

Student Agreement Form

By initialing each point and signing below, I am declaring I understand what is required of me, and I agree to **Participate**, **Communicate**, and **Complete** all program activities to remain a member in good standing of the Legacy Program. Therefore, I will:

Participate:

- _____ **Participate** in all activities during both semesters of this year-long program.
I will take all classes, attend all events, and fulfill all my responsibilities as a student in the Legacy Program.
- _____ **Participate** in Legacy Program extracurricular activities.
I understand every part of the Legacy Program is designed to help me achieve success as a first year college student. Therefore, I will participate in all extracurricular activities listed on my Legacy Program calendar for the 2015 – 2016 academic year.

Communicate:

- _____ **Meet** with my mentor at least once a month at a time on which we both agree.
I understand the importance of connecting with someone on a regular basis (even when there are no problems to discuss), because it helps to develop a strong relationship and ensures I have a strong support system in place to help when things get tough.
- _____ **Notify** my mentor regarding my academic progress.
Even when I am doing well, it is important to talk to my mentor about my classes. My mentor can help me to “work smarter, not harder” no matter how well I am doing in my classes.
- _____ **Communicate** with my instructors, mentor, and/or counselors as soon as I realize I am having difficulty in a course.
As soon as I earn a test or quiz score lower than the one before it, get behind in homework or reading, or as soon as I feel like I have too much schoolwork to complete, I need to talk to someone, anyone, everyone! My instructors, mentors, and counselors will help me get back on track and work to successfully complete my classes.

Complete:

- _____ **Submit** a completed Student Educational Plan (SEP) by the end of the semester in my Counseling 150 course.
Not only is this one of the major assignments of the course, but it also serves as my roadmap to academic and transfer success.
- _____ **Complete** all classes that are part of this program:
Fall: English 60 and Counseling 150
Spring: English 100, Counseling 160, Ethnic Studies 129, and a Mathematics course
