  
**Prerequisite:** CSCI 123 C or CIS 226 C or CIS 247 C, with a grade of C or better.  
**Advisory:** CSCI 242 C.  
This course is an introduction to discrete structures used in computer science with an emphasis on their applications. Topics include functions, relations and sets, basic logic, proof techniques, graphs and trees, and discrete probability.

24575  
**001**  
3:00- 4:25 P  
MW  
Johannsen, Jonathan  
ZOOM  

The above course meets via Zoom during the days and times identified in the schedule.

---

**Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.**

---

**Be Sure to Attend the First Class Meeting**

Because of enrollment demands, attendance at the first class meeting is required of officially enrolled and waitlist students. Any student not reporting to the first class meeting may be dropped from the class and waitlist. This includes waitlisted students.
Counseling and Student Development

Students may elect to complete an online orientation by logging into myGateway and clicking on Online Orientation.

COUN 110 C (continued)

21216 0L1 ONLINE 1/25-5/22 Lam, Mymy

ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academic/distance-education/

The above course is part of the Teacher Preparation Program and is recommended for future teachers. For more information about the Teacher Preparation Program, please e-mail the instructor at mlam@cypresscollege.edu.

Some criminal offenses may prevent a student from participating in a fieldwork placement. If applicable, Live Scan fingerprinting and clearance should be done prior to enrolling in this course. If you have any questions, please contact Social Sciences Division, at (714) 484-7188.

COUN 120 C

The History of Disability in the United States

Transfer: CSU, UC

Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.

This course places the experiences of people with disabilities at the center of the American story. This course portrays a new perspective on familiar national stories, as well as discussing new experiences. SOC JUST

24780 HYBRID 1/25-5/22 Michelle, Deborah

HYBRID CLASS: The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

COUN 135 C

Leadership

Transfer: CSU

Advisory: This course includes the study and practical application of group and individual leadership techniques. Duplicate credit not granted for COUN 135HC.

23829 001 3:00- 6:10 P W Staff

This course meets via Zoom during the days and times identified in the schedule.

COUN 135HC

Honors Leadership

Transfer: CSU, UC Credit Limitation

This is an enhanced leadership development course that includes the study and practical application of group and individual leadership techniques. Duplicate credit not granted for COUN 135 C.

23812 001 11:30-12:55 P TTh Gabourie, Lillian

This course meets via Zoom during the days and times identified in the schedule.

COUN 139 C

Career Exploration

(formerly COUN 141 C)

Transfer: CSU

This course is for students who are undecided about their educational or career goals. Students assess interests, skills, strengths, personality, values, life and work style choices and research potential educational and career goals. Additional cost for career assessments may be required.

$6.00 Material Fee — PAYABLE AT REGISTRATION

23122 200 8:00- 9:15 A TTh 1/26-3/4 Staff

This course meets via Zoom during the days and times identified in the schedule.

23808 001 2:00- 3:50 P T 3/2-5/4 Staff

This course meets via Zoom during the days and times identified in the schedule.

23138 002 3:00- 5:50 P T 1/26-3/2 Staff

This course meets via Zoom during the days and times identified in the schedule.

23127 250 6:00- 8:50 P Th 1/28-3/4 Staff

This course meets via Zoom during the days and times identified in the schedule.
COUN 140 C
Educational Planning

This course covers an orientation to college life and responsibilities, as well as the development of a student educational plan.

- Pass/No Pass only.

PUENTE ¡Sí Se Puede!

Program Goals

- Offer English and Counseling classes in a supportive and stimulating environment
- Create a forum to discuss topics on the Latino experience
- Instill a sense of familia, confidence, and self-esteem

English

ENGL 101 C
ENGL 103 C/104 C

Classes work to improve written language skills and enhance research methods while exploring Latino culture and literature.

Counseling

COUN 150 C
COUN 160 C

Classes work to develop an educational plan, enhance study skills, explore career options, and identify lifetime goals.

Mentoring

Mentors

Peer Mentors

Mentors and Peer Mentors work with students to offer guidance, support, and encouragement.

For more information, contact:

- Dr. Therese Mosqueda-Ponce, (714) 484-7180
- Prof. Ashton Politanoff, apolitanoff@CypressCollege.edu

CypressCollege.edu / 55
COUN 150 C

### Academic and Life Success

Transfer: UC, CSU

This course will give students practical skills and assistance in achieving personal, academic, and relational success. Optional assessments require a fee.

Cypress College

### Legacy Program

Celebrating the Black Experience

The mission of the Legacy Program is to provide students with a strong academic program, instructional resources, and motivational support to facilitate their progression toward transferring to four-year institutions.

Set in a positive academic environment, students create a close bond with their peers, mentors and professors as they participate in a variety of events both on and off campus. By offering interesting and rewarding curriculum that focuses on the Black experience, students that complete the program are prepared to transfer and excel in university level work.

EYoung@CypressCollege.edu

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
COUN 160 C
College and University Transition

This course will assist students in the selection of a transfer institution and the application process for transferring to a college or university. Duplicate credit not granted for COUN 160HC.

- PASS/NO PASS/LETTER GRADE OPTION
- Transfer: CSU

The above course is part of the Puente Program, a university preparation program. Reading and writing assignments will focus on the Latino/Chicano experience. Concurrent enrollment in ENGL 104 C, CRN 23229 or ENGLISH 104 C, CRN 24144 and ETHS 129 C, CRN 20144 are required. Enrollment requires prior Fall 2020 participation. This course meets via Zoom during the days and times identified in the schedule.

COUN 299 C
Counseling - Independent Study

This course is designed for students who wish to explore in-depth, various guidance-related topics. May be taken for credit 4 times.

- Open Entry/Open Exit
- Transfer: CSU

The above class is designed for students who have successfully completed the Puente Program. Students are required to attend a weekly group discussion throughout the semester. An approved Independent Learning Study Contract is required. To add the above class, please e-mail the instructor at tmponce@cypresscollege.edu.

- Open Entry/Open Exit
- Transfer: CSU

The above course meets via Zoom during the days and times identified in the schedule. To add the above class, please see Dave Okawa, Director of Student Activities, in the Student Activities Office during business hours. An approved Independent Learning Study Contract is also required.

COURTSIDE C
Social Justice

This course focuses on social injustice, and explores the causes and consequences of the legal system. Students examine everyday injustices as well as larger societal issues. This course counts as a social science and is part of the Social Justice program.

- Non-degree credit

The above course meets via Zoom during the days and times identified in the schedule. To add the above class, please e-mail the instructor at tmponce@cypresscollege.edu.

Changes to Priority Registration

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.

Student Activities Office during business hours. An approved Independent Learning Study Contract is also required.

Silva, Joel
TE3-305
HYBRID CLASS: The above hybrid course includes online lectures and, conditions permitting, may also meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

Last day to add: Feb 2;
Last day to drop without “W”: Feb 2;
Last day to drop with “W”: Mar 8;
Last day to drop for refund: Jan 29.

DA 068 C
Prerequisite: Enrollment in the Dental Assisting Program and successful completion of all first semester courses.

This course provides instruction in the principles, instrumentation, and procedures to function as a Registered Dental Assistant.

22706
HY2
1/25-3/21

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Diagnostic Medical Sonography

You must be accepted into the Diagnostic Medical Sonography Program prior to enrolling in any DMS courses.

Are you interested in applying to the Diagnostic Medical Sonography Program?

Visit our website for details and attend an information workshop!

DMS 176 C
Pathology and Small Parts
Prerequisite: DMS 170 C, DMS 172 C, DMS 175 C and RADT 262 C, with a grade of C or better.
Corequisite: DMS 186 C and DMS 207 C.
This course will discuss abdominal pathology and disease conditions and their relevance to sonographic procedures. Small parts and neonatal scanning and pathology are included in this course.

21128  001  1:30-4:40 P  F  Corrales, Nancy  TE3-311

DMS 186 C
Ob/Gyn Sonography
Prerequisite: DMS 170 C, DMS 172 C and DMS 175 C with a grade of C or better.
Corequisite: Completion of or concurrent enrollment in DMS 176 C and DMS 207 C.
This course is a study of the pregnant and non-pregnant female reproductive system.

21129  001  8:00-12:15 P  F  Corrales, Nancy  TE3-311

DMS 207 C
Clinical Education I
Prerequisite: Satisfactory completion of the first (Fall) semester of the Diagnostic Medical Sonography Program and DMS 172 C with a grade of C or better.
This course offers a minimum of 486 hours of clinical experience at an affiliated hospital. This course will provide basic instruction and scanning experience in abdomen sonography.

21236  001  1/25-5/22  Corrales, Nancy  HOSP
The above course includes 24 hours per week in a hospital/clinical setting, to be arranged by instructor.

DMS 210 C
Review Seminar
Prerequisite: DMS 195 C and DMS 227 C with a grade of C or better.
Corequisite: DMS 237 C with a grade of C or better.
This course correlates and analyzes information pertaining to sonography case studies. Review of abdomen, small parts, physics, vascular, obstetric and gynecology will be included to help prepare the student for the American Registry of Diagnostic Medical Sonography test.

21367  100  8:30-9:00 P  W  Hollinghurst, Julie  TE3-311

DMS 237 C
Clinical Education IV
Prerequisite: DMS 227 C and DMS 195 C, with a grade of C or better.
Corequisite: DMS 210 C with a grade of C or better.
This course requires a minimum of 612 hours of clinical training at an affiliated hospital/medical center. This course will provide basic instruction and scanning experiences in vascular sonography.

21368  001  1/25-5/22  Corrales, Nancy  HOSP
The above course includes 32 hours per week in a hospital/clinical setting, to be arranged by instructor.

Drones

Classes on drones can be found in the Aviation and Travel Careers or Photography areas.

Economics

ECON 100 C
Principles of Economics-Macro
Transfer: CSU, UC Credit Limitation
Prerequisite: MATH 040 C or MATH 041 C, with a grade of C or better.
This course concentrates on macroeconomic analysis. Topics emphasized are aggregate supply/demand concepts, economic aggregates and the overall functioning of the American economy. Duplicate credit not given for ECON 100HC.

21028  001  9:00-10:30 A  MW  Sidhu, Parwinder  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

21030  003  9:00-10:30 A  TTH  Sidhu, Parwinder  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

21029  002  10:40-12:05 P  MW  Sidhu, Parwinder  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

20201  OL1  ONLINE
ONLINE CLASS: The above first 8-week online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 2; Last day to drop without “W”: Feb 2;
Last day to drop with “W”: Mar 8; Last day to drop for refund: Jan 29.
ECON 100 C (continued)

22119  0L2  ONLINE  1/25-5/22  Sidhu, Parwinder

**ONLINE CLASS:** The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;  Last day to drop without “W”: Feb 7;  Last day to drop with “W”: Apr 25;  Last day to drop for refund: Feb 7.

24265  0L3  ONLINE  1/25-5/22  Odebunmi, Mary

**ONLINE CLASS:** The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;  Last day to drop without “W”: Feb 7;  Last day to drop with “W”: Apr 25;  Last day to drop for refund: Feb 7.

ECON 105 C  3 Units
Principles of Economics-Micro

Transfer: CSU, UC Credit Limitation

**Prerequisite:** MATH 040 C or MATH 041 C, with a grade of C or better.

This course concentrates on microeconomic analysis. Topics emphasized are the basic structure of the United States economic system and the interrelationships within this structure. Duplicate credit not given for ECON 105C.

20135  003  10:40-12:05 P  Th  Sidhu, Parwinder  ZOOM

This course meets via Zoom during the days and times identified in the schedule.

20134  002  1:50-3:15 P  T-Th  Gale, Michael  ZOOM

This course meets via Zoom during the days and times identified in the schedule.

20136  HY1  HYBRID  1/25-5/22  Gale, Michael

6:00-7:25 P  Th  1/25-5/22  Gale, Michael  ZOOM

**HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;  Last day to drop without “W”: Feb 7;  Last day to drop with “W”: Apr 25;  Last day to drop for refund: Feb 7.

22121  0L1  ONLINE  3/22-5/22  Odebunmi, Mary

**ONLINE CLASS:** The above second 8-week online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Apr 7;  Last day to drop without “W”: Apr 7;  Last day to drop with “W”: May 8;  Last day to drop for refund: Mar 27.

20203  0L2  ONLINE  1/25-5/22  Sidhu, Parwinder

20133  0L4  ONLINE  2/8-4/25  Odebunmi, Mary

**ONLINE CLASS:** The above late start 10-week online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 9;  Last day to drop without “W”: Feb 23;  Last day to drop with “W”: Apr 25;  Last day to drop for refund: Feb 18.

ECON 299 C  1 Unit
Economics Independent Study

Transfer: CSU, UC Credit Limitation

**Prerequisite:** Approved Independent Study Learning Contract

This independent study course is for advanced students who wish to extend their knowledge of a particular area of economics through individual research and study. May be taken for credit 3 times.

20137  400  1/25-5/22  Odebunmi, Mary  HUM-238

Students must contact a full time instructor to supervise their semester’s work. An agreement will be developed by the student and instructor, signed and approved by the Division Dean. Agreements are available from the Social Sciences Division Office.

---

**Education**

EDU 200 C  3 Units
Elementary School Teaching

Transfer: CSU, UC Credit Limitation

Advisory: COUN 110 C or at least one year as a paraprofessional in a public school setting.

This course provides an overview of the teaching profession for students who are considering a career in elementary school teaching. 45 hours of fieldwork will be required.

20138  001  12:15-2:20 P  M  Staff  ZOOM

The above class is part of the Teacher Preparation Program and is recommended for future teachers. See the Index in the back of this Class Schedule for more information.

Some criminal offenses may prevent a student from participating in a fieldwork placement. If applicable, Live Scan fingerprinting and clearance should be done prior to enrolling in this class. If you have any questions about this, contact the Dean of Social Sciences Division at (714) 484-7185.

This course meets via Zoom during the days and times identified in the schedule.

---

**Engineering**

ENGR 102 C  3 Units
Engineering Design Graphics

Transfer: CSU, UC Credit Limitation

This is an introductory course which utilizes drafting and CAD as a tool for graphic concepts, visualization and completing a set of engineering drawings.

21084  100  6:00-7:05 P  T-Th  Saleh, Massoud  ZOOM

The above course meets via Zoom during the days and times identified in the schedule.

21724  HY1  HYBRID  1/25-5/22  Saleh, Massoud

12:35-1:40 P  Th  1/25-5/22  Saleh, Massoud  ZOOM

**HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;  Last day to drop without “W”: Feb 7;  Last day to drop with “W”: Apr 25;  Last day to drop for refund: Feb 7.

If necessary, most lab exams for DSS students with authorized testing accommodations will be held on Fridays. Please speak to your lab instructor and/or department coordinator to schedule a specific time. If you need more information, contact your DSS Counselor.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

**ENGT 150 C**  
**Digital Fundamentals and PLC Programming**  
Transfer: CSU  
Prerequisite: ENGT 103 C and ENGT 107 C with a grade of C or better.  
This course is for students majoring in engineering technology with concentration in mechatronics, robotics and automation. Topics covered include introduction to logic in programming of PLC units, design and implementation of ladder logic, and methodologies and configurations in programming of PLCs.

Students may elect to complete an online orientation by visiting this address:  
http://www.CypressCollege.edu/~counseling/orientation  
Be sure to take the quiz.
English

ENGL 060 C  4 Units
College Writing Preparation
Advisory: Non-native speakers of English should consider taking credit ESL courses at Cypress College which are designed to enhance English proficiency based on the specific needs of English language learners.
This course is designed to prepare students for ENGL 100 C. The focus is on reading, critical analysis, grammar review, and writing expository essays. This course reviews the fundamentals of grammar, sentence structure, and paragraph development.
• Non-degree credit
• PASS/NO PASS/LETTER GRADE OPTION
21523  017  8:15-10:20 A  MW  Flores-Salcido, Dahlia  ZOOM
This course meets via Zoom during the days and times identified in the schedule.
23378  006  11:20- 1:25 P  MW  Barretto, Jacqueline  ZOOM
This course meets via Zoom during the days and times identified in the schedule.
20468  005  3:00- 5:05 P  MW  Flores-Salcido, Dahlia  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

This course meets via Zoom during the days and times identified in the schedule.

ENGL 096 C  3 Units
College Reading Strategies
Prerequisite: ENGL 060 C with a grade of C or better or acceptable score on the placement test.
This course prepares students to succeed in college by focusing attention on academic and technical discipline-specific reading strategies and by teaching students how to adapt these active reading skills to college courses and in the workplace.
• PASS/NO PASS/LETTER GRADE OPTION
20812  021  ONLINE  3/22-5/22  Jones, Sarah
ONLINE CLASS: This 2nd session, 8-week class meets entirely online. Before registering for this course, update or confirm the email address you have entered into MyGateway as an active and preferred email address so that you may receive important information regarding this course. For more information, go to www.cypresscollege.edu/academics/Distance-Education.
Last day to add: Apr 7; Last day to drop without “W”: Apr 27; Last day to drop for refund: May 8; Last day to drop for refund: May 8; Last day to drop for refund: May 8.

Reading Proficiency Requirement

Proficiency in Reading can be satisfied by successfully completing one of the following:
ENGL 096 C College Reading Strategies (3 Units)
ENGL 102 C Introduction to Literature (3 Units)
ENGL 103 C Critical Reasoning and Writing (4 Units) (Taken Fall 2014 or later)
ENGL 104 C or ENGL 104HC Critical Analysis and Literature (4 Units) (Taken Fall 2014 or later)
California State University (CSU) general education certification
IGETC certification
Bachelor's degree from a regionally accredited institution
A score of 3 or higher on the Advanced Placement (AP) English Literature Exam
Completing the Cypress College AA/AS degree General Education pattern Area A2 (Analytical Thinking)

ENGL 100 C  4 Units
College Writing
Transfer: CSU, UC Credit Limitation
Prerequisite: Placement via current assessment process or successful completion of ENGL 060 C or ESL 186 C with a grade of C or better.
Advisory: ENGL 010LF is recommended for students requiring individualized tutoring and support.
This course stresses the principles and practice of written communication, with an emphasis on reading and writing expository essays and on research skills. Duplicate credit not granted for ENGL 100HC.

This course meets via Zoom during the days and times identified in the schedule.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Do you know your Student ID and PIN Number?
You will be required to use your 8-digit Student ID number to access myGateway.
Memorize it! Be ready!
Pathways to ENGL 100 C

Native English speakers are advised to take ENGL 100 C (College Writing). Students needing additional fundamental work are advised to see a counselor to determine if enrollment in ENGL 060 C (Preparation for College Writing) is appropriate. More basic English skill courses are offered by North Orange Continuing Education (NOCE). Students enrolled in pre-English 100 C classes must earn at least a C grade in ENGL 060 C or a grade of C in ESL 186 C to be eligible for enrollment in ENGL 100 C. All students are encouraged to complete their English coursework as early as possible in their educational programs.

Students enrolled in core classes will be required to write an essay on the first day of instruction to verify skill level and assessment placement score.

ENGL 102 C

Introduction to Literature

Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C with a grade of C or better.

Fiction, poetry, and drama form the core of this survey course where students learn to understand and appreciate literature. This course covers the elements of each genre and how to interpret and write about literature.

21291 003 8:10-9:35 A MW Simoes, Nora ZOOM
This course meets via Zoom during the days and times identified in the schedule.

20533 001 9:45-11:10 A MW Simoes, Nora ZOOM
This course meets via Zoom during the days and times identified in the schedule.

20535 001 1:00-2:25 P TTh Passman, Alan ZOOM
This course meets via Zoom during the days and times identified in the schedule.

20536 100 6:30-9:40 P M Keel, Lawrence ZOOM
This course meets via Zoom during the days and times identified in the schedule.

ENGL 103 C

Critical Reasoning and Writing

Prerequisite: ENGL 100 C or ENGL 100HC or ENGL 101 C or ESL 110 C, with a grade of C or better

This course is designed to continue developing critical thinking, reading, and writing skills beyond the level achieved in ENGL 100 C. This course will focus on the development of logical reasoning and analytical and argumentative writing skills.

20538 001 7:30-9:35 A MW Pham, Jacqueline Nha ZOOM
This course meets via Zoom during the days and times identified in the schedule.

22175 004 7:30-9:35 A MW Hyer, Mark ZOOM
This course meets via Zoom during the days and times identified in the schedule.

22295 005 7:30-9:35 A TTh Osle, Janessa ZOOM
This course meets via Zoom during the days and times identified in the schedule.

### HI 116 C
**Health Info Tech Pharmacology**

**Prerequisite:** Acceptance in Health Information Technology Program

This is an introductory course to pharmacy concepts in Health Information Technology focusing on the major body systems and the application of medications used to treat medical conditions and the importance of knowledge application in the ICD-10 classification systems.

- **CRN:** 24938
- **OL1 ONLINE**
- **DAYS:** 1/25-5/22
- **INSTRUCTOR:** Larez, Jennie
- **ROOM:** 
- **Last day to drop for refund:** Feb 7;
- **Last day to drop with "W":** Feb 7;
- **Last day to drop for refund:** Feb 7.

### HI 224 C
**Advanced ICD-10-CM and ICD-10-PCS Coding**

**Prerequisite:** HI 114 C and HS 147 C, with a grade of C or better.

This course will cover pharmacology and advanced concepts of ICD-10-CM and ICD-10-PCS and its application to the prospective payment system.

- **CRN:** 24942
- **OL1 ONLINE**
- **DAYS:** 1/25-5/22
- **INSTRUCTOR:** Larez, Jennie
- **ROOM:** 
- **Last day to add:** Feb 7;
- **Last day to drop without "W":** Feb 7;
- **Last day to drop for refund:** Feb 7.

### HI 226 C
**Revenue Cycle Management**

**Prerequisite:** HI 114 C and HI 214 C, with a grade of C or better.

This course focuses on the development of ICD-10-CM, ICD 10-PCS and CPT coding competency. Copies of actual medical records will be coded using either books or the automated encoder.

- **CRN:** 24942
- **HY1 HYBRID**
- **DAYS:** 1/25-5/21
- **INSTRUCTOR:** Larez, Jennie
- **ROOM:** ZOOM
- **ZOOM HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. Class calendar will be distributed at the first class meeting. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
- **Last day to add:** Feb 7;
- **Last day to drop without "W":** Feb 7;
- **Last day to drop for refund:** Feb 7.

### HI 240 C
**Directed Practice II**

**Prerequisite:** HI 103 C and HI 114 C, with a grade of C or better.

This course focuses on the principles of supervision and project management in health information management. Included is a review for the RHIT exam. Directed practice emphasizes working with electronic health record systems and analyzing health care data.

- **CRN:** 21273
- **OL1 ONLINE**
- **DAYS:** 1/25-5/22
- **INSTRUCTOR:** Spitler, Patricia
- **ROOM:** ZOOM

- **INSTRUCTOR:** Ramos, Jaime
- **ROOM:** 
- **Last day to add:** Apr 7;
- **Last day to drop without "W":** Apr 7;
- **Last day to drop for refund:** Mar 27.

### Petitioning Closed Classes

Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

### Be Sure to Attend the First Class Meeting

Because of enrollment demands, attendance at the first class meeting is required of officially enrolled and waitlist students. Any student not reporting to the first class meeting may be dropped from the class and waitlist. This includes waitlisted students.
Survey of Medical Terminology

The emphasis for this course will be on building a professional vocabulary needed for working with health care providers or with the court system. This course meets via Zoom during the days and times identified in the schedule.

Prerequisite: BIOL 210 C and HS 145 C or BIOL 231 C or BIOL 241 C.

Transfer: CSU

Cultural Awareness and the Health Care System

This course focuses on an understanding of the cultural gap between the U.S. medical system and the multi-ethnic community it serves. SOC JUST

Transfer: CSU, UC

History

Western Civilizations I

Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.

This course is a comprehensive survey of the contributions of Western civilizations from prehistoric times to the beginning of the modern era. Duplicate credit not granted for HIST 110HC.

Transfer: CSU, UC Credit Limitation

Western Civilizations II

Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.

This course covers the development of Western civilization from the beginning of the modern era to the present day. Duplicate credit not granted for HIST 111HC.

History

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
This course focuses on the exploration of major health issues and behaviors in the various dimensions of health. Emphasis is placed on individual responsibility for personal health and the promotion of informed, positive health behaviors.

This course addresses community change and improvements in community well-being, personal health and the promotion of informed, positive health behaviors.

This course focuses on community as a unit of identity, community well-being, personal health and the promotion of informed, positive health behaviors.

This course provides an introduction to the nature and use of legal reference material with consideration given to a uniform system of citation.

This course includes instruction in techniques of basic grammar, punctuation, vocabulary, spelling and capitalization. The emphasis is placed on grammar as a system of standardized expression.

This course does not meet requirements of physical education activity classes.

In this course, students must obtain permission from instructor of subject area they will be working with and will be under direct supervision of that instructor. This course does not meet requirements of physical education activity classes.

Prerequisite: Approved Independent Study Learning Contract.

Transfer: CSU UC Credit Limitation

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. # Mathematics

**MATH 009 C**

This course is a corequisite course to MATH 110 C, Math for Prospective Elementary School Teachers. Each MATH 009 C class is paired with a specific MATH 110 C class. Students must take both of these classes concurrently. Enter both CRNs when registering.

The combination course pairing will review the specific arithmetic and algebra skills needed to successfully complete Math for Prospective Teachers. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

### MATH 009 C

#### Skills for Math for Prospective Elementary School Teachers

**Prerequisite:** Appropriate placement  
**Corequisite:** MATH 110 C with a grade of C or better.

This course covers the skills and concepts needed to be successful in MATH 110 C. Topics include operations with integers, multiplying polynomials, factoring polynomials, solving linear equations, graphing linear equations, functions, probability, data analysis, and geometric concepts.

- **Non-degree credit**
- **CRN: 24762**  
  **001 8:00-10:05 A Th DeMartino, Sarah ZOOM**
  The above course provides students with skills to help them succeed in Math 110 C. Students who register for this section must also register for the 21357 section of Math 110 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

- **CRN: 24763**  
  **002 10:45-12:50 P W DeMartino, Sarah ZOOM**
  The above course provides students with skills to help them succeed in Math 110 C. Students who register for this section must also register for the 23642 section of Math 110 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

### MATH 011 C

#### Skills for Finite Math

**Prerequisite:** Appropriate placement.  
**Corequisite:** MATH 115 C with a grade of C or better.

This course covers the skills and concepts needed to be successful in MATH 115 C. Topics include multiplying polynomials, factoring polynomials, solving linear equations, graphing linear equations, functions, and graphic inequalities.

- **Non-degree credit**
- **CRN: 23638**  
  **004 8:00-10:05 A Th Trevino, Joseph ZOOM**
  The above course provides students with skills to help them succeed in Math 115 C. Students who register for this section must also register for the 23639 section of Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

- **CRN: 23632**  
  **001 9:30-11:35 A F Huynh, Paul ZOOM**
  The above course provides students with skills to help them succeed in Math 115 C. Students who register for this section must also register for the 23633 section of Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

- **CRN: 23640**  
  **003 12:30-2:35 P Th Trevino, Joseph ZOOM**
  The above course provides students with skills to help them succeed in Math 115 C. Students who register for this section must also register for the 23641 section of Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

- **CRN: 23636**  
  **006 3:15-5:20 P F Takeuchi, Kevin ZOOM**
  The above course provides students with skills to help them succeed in Math 115 C. Students who register for this section must also register for the 23637 section of Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

- **CRN: 23634**  
  **800 5:30-7:35 P F Hatori, Donald ZOOM**
  The above course provides students with skills to help them succeed in Math 115 C. Students who register for this section must also register for the 23635 section of Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional. The above course meets via Zoom during the days and times identified in the schedule.

MATH 012 C

This course is a corequisite course to MATH 120 C, Introduction to Probability and Statistics. Based on placement, you can either take MATH 120 C alone, or the combination of MATH 012 C and MATH 120 C. Each MATH 012 C class is paired with a specific MATH 120 C class. Students must take both of these classes concurrently. Enter both CRNs when registering.

The combination course pairing will review the specific arithmetic and algebra skills needed to successfully complete Probability and Statistics. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

MATH 012 C

2 Units

Skills for Probability and Statistics

Prerequisite: Appropriate placement.
Corequisite: MATH 120 C with a grade of C or better.

This course covers the skills and concepts needed to be successful in MATH 120 C which includes solving and graphing linear equations, order of operations of real numbers, basic probability, probability distributions, measures of central tendency and dispersion, sampling techniques, parametric and non-parametric tests of hypotheses.

• Non-degree credit

23645 001 8:30-10:35 A Th Castro, Alma ZOOM
The above course provides students with skills to help them succeed in Math 120 C. Students who register for this section must also register for the 23646 section of MATH 120 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

The above course meets via Zoom during the days and times identified in the schedule.

23665 016 9:00-10:05 A F Humaciu, Matthew ZOOM
The above course provides students with skills to help them succeed in Math 120 C. Students who register for this section must also register for the 23666 section of MATH 120 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

The above course meets via Zoom during the days and times identified in the schedule.

HYBRID CLASS: The above hybrid course includes both online and Zoom instruction. This course requires MANDATORY ZOOM meetings for proctored exams on the dates listed above. ALL students must attend the Zoom meetings with their photo IDs on those days. A MANDATORY ONLINE ORIENTATION will be held via Zoom on Tuesday, January 26 at 12:05 pm to 12:55 pm. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

This course provides students with skills to help them succeed in Math 120 C. Students who register for this section must also register for the 23672 section of Math 120 C. Students must take both courses concurrently. Enter both CRNS when registering for the course. Last day to add: Feb 7; Last day to drop with “W”: Apr 25; Last day to drop without “W”: Feb 7.

CHANGES TO PRIORITY REGISTRATION

Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:

1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:

1. Have not been academically dismissed or on probationary status for two consecutive terms,
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Skills for Survey of Calculus

MATH 013 C

This course is a corequisite course to MATH 130 C, Survey of Calculus. Based on placement, you can either take MATH 130 C alone, or the combination of MATH 013 C and MATH 130 C. Each MATH 013 C class is paired with a specific MATH 130 C class. Students must take both of these classes concurrently. Enter both CRNs when registering.

The combination course pairing will review the specific arithmetic and algebra skills needed to successfully complete Survey of Calculus. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

Skills for College Algebra

MATH 014 C

This course covers the skills and concepts necessary for success in MATH 141 C, College Algebra. No prerequisites are required. The two courses are taught like one course. One instructor teaches both courses.

Prerequisite: Appropriate placement.

Corequisite: MATH 130 C with a grade of C or better.

This course covers the skills and concepts necessary for success in MATH 130 C. Topics include factoring polynomials, solving linear, quadratic polynomial, and exponential equations, graphing lines and parabolas, laws of exponents and logarithms, functions, solving systems of linear equations, and common geometric formulas.

- Non-degree credit

2 Units

CRN  SEC  TIME  DAYS  DATES  INSTRUCTOR  ROOM
23693  001  9:00-11:05 A  F  Choi, Timothy  ZOOM
23694  002  9:15-10:20 A  M  Ly, Tuyen  ZOOM
23695  003  9:45-12:50 P  M  Nusbaum, David  ZOOM
23703  004  2:45- 4:50 P  F  Phan, Vu  ZOOM

The above course provides students with skills to help them succeed in Math 130 C. Students who register for this section must also register for the 23694 section of Math 130 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

The above course meets via Zoom during the days and times identified in the schedule.

The above course provides students with skills to help them succeed in Math 130 C. Students who register for this section must also register for the 23696 section of Math 130 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

The above course meets via Zoom during the days and times identified in the schedule.

The above course provides students with skills to help them succeed in Math 130 C. Students who register for this section must also register for the 23704 section of Math 130 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

The above course meets via Zoom during the days and times identified in the schedule.

The above course provides students with skills to help them succeed in Math 130 C. Students who register for this section must also register for the 23706 section of Math 130 C. Students must take both courses concurrently. Enter both CRNs when registering for the course.

The above course meets via Zoom during the days and times identified in the schedule.

Students may elect to complete an online orientation by visiting this address:

http://www.CypressCollege.edu/~counseling/orientation

Be sure to take the quiz.
### MATH 040 C — Intermediate Algebra

**Prerequisite:** MATH 020 C or Algebra I with a grade of C or better and the assessment process or AB 705 Multiple Measures Placement.

This is the second course in algebra that covers sets, axioms for the real number system, polynomials, solutions of linear and quadratic equations and inequalities, and systems of equations. Students may not receive credit for both MATH 040 C and MATH 041 C. Students must see a counselor for placement.

This course uses open educational resources. No textbook is required.

#### If I do not want to take a transfer-level math course now, which one should I take?

- **MATH 040 C — Intermediate Algebra**  
  For STEM majors who want to review the algebra skills needed for MATH 141 C — College Algebra
- **MATH 041 C — Combined Algebra I and II**  
  For anyone who wants more review of Elementary Algebra with Intermediate Algebra
- **MATH 044 C — Basic Accelerated Mathematics**  
  For anyone who wants a self-paced course to review arithmetic and algebra skills. *This is the most basic of the 3 courses.*

**MATH 041 C Combined Algebra I and II**

**Prerequisite:** MATH 015 C or Pre-Algebra with a grade of C or better and the assessment process or AB 705 Multiple Measures Placement.

This course is designed for students who would like to complete elementary and intermediate algebra in one semester. It includes polynomials, rational expressions, radicals, linear systems, functions and graphs. Students may not receive credit for both MATH 040 C and MATH 041 C. Students who have completed MATH 020 C are allowed to take MATH 040 C or MATH 041 C. Students must see a counselor for placement.

**MATH 044 C Basic Accelerated Mathematics**

MATH 044 C will review arithmetic and algebra skills in preparation for taking a transfer level math course. The course is self-paced, allowing focus on difficult topics. The course provides videos and an instructor to explain concepts. This course may be taken only once. The grading for this course is Pass/No Pass.

---

**MATH 044 C Basic Accelerated Math**

**Advisory:** Students must see a counselor for placement.

This is a self-paced math course in which students can progress from Basic Math through Intermediate Algebra in one semester. Students will take an assessment at the beginning of the course to determine their starting point and study plan. Students will then show mastery of topics using ALEKS, a Web-based assessment and learning system.

**MATH 110 C**  
Math for Prospective Teachers  
Transfer: CSU, UC  
Prerequisite: MATH 030 C and MATH 040 C or their high school equivalents of Algebra II, and the assessment process. Proof of prerequisites is required.

This course is an introduction to problem solving processes and strategies; development and analysis of the structure and operations of the real number system. This course is designed for prospective elementary and middle school teachers. This course requires the use of a non-graphing scientific calculator.

21357  001  8:00-10:05 A  M  DeMartino, Sarah  ZOOM  
The above section of Math 110 C is linked to section 24762 of Math 009 C. Math 009 C is a skills class to help students succeed in Math 110 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.  
The above course meets via Zoom during the days and times identified in the schedule.

23634, 23635  5:30 pm–7:35 pm  M/W/F  Hatori, Don  Zoom  
The above courses for Math 110 C is a full-term corequisite support course for MATH 115 C.  
Each section of MATH 011 C is paired with a specific MATH 115 C section. Students must take both of the courses in the pairing.  
MATH 011 C gives students needed support in order to be successful in MATH 115 C.  
Students must register for both courses. Include BOTH CRNs when registering. Together, the pair of courses total 6 units.

---

**MATH 115 C**  
Finite Mathematics  
Prerequisite: MATH 040 C or MATH 041 C or Algebra II with a grade of C or better and the assessment process. Proof of prerequisites is required.

This is a general education course in practical mathematics for liberal arts students or any student not majoring in mathematics or science. This course covers linear equations, functions, finance, matrices, linear programming, sets, counting techniques, probability and applications. TI-83/84 or equivalent graphing calculator required.

23639  003  8:00-10:05 A  M/W/Th  Trevino, Joe  Zoom  
The above section of Math 115 C is linked to section 23638 of Math 011 C. MATH 011 C is a skills class to help students succeed in Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.  
The above course meets via Zoom during the days and times identified in the schedule.

23640, 23641  12:30 pm–2:35 pm  M/W/Th  Trevino, Joe  Zoom  
The above section of Math 115 C is linked to section 23632 of Math 011 C. MATH 011 C is a skills class to help students succeed in Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.  
The above course meets via Zoom during the days and times identified in the schedule.

The above section of Math 115 C is linked to section 23634 of Math 011 C. MATH 011 C is a skills class to help students succeed in Math 115 C. Students must take both courses concurrently. Enter both CRNs when registering for the course. This course requires the use of MyMathLab for online assignments. A hard copy of the textbook is optional.  
The above course meets via Zoom during the days and times identified in the schedule.
MATH 115 C Finite Math
MATH 115 C is designed for students in Liberal Arts, Fine Arts, Humanities, Mortuary Science, or Career Technical Education.

This course may be taken as a traditional course or as a hybrid course. In the hybrid course, students have the option of setting their own timeline and watching instructional videos created by the instructor for each lesson at a time that best fits their schedule. Exams are taken online while proctored by the instructor.

Last day to drop with “W”: Apr 25;
Last day to drop for refund: Feb 7.

Petitioning Closed Classes
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available in the first class meeting, the instructor will allow the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.

COMBO CLASSES FOR PROBABILITY AND STATISTICS
Take MATH 012 C Skills for Probability and Statistics along with MATH 120 C Introduction to Probability and Statistics.

- MATH 012 C is a full-term corequisite support course for MATH 120 C.
- Each section of MATH 012 C is paired with a specific MATH 120 C section. Students must take both of the courses in the pairing.
- MATH 012 C gives students needed support in order to be successful in MATH 120 C.
- Students must register for both courses. Include BOTH CRNs when registering. Together, the pair of courses total 6 units.

MATH 120 C
Introduction to Probability and Statistics
4 Units

Transfer: CSU, UC Credit Limitation
Prerequisite: MATH 040 C or MATH 041 C or MATH 024 C or Algebra II with a grade of C or better and the assessment process. NOTE: Students majoring in Business, Engineering, Science or Math should be taking MATH 040 C or MATH 041 C rather than MATH 024 C.

This course is an introduction to the elements of statistical analysis. Applications to business, the biological sciences and the social sciences are emphasized. TI-83/84 or equivalent graphing calculator required.

21019 010 7:00-9:05 A TTh Aguilar Bastida, Rocio ZOOM

The above course meets via Zoom during the days and times identified in the schedule. This course requires the use of MyStatLab for online assignments. A hard copy of the textbook is optional.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

### COMBO CLASSES FOR SURVEY OF CALCULUS

**Take MATH 013 C Skills for Survey of Calculus along with MATH 130 C Survey of Calculus.**

- MATH 013 C is a full-term corequisite support course for MATH 130 C.
- Each section of MATH 013 C is paired with a specific MATH 130 C section. Students must take both of the courses in the pairing.
- MATH 013 C gives students needed support in order to be successful in MATH 130 C.
- Students must register for both courses. Include BOTH CRNs when registering. Together, the pair of courses total 6 units.

**HYBRID CLASS:** The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. This course requires the use of WebAssign for online assignments. A hard copy of the textbook is optional. Last day to add: Feb 7; Last day to drop without “W”: Feb 7; Last day to drop with “W”: Apr 25; Last day to drop for refund: Feb 7.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

**Looking for a Deadline?**

- See the IMPORTANT DATES page for semester length classes.
- Look under the CRN for classes that meet less than the full semester.

---

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
MAD 151 C
Intermediate Animation - Windows
This course focuses on intermediate techniques of 3D modeling, texturing, lighting, motion control, and rendering animations for various purposes on a Windows computer.
- Plus 72 hours laboratory TBA.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

20656 001  2:40- 5:50 P  TTh  Richards, Chad  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 156 C
Advanced Animation - Mac
The course focuses on advanced skills in 3D modeling, texturing, lighting, motion control, and rendering animations for various purposes on a Macintosh computer.
- Plus 72 hours laboratory TBA.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

22015 001  2:40- 5:50 P  TTh  Richards, Chad  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 157 C
Advanced Animation - Windows
The course focuses on advanced skills in 3D modeling, texturing, lighting, motion control, and rendering animations for various purposes on a Windows computer.
- Plus 72 hours laboratory TBA.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

22207 001  2:40- 5:50 P  TTh  Richards, Chad  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 179 C
The Film Business - Conception to Exhibition
This course will focus on the parallel businesses of film production and film distribution/exhibition as the film making progress moves along.

24224 01  ONLINE  1/25-5/22  Howard, Todd  ONLINE
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7; Last day to drop without “W”: Feb 7;
Last day to drop with “W”: Apr 25; Last day to drop for refund: Feb 7.

MAD 180 C
Video Editing - Mac
This course is a thorough introduction to the world of digital video editing used in the fields of multimedia, digital cinema, web based streaming video and mobile video distribution.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

24300 002  3:40- 6:50 P  TTh  Thompson, Jeremiah  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

22159 001  6:00- 9:10 P  MW  Gray, Charles  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 181 C
Video Editing - Windows
This course focuses on the usage of Windows computers/software and other tools and techniques used for digitizing, editing and composition of video and audio sources used in the fields of multimedia, video editing (both online and off-line) and the creation of QuikTime movies.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

24301 002  3:40- 6:50 P  TTh  Thompson, Jeremiah  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

22160 001  6:00- 9:10 P  MW  Gray, Charles  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 183 C
Preproduction for TV, Video and Film
This course prepares students to make a film by teaching the necessary steps leading up to shooting the film in production. Topics covered include script, proposal, treatment, casting, crew, locations, financing, personnel, permits, unions, and talent.

23300 01L  ONLINE  1/25-5/22  Shimaneck, Thomas  ONLINE
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7; Last day to drop without “W”: Feb 7;
Last day to drop with “W”: Apr 25; Last day to drop for refund: Feb 7.

MAD 184 C
Digital Video Explorations
This course focuses on the experimental use of digital video and audio programs. This course is designed for students to input, create, manipulate and output experimental digital video.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

24225 001  11:20- 2:30 P  TTh  Thompson, Jeremiah  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 187 C
Motion Graphics II
This course covers advanced studies in motion graphics design and software. Students concentrate on one area to explore in depth and further develop their skills.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

21783 001  12:20- 3:30 P  MW  Angelov, Katalin  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 193 C
Introduction to 2D Animation
An introduction to 2D animation production including classical drawing and digital character animation including emerging technology.
- Plus 72 hours laboratory TBA.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

22163 001  2:40- 5:50 P  MW  Wright, Dennis  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 194 C
Beginning Motion Picture Prod
This course provides an introduction to the theory, terminology, and process of motion picture production for film and television including operation of production and post-production equipment.
- Plus 72 hours laboratory TBA.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

21732 001  12:20- 3:30 P  TTh  Holmes, Ian  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 201 C
3D Typography for Media Design
Advisory: MAD 100 C and MAD 101 C.
This is an intermediate course in typography/graphic design. Materials fees are for materials provided by the department.
- $20.00 Material Fee — PAYABLE AT REGISTRATION

23630 001  9:00-12:10 P  MW  Angelov, Katalin  ZOOM
This course meets via Zoom during the days and times identified in the schedule.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
MAD 203 C
Intermediate 2D Animation
3 Units
Prerequisite: MAD 193 C with a grade of C or better.
This is an intermediate course to 2D animation production using classical drawing and digital character animation including emerging technology.
- $20.00 Material Fee — PAYABLE AT REGISTRATION
22058 001 2:40- 5:50 P MW Wright, Dennis ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 204 C
Visual Development and Layout
3 Units
Advisory: ART 120 C
An overview of the many uses of traditional and digital visual development with an emphasis on 2D design and digital publishing. Students create visual development images for their portfolio. Material fees are for materials provided by the department.
- 3 hours laboratory TBA
- $20.00 Material Fee — PAYABLE AT REGISTRATION
22426 001 3:20- 6:30 P TTh McMillan, Jeffrey ZOOM
This course meets via Zoom during the days and times identified in the schedule.

MAD 210 C
3D Storyboarding and Layout
3 Units
This 3D course is designed for students who want to get placed in the animation or game industry creating storyboards and 3D layout.
- $20.00 Material Fee — PAYABLE AT REGISTRATION
22427 001 5:00- 8:10 P MW Staff ZOOM
This course meets via Zoom during the days and times identified in the schedule.

Mortuary Science
You must be accepted into the Mortuary Science Program prior to enrolling in any MORT courses.

Are you interested in applying to the Mortuary Science Program?
Visit our website for details and attend an information workshop!

MORT 201 C
Funeral Directing
5 Units
Prerequisite: Admission to the Mortuary Science Program.
This course is designed to acquaint the mortuary science student with general information on the practice of the funeral profession including American funeral service practices and procedures in military, fraternal and religious funerals. Field trip may be required not to exceed $50.
22766 001 11:00-12:25 P WF Collins, Lori ZOOM
On-Site Course: The above course includes 6 hours per week TBA in a Funeral Home or Clinical Site. Instructors will provide as much advance notice as possible about which days and times will be on-site.

MORT 202 C
Funeral Service Administration I
4 Units
Prerequisite: Completion of or concurrent enrollment in MORT 201 C.
This course is designed to introduce the mortuary science student to the basic principles of funeral service management and merchandising as they apply to the funeral profession, considering both service and merchandise as products provided by funeral service practitioners.
22767 001 3:00- 4:25 P WF Villa, Christina ZOOM
LAB 5:00- 8:10 P F Villa, Christina TE3-216
On-Site Course: Conditions permitting, this course will meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

MORT 203 C
Methods of Disposition
4 Units
Prerequisite: Completion of or concurrent enrollment in MORT 201 C and MORT 202 C with a grade of C or better.
This introductory course surveys cemetery and crematory processes necessary with working with a funeral entity as well as examining the legal ramifications and notifications necessary when working with the bereaved families. Field trips may be required not to exceed $50.
22768 001 12:40- 2:45 P WF Staff ZOOM
On-Site Course: Conditions permitting, this course will meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

MORT 204 C
Funeral Service Administration II
4 Units
Prerequisite: Completion of or concurrent enrollment in MORT 201 C and MORT 202 C.
This course is designed to introduce the mortuary science student to the principles of management as they apply to the practice of the funeral profession.
23399 001 10:30-11:55 A TTh Villa, Christina ZOOM
LAB 12:30- 1:55 P TTh Grande, Jolena TE3-216
On-Site Course: Conditions permitting, this course will meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

MORT 214 C
Funeral Service Sciences
5 Units
Prerequisite: Admission to the Mortuary Science Program.
This introductory course, designed for the Mortuary Science student, surveys general anatomical, chemical, physiological, and pathological concepts as they relate to the preparation, presentation, and sanitation of the human remains. Field trips may be required not to exceed $50.
23400 001 5:00- 7:30 P TTh De La Cruz, Damon ZOOM
The above course meets via Zoom during the days and times identified in the schedule.

MORT 215 C
Embalming
5 Units
Prerequisite: MORT 214 C with a grade of C or better.
In this course, Mortuary Science students will become familiar with the nature of chemicals utilized in the mortuary setting as they develop a qualitative understanding of the chemical aspects of tissue decomposition and preservation. Field trips may be required not to exceed $50.
22769 001 8:00- 9:25 A TTh Staff ZOOM
LAB 1:00- 5:50 P W Staff TE3-213
On-Site Course: Conditions permitting, this course will meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.
MORT 216 C
Restorative Art
5 Units
Transfer: CSU
Prerequisite: Completion of or concurrent enrollment in MORT 214 C and MORT 215 C with a grade of C or better.
This detailed study course is made of the facial features and their relationship to a complete restoration. Modeling of the facial features using an appropriate modeling medium is studied in lab.
• $170.00 Material Fee — PAYABLE AT REGISTRATION

MORT 234 C
Funeral Services Ethics/Laws I
4 Units
Transfer: CSU
Prerequisite: Completion of or concurrent enrollment in MORT 204 C with a grade of C or better.
This course surveys the American legal system, and the major laws relating to contracts, sales and the funeral business.
23401 001 1:00- 2:25 P TTh Collins, Lori ZOOM
LAB 3:00- 6:10 P TTh Collins, Lori TE3-211
On-Site Course: Conditions permitting, this course will meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.

MORT 236 C
Funeral Service Ethics and Laws II
4 Units
Transfer: CSU
Prerequisite: Completion of or concurrent enrollment in MORT 234 C with a grade of C or better.
This course is a continuation of MORT 234 C surveying principles of mortuary jurisprudence relating to the dead body, and California State Law, rules and regulations relative to embalmers and funeral directors.
23671 001 10:00-12:05 P TTh Grande, Jolena ZOOM
The above course meets via Zoom during the days and times identified in the schedule.

MORT 288 C
Funeral Service Capstone
(formerly MORT 297 C)
Prerequisite: Completion of all required general education courses and graduation requirements for the Associate in Science Degree Mortuary Science.
This course is designed to provide the mortuary science student with an overview of mortuary science computer applications.
• $110.00 Material Fee — PAYABLE AT REGISTRATION

MORT 450 C
Issues and Trends in Funeral Service
3 Units
Prerequisite: Admission to Baccalaureate degree pilot program and completion or concurrent enrollment in MORT 402 C with a grade of C or better.
This course covers selected current issues of importance to the funeral service industry. Emphasis on issues impacting California funeral service practices. Field trips will be required.
45024 HY1 HYBRID 1/25-5/22 Bower, Glenn
HYBRID CLASS: The above hybrid course includes online lectures and, conditions permitting, may also meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;
Last day to drop with “W”: Apr 25;
Last day to drop for refund: Feb 7.

MORT 497 C
Funeral Service Practicum I
2 to 12 Units
Prerequisite: Acceptance into baccalaureate degree pilot program upon completion of all required lower division courses and completion of MORT 297 C with a grade of C or better and completion of or concurrent enrollment in MORT 402 C, MORT 430 C, MORT 450 C and MORT 495 C with a grade of C or better.
This course provides practical experience in embalming, funeral directing, cemetery operations, and crematory operations in a mortuary/funeral home, cemetery or crematory environment. Enrollment limited to those accepted into the baccalaureate degree pilot program.
22570 HY1 HYBRID 1/25-5/22Nichols, Stephen FUNRL
HYBRID CLASS: The above hybrid course includes online lectures and an in-person final exam listed on the lines above. Also included: Approximately 3-33 hours per week TBA to be completed at Funeral Home clinical sites. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;
Last day to drop with “W”: Feb 7;
Last day to drop for refund: Feb 7.

MORT 498 C
Funeral Service Practicum II
2 to 12 Units
Prerequisite: Completion of or concurrent enrollment in MORT 497 C with a grade of C or better.
This course provides practical experience in embalming, funeral directing, cemetery operations, and crematory operations in a mortuary/funeral home, cemetery or crematory environment.
22571 HY1 HYBRID 1/25-5/22 Staff
HYBRID CLASS: The above hybrid course includes online lectures and an in-person final exam listed on the lines above. Also included: Approximately 3-33 hours per week TBA to be completed at Funeral Home clinical sites. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;
Last day to drop without “W”: Feb 7;
Last day to drop for refund: Feb 7.

MM 105 C
Introduction to Media Aesthetics
3 Units
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.
Introduces analysis of film and television. Examines the broad questions of form and content, aesthetics and meaning, and history and culture presented by the cinematic art form by examining a wide variety of productions, and film movements. Topics include modes of production, narrative and non-narrative forms, visual design, editing, sound, genre, ideology and critical analysis.
23057 OL1 ONLINE 1/25-5/22 Shimaneck, Thomas
ONLINE CLASS: The above online course has no scheduled meeting times and is offered fully online. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/
Last day to add: Feb 7;
Last day to drop without “W”: Feb 7;
Last day to drop for refund: Feb 7.
Music Fundamentals

This course introduces the fundamentals of music including notation, rhythm, pitch, melody, harmony, and form. Students will study the historical and cultural development and significance of musical styles and fundamentals. NOTE: No UC credit if taken after MUS 103AC.

This course meets via Zoom during the days and times identified in the schedule.

MUS 105 C

Music Theory II (formerly MUS 103BC)

Prerequisite: MUS 103 C with a grade of C or better.
Corequisite: MUS 106 C with a grade of C or better.
Advisory: MUSA 132 C

This course builds on the concepts from Music Theory I including: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation.

This course meets via Zoom during the days and times identified in the schedule.

MUS 106 C

Musicianship II

Prerequisite: MUS 104 C with a grade of C or better.
Corequisite: MUS 105 C with a grade of C or better.
Advisory: MUS 132 C or proficiency audition.

This course applies and develops the rhythmic, melodic, and harmonic materials of Music Theory II through ear training, sight singing, analysis, and dictation.

This course meets via Zoom during the days and times identified in the schedule.

MUS 108 C

Introduction to Music Technology

This course covers the following basic aspects of music technology: computer skills, software-based sequencing, synthesis, MIDI, sampling, notation, principles of sound, microphones, introduction to digital audio, signal processing, mixers and mixing, recording principles, cables and interconnects, and audio in live performance.

This course meets via Zoom during the days and times identified in the schedule.

Students are limited to registering in a maximum of 19 units. Exceptions for additional units must be petitioned through Counseling.

**MUS 124 C**  
Recording Studio I  
Transfer: CSU

Advisory: MUS 108 C  
This course offers students the experience of a recording studio from audio theory to hands-on practice in the lab.  

24949 | 001 | 1:20-3:50 P | MW | McMillan, Marcus | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 127 C**  
Music in Film  
Transfer: CSU, UC  

This course traces the history and development of film music through reading, lecture and film viewing. The class studies the process of film scoring and how music and its relationship to film have changed over the last century. Class includes discussion and evaluation of different compositional styles and learning to listen critically to film scores while viewing movies.  

22221 | 001 | 10:40-12:05 P | MW | Gopar, Gary | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 156 C**  
Jazz Improvisation - Instrumental  
Transfer: UC/CSU

Prerequisite: Audition to evaluate and assess the student's qualifications (proficiency) is required for enrollment  
This class provides intermediate level instrumental students with the tools and techniques for jazz improvisation.  

22219 | 001 | 3:00-4:20 P | TTh | Gopar, Gary | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 157 C**  
Jazz Improvisation - Vocal  
Transfer: UC/CSU

This course offers vocal students training in jazz song-writing techniques, focusing on swing, ballad, Latin, blues, and contemporary styles. Topics include rhythmic and melodic improvisation, microphone technique, and scat singing.  

22220 | 001 | 3:00-4:20 P | TTh | Gopar, Gary | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 175 C**  
Swing Band  
Transfer: CSU, UC

Prerequisite: Audition  
This class will involve rehearsal and concert performance of swing music in the style of the “Big Band Era” from the 1930s to 1950s. May be taken for credit 4 times.  

22826 | 001 | 5:00-7:05 P | MW | Gopar, Gary | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 176 C**  
Popular Songwriting  
Transfer: CSU

Advisory: MUS 101 C or MUS 103 C  
This is a beginning to intermediate course in “pop” writing. Students will develop melody, harmony, form and lyric hands-on.  

22514 | 001 | 10:10-11:35 A | MW | McMillan, Marcus | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

**MUS 177 C**  
Songwriting Workshop  
Transfer: CSU

This course is an intermediate to advanced workshop in popular songwriting. Students will analyze melody, harmony, song form, rhythm, and lyrics as they apply to popular songs.  

24864 | 001 | 1:20-5:48 P | MW | McMillan, Marcus | ZOOM |

This course meets via Zoom during the days and times identified in the schedule.

You must be accepted into the Nursing Program prior to enrolling in any NURS courses.

Are you interested in applying to the Nursing Program?
Visit our website for details and attend an information workshop!
https://careers.CypressCollege.edu/programs/nursing/

NURS 099 C Nursing Independent Study
Prerequisite: Approved Independent Study Learning Contract
This course is designed for capable students enrolled in the Registered Nursing Program or options of the program who wish to increase their knowledge and experience in applied areas of patient centered care. This course may be taken for credit 4 times.
• PASS/NO PASS/LETTER GRADE OPTION

NURS 104 C Introduction to ECG Interpretation
Prerequisite: NURS 191 C and NURS 193 C with a grade of C or better; Licensed Vocational Nurse; Registered Nurse or permission of instructor
This elective course provides specialized nursing knowledge in providing patient centered care to patients experiencing oxygenation disorders; cardiac dysrhythmias.
• PASS/NO PASS/LETTER GRADE OPTION

NURS 190 C Introduction to Nursing Concepts
This course will introduce the student to the theoretical basis of nursing and patient centered care, including basic psychosocial concepts inherent to the development of professionalism, teamwork and collaboration, evidence-based practice, quality improvement and informatics.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
## SPRING SCHEDULE 2021

**Pharmacology in Nursing II**  
NURS 195 C  
Prerequisite: Acceptance in the Nursing Program, LVN or PT  
This course prepares the student to apply the nursing process in order to safely administer enteral and topical medications for patients in medical-surgical settings.  
21156  001  1:30-2:20 P  M  Eappen, Beena  
ZOOM  
This course meets via Zoom during the days and times identified in the schedule.

**NURS 192 C - Fundamentals of Nursing**  
4.5 Units  
Prerequisite: Acceptance in the Nursing Program  
Introduction to the nursing process, nursing care and the profession of nursing. This course provides the student with fundamental patient centered care roles and critical thinking skills.  
- $30.00 Material Fee — PAYABLE AT REGISTRATION, $30 Materials Fee - Payable at Registration  
22711  200  8:00-10:50 A  MT  1/25-3/19  Walker, Jane  
ZOOM  
Partial On-Site Course: This course meets via Zoom during the days and times identified in the schedule for lecture. Conditions permitting, this course may also meet on-site for lab instruction (13.5 hours per week TBA). Instructors will provide as much advance notice as possible about which days and times will be on-site.  
Last day to add: Feb 2;  
Last day to drop without "W": Feb 2;  
Last day to drop with "W": Mar 8;  
Last day to drop for refund: Jan 28.

**NURS 193 C - Introduction to Medical-Surgical/Gero Nursing**  
3.5 Units  
Prerequisite: NURS 192 C with a grade of C or better.  
This course provides basic specialized knowledge using the nursing process to plan and deliver safe patient centered care to the older adult in the medical-surgical setting.  
- $60.00 Material Fee — PAYABLE AT REGISTRATION, $60 Materials Fee - Payable at Registration  
22712  300  8:00-9:30 A  MT  3/22-5/21  McNay, Sally  
ZOOM  
Partial On-Site Course: This course meets via Zoom during the days and times identified in the schedule for lecture. Conditions permitting, this course may also meet on-site for lab instruction (13.5 hours per week TBA). Instructors will provide as much advance notice as possible about which days and times will be on-site.  
Last day to add: Apr 6;  
Last day to drop without "W": Apr 6;  
Last day to drop with "W": May 7;  
Last day to drop for refund: Mar 25.

**NURS 195 C - Pharmacology in Nursing II**  
1 Unit  
Prerequisite: Acceptance in the Nursing Program, LVN, PT or completion of NURS 191 C and NURS 193 C with a grade of C or better.  
This course prepares the student to apply the nursing process in order to safely administer medications for patients in multiple settings.

### Physical Education

Physical Education classes can be found in the Kinesiology area.

---

### Previously Physical Education

If you are looking for a PE course, you will now find our offerings under KIN since we are now Kinesiology.

---

### Physical Sciences

#### PHSC 104 C

**Physical Science for Teachers**  
*(same as CHEM 104 C)*  

**Transfer:** CSU

**Prerequisite:** MATH 020 C or MATH 041 C with a grade of C or better.  

This activity-based course introduces students to basic principles of physics and chemistry with emphasis on their practical importance and application in the real world. This course is intended for students who want to become elementary school teachers. Duplicate credit not granted for CHEM 104 C.

- **CRN:** 22073  
  **HYBRID CLASS:** The above course meets via Zoom during the days and times identified in the schedule.

#### PHOT 216 C

**Advanced Digital Photography**  

**Transfer:** CSU

**Prerequisite:** PHOT 215 C or consent of instructor.

- **Advisory:** PHOT 103 C

This course is designed to provide the student with advanced knowledge of techniques in digital image editing and printing as well as the creation of an individual digitally based portfolio.

- **Plus 72 hours laboratory TBA.**

- **24193 001 2:40-5:50 P  TTh  Flanders, Mark  ZOOM**

This course meets via Zoom during the days and times identified in the schedule.

#### PHOT 220 C

**Alternative Photo Processes I**  

**Transfer:** CSU

**Prerequisite:** PHOT 101 C with a grade of C or better.

This course investigates alternative methods to image production. Class content will include aspects of graphic arts photography, films and developers. A variety of analog and digital technologies will be explored.

- **$45.00 Material Fee — PAYABLE AT REGISTRATION, $45 Materials Fee - Payable at Registration**

- **24230 001 11:20-2:30 P  MW  Maher, Anthony  ZOOM**

This course meets via Zoom during the days and times identified in the schedule.

#### PHOT 299 C

**Independent Study**  

**Transfer:** CSU, UC

**Prerequisite:** PHOT 103 C with a grade of C or better and an Independent Study Learning Contract.

This course is designed for the student to increase their knowledge of a particular photographic discipline.

- **23886 400 1/25-5/22  Maher, Anthony  ZOOM**

This course meets via Zoom during the days and times identified in the schedule.

---

### Physics

#### PHYS 130 C

**Elementary Physics**  

**Transfer:** CSU, UC Credit Limitation

**Prerequisite:** MATH 020 C or MATH 041 C with a grade of C or better.

This is an entry level physics course for all science majors. The course provides an introduction to the basic concepts and laws of physics with emphasis upon their practical importance in everyday life. No UC credit if taken after PHYS 201 C or PHYS 221 C.

- **21647 002 9:00-10:25 A  TTh  Muoio, Ryan  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

- **21933 001 9:25-10:50 A  MW  Lebdeh, Layal  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

- **21104 004 10:40-12:05 P  TTh  Schwartz, Aaron  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

- **21100 003 11:00-12:25 P  MW  Armale, Ron  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

- **21102 100 6:00-8:10 P  M  Schwartz, Aaron  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

- **21103 101 6:00-8:10 P  T  Muoio, Ryan  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

### PHYS 201 C

**College Physics I**  

**Transfer:** CSU, UC Credit Limitation

**Prerequisite:** MATH 141 C and MATH 142 C and PHYS 130 C, with a grade of C or better, or High School Physics with a grade of C or better.

This course is the first half of an algebra- and trigonometry-based two-semester sequence (PHYS 201 C and PHYS 202 C) for students majoring in life sciences, medical/dental fields, architecture, psychology, and similar professional fields. This course satisfies a requirement for biology majors in the CSU system, but not the UC system.

- **21104 001 9:05-10:30 A  MW  Subramaniam, Brinda  ZOOM**

The above course meets via Zoom during the days and times identified in the schedule.

This section has an optional Supplemental Instruction (SI) component. Please refer to the ad in this Class Schedule for more information.

---

**Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.**
### PHYS 202 C
**College Physics II**

**Prerequisite:** PHYS 201 C with a grade of C or better  
This course is the second half of algebra- and trigonometry-based two-semester sequence (PHYS 201 C and 202 C) for students majoring in life sciences, medical/dental fields, architecture, psychology, and similar professional fields. This course satisfies a requirement for biology majors in the CSU system, but not the UC system.

This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### PHYS 210 C
**Physics for Life Sciences I**

**Prerequisite:** Completion of or concurrent enrollment in MATH 150AC and PHYS 130 C or High School Physics with minimum grades of C or better  
This course is the first half of a calculus-based two-semester sequence (PHYS 210 C and PHYS 211 C) for students majoring in life sciences and similar professional fields. This course satisfies a requirement for biology majors in the UC system; the CSU system will accept either this sequence or PHYS 201 C and PHYS 202 C sequence.

The above course meets via Zoom during the days and times identified in the schedule.  
This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### PHYS 211 C
**Physics for Life Sciences II**

**Prerequisite:** PHYS 210 C with a grade of C or better and completion of or concurrent enrollment in MATH 150BC  
This course is the second half of a calculus-based two-semester sequence (PHYS 210 C and PHYS 211 C) for students majoring in the life sciences. This course satisfies a requirement for biology majors in the UC system; the CSU system will accept either this sequence or PHYS 201 C and PHYS 202 C sequence.

The above course meets via Zoom during the days and times identified in the schedule.  
This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### PHYS 221 C
**General Physics I**

**Prerequisite:** PHYS 130 C with a grade of C or better or high school physics with a grade of A or B and MATH 150AC with a grade of C or better and completion of or concurrent enrollment in MATH 150BC  
This calculus-based physics course is for students majoring in physics, chemistry, geology, engineering (all areas), computer science, mathematics, and related fields. Topics covered include mechanics, properties of matter, and fluids. This course requires knowledge of differential and integral calculus.

<table>
<thead>
<tr>

</table>

The above course meets via Zoom during the days and times identified in the schedule.  
This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### PHYS 222 C
**General Physics II**

**Prerequisite:** MATH 150BC and PHYS 221 C with a grade of C or better.  
**Advisory:** MATH 250AC.

This calculus-based physics course is for students majoring in physics, chemistry, geology, engineering, computer science, mathematics, and related fields. Topics covered include electricity, DC and AC circuits, magnetism, electromagnetism, and electromagnetic waves. Requires knowledge of differential and integral calculus.

<table>

</table>

The above course meets via Zoom during the days and times identified in the schedule.  
This section has an optional Supplemental Instruction (SI) component. Please refer to the SI ad in this Class Schedule for more information.

### Supplemental Instruction

**ONLINE STUDY GROUPS**

for Cypress College students enrolled in specific courses

**What is Supplemental Instruction (SI)?**

- Weekly, peer-led study group sessions for students taking historically difficult courses  
- Facilitated by trained SI Leaders who have already mastered the course material  
- Understand what to learn and how to learn  
- Interactive and Engaging!

Review course material. Develop study strategies. Prepare for exams. Learn how to become a SUCCESSFUL STUDENT!

For more information on SI, visit us at CypressCollege.edu/supplemental-instruction or email us at LLRC@CypressCollege.edu
PHYS 223 C
General Physics III
Prerequisite: PHYS 221 C and MATH 150BC, with grades of C or better.
Advisory: MATH 250AC.
This calculus-based physics course is for students majoring in physics, chemistry, geology, engineering, mathematics, and related fields. This course may be taken before or after PHYS 222 C. Topics include waves, thermodynamics, optics, relativity, quantum mechanics, and atomic physics. Students require knowledge of differential and integral calculus.

POSC 100 C (continued)

POSC 100 C
United States Government
Transfer: CSU, UC Credit Limitation
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.
This course covers the political theories and practices of United States Government at national, state and local levels. Duplicate credit not granted for POSC 100HC.

HYBRID CLASS: The above hybrid course includes both online and Zoom instruction. Zoom meetings will be during the days and times identified in the schedule. To avoid being dropped, you MUST enter your e-mail address in MyGateway BEFORE enrolling in the class. For more information, go to https://www.cypresscollege.edu/academics/distance-education/

POLSC 210 C
Contemporary Political Issues
Transfer: UC/CSU
Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.
This course is an intensive study of contemporary issues associated with the concepts of democracy, federalism, separation of powers, and related topics.

<table>

This course meets via Zoom during the days and times identified in the schedule.
Psychiatric Technology

You must be accepted into the Psychiatric Technology Program prior to enrolling in any PT courses.

Are you interested in applying to the Psychiatric Technology Program?
Visit our website for details!

PT 090 C
Leadership Supervision and Ethics
.5 Units
Prerequisite: PT 130 C with a grade of C or better.
Corequisite: PT 135 C.
This course defines the leadership and supervisory roles of the mental health professional with focus on the ethical considerations surrounding work with persons diagnosed with intellectual disabilities and mental illness.
Non-degree credit
22020 300 12:30-1:20 P 3/22-5/21 Marquardt, Marcus Zoom
This course meets via Zoom during the days and times identified in the schedule.
Last day to add: Apr 6;
Last day to drop without “W”: Apr 6;
Last day to drop with “W”: May 7;
Last day to drop for refund: Mar 25.

PT 110 C
Nursing Science I
7 Units
Prerequisite: Acceptance into the Psychiatric Technology Program
This course introduces the basic principles and concepts of healthcare. Scientific principles of nursing care are introduced.
22160 200 7:00-12:20 P 1/25-3/19 Brown, Anthony Zoom
Not shown: 162 hours lab, TBA in a hospital/clinical setting. Course calendar will be provided at the first class meeting.
This course meets via Zoom during the days and times identified in the schedule.
Conditions permitting, this course may also meet on-site during the days and times identified in the schedule. Instructors will provide as much advance notice as possible about which days and times will be on-site.
Last day to add: Feb 2;
Last day to drop without “W”: Feb 2;
Last day to drop with “W”: Mar 8;
Last day to drop for refund: Jan 28.

Petitioning Closed Classes
Students may petition closed classes by opting for the Waitlist before the class begins or by attending the first class meeting. If a seat is available at the first class meeting, the instructor will issue the student an add code. The student must access myGateway and add the class, entering the add code when prompted. A student is not officially registered for a class (even if the instructor calls or writes names on the class roster) until the class has been added and fees have been paid through myGateway. Classes must be added by the deadline. Waitlist instructions can be found on the Waitlist page in the Class Schedule.
### Psychology

**PSY 101 C**  
*3 Units*

**Introduction to Psychology**

Transfer: CSU, UC Credit Limitation

**Advisory: Eligibility for ENGL 100 C or ENGL 101 C or ESL 110 C.** This course is a scientific consideration of the psychological foundations of behavior.

**Note:** Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

**THEA 147 C: Stage Makeup**

**Prerequisite:** Audition

This is an open entry/open exit course for students to obtain performance experience in theater. This course is open to student performers to fill in vacancies for a theater production. Concurrent enrollment in THEA 148 C through THEA 152 C is not allowed.

- **Pass/No Pass/Letter Grade Option**
- **Open Entry/Open Exit**

**THEA 148 C: Production Techniques I**

**Prerequisite:** Audition

This is an open entry/open exit course for students to obtain performance experience in theater. This course is open to student performers to fill in vacancies for a theater production. Concurrent enrollment in THEA 148 C through THEA 152 C is not allowed.

- **Pass/No Pass/Letter Grade Option**
- **Open Entry/Open Exit**

**THEA 151 C: Stage Crew III Costume/Makeup**

This course offers students practical experience as members of a costume and makeup crew for public theater performances.

**THEA 155 C: Production Techniques II**

This is an open entry/open exit class for students to obtain production experience in theater. It is open to student crew members to fill in vacancies for a theater department production. Concurrent enrollment in THEA 148 C through THEA 152 C is not allowed.

- **Pass/No Pass/Letter Grade Option**
- **Open Entry/Open Exit**

**THEA 160 C: Production Techniques III**

This course is for students to obtain production preparation experience in the theater.

- **Pass/No Pass/Letter Grade Option**
- **Open Entry/Open Exit**

**THEA 220 C: Acting IV**

**Prerequisite:** THEA 125 C with a grade of C or better.

Advisory: THEA 121 C or THEA 129 C.

In this course, students will develop and practice the skills required to perform plays that range from classical to contemporary plays. Admission to theater performances not to exceed $50.

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
THEA 233 C
Musical Theater Performance IV
Transfer: CSU, UC

Prerequisite: Audition.
Corequisite: THEA 149 C or THEA 150 C or THEA 151 C or THEA 152 C, with a grade of C or better.
The students will prepare and perform a work of musical theater for public performance focusing on script obligations, character relationship, external and internal focus techniques, performance style choices and physical expression character driven action.

THEA 234 C
Rehearsal Performance III
Transfer: CSU, UC

Prerequisite: Audition
Corequisite: THEA 149 C or THEA 150 C or THEA 151 C or THEA 152 C, with a grade of C or better.
This course covers the rehearsal and public performance of an ensemble production occurring in the Theater Department.

THEA 238 C
Rehearsal Performance IV
Transfer: CSU, UC

Prerequisite: Audition.
Corequisite: THEA 149 C or THEA 150 C or THEA 151 C or THEA 152 C, with a grade of C or better.
In this course, students will explore and develop the advanced skills required for performance goals.

THEA 247 C
Prosthetic Makeup
Transfer: CSU

Prerequisite: THEA 147 C with a grade of C or better.
In this course, students will explore the techniques of special effects makeup such as: foam latex appliances, appliances, wounds and burns, ventilated hair construction and bald cap application.

THEA 299 C
Theater Arts-Independent Study
Transfer: CSU, UC

Prerequisite: Approved Independent Study Learning Contract
This course is for students who wish to increase their knowledge of theater and/or theatrical practices through individual study or research. May be taken for credit 4 times.

CHANGES TO PRIORITY REGISTRATION
Due to recent changes to state law and regulations, registration priority is changing. To guarantee eligibility for Priority Enrollment, all New and Returning Students must meet ALL of the following requirements:
1. Complete the assessment process — math and English placement tests (or equivalent),
2. Attend an orientation session, and
3. Complete a one semester education plan in the orientation session.

Continuing and Returning Students must also be in good academic standing:
1. Have not been academically dismissed or on probationary status for two consecutive terms, and
2. Have completed 75% or more units with A, B, C, CR, and P
3. Have not earned more than 100 degree-applicable units at Cypress and Fullerton Colleges.
Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

## Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
Late-Start Classes Begin on or after February 8, 2021

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.
1 Prepare for success

Take the Distance Education Readiness Quiz. This free anonymous quiz will help you decide if you’re ready for the special demands of online and hybrid courses. These classes require computer, email, and Internet skills.

Talk to your counselor. A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

2 Choose the right class

Enroll in the course that best fits your needs. Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the Internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in myGateway before you register and add @CypressCollege.edu as a secure site (or on your white or trusted list) in your email program.

Online Courses have no in-person classroom instruction. All instruction is online, although some courses may have a few in-person meetings for proctored exams.

Hybrid Courses are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will be listed in the schedule of classes.

3 Get started today

Visit your instructor's home page. Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

GO TO The faculty directory at www.CypressCollege.edu/faculty-roster/

Due to the COVID-19 health emergency and possible continued social distancing restrictions, the delivery for most courses will be through remote instruction, which will require a computer and Internet access. Classes partially taught on campus will be noted in the schedule. In some cases, students will also be required to download our secure testing software, if required by their instructor. If this happens, students will be notified prior to the start of instruction. All student services remain available online.

ATTENDANCE
It is important that officially enrolled students attend the first class meeting of every course. Failure to attend the first class session may result in the instructor dropping the student from the class. Students should be especially careful not to accumulate excessive absences. Waitlist and non-waitlist students must attend the first day of instruction to be considered for an add code.

AUDITING COURSES
Currently enrolled students who wish to audit must have previously completed the course successfully the maximum times allowed at Cypress College. An audit form must be filed with the Admissions and Records Office. Students must petition to audit during the second week of the class. Enrolled students must pay $15 per unit, the health fee and other fees as required. For additional information, contact the Admissions and Records Office.

CALIFORNIA RESIDENCE REQUIREMENT
For tuition purposes, California Community Colleges are required to determine a student’s residency. California law states that residency is physical presence coupled with the intent to remain in California.

To qualify for residency status, a student must have been a California resident for one year and one day prior to the first day of instruction. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student. See the College Catalog and college website for residency information. Visit the Admissions and Records Office for additional details.

CHALLENGING PREREQUISITES, COREQUISITES, OR OTHER LIMITATIONS ON ENROLLMENT
Grounds for Challenge
Where a student is denied enrollment in a program or course on the grounds that the student does not meet a prerequisite or corequisite, or on the basis of other limitations on enrollment, the student may challenge such prerequisite, corequisite or limitation on one or more of the following grounds:

1. The prerequisite, corequisite or other limitation on enrollment has not been established in accordance with the district’s process for establishing prerequisites, corequisites and other limitations on enrollment;
2. The prerequisite, corequisite or other limitation on enrollment is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
3. The basis upon which the district has established an enrollment limitation does not in fact exist;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available by the college.

Burden of Proof
The student shall bear the burden of proof in demonstrating that grounds exist for the challenge.

1. In the case of a challenge under Grounds for Challenge number 4, the student shall provide evidence of knowledge and/or skills, by virtue of placement/assessment testing, academic coursework, independent learning, experience, or a combination of these which are at least equivalent to the knowledge and/or skills the student would have possessed had he or she successfully completed the prerequisite or corequisite.
2. In the case of a challenge under Grounds for Challenge number 5, the student shall provide evidence that the student has declared a broad educational intent or specific educational goal and has developed a Student Educational Plan in conformity with the provisions of Section 55530(d) of Subchapter 6 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

Challenge Procedure
Filing of Challenge
1. A challenge with respect to any prerequisite, corequisite or limitation on enrollment initiated pursuant to this policy shall be made upon the appropriate challenge form, which may be obtained from a counselor or the Office of Instruction.
2. The completed challenge form must be filed with the Office of Instruction in accordance with the following deadlines:
   a. for the Fall term, not earlier than Friday of the fifteenth week of the Spring semester and not later than the first day of instruction for the Fall semester;
   b. for the Spring term, not earlier than Friday of the twelfth week of the Fall semester and not later than the first day of instruction for the Spring semester;
   c. for the Summer Intersession, not earlier than the first Monday in May and not later than the first day of final examinations for the Spring semester.

In the case of a challenge under Grounds for Challenge number 4, the completed challenge form must be accompanied by appropriate evidence of skill or accomplishment such as placement/assessment results, transcripts from an accredited institution or appropriate foreign institution, work-related experience, or other evidence of relevant experience. To warrant consideration, any such evidence shall be of a clear and reliable nature.

CHANGE OF ADDRESS
Personal information change forms are available online at www.CypressCollege.edu and may be emailed to admissions@CypressCollege.edu with a picture of government-issued I.D. Students are expected to notify the Admissions and Records Office when their address, email and/or phone number changes. Personal information Change forms are available in the Admissions and Records Office and there is no charge for this form. Address and phone updates can also be made using myGateway. After logging into myGateway, this option is available under Personal Information on the student tab. The college is not responsible for any delay in communications sent to an outdated address or email that the student has not corrected.

CHANGE OF NAME
Personal information change forms are available online at www.CypressCollege.edu and may be emailed to admissions@CypressCollege.edu with a picture of government-issued I.D. Students that wish to change their name on official college records must obtain and file the Personal Information Change form in the Admissions and Records Office. Proof of a legal name change may be required and there is no fee for this form. When the name change is processed, it is recommended that a new student ID card should be purchased and a new picture taken at Photo ID in the Student Center.
CHILDREN ON THE CYPRESS COLLEGE CAMPUS

Introduction
Cypress College celebrates the presence of many children in the lives of our campus family and the college is committed to doing everything possible to ensure the health, safety and well being of all children.

Why do we need these guidelines?
The college manages its campus primarily for adults and is not held responsible for supervising children. Furthermore, students and faculty expect to be able to conduct their activities in an academic environment. Therefore, any parent or guardian who brings a child to Cypress College must adhere strictly to established guidelines. A parent or guardian can be any student, faculty or staff member, vendor, or campus visitor.

Who is a child?
For purposes of these child-protection guidelines, the term “child” applies to any person under the age of 18 who is not otherwise enrolled in a program or course at Cypress College, including programs/courses offered by the School of Continuing Education.

Guidelines to be followed:
• Children may not accompany parents or guardians to classes, labs or the worksite.
• “Arms-length supervision” by a parent or guardian is required at all times.
• Should a child become disruptive, both the parent or guardian and child may be asked to leave the campus.

CLASS CANCELLATIONS
Cypress College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COURSE NUMBERING
Courses completed at Cypress College, which are not designated as Non-Degree credit, will transfer to other community colleges. Courses numbered from 001 C–099 C are remedial, occupational and/or technical and designed in content and organization for students who do not intend to transfer for the Bachelor's degree. Courses numbered from 100 C–299 C (including Honors classes) have been certified by Cypress College as being of baccalaureate level for the school year and are transferable to any campus of the California State University system.

The transfer institution, however, will determine the extent to which a course satisfies the requirements of a particular degree program. Credit not otherwise applied shall be acceptable as general electives to the extent that the particular degree objective permits. Students who plan to transfer to any campus of the University of California or other university or college should check with a counselor and www.Assist.org for transferable courses since UC does not accept all courses numbered 100 C–299 C (including Honors classes).

COURSE PROGRESSION
Students are expected to take courses on an acceptable progressive basis. Students will not receive credit for classes which are considered lower in degree of advancement than those already taken.

COURSE REPETITION
As a general rule, a course in which a student has earned a grade of D, F, NC, NP, or W may be repeated twice. Students who have earned a grade of A, B, C, CR or P may repeat a course under extenuating circumstances. A Petition for Exception must be submitted to the Admissions and Records Office for approval prior to repeating a course; otherwise, students will be electronically blocked from registering or notified by mail that their enrollment in a course is in conflict with this policy.

EXAMINATIONS
Class instruction includes frequent examinations throughout the semester so that students can judge their progress. Final examinations are given on the last day of the class. The final examination is a requirement for each course. All students must take these examinations at the scheduled time and place. Any exceptions to the above policy will be made only after consultation with the division dean.

GRADES
Grades are available to be viewed online on myGateway. Grades are not mailed to students. Students may order official copies of transcripts via myGateway.

OPEN ENROLLMENT
It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the District, shall be fully open to enrollment and participation by any person who is eligible for admission to the college and who meets such prerequisites as may be established pursuant to the provisions of Title 5 of the California Administrative Code and the policy of the Board of Trustees of the North Orange County Community College District.

PASS/NO PASS OPTION (FORMERLY CREDIT/NO CREDIT OPTION)
If a full term course is listed in the Class Schedule as “PASS/NO PASS/LETTER GRADE OPTION,” a student wishing to take the course on a credit basis only must file a “Request for Pass/No Pass Grading Option” form with Admissions and Records by the end of the fifth week of the semester. The filing date for Summer, late start and short-term courses and open entry classes is by 30% of the class meetings. The decision to take a course on a P/NP basis is irreversible once the request has been submitted to the Admissions and Records Office. Refer to the College Catalog for more information or inquire at the Admissions and Records Office.

PRIVACY RELEASE
Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the North Orange County Community College District has established Board Policy 5040 — Student Records, Directory Information, and Privacy, which covers the release of student records. The College may make public, without prior student consent, only certain directory information. This information will consist of the student's name, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student. Students who wish to have this directory information further restricted may do so on the online college Application for Admission or by making the request in the Admissions and Records Office. Directory information will then be provided to only those individuals who have a written authorization from the student.

No other student information will be disclosed without prior student consent except to college officials and employees of the District with legitimate educational interests unless sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

A copy of this District policy is available on the District website, www.nocccd.edu.
TRANSCRIPT OF RECORD
Cypress College has partnered with Credentials, Inc. to provide transcript services via TranscriptsPlus®. This new service allows current and former students to request transcripts online and to choose from the following formats for delivery:

- EDI electronic transmission to participating colleges and universities
- PDF via email
- Hardcopy

Each transcript format reflects all academic work attempted at Cypress College. Chronologically, it lists all courses, units, grades, grade points, total units, a cumulative grade point average and other relevant academic data. The normal processing time for transcripts is 5–7 working days.

The cost of the transcripts is $5 per request. Expedited service for transcript processing is available for a $10 fee per request. Transcript request can be made online through myGateway or via TranscriptsPlus®:

https://www.credentials-inc.com/cgi-bin/dvcgitp.pgm?ALUMTRO0001193

All students are eligible to receive up to two free transcripts; however, the free-transcript option is available directly from the Admissions and Records Office. To request a free transcript, eligible students must make their request in writing and show photo ID. To release a transcript to a third party, students must submit an Authorization to Release Education Records to the Admissions and Records Office. The form can be obtained from the Admissions and Records Office or downloaded from the Admissions and Records webpage:

For additional information about TranscriptsPlus® and instructions on how to place an order, please access the transcript link on the Admissions and Records webpage:

http://www.CypressCollege.edu/admissions/admissionsandrecords

Or, for assistance placing an order, please contact the TranscriptsPlus® Customer Service Department at (847) 716-3005 between the hours of 7:00 am and 8:00 pm Monday through Thursday and between 7:00 am and 6:00 pm (CST/CDT) on Fridays.

VERIFICATION OF ENROLLMENT
Beginning Fall 2006, Cypress College authorized the National Student Clearinghouse (NSC) to provide degree and enrollment verifications on behalf of the college. NSC provides free, self-service enrollment certificates to students and adheres to the privacy mandates of FERPA (Family Education Rights and Privacy Act of 1974).

Students can request NSC enrollment verification certificates ten business days after the beginning of a term. Access NSC by logging onto www.CypressCollege.edu. Click on “Student Records” under student links. Choose Cypress College Enrollment Verification via National Student Clearinghouse and obtain an enrollment certificate. All other verifications will be charged $3 per request.

WITHDRAWAL OR DROP POLICY
While an instructor may drop a student who has poor attendance, it is the student’s responsibility to officially withdraw from a class. Students can drop classes by accessing myGateway during its posted hours. Failure to withdraw officially from a class can result in a substandard grade being posted on the student’s permanent record.

Semester Courses
First two weeks of the term — The student or the instructor may initiate a withdrawal. No notation shall be made on the student’s academic record. For exact dates refer to Important Dates in this Class Schedule.

Third week through twelfth week — The student or the instructor may initiate a withdrawal. A “W” shall be recorded on the student’s permanent record. For exact dates refer to Important Dates in this Class Schedule.

Short Courses
Refer to the comment line under the CRN of the class for withdrawal deadline dates. Every effort has been made to ensure the accuracy of these dates; however, they are subject to change without notice in order to comply with State accounting regulations.
Prohibition of Harassment

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment including but not limited to access to its services, classes, and programs in which no person shall be subjected to unlawful harassment and where such environment is free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment. It shall also be free of other unlawful harassment, including but not limited to harassment that is based on: ethnic group identification, national origin, religion, age, sex, gender, gender identification, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics. Students and employees who believe they have been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in Administrative Procedure 3410, Unlawful Discrimination.

The following person is designated by the North Orange County Community College District as the Responsible Officer for receiving and coordinating the investigation of all unlawful harassment complaints, including sexual harassment:

Name: Irma Ramos
Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Title IX and Civil Rights Grievances

NON DISCRIMINATION STATEMENT

The policy of the North Orange County Community College District is to provide an educational, employment, and business environment, including but not limited to, access to its services, classes and programs in which no person shall be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination on the basis of gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or as otherwise prohibited by state and federal statutes, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The following person is designated by the North Orange County Community College District as the Responsible Officer/Section 504 and Title IX Coordinator for receiving and coordinating the investigation of all unlawful discrimination complaints filed pursuant to section 59328 of Title 5 of the California Code of Regulations, and for coordinating compliance with section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1992, and response to discrimination complaints related thereto:

Position: Vice Chancellor, Human Resources
Address: 1830 W. Romneya Drive
Anaheim, CA 92801-1819
Telephone: (714) 808-4826

Students, employees, interns and volunteers who believe they have been subjected to unlawful discrimination, including sexual harassment, or who seek information regarding the District’s Unlawful Discrimination Policy should contact the Office of the Vice Chancellor, Human Resources.

Victims of Sexual Assault

Students who are victims of sexual assault occurring on District property or on an off-campus site or facility maintained by the District, or who seek information or assistance regarding a sexual assault, should contact the campus Director of Health Services at (714) 484-7361 or the Director of Campus Public Safety at (714) 484-7455. Except as may otherwise be required by law, all inquiries will be maintained in confidence. Victims of sexual assault should immediately report the incident to the Campus Safety Department, Cypress Police Department and the campus Title IX officer. The Title IX Officer for the campus is the Executive Vice President of Educational Programs & Support Services (714) 484-7330. The Title IX Officer for the District is the Vice Chancellor of Human Resources (714) 808-4826.

Student Right to Know Campus Security Act

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the North Orange County Community College District and Cypress College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 2001, all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cypress College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 33% attained a certificate, degree or became “transfer prepared” during a three-year period (fall, 2013, to spring, 2016). Students who are “transfer-prepared” have completed 60 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 15% transferred to another postsecondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate or becoming “transfer prepared” during a five-semester period (spring, 2014 to spring, 2016).

More detailed information related to the reporting of criminal actions which have occurred on campus may be obtained from the President’s Office, Public Safety, Admissions and Records, Financial Aid, Bursar’s Office, Student Activities, Library and the website.
BOOKSTORE
All textbooks and supplies will be available for purchase in the bookstore at least two weeks before each semester or mid-semester class begins. The Cypress College Bookstore also offers special orders for those books that students cannot find in area stores. Visit our website at http://www.CypressCollegeShop.com to rent or purchase textbooks online. Textbook purchases can be picked up or delivered for a nominal fee. See website for more details. Cypress College Bookstore gift cards are now available for customer convenience. The gift cards are rechargeable and are good for any purchases within the Bookstore. Students may sell their textbooks and certain workbooks back to the bookstore throughout the semester.

CALL OR VERIFY HOURS ONLINE BEFORE YOU VISIT.

Bursar’s Office
The Bursar’s Office processes registration payments and registration refunds, accepts deposits and processes requests for expenditures for a variety of areas on campus including Associated Students and all campus clubs, and monitors campus fundraising activities. This office is also responsible for disbursement of scholarship funds. The Bursar’s Office is located on the first floor of the Student Center. For information, call (714) 484-7317.

Normal Hours of Operation:
MON–THU 8:00 am– 5:00 pm
FRI 8:00 am–12:00 pm
**CalWORKs (California Work Opportunity and Responsibility to Kids)**
The CalWORKs program provides services to Cypress College students who are on public assistance. Through the CalWORKs program, students may be eligible for paid work study opportunities; Child care; academic guidance and counseling; ancillary funds for books and supplies; Work activity progress report form completion; Communication assistance with the Department of Social Services; Workshops to enhance living skills; Networking activities. Staff are not employed by the Social Services Agency (SSA). They are employed by the North Orange County Community College District as advocates of self-sufficiency through education for our students. If you are attending Cypress College and receiving public assistance, please contact the CalWORKs office at (714) 484-7237. The office is located in the Cypress College Complex on the second floor in room 201.

**Normal Hours of Operation:**
- **MON–THU:** 8:00 am–6:00 pm
- **FRI:** 8:00 am–5:00 pm

**CAMPUS SAFETY**
The Campus Lost and Found Center will hold items for 90 days. Students should attempt to recover lost items in the area where they believe they were lost, and then check the Lost and Found Center in the Campus Safety Office, located on the first floor of the Business Building, (714) 484-7387.

**Normal Hours of Operation:**
- **MON–FRI:** 8:00 am–5:00 pm

**CARE (COOPERATIVE AGENCIES RESOURCES IN EDUCATION)**
The CARE (Cooperative Agencies Resources for Education) program provides additional services and grants to eligible EOPS single parents who are on public assistance. Through CARE, eligible EOPS students receive supplemental educational support services, such as counseling and advisement; group support; peer networking; information and referrals to campus and community-based services or agencies; networking activities specifically designed for low-income single parents; and workshops on topics including self-esteem, parenting, study skills, and time management. Grants, bus passes and school supplies; transportation costs and other educational support are provided to enhance the retention, persistence, graduation and transfer rates of these highly motivated students.

If you are a single parent and interested in receiving benefits available to you, please call (714) 484-7368. The office is located in the Cypress College Complex on the second floor in room 201.

**Normal Hours of Operation:**
- **MON–THU:** 8:00 am–6:00 pm
- **FRI:** 8:00 am–5:00 pm

**CAREER PLANNING CENTER**
The Career Planning Center (CPC) offers services designed to assist students and the general public to move forward with confidence, new skills, and strategies for success. Visit the Career Planning Center to discover your career-related interests, values, strengths, skills and personality; explore occupations, majors and schools; research career options; make career and college decisions; and improve your job-search skills, strategies and preparation. The CPC offers one-on-one counseling to help you select college majors, explore occupational possibilities, and discover career goals. Also available are career classes, career assessments, student success workshops, a research library, and career-related software programs. The Career Planning Center is located on the second floor of the Student Center, Bldg #19. For information call (714) 484-7120. www.CypressCollege.edu/services/cpc.

**Virtual Normal Hours of Operation:**
- **MON–THU:** 8:00 am–6:00 pm
- **FRI:** 8:00 am–5:00 pm

**CENTER FOR INTERCULTURAL UNDERSTANDING**
The Center for Intercultural Understanding (CIU) was formed to coordinate the programs of International Students and Multicultural Issues. The mission is to enrich our learning community through intercultural understanding. The goals of the CIU are:
1. celebrate diversity
2. promote human relations
3. disseminate information
4. provide a forum for dialogue
5. build community relations
6. support globalization/internationalization of curriculum

Please call for information (714) 484-7049.

**DISABILITY SUPPORT SERVICES (DSS)**
Disability Support Services are available to students with verified disabilities. Typical services include counseling, registration assistance, test-taking assistance, note-takers, interpreters, adapted equipment, adapted computer services and selected educational assistance classes. The High Tech Center is also available to assist students with assistive technology needs. DSS is located on the first floor of the Cypress College Complex. Please call (714) 484-7104 or video phone at (657) 777-4208 for more information.

**Virtual Normal Hours of Operation:**
- **MON–THU:** 8:00 am–6:00 pm
- **FRI:** 8:00 am–5:00 pm

**ENGLISH SUCCESS CENTER (ESC)**
Staffed by faculty from the English, Reading, and ESL Departments, as well as tutors, the English Success Center (located in LLRC-126) offers students a variety of faculty-designed workshops and directed learning activities aimed at improving reading and writing skills. Students can also drop in if they have a question about a writing assignment, want to meet with a tutor, or need a computer to work on English homework. To contact the ESC please call (714) 484-7322.

**Normal Hours of Operation:**
- **MON–THU:** 9:00 am–7:00 pm
- **FRI:** 9:00 am–2:00 pm

**EXPRESSION COUNSELING**
The College maintains a complete guidance service. Counselors assist students in planning a program of courses and are available to help in other matters affecting the student’s progress in college. Appointments may be scheduled to ensure that the student receives maximum benefit from their counseling service. The Counseling Center is located on the second floor of the Student Center. Online counseling is available daily in Express Counseling or appointments can be made by calling (714) 484-7015.

**Normal Hours of Operation:**
- **MON–THU:** 8:00 am–6:00 pm
- **FRI:** 8:00 am–5:00 pm

**EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)**
Extended Opportunity Programs and Services (EOPS) is a state and college funded program designed to assist students with economic, linguistic, and educational challenges (as defined by Title 5) enroll and succeed in higher education. Comprehensive support services are provided to promote access to college and once the student is enrolled, to increase retention and/or transfer to four-year universities and colleges. These services include:
- Application Assistance
- Orientation to EOPS
- Transfer Services
- Textbook Services
- Priority Registration
- Specialized Counseling and Advisement Services
- Educational Supplies
- EOPS Computer Lab
- University Application Fee Waivers
- Enhanced Tutoring Services
- Transfer Readiness Workshops

During the campus closure as a result of COVID-19, these services are available remotely via our website.
The CARE (Cooperative Agencies Resources in Education) program provides additional services and grants to eligible single parents who are on public assistance.

The EOPS and CARE staff are composed of dedicated professionals and student workers who are committed to seeing you succeed in college. Services are free of charge to EOPS eligible Cypress College students. To find out if you are eligible and to apply for EOPS or CARE, visit our office in the Cypress College Complex, 2nd floor, or call us at (714) 484-7368.

Normal Hours of Operation:
MON–THU 8:00 am—6:00 pm
FRI 8:00 am—5:00 pm

FINANCIAL AID
Student financial aid is available through the college for students who need financial assistance in order to pursue their college education. Students are encouraged to contact the Financial Aid Office located in the Cypress College Complex, 1st floor, Room 120 or call (714) 484-7114 or visit us online at www.CypressCollege.edu/financial-aid to obtain information and the required forms to receive financial assistance.

FOUNDATION/SCHOLARSHIPS
In addition to supporting various programs and projects on campus, the Cypress College Foundation awards $400,000 in scholarships to over 600 students each year. Normally, applications are available at the Foundation office in December and are due back in early February. Student book loans and emergency assistance are also available.

Normal Hours of Operation:
MON–FRI 8:00 am—5:00 pm

GUARDIAN SCHOLARS
Guardian Scholars is a program committed to supporting ambitious college bound current and former foster youth. Program benefits include assistance in priority registration; personal and academic counseling; completing college entrance forms; Financial Aid application assistance, mentoring opportunities, friendship and support. Our program collaborates with Orangewood Children’s Foundation and other human service agencies.

If you are a current or former foster youth and interested in receiving benefits available to you, contact our office at (714) 484-7238. The office is located in the Cypress College Complex on the second floor in the EOPS office, Room 201.

Normal Hours of Operation:
MON–THU 8:00 am—6:00 pm
FRI 8:00 am—5:00 pm

HEALTH SERVICES
The Student Health Center exists to promote physical and emotional wellness, prevent illness and injury, provide basic outpatient health services, and to educate students toward taking responsibility for their own health.

There is no charge to see Mental Health Counselor, Nurses, Nurse Practitioner, or Physician. Nominal fees may be assessed for lab tests, immunizations, medications, and special exam procedures. Appointments are recommended to see the health care provider. Emergencies are triaged immediately.

All students are covered by an accident insurance policy, which provides coverage for accidents while on campus during required attendance and while using college-sponsored transportation to and from college activities (private insurance is primary). The health fee is not health insurance, please refer to the Health Center website for more information.

To make use of health services or to get further information stop by the Health Center located on the first floor of the Gym II Building “under the blue awning.” Visit the website or call (714) 484-7361.

Normal Hours of Operation:
MON–THU 8:00 am—6:00 pm
FRI 8:00 am—12:00 pm

INTERNATIONAL STUDENTS PROGRAM
Cypress College welcomes applications for its International Student Program. One of the goals of the program is to provide positive educational opportunities for students in an effort to improve the global community. The staff offers assistance with academic advisement, registration into classes and orienting students to living in Southern California.

Only persons who qualify for F-1 student visa are eligible for admission. Deadlines for the acceptance of applications from international students are July 1 for the fall semester and December 1 for the spring semester.

Applications are available in the program office, which is located in Building 11, Gym 2, Room 204 or visit our website at www.CypressCollege.edu and link to International Students.

Normal Hours of Operation:
MON–THU 8:00 am—6:00 pm
FRI 8:00 am—5:00 pm

COVID 19
During the campus closure as a result of COVID-19, these services are available remotely via our website.
LEARNING RESOURCE CENTER (LRC)

Located on the first floor of the Library/Learning Resource Center (LLRC), the Learning Resource Center includes a Computer Commons (open computer lab), a Language Lab (Room 126), the English Success Center (Room 126) and a Math Learning Center (Room 127). FREE tutoring is available for Cypress College students. Tutors in math, sciences, and other subjects are also available. Call (714) 484-7183 or stop in for information.

The Computer Commons provides nearly 100 computers with access to the internet, and Microsoft applications to complete classroom assignments. Power ports and wireless connectivity are provided for students with personal laptop computers or PDAs. Students may print in color or black and white, and a photocopier is also available. The Math/Science Learning Center (Room 127) is staffed by faculty and peer tutors, offering assistance in solving math problems or understanding math concepts. Call (714) 484-7193 for information.

Normal Hours of Operation:
MON–THU 9:00 am— 7:00 pm
FRI 9:00 am— 2:00 pm
SAT, SUN & HOLIDAYS CLOSED

LIBRARY

The library (located on the second floor of the Library/Learning Resource Building) maintains a collection of approximately 68,000 books, periodical subscriptions as well as CDs and DVDs. Students may access the internet, the library catalog and the extensive full-text journal and newspaper article databases, such as ProQuest, EBSCoHost, and the TILT academic research program via twenty-four internet stations located in the Reference area. Remote access is available from any internet computer by linking to the library home page and from off-campus with a User ID and password. The library also maintains a textbook reserve collection for students who may need access for a limited time inside the library.

In addition, available resources include individual study spaces, group study rooms, photocopiers, various listening and viewing stations and the ability to text or chat with a reference librarian via a mobile device or the library home page. To contact the library please call (714) 484-7125.

Normal Hours of Operation:
MON–THU 7:30 am— 9:00 pm
FRI 7:30 am— 1:00 pm
SAT, SUN & HOLIDAYS CLOSED

MATH LEARNING CENTER (MLC)

Students will find instructors and qualified tutors available for assistance in solving mathematical problems or in understanding mathematical concepts in the Math Learning Center, located on the first floor, in room 127 of the Library/Learning Resource Center. The center also offers students a variety of faculty-designed workshops and directed learning activities aimed at improving Math skills. For more information or help please call (714) 484-7151.

Normal Hours of Operation:
MON–THU 8:00 am— 8:00 pm
FRI 10:00 am— 3:00 pm

STUDENT ACTIVITIES

Normal Hours of Operation:
Student Activities Center MON–THU 8:00 am— 6:00 pm
Office FRI 8:00 am— 4:00 pm

STUDENT CENTER

Normal Hours of Operation:
Photo ID MON–THU 8:00 am— 6:00 pm
FRI 8:00 am— 12:00 pm

STUDENT EQUITY AND ACHIEVEMENT PROGRAM

The mission of the Student Equity and Achievement Program is to increase student access and success by providing effective core services such as orientation, assessment and placement, counseling, academic advising, and early intervention to foster student success. Effective fall 2014, all new students are required to complete the Assessment process, Orientation, Counseling and have at least a one semester Educational Plan to be eligible for enhanced Registration.

Please call for any additional information (714) 484-7097.

Normal Hours of Operation:
MON–FRI 8:00 am— 5:00 pm

TRANSFER CENTER

The Transfer Center assists students interested in continuing their education at four-year institutions. Students are offered opportunities to meet with representatives from four-year schools for academic advisement, application workshops, and transfer information fairs. Students can access transfer resources including college catalogs, articulation agreements, reference books, degree major programs, and university admission requirements. The Transfer Center is located on the second floor of the Student Center. Please call for any additional information (714) 484-7129.

Virtual Normal Hours of Operation:
MON–THU 8:00 am— 6:00 pm
FRI 8:00 am— 5:00 pm

Check our website for more information and up-to-date college visitation details: www.CypressCollege.edu/services/transfer.

VETERANS BENEFITS

Cypress College is approved as a degree-granting institution for the attendance of veterans under Title 38, United States Code. This includes the programs covered in Chapters 1606, 30, 31, 33 and 35. The College is also approved to participate in the Cal-Vet Fee Waiver program.

Veterans who plan to enroll in Cypress College and need more information regarding their educational benefits or priority registration should contact the Veterans Resource Center at (714) 484-7150. The Veterans Resource Center is located on the second floor of the Cypress College Complex.

The Veterans Resource Center works closely with Admissions and Records, Academic Counseling, Financial Aid, and various Veteran agencies to provide the Veteran with services contributing to a successful educational experience.

For information regarding:
- Priority Registration
- In house tutoring/Vet to Vet tutoring
- Computer access
- UsVets “Outside the Wire” program
- Academic Counseling
- Cypress College Veterans Organization
- CalVet Fee Waiver program
- Educational Benefits
- Mentorship Program

Phone (714) 484-7150

Hours of Operation for Fall and Spring:
MON–THU 8:00 am— 6:00 pm
FRI 8:00 am— 12:00 pm
# CYPRESS COLLEGE NATIVE (LOCAL) GENERAL EDUCATION REQUIREMENTS

## Associate Degree Requirements:
Includes fulfillment of both the cultural diversity and reading requirements, major course-work toward an occupational degree (AA or AS), completion of 60 degree eligible units with a minimum grade point average of 2.0 and satisfaction of a minimum of 25-unit general education requirement as described in the following list. Courses taken for general education must be on the native AA/AS General Education list at the time they are taken. Students should check with their counselor in planning completion of General Education requirements.

**READING PROFICIENCY**

One of the following:

- Graduation Reading Requirement:
  - Proficiency in reading may be satisfied by one of the following:
    - 1) Completion of a degree (AA/AS or higher) from a US regionally accredited college or university.
    - 2) A Cypress College placement test score indicating proficiency has been met or passing the Cypress College reading proficiency test (CTEP 60 or Nelson-Deny 225) prior to Fall 2019.
    - 3) A passing grade of "C" or better in ENGL 096 C or ENGL 102 C or a comparable course from a regionally accredited college or university.
    - 4) A passing grade of "C" or better in any course in the Cypress College IGETC (1B); or Cypress College CSU GE (A3) Critical Thinking category or a comparable course from a regionally accredited college or university.

See a counselor for details.

**LEGEND**

- The Mathematics requirement can also be met by passing a Mathematics Proficiency Examination. Refer to the schedule of classes for time and date of administration of the examination.
- Also meets Reading Proficiency requirement for graduation.
- Also meets Social Justice, Equity and Sustainability requirement for graduation.
- Course may be used to satisfy requirements for one area only.
- Duplicate credit not granted for the same cross listed courses, nor for non-honors and honors classes.

**NOTE:** Underlining indicates a course is no longer offered at Cypress College.
In order to receive General Education credit, the course must be on the official approved list at the time the course is taken. Please see a counselor to determine your catalog rights and the applicability of courses completed.
CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH REQUIREMENTS

39 Units Required

<table>
<thead>
<tr>
<th>Major</th>
<th>Transfer To:</th>
<th>Counselor:</th>
</tr>
</thead>
</table>

Certification of General Education Requirements for CSU: Students planning to graduate from one of the campuses of the California State University must complete a minimum of 48 semester units in General Education breadth courses. Cypress College is permitted to certify completion of the lower division 39-unit general education requirement (a minimum of 9 units of General Education coursework must be completed at the upper division level after transfer). To meet general education requirements and obtain certification, students must complete the pattern of courses in the categories listed. Please see the current catalog for additional information on CSU-GE Partial Certification. Certification is not automatic. Students must apply for GE certification or be pursuing the CSU GE Certificate of Achievement through the Admissions and Records Office by the published deadline during the semester in which requirements will be completed or thereafter. The course must be on the list when it is taken in order to be certified. Students should refer to the legend below or the Cypress College CSU GE-Breadth Certification List on www.assist.org to verify that a course was valid when it was taken.

Disclaimer: Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website @ www.assist.org

### CYPRESS COLLEGE

**2020-2021**

**IGETC REQUIREMENTS**

(UNIVERSITY OF CALIFORNIA & CALIFORNIA STATE UNIVERSITY)

| Student’s Name: | Transfer To: | Counselor: | Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Cypress College to a 2-year college or University of California or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. However, students approaching readiness for transfer who are unable to complete one or two IGETC courses that are not required for admission to the university may request to complete IGETC after transferring. A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area. Completion of IGETC is NOT an admission requirement to CSU or UC. It is NOT advisable for students who are pursuing majors that require extensive lower division preparation, such as engineering, to follow IGETC. Confer with your counselor regarding these requirements. Students must apply for IGETC certification or the IGETC Certificate of Achievement in Admissions and Records. All courses must be completed with grades of “C” or better. Courses must be at least 3 semester or 4 quarter units in order to meet IGETC requirements. Courses must be on the college’s approved IGETC list at the time the course was completed. | Date: |

(Check boxes accordingly) **LEGEND:** C = Completed, IP = In Progress, R = Remaining

#### AREA 1 – ENGLISH COMMUNICATION

</table>

### AREA 6A – LANGUAGE OTHER THAN ENGLISH (LOTE): UC requirement only

**REQUIREMENT:** Complete one of the following:

1. Complete 2 years of high school course work in a language other than English (in the same language) with a grade of "C" or better.
2. Complete course 102C (102HC) or higher level in a foreign language at Cypress College or equivalent courses at another college or university.
3. Completion with "C" or better of 2 years of formal schooling at the 4th grade level or higher at an institution where the language of instruction is not English. Students unable to provide documentation need to have passed one of the exams listed below or take the appropriate college course(s).
4. Earn the appropriate score on the SAT II Subject Test in languages other than English. See a counselor for score requirements.
5. Earn a score of 3 or higher on the Advanced Placement Language Other than English Test.
6. Earn a score of 5 or higher on the International Baccalaureate Higher Level Exam in a language other than English.
7. Satisfactory completion of an achievement test administered by a community college, university, or college in a language other than English. This test will have to assess the student’s proficiency at the level equivalent to two years of high school language.
8. Earn an A, B, or C on Language Other than English "O" level exam.
9. Earn a score of 5, 6, or 7 on Language Other than English International "A" Level Exam.
10. Earn a "C" or better in a Defense Language Institute course.

**Cypress College courses that meet the proficiency level:**

- CHIN 102C, 204C(F20)
- FREN 102C, 203C, 204C
- JAPN 102C, 203C(F09), 204C(F95)
- PORT 102C(S06)
- SPAN 102C (102HC), 201C, 202C, 203C, 204C

**Note:** A higher-level language course can be used to meet language proficiency. Examples: FREN 203C or SPAN 202C. Students completing such courses will satisfy both the 3B Area and validate the proficiency level requirement. These courses are identified in the 3B Area as (LOTE).

### CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION, AND AMERICAN IDEALS

(Not part of IGETC, may be completed prior to transfer) (6 semester units, one course from Group A and one course from Group B)

- **Group A (US-2): U.S. Constitution & Government:**
  - POSC 100C(100HC), 101C

- **Group B (US-1): U.S. History:**
  - ETHS 101C(F94)(formerly 100C)(101HC)(formerly 100HC), 130C, 131C, 152C=F16, 160C, 161C=F20
  - HIST 107C (170HC), 171C (171HC), 190C(formerly 162AC), 191C(formerly 162BC)

**Note:** Double Counting is allowed for this requirement with only 1 G.E. category. The CSU US History, Constitution, and American Ideals (All) graduation requirement is not part of IGETC. Since requirements vary, it is advisable to check the catalog of the UC campus to which the student intends to transfer. See Counselor if American Government is Completed OUT-OF STATE.

### LEGEND

- + Check with counselor for credit limitations for applicable courses in these departments: BIOL, CHEM, DANCE, ECON, GEOL, MATH, PHOT, PHYS, PSYCH, SOC and THEA. Specific credit limitation information is available at www.assist.org.
- * Note: Certain majors require specific Mathematics course(s). See a Counselor for details.
- ◊ Course may be used to satisfy requirements for one area only.
- □ The class also may be used to satisfy the Cypress College Associates Degree Cultural Diversity requirement.
- ♦ Duplicate credit not granted for the same cross-listed courses nor for non-honors and honors classes.
- ∧ See CSU graduation requirement in U.S. History, Constitution, and American Ideals.
- **NOTE:** Underlining indicates a course is no longer offered at Cypress College. The notations reflected after classes represent either the time a class was approved or ended.

Please check the IGETC Certification list on www.assist.org and confer with a counselor for more information and to discuss your major requirements. See the Cypress College Catalog for information on how to receive an IGETC Certificate of Achievement upon completion of this pattern.

CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST
(Education Code section 68130.5, commonly known as AB 540
Effective Jan. 1, 2018)

INSTRUCTIONS
Complete and sign this form to request exemption from nonresident tuition charged to nonresident students. Once determined to be eligible, you will continue to receive the exemption as long as you fulfill eligibility requirements or until the College or University no longer offers this exemption. Applying for this exemption does not alter your responsibility to pay, by the campus deadline, any nonresident tuition and associated fees that may be due before your eligibility is determined.

APPLICATION
Name___________________________ College Student ID: ____________________________

I, the undersigned, am applying for the California Nonresident Tuition Exemption at (specify the College) ____________ and declare that the following apply to me. __________________________

1.) Check one box only:
   ☐ I have a current nonimmigrant visa (not including a T and U visa) as defined by federal law. 
   Nonimmigrants have been admitted to the U.S. on a temporary visa and include, but are not limited to, foreign students (holding F visas) and exchange visitors (holding J visas).

   ☐ I have a current nonimmigrant T or U visa as defined by federal law.

   ☐ I do NOT have a current, nonimmigrant visa as defined by federal law.
   This includes, among others, U.S. citizens, permanent residents, DACA recipients, and individuals without current or valid immigration status.

2.) Select all items that apply to you from each column (must satisfy at least one from each column to be eligible):

<table>
<thead>
<tr>
<th>Column A</th>
<th>Column B</th>
</tr>
</thead>
<tbody>
<tr>
<td>☐ I have 3 years of attendance at a California high school.</td>
<td>☐ I have graduated or will graduate (before the first term of enrollment at the CCC) with a California high school diploma or the equivalent (i.e., California-issued GED, CHSPE).</td>
</tr>
<tr>
<td>☐ I have 3 or more years of high school coursework and 3 years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.</td>
<td>☐ I completed or will complete (before the first term of enrollment at the CCC) an associate’s degree from a California Community College.</td>
</tr>
<tr>
<td>☐ I attended or attained credits at a combination of California high school, California adult school, and/or California Community College for the equivalent of (3) years or more.*</td>
<td>☐ I completed or will complete (before the first term of enrollment at the CCC) the minimum requirements at a California Community College for transfer to the California State University.</td>
</tr>
</tbody>
</table>

*A year’s equivalence at a California Community College is either a minimum of 24 semester units of credit or 36 quarter units. Only two (2) years of full-time attendance in credit courses at a California Community College will count.

Revised February 26, 2020
toward the three (3) or more years of attendance. For noncredit courses, a year’s attendance is a minimum of 420 class hours per year (a semester is equivalent to a minimum of 210 hours and a quarter is equivalent to a minimum of 140 hours). Full-time attendance at a California adult school is a minimum of 420 hours of attendance for each school year.

Please provide information on the schools you attended and referenced above, including the dates you attended and the number of credits or hours obtained:

<table>
<thead>
<tr>
<th>Name of CA School</th>
<th>Type of School (high school, adult school or community college)</th>
<th>City</th>
<th>From (Month/Year)</th>
<th>To (Month/Year)</th>
<th>Number of Credits or Hours</th>

Applicants must submit, as part of this form, official transcripts/attendance records that validate any of the information above as requested by the College, District, or University residence official.

**AFFIDAVIT:**

By signing this document below, I hereby state that if I am a non-citizen without a current or valid immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so.

**DECLARATION OF TRUE AND ACCURATE INFORMATION:**

I, the undersigned, declare under penalty of perjury that the information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the California Nonresident Tuition Exemption. I further understand that if any of the above information is found to be false, I will be liable for payment of all nonresident tuition charges from which I was exempted and may be subject to disciplinary action by the College or University.
