INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)  
UNIVERSITY OF CALIFORNIA & CALIFORNIA STATE UNIVERSITY

Student's Name \_\_\_\_\_ ID # @ \_\_\_\_\_ Date \_\_\_\_\_

Major \_\_\_\_\_ Transfer To \_\_\_\_\_ Counselor \_\_\_\_\_

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Cypress College to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. However, students approaching readiness for transfer who, for **good cause**, are unable to complete one or two IGETC courses that are not required for admission to the university may be eligible to complete IGETC after transferring. Transfer students may also fulfill general education requirements that are specific to the school or campus to which they intend to transfer. Completion of **IGETC is NOT an admission requirement to CSU or UC**. It is **NOT** advisable for students who are pursuing majors that require extensive lower division preparation, such as engineering, to follow IGETC. Confer with your counselor regarding these requirements.

Students must apply for IGETC certification in Admissions and Records. All courses must be completed with grades of "C" or better. Courses must be at least 3 semester or 4 quarter units in order to meet IGETC requirements. Course must be on the college's approved IGETC list at the time the course was completed.
