CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH REQUIREMENTS 39 Units Required

Student's Name: _____ ID#: @ _____ Date: _____

Major: _____ Transfer To: _____ Counselor: _____

Certification of General Education Requirements for CSU: Students planning to graduate from one of the campuses of the California State University must complete a minimum of 48 semester units in General Education breadth courses. Cypress College is permitted to certify completion of the lower division 39-unit general education requirement (a minimum of 9 units of General Education coursework must be completed at the upper division level after transfer). To meet general education requirements and obtain certification, students must complete the pattern of courses in the categories listed. Please see the current catalog for additional information on CSU-GE Partial Certification.) Certification is not automatic. Students must apply for GE certification or be pursuing the CSU GE Certificate of Achievement through the Admissions and Records Office by the published deadline during the semester in which requirements will be completed or thereafter. The course must be on the list when it is taken in order to be certified. Students should refer to the legend below or the Cypress College CSU GE-Breadth Certification List on www.assist.org to verify that a course was valid when it was taken. **A course or sequence of courses used to satisfy a requirement in one area may not be used to satisfy a requirement in another area.** Some universities will not allow students to count courses in their major field as part of general education. Check with a counselor and review the university catalog for further clarification.

	LEGEND				
	* Note: Certain majors require specific Mathematics course(s). See a Counselor for details. ◊ Course may be used to satisfy requirements for one area only. ∞ The class also may be used to satisfy the Cypress College Associates Degree Cultural Diversity requirement. ◻ Duplicate credit not granted for the same cross-listed courses nor for non-honors and honors classes. ^ See CSU graduation requirement in U.S. History, Constitution, and American Ideals.				
	NOTE: Underlining indicates a course is no longer offered at Cypress College. Students may still receive credit, as long as a course was on the official approved list in that category at the time it was taken. The notations reflected after classes represent either the time a class was approved or ended, or that the class is pending approval.				

Please check the CSU-GE Breadth Certification list on www.assist.org and confer with a counselor for more information and to discuss your major requirements. See the Cypress College Catalog for information on how to receive a CSU GE Certificate of Achievement upon completion of this pattern.
