

Office of the President

Thursday, September 2, 2021

Dear Students:

As we shared with you last week, in order to provide for a safe learning environment for students and employees, the North Orange County Community College District Board of Trustees has voted to mandate COVID-19 vaccinations. We are aware this has created a lot of questions and perhaps some concerns, so we will be updating you regularly in order to provide the latest information on what you can expect. Today, we have additional details to share.

The NOCCCD vaccine mandate is for all students enrolled in on-campus classes, with allowances for religious or medical exemptions as defined by law.

**Employees and students must be fully vaccinated by November 1, 2021.**

We know you have many questions, which we have attempted to answer in the linked PDF.

We will continue to update you on our free vaccination clinics on campus and in the coming weeks we will be hosting a student and employee Town Hall with health professionals to answer questions about COVID-19, vaccination safety, and your health and wellbeing.

We care about you, your safety, and the health and wellbeing of our entire campus community. Thank you for working together to beat this virus and ensure a return to all the things we most love about Cypress College, and in our personal and professional lives.

Buen Cypress, We Take This Journey Together,

JoAnna Schilling, Ph.D.  
President, Cypress College
